

Hong Kong Intellectual Property Journal publishing time and format

The Hong Kong Intellectual Property Journal is published every Friday around 3pm. We will improve the publication process to have it published before noon.

We have compiled a template of the future Hong Kong Intellectual Property Journal, incorporating the notices of the Patent and Design registries. We welcome comment and suggestion on the layout and particulars. Please click [here](#) to open the template.

For comments, please email to enquiry@ipd.gov.hk.
