

Focus Users Group **Update – November 2003**

Late December 2003:

Use e-filing for Form T5 Request to change name, address or address for service. The roll out strategy may consider segregation of single and regular filers.

Some prerequisites to e-filing

1. Customer Identity: Multi-function unique identifier.
2. Deposit Account System for online payment of fees
3. Technical Environment for users

A brief document on e-filing security compares our design with WIPO and EPO, and third party verification process engaged and under consideration.

Prototyping

Prototyping of e-filing is being held over 24 November 2003 to 11 December 2003. E-mail us at enquiry@ipd.gov.hk if you are interested.
