

## **Extension of Transitional Periods regarding Use of Specified Forms**

The new set of Trade Marks, Patents and Designs forms, specified in the respective Notices of Specification of Forms on 1 February 2019, have been in use since 14 February 2019. We have reviewed the transitional arrangements regarding the use of specified forms. To facilitate users' effective switchover to the new forms in full, we are pleased to announce that the transitional periods for certain forms have been extended to 14 August 2019. For details, please refer to the respective Notices of Specification of Forms published in the Hong Kong IP Journal on 13 March 2019.
