Take the Initiative Join the "I Pledge" Campaign

Dear "I Pledge" Members,

It's been a while! How would you enjoy the long summer holiday in this scorching weather? Apart from going to the beach and taking in some sun light, you may also consider visiting some major exhibitions, some of which are closely related to creativity and intellectual property. This year, the Intellectual Property Department (IPD) will set up a booth at the Hong Kong Book Fair and the Hong Kong Computer & Communications Festival to promote the message of intellectual property right (IPR) protection. Visitors may participate in games at the IPD's booth and win a small gift. You are welcome to bring along your families and friends. Details of the exhibitions are as follows:

No matter it is a book or a high-tech gadget, it is the fruit of the creativity and efforts of its author or developer. Please bear in mind the need to respect and protect IPRs when burying your heads in books or using high-tech gadgets. Only by doing so can we ensure a sustainable development of the creative industry.

Pitch in to protect the environment! To save paper and show care for the environment, you are invited to provide us with your email address for future correspondence so that you can receive information about our activities by email well in advance while contributing to environmental protection. Please send us your name, email address and membership number (see the envelope label) by email at ipledge@ipd.gov.hk as soon as possible.
