

Major bug fixes / refinements on the E-filing System and Online Search System since April 2019

Module	Function / Web Form No.	Description of the issue	Fixed on
E-Filing	"Submission Details" window	For the field "Submitted and Paid By", the system displayed the username of the Administrative User rather than that of the user who submitted and paid the form.	05/04/2019
E-Filing	Web Form T2	The mark indicators "Mark A", "Mark B", "Mark C" and "Mark D" were not displayed on the web form after the option "Add" in part 04 was selected.	05/04/2019
E-Filing	Web Form T2	The system failed to display all the trade mark images in part 04 of the web form if more than one representation of trade mark was provided.	05/04/2019
E-Filing	Web Form T3	The web form did not allow upload of file for attachment in part 09.	05/04/2019
E-Filing	Web Form T5A	The web form did not allow input of value for the field "Class no(s) Added" in part 03(a).	05/04/2019
E-Filing	Web Form T11	The web form did not allow input of more than 15 Trade Mark Nos. in part 02(a).	05/04/2019
E-Filing	Web Form D1	The pdf version of Form D1 cannot show the design no. entered in the form and e-Filer is unable to identify the data for each particular design within the multiple design applications.	05/04/2019
E-Filing	Web Form D5	Duplicated boxes showing the owner's name are shown in part 03 of D5 Web-form when more than one application/registration no. is entered in part 02.	05/04/2019
E-Filing	Web Form DC	Error message in filing DC form is displayed even though a valid multiple design no. is provided.	05/04/2019
Online Search	Patents	The Quick Search did not return the corresponding patent case if search by publication number with a leading zero.	05/04/2019
