

Dear Sir/Madam,

[Update] Invitation to Join Young Professionals Exhibition & Competition 2020 (YPEC 2020) and Arrangement under COVID-19

On behalf of The Institution of Engineering and Technology Hong Kong (IET Hong Kong) Younger Members Section, I would like to invite you to recommend your young engineers to submit projects to **YPEC 2020** which will be held on **4th October, 2020**.

YPEC is an annual engineering project exhibition and presentation competition for young engineers and students. Choosing "**PIENGINEER**" as its theme, the YPEC 2020 aims at inspiring our young professionals to become a "Pioneer" and "Engineer" in different aspects and unleash their innovative ideas. From contemporary inventions to applications, innovative engineering ideas could not be ignited and implemented without venture. We hope our participants to enjoy the amusement of engineering exploration, to feel the excitement of presentation and to embrace the enthusiasm of exhibitions. We believe that the power of venture will leverage the development of society and energise our future. By joining YPEC 2020 Open Section, participants can enjoy the following benefits:

PROFESSIONAL EXPOSURE

- Present your project to judges from academia and the engineering industry
- Display your project in our exhibition area (on prior request)
- Gain publicity and broaden your professional network
- Showcase networking and intellectual exchange with other enterprises

AWARDS

- All participants will be awarded certificates
- Accepted project abstracts will be published in official proceedings
- Cash prizes, certificates and trophies will be awarded to the Champion, 1st Runner-up, 2nd Runner-up, winner of the Best Innovation Award and My Favourite Pitching Award
- Gain more votes from the public to win My Favourite Booth Award and My Favourite Poster Award

OTHER OPPORTUNITY

YPEC is a flagship event aiming at bringing together the industry, academics, tertiary students and secondary school students. It is a precious chance for you or your company to exchange ideas with professionals in the industry. We sincerely invite you or your young engineers to join the event in our Open Section.

Please refer to the information sheet at [download page](#) for details and regulations of YPEC 2020. To know more about our background, sponsors and supporting organisations, kindly visit our website at www.ietypec.org.
