商標註冊處處長已根據《商標條例》(第 559 章)第 42 條，接納下列商標的註冊申請。現根據《商標條例》第 43 條及《商標規則》(第 559 章附屬法例)第 15 條，公布申請的詳情。

根據《商標條例》第 44 條及《商標規則》第 16 條，任何人擬就下列商標的註冊提出反對，須在本公告公布日期起計的三個月內，採用表格第 T6 號提交反對通知。(例如，若果公布日期爲 2003 年 4 月 4 日，則該三個月的最後一日爲 2003 年 7 月 3 日。)反對通知須載有反對理由的陳述及《商標規則》第 16(2)條所提述的事宜。反對人須在提交反對通知的同時，將該通知的副本送交有關申請人。

有關商標註冊處處長根據商標條例(第 43 章)第 13 條/商標條例(第 559 章)附表 5 第 10 條所接納的註冊申請，請到 http://www.gld.gov.hk/cgi-bin/gld/egazette/index.cgi?lang=c&agree=0 檢視電子憲報。

ACCEPTANCE FOR REGISTRATION (FULL VERSION)

The Registrar of Trade Marks has accepted the following trade marks for registration under section 42 of the Trade Marks Ordinance (Cap. 559). Under section 43 of the Trade Marks Ordinance and rule 15 of the Trade Marks Rules (Cap. 559 sub. leg.), the particulars of the applications are published.

Under section 44 of the Trade Marks Ordinance and rule 16 of the Trade Marks Rules, any person who wishes to oppose the registration of any of these marks shall, within the 3-month period beginning on the date of this publication, file a notice of opposition on Form T6. (For example, if the publication date is 4 April 2003, the last day of the 3-month period is 3 July 2003.) The notice of opposition shall include a statement of the grounds of opposition and the matters referred to in rule 16(2). The opponent shall, at the same time as he files the notice of opposition, send a copy of it to the applicant of the application in question.

For applications for registration accepted by the Registrar of Trade Marks under section 13 of the Trade Marks Ordinance (Cap. 43)/section 10 of Schedule 5 to the Trade Marks Ordinance (Cap. 559), please view e-gazette at http://www.gld.gov.hk/cgi-bin/gld/egazette/index.cgi?lang=e&agree=0.

Common metals and their alloys, ores; Metal materials for building and construction; Transportable buildings of metal; Non-electric cables and wires of common metal; Small items of metal hardware; Safes; Metal containers for storage or transport; metal building materials; metal structures; building structures of metal; linings of metal (building); metal frameworks; metal gates; sound insulating structures of metal; insulated metal panels for buildings; containers of metal for transport; modular building units (metal); modular prefabricated steel framing; modular portable building units of metal; metallic cables and pipes; clips of metal for cables and pipes; conduit of metal for cables and pipes; drain pipes made of metal; fitted windows (metal -); steel buildings; ducts and pipes of metal for air conditioning installations and for ventilating; ducts and pipes of metal for heating and cooling installations; storage tanks of metal; stores (strong rooms) of metal; transportable constructions made of metal; tunnels of metal; turnstiles; walkways of metal; warehouses of metal; barricades for highways (metal -); frames of metal for building; louvre vents (metal -) for buildings; manholes of metal; metal buildings; mouldings of metal for building; railway materials; materials of metal for railway tracks; railway switches; metal railway crossovers; metal ramps; metal roofing; revolving doors of metal; potable water reservoirs of metal; beams of common metal for building; boundary posts of metal; balcony enclosures (metallic -); cladding of metal for building; floor sections made of metal; glazing panels [metallic framed] for use in construction; gutters of metal; gutter supports of metal; joists of metal; metal castings; road construction materials of metal; brackets of metal for building; door fittings of metal; platform steps of metallic for use with scaffolding; building bricks (metal -); brickwork supports of metal; blocks (Metal -) for construction; metal scaffolding; parts and fittings for the aforesaid goods.
Class 7:
Construction machines; pavement machines; road building machines; railroad constructing machines; road marking machines; roadway construction machines; pipe laying machines; concrete construction machines; fixed machines for pressing asphalt and machine tools; Motors and engines [except for land vehicles]; Machine coupling and transmission components [except for land vehicles]; Agricultural implements other than hand-operated; Incubators for eggs; Automatic vending machines; apparatus and instruments for generating energy, power and electricity; agricultural, earthmoving, construction, oil and gas extraction and mining equipment; generators of electricity; bucket excavators; bulldozers; coal cutting machines; construction equipment; installations and apparatus for energy generation; concrete pumps; diggers [machines]; earth diggers [machines]; earth

moving machines; excavators; grinding machines; road construction machines; roadway construction machines; concrete construction machines; road building machines; passenger elevators for buildings; railroad constructing machines; road rollers; machine tools for breaking up road surface material; cranes [lifting and hoisting apparatus]; attachments for cranes; fixed and mobile cranes; combined skips and mixers for producing concrete; construction vehicles, other than for transportation purposes; mechanical shovels [machines]; rammers [machines]; air compressing apparatus; air compressors; air hammers; air-powered tools; electric power tools; hammers (pneumatic -); hand-held tools, mechanically operated; hydraulic power tools; mixers [machines]; pneumatic tools [machines]; precision machine tools; tools [parts of machines]; machines for cleaning surfaces using high-pressure water; parts and fittings for the aforesaid goods.
Class 9:
Scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signalling, checking [supervision], life-saving and teaching apparatus and instruments; Apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; Apparatus for recording, transmission or reproduction of sound or images; Magnetic data carriers, recording discs; Compact discs, dvds and other digital recording media; Mechanisms for coin-operated apparatus; Cash registers, calculating machines, data processing equipment, computers; Computer software; Fire-extinguishing apparatus; electric power units; electric cables and wires; cable adapters; bi-polar transistors; circuit distributors; solar cells for electricity generation; mechanical and electrical engineering software; high tension cabling; power supply systems (electric power supplies); cables for electrical transmission; electronic control systems for use in building; global positioning system (GPS) devices; GPS navigation device; GPS receivers; software for GPS navigation systems; airborne data acquisition instruments; compasses; computer hardware for the processing of positioning data; computer hardware for the transmission of positioning data; control devices for vehicle navigation apparatus; electric navigational instruments; electronic tracking apparatus and instruments; global positioning apparatus; position determining sensors; position fixing sensors; position sensors; satellite-aided navigation systems; sensors for determining position; wearable activity trackers; computer software supplied from the internet; application software for social networking services via internet; civil engineering software; weekly publications downloaded in electronic form from the internet; apparatus and instruments controlling electricity; electric power units; electric and electronic components; apparatus and instruments for controlling electricity; electrical and electronic components; computerized vehicle engine analyzers; controllers (regulators); decorative wind socks for indicating wind direction; electric power analyzers; dust measuring apparatus; dosimeters; electronic control instruments; flue gas analyzers; temperature indicator labels, not for medical purposes; testing and quality control devices; testing apparatus

for diagnostic purposes [other than medical]; wind socks for indicating wind direction; accumulator boxes; accumulators; apparatus and instruments for accumulating electricity; batteries; battery adapters; battery charge devices; chargers; chargers for batteries; chargers for electric accumulators; solar cells; push-on accumulators; uninterruptible electrical power supplies; battery booster cables; electric boosters; electric current control devices; electric power controllers; mains distribution panels (electric -); mains monitoring apparatus (electric -); panel boards (electricity); panels for the control of electricity; panels for the distribution of electricity; power distributors (electrical); power controlling apparatus (electric); switchboxes [electricity]; time switches; transformers [electricity]; voltage converters; mobile apps; mobile software; mobile telephone cases; mobile telecommunication apparatus; mobile phone straps; application software for mobile phones; wireless headsets for mobile phones; software and applications for mobile devices; computer application software for mobile telephones; computer software for use on handheld mobile digital electronic devices and other consumer electronics; flashing safety lights; rear view cameras for vehicles; reflective apparel and clothing for the prevention of accidents; protective work clothing [for protection against accident or injury]; protective helmets; safety markers; level switches; downloadable publications relating to construction, engineering and railways; architects' scales; surveyors' levels; safety clothing for protection against accident or injury; safety goggles; safety headgear; safety nets; parts and fittings for the aforesaid goods.

Class 11:

Apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes; heating installations; ventilating installations; heating installations [water]; heating installations (hot water -); drinking water supply installations; nuclear power plant installations; steaming installations; refrigerating installations; lighting installations; installations for the cooling of water; air conditioning installations for industrial purposes; nuclear installations; cooling installations; sterilizing installations; sewerage installations; cooling installations for water; water distribution installations; boilers being parts of central heating installations; central heating installations; electric lighting installations; wastewater treatment installations; oil purifying installations; gas purification installations; installations for electric lighting; installations for street lighting; sewage treatment [purification] installations; solar energy powered heating installations; combustion installations for waste fuels; heating installations incorporated in glass; air conditioning installations for commercial use; installations for controlling the flow of gases; installations for the burning off of gases; processing installations for fuel and nuclear moderating material; installations for processing nuclear fuel and nuclear moderating material; safety lamps; parts and fittings for the aforesaid goods.

Class 16:

Paper and cardboard; Printed matter; Bookbinding material; Photographs; Stationery and office requisites, except furniture; Adhesives for stationery or household purposes; Artists' and drawing materials; Paintbrushes; Instructional and teaching materials; Plastic sheets, films and bags for wrapping and packaging; Printers' type, printing blocks; books; publications (printed -); instructional and teaching materials; signboards of paper or cardboard; office paper stationery; agendas; pens [office requisites]; address labels; blank forms; printed stationery; business cards; price lists; printed advertisements; forms, printed; advertising publications; advertising signs of paper or cardboard; annuals [printed publications]; files [office requisites]; brochures; leaflets; bulletins; catalogues; educational publications; informational letters; information booklets; informational flyers; newsletters; order forms; periodicals; printed manuals; magazines; journals; trade journals; printed training materials; display banners made of cardboard; printed consumer reports; business record books; bill books; photographs; paperweights; printed matter relating to construction, engineering and railways; parts and fittings for the aforesaid goods.

Class 19:

Building materials [non-metallic]; Non-metallic rigid pipes for building; Asphalt, pitch and bitumen; Non-metallic transportable buildings; Monuments, not of metal; building and construction materials and elements, not of metal; structural frameworks (non-metallic -) for buildings; modular units (non-metallic -) for constructing prefabricated buildings; prefabricated non-metallic constructions; prefabricated building components (non-metallic -); building frames (non-metallic -); modular building units (non-metallic -); prefabricated garages, not of metal; prefabricated houses (non-metallic -); drainage installations (non-metallic -); bicycle parking installations, not of metal; modular greenhouses, not of metal; bridge units [not of metal]; movable non-metallic framed studio platform units; frames (non-metallic -) for use with partition; buildings, transportable, not of metal; beams, not of metal; binding material for road repair; bricks; building glass; cement; cement posts; cement slabs; concrete; concrete building elements; drain pipes, not of metal; earth for bricks; moldings, not of metal, for building; railway materials; railway sleepers, not of metal; reinforcing materials, not of metal, for building; roof coverings, not of metal; scaffolding, not of metal; parts and fittings for the aforesaid goods.

Class 35:

Advertising; Business management; Business administration; Office functions; computerised business information services; assistance and advice regarding business organisation and management; business project management; commercial management consultancy; risk management consultancy (business); advice relating to acquisitions; business management of transportation and vehicle fleet for others; analysis of business management systems; business supervision and management of subcontractors; business information services relating to construction, engineering and railways; market

research; outsourcing services [business assistance]; preparation of business reports; business advice; business planning; administration of business affairs; providing market intelligence services; providing an on-line commercial information directory on the internet; business management assistance for industrial or commercial companies; assistance in franchised commercial business management; business intermediary services relating to the matching of potential private investors with entrepreneurs needing funding; administration of the business affairs of franchises; advisory services (business -) relating to the operation of franchises; advisory services relating to publicity for franchisees; business assistance relating to the establishment of franchises; providing assistance in the management of industrial or commercial enterprises; provision of assistance [business] in the operation of franchises; providing business information via a web site; subscriptions to electronic journals; subscriptions to telecommunications database services; placement of staff; staff recruitment consultancy services; assistance relating to recruitment and placement of staff; management advice relating to the recruitment of staff; business consultation relating to construction; provision of business information relating to joint ventures; business services relating to the arrangement of joint ventures; business advice relating to mergers and acquisitions; business advice relating to disposals; retail services and online retail services connected with the sale of common metals and their alloys, ores, metal materials for building and construction, transportable buildings of metal, non-electric cables and wires of common metal, small items of metal hardware, safes, metal containers for storage or transport, metal building materials, metal structures, building structures of metal, linings of metal [building], metal frameworks, metal gates, sound insulating structures of metal; retail services and online retail services connected with the sale of insulated metal panels for buildings, containers of metal for transport, modular building units (metal), modular prefabricated steel framing, modular portable building units of metal, cables and pipes, clips of metal for cables and pipes, conduit of metal for cables and pipes, drain pipes made of metal, fitted windows (metal -), steel buildings, ducts and pipes of metal for air conditioning installations and for ventilating; retail services and online retail services connected with the sale of ducts and pipes of metal for heating and cooling installations storage tanks of metal, stores [strong rooms] of metal, transportable constructions made of metal, tunnels of metal, turnstiles, walkways of metal, warehouses of metal, barricades for highways (metal -), frames of metal for building, louvre vents (metal -) for buildings, manholes of metal, metal buildings, mouldings of metal for building, railway materials; retail services and online retail services connected with the sale of materials of metal for railway tracks, railway switches, metal railway crossovers, metal ramps, metal roofing, revolving doors of metal, potable water reservoirs of metal, metal railway crossovers, beams of common metal for building, boundary posts of metal, balcony enclosures (metallic -), cladding of metal for building, floor

sections made of metal; retail services and online retail services connected with the sale of glazing panels [metallic framed] for use in construction, gutters of metal, gutter supports of metal, joists of metal, metal castings, road construction materials of metal, brackets of metal for building, door fittings of metal, platform steps of metallic for use with scaffolding, building bricks (metal -), brickwork supports of metal, blocks (metal -) for construction, metal scaffolding, construction machines, pavement machines, road building machines, railroad constructing machines, road marking machines, roadway construction machines, pipe laying machines, concrete construction machines, fixed machines for pressing asphalt and machine tools; retail services and online retail services connected with the sale of motors and engines [except for land vehicles], machine coupling and transmission components [except for land vehicles], agricultural implements other than hand-operated, incubators for eggs, automatic vending machines, apparatus and instruments for generating energy, power and electricity, agricultural, earthmoving, construction, oil and gas extraction and mining equipment, generators of electricity, bucket excavators, bulldozers; retail services and online retail services connected with the sale of coal cutting machines, construction equipment, installations and apparatus for energy generation, construction equipment, installations and apparatus for energy generation, concrete pumps, diggers [machines], earth diggers [machines], earth moving machines, excavators, grinding machines, road construction machines, roadway construction machines, concrete construction machines, road building machines, passenger elevators for buildings; retail services and online retail services connected with the sale of railroad constructing machines, road rollers, machine tools for breaking up road surface material, cranes [lifting and hoisting apparatus], attachments for cranes, fixed and mobile cranes, combined skips and mixers for producing concrete, construction vehicles, other than for transportation purposes, mechanical shovels [machines], rammers [machines], air compressing apparatus, air compressors, air hammers; retail services and online retail services connected with the sale of air-powered tools, electric power tools, hammers (pneumatic -), hand-held tools, mechanically operated, hydraulic power tools, mixers [machines], pneumatic tools [machines], precision machine tools, tools [parts of machines], machines for cleaning surfaces using high-pressure water; retail services and online retail services connected with the sale of scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signalling, checking [supervision], life-saving and teaching apparatus and instruments, apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity, apparatus for recording, transmission or reproduction of sound or images, magnetic data carriers, recording discs; retail services and online retail services connected with the sale of compact discs, dvds and other digital recording media, mechanisms for coin-operated apparatus, cash registers, calculating machines, data processing equipment, computers, computer software, fire-extinguishing apparatus, electric power units, electric cables and wires, cable

adapters, bi-polar transistors, circuit distributors, solar cells for electricity generation, mechanical and electrical engineering software, high tension cabling, power supply systems; retail services and online retail services connected with the sale of cables for electrical transmission, building control systems, global positioning system (GPS) devices, GPS navigation device, GPS receivers, software for GPS navigation systems, airborne data acquisition instruments, compasses, computer hardware for the processing of positioning data, computer hardware for the transmission of positioning data, control devices for vehicle navigation apparatus, electric navigational instruments; retail services and online retail services connected with the sale of electronic tracking apparatus and instruments, global positioning apparatus, position determining sensors, position fixing sensors, position sensors, satellite-aided navigation systems, sensors for determining position, wearable activity trackers, computer software supplied from the internet, application software for social networking services via internet, civil engineering software; retail services and online retail services connected with the sale of weekly publications downloaded in electronic form from the internet, apparatus and instruments controlling electricity, electric power units, electric and electronic components, apparatus and instruments for controlling electricity, electrical and electronic components, computerized vehicle engine analyzers, controllers (regulators), decorative wind socks for indicating wind direction, electric power analyzers, dust measuring apparatus; retail services and online retail services connected with the sale of dosimeters, electronic control instruments, flue gas analyzers, temperature indicator labels, not for medical purposes, testing and quality control devices, testing apparatus for diagnostic purposes [other than medical], wind socks for indicating wind direction, accumulator boxes, accumulators, apparatus and instruments for accumulating electricity; retail services and online retail services connected with the sale of batteries, battery adapters, battery charge devices, chargers, chargers for batteries, chargers for electric accumulators, solar cells, push-on accumulators, uninterruptible electrical power supplies, battery booster cables, electric boosters, electric current control devices, electric power controllers, mains distribution panels (electric -), mains monitoring apparatus (electric -), panel boards [electricity]; retail services and online retail services connected with the sale of panels for the control of electricity, panels for the distribution of electricity, power distributors [electrical], power controlling apparatus [electric], switchboxes [electricity], time switches, transformers [electricity], voltage converters, mobile apps, mobile software, mobile telephone cases; retail services and online retail services connected with the sale of mobile telecommunication apparatus, mobile phone straps, application software for mobile phones, wireless headsets for mobile phones, software and applications for mobile devices, computer application software for mobile telephones, computer software for use on handheld mobile digital electronic devices and other consumer electronics, flashing safety lights, rearview cameras for vehicles;

retail services and online retail services connected with the sale of reflective apparel and clothing for the prevention of accidents, protective work clothing [for protection against accident or injury], protective helmets, safety markers, level switches, downloadable publications relating to construction, engineering and railways, architects scales, surveyors levels, safety clothing for protection against accident or injury, safety goggles, safety headgear, safety nets, safety markers; retail services and online retail services connected with the sale of apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes, heating installations, ventilating installations, heating installations [water], heating installations (hot water -), drinking water supply installations, nuclear power plant installations, steaming installations, refrigerating installations, lighting installations, installations for the cooling of water; retail services and online retail services connected with the sale of air conditioning installations for industrial purposes, nuclear installations, cooling installations, sterilizing installations, sewerage installations, cooling installations for water, water distribution installations, boilers being parts of central heating installations, central heating installations, electric lighting installations, wastewater treatment installations, oil purifying installations, gas purification installations; retail services and online retail services connected with the sale of installations for electric lighting, installations for street lighting, sewage treatment [purification] installations, solar energy powered heating installations, combustion installations for waste fuels, heating installations incorporated in glass, air conditioning installations for commercial use, installations for controlling the flow of gases, installations for the burning off of gases; retail services and online retail services connected with the sale of processing installations for fuel and nuclear moderating material, installations for processing nuclear fuel and nuclear moderating material, safety lamps, precious metals and their alloys, jewellery, precious and semi-precious stones, horological and chronometric instruments, trinkets [jewellery], medals, key chains [trinkets or fobs], metal badges for wear [precious metal], badges of precious metal, gold medals, watches; retail services and online retail services connected with the sale of alarm watches, wrist watches, apparatus for sports timing [stopwatches], automatic watches, automobile clocks, stop watches, pocket watches, watches for outdoor use, chronometric apparatus and instruments, charms for key rings, chronographs as watches, chronographs for use as timepieces, cases for chronometric instruments, key tags [trinkets or fobs], key holders [trinkets or fobs], lapel badges of precious metal, timing clocks; retail services and online retail services connected with the sale of paper and cardboard, printed matter, bookbinding material, photographs, stationery and office requisites, except furniture, adhesives for stationery or household purposes, artists and drawing materials, paintbrushes, instructional and teaching materials, plastic sheets, films and bags for wrapping and packaging, printers type, printing blocks,

books, publications (printed -), instructional and teaching materials; retail services and online retail services connected with the sale of signboards of paper or cardboard, office paper stationery, agendas, pens [office requisites], address labels, blank forms, printed stationery, business cards, price lists, printed advertisements, forms, printed, advertising publications, advertising signs of paper or cardboard, annuals [printed publications], files [office requisites], brochures, leaflets, bulletins, catalogues, conference folders, educational publications; retail services and online retail services connected with the sale of informational letters, information booklets, informational flyers, leaflets, newsletters, order forms, periodicals, printed manuals, magazines, journals, trade journals, printed training materials, display banners made of cardboard, printed consumer reports, business record books, bill books, photographs, paperweights, printed matter relating to construction, engineering and railways; retail services and online retail services connected with the sale of leather and imitations of leather, animal skins and hides, luggage and carrying bags, umbrellas and parasols, walking sticks, whips, harness and saddlery, collars, leashes and clothing for animals, bags, baggage, luggage bags, wallets, business card cases, key wallets, leather key cases, key holders, backpacks, bags for umbrellas, belt bags, book bags, boxes of leather or leather board, bum bags, cases for keys; retail services and online retail services connected with the sale of carrying cases for documents, carry-all bags, changing bags, cloth bags, credit-card holders, cross-body bags, duffel bags, briefcases, overnight suitcases, suitcases with wheels, articles of luggage, all-purpose sport bags, canvas bags, change purses, credit card cases [wallets], document cases, grocery tote bags, harness, notecases, tool pouches sold empty, tool bags of leather, empty; retail services and online retail services connected with the sale of tool bags, empty, work bags, building materials [non-metallic], non-metallic rigid pipes for building, asphalt, pitch and bitumen, non-metallic transportable buildings, monuments, not of metal, building and construction materials and elements, not of metal, structural frameworks (non-metallic -) for buildings, modular units (non-metallic -) for constructing prefabricated buildings, prefabricated non-metallic constructions; retail services and online retail services connected with the sale of prefabricated building components (non-metallic -), building frames (non-metallic -), modular building units (non-metallic -), prefabricated garages, not of metal, prefabricated houses (non-metallic -), drainage installations (non-metallic -), bicycle parking installations, not of metal, modular greenhouses, not of metal, bridge units [not of metal], movable non-metallic framed studio platform units; retail services and online retail services connected with the sale of frames (non-metallic -) for use with partition, buildings, transportable, not of metal, beams, not of metal, binding material for road repair, bricks, building glass, cement, cement posts, cement slabs, concrete, concrete building elements, drain pipes, not of metal, earth for bricks, moldings, not of metal, for building, railway materials, railway sleepers,

not of metal; retail services and online retail services connected with the sale of reinforcing materials, not of metal, for building, roof coverings, not of metal, scaffolding, not of metal, household or kitchen utensils and containers, combs and sponges, brushes [except paintbrushes], brush-making materials, articles for cleaning purposes, unworked or semi-worked glass, except building glass, glassware, porcelain and earthenware, plates, dishes [household utensils]; retail services and online retail services connected with the sale of glassware for household purposes, glasses [drinking vessels], mugs, cups, utensils for household purposes, collector plates, souvenir plates, beverage glassware, china mugs, porcelain mugs, mugs made of earthenware, coasters, not of paper or textile, ornamental figurines made of china, figurines [statuettes] of porcelain, ceramic, earthenware or glass, plaques of glass, brooms, mops, brushes for cleaning tanks and containers; retail services and online retail services connected with the sale of brushes for footwear, buckets, cleaning instruments, hand-operated, dustbins, flasks, hip flasks, clothing, footwear, headgear, ankle boots, anoraks, aprons [clothing], army boots, bandanas, baseball caps, belts [clothing], bomber jackets, boot cuffs, boot uppers, boots, boiler suits, boxer shorts, caps, cargo pants, car coats, caps with visors, casualwear, coats, collared shirts, costumes, coveralls, dress pants, down jackets; retail services and online retail services connected with the sale of drawers [clothing], driving gloves, ear muffs, dust coats, dungarees, duffel coats, fingerless gloves, fleeces, footless socks, functional underwear, garments for protecting clothing, gilets, gloves [clothing], half-boots, handwarmers [clothing], hats, head sweatbands, heavy jackets, hooded sweatshirts, jackets [clothing], jeans, jump suits, knee warmers [clothing], knitwear [clothing], leisure suits; retail services and online retail services connected with the sale of mackintoshes, neck scarves [mufflers], outerclothing, overalls, paper clothing, plastic aprons, rainwear, ready-made clothing, shirts, shoes, socks, sweat bands for the wrist, sweat pants, sweat shirts, t-shirts, uniforms, waterproof clothing, weather resistant outer clothing, wind coats, work boots, work clothes, work overalls, work shoes, protective metal members for shoes and boots, visors [headwear], games, toys and playthings; retail services and online retail services connected with the sale of gymnastic and sporting articles, decorations for christmas trees, video game apparatus, stuffed toys, action figure toys, air pistols [toys], balls for games, board games, bobblehead dolls, bubble making wand and solution sets, building blocks [toys], building games, card games, children's ride-on toy vehicles, children's toy bicycles other than for transport, claw crane game machines, collectable toy figures, construction toys; retail services and online retail services connected with the sale of drones [toys], electronic action toys, electronically operated toy vehicles, foosball tables, inflatable toys, jokes (play things), kaleidoscopes, kites, kits of parts [sold complete] for constructing models, kits of parts [sold complete] for making toy model cars, mascot dolls, mechanical toys, model aircraft, model cars, model toy steam engines, model

railways, model train sets, novelties for parties, dances [party favors, favours]; retail services and online retail services connected with the sale of paper airplanes, plastic model kits for making toy vehicles, practical jokes [novelties], puppets, radio-controlled toys, ride-on toys, scale model airplanes, scale model vehicles, sit-in toy vehicles, soft toys, toy building blocks capable of interconnection, toy building structures, toy cars, toy construction sets, toys simulating objects used by adults in day to day activity, train sets, apparatus for games, body-building apparatus; retail services and online retail services connected with the sale of gloves for games, machines for physical exercises, men's athletic supporters [sports articles], remote-controlled toy vehicles, teddy bears, parts and fittings for the aforesaid goods; business management of facilities, namely business management of contract; information, consultancy and advisory services relating to the aforesaid services.

Class 36:

Insurance; Financial affairs; Monetary affairs; Real estate affairs; rental of buildings and apartments; capital investments; real estate management services; fund investment; real estate agency services; real estate rental, letting and leasing services; mortgage banking; real estate appraisal; insurance services; insurance brokerage services; estate management; capital investment services; project financing; financial analysis of engineering, rail and construction projects; arranging the provision of finance for construction operations; consultancy concerning financing of energy projects; financial planning services relating to building projects; preparation of financial reports relating to the financing of building projects; charitable fundraising; financial sponsorship; financial management; financial risk analysis; portfolio management; underwriting services; valuation relating to the surveying of buildings; arranging finance for construction projects; raising of capital for joint ventures; raising of capital for business acquisitions and mergers; providing funding for joint ventures; providing funding for business acquisitions and mergers; information, consultancy and advisory services relating to the aforesaid services.

Class 37:

Building construction; providing information relating to the repair of buildings; providing information relating to the repair of machines and systems for manufacturing integrated circuits; pipeline repair; roof repair; concrete repairs; building repairs; warehouse repair; supervision of building repair; consultancy services relating to the repair of buildings; maintenance and repair of pipes used in industrial equipment; machinery installation; plant installation; electrical installation services; installation of plant; machinery installation services; heating equipment installation; pipe installation services; installation of basement waterproofing products; installation of pipe systems for conducting of gases; installation of insulating materials in buildings, roofs and structures; underwater installation; installation of building insulation; building and construction services; construction; repair and maintenance of buildings;

buildings (supervision during construction of -); advisory services relating to building construction; advisory services relating to the construction of public works; assembling [installation] of building framework; assembly of prefabricated houses; building demolition; building of factories; building of industrial properties; building of motorway networks; building of multi-storey car parks; building of naval vessels; building of offices; building of railways; building of roads; building of schools; building of underground structures; building reinforcing; civil engineering construction; civil engineering demolition; civil engineering [construction] consultancy; construction information; construction of airports; construction of carriageways; construction of civil engineering works; construction of complexes for recreational purposes; construction of drainage systems; construction of exploitation platforms; construction of floors; construction of factories; construction of foundations for roads; construction of leisure complexes; construction of nuclear power plants; construction of power plants; construction of public works; warehouse construction and repair; building of bridges; building of commercial properties; bricklaying; building construction supervision; building insulating; demolition of buildings; laying of cable; machinery installation, maintenance and repair; pipeline construction and maintenance; plumbing; rental of construction equipment; rental of cranes [construction equipment]; rental of bulldozers; rental of drainage pumps; rental of excavators; hire of building tools; hire of building machinery; hire of scaffolding; leasing of construction equipment; rental of hand and power tools; services for the rental of machinery for civil engineering; repair information; scaffolding; cleaning of building sites; installation, maintenance and repair of railway tracks; maintenance and repair of railway vehicles; repair and maintenance of laser measuring apparatus; insulation services; installation, maintenance and repair of air analysis apparatus; information, consultancy and advisory services relating to the aforesaid services.

Class 39:

Transport; Packaging and storage of goods; Travel arrangement; rental and hire of vehicles; rental of means of transportation; rental of commercial vehicles; contract rental of vehicles; cargo container rental services; railway truck rental; railway coach rental; rental of containers for warehousing and storage; rental of containers for freight; rental of goods vehicles; rental of lorries; rental of railway vehicles; rental of trains; rental of transportation vehicles; vehicle rental; hire of rail transport; rental of railways; transport of freight by rail; transport of building materials; leasing of vehicles; information, consultancy and advisory services relating to the aforesaid services.

Class 41:

Education; Providing of training; Entertainment; Sporting and cultural activities; multimedia publishing of electronic publications; providing online electronic publications; publication of booklets; publication of brochures; publication of catalogues; publication of educational materials; publication of electronic magazines; publication of fact sheets; publication of printed

matter; publication of prospectuses; school services for the teaching of construction draughting; training in the use of construction machinery; organisation of youth training schemes relating to the building industry; conducting of educational courses in engineering; consultancy services relating to engineering training; internships and apprenticeships (training of employees) in the field of construction, engineering and railways; training and education in the field of construction, engineering and railways; training services relating to health and safety; publication of educational materials in the field of construction, engineering and railways; driver training; industrial training; vocational training; information, consultancy and advisory services relating to the aforesaid services.

Class 42:

Scientific and technological services and research and design relating thereto; Industrial analysis and research services; Design and development of computer hardware and software; construction planning; off-site building project management; design (industrial -); design of buildings; urban design; architectural and urban planning services; advisory services relating to industrial design; design and development of engineering products; advisory services relating to design engineering; design services relating to civil engineering; architectural design; planning and design of sports facilities; planning and design of residential communities; planning and design of retail premises; engineering consultancy relating to design; engineering consultancy services; professional consultancy relating to industrial design; technical consultancy services relating to structural engineering; technical consultancy services relating to civil engineering; civil engineering; computer-aided engineering design and drawing services; conducting engineering surveys; conducting technical project studies for construction projects; design of engineered building systems; drawing (engineering -); engineering research; engineering services in the field of electrical power and natural gas production; engineering services for the design of machinery; engineering services for the analysis of structures; engineering services for the design of structures; engineering project studies; engineering services relating to energy supply systems; engineering testing; preparation of reports relating to technical project studies for construction projects; architecture; architecture services; architectural research; architectural consultation; architectural planning services; preparation of architectural reports; architectural services for the design of buildings; design and development of computer software architecture; architectural services for the design of commercial buildings; hosting web portals; design of web portals; civil engineering; mechanical engineering; electrical engineering; rail engineering; process engineering; geotechnical engineering; engineering; information, consultancy and advisory services relating to the aforesaid service.

Class 45:

Legal services; Security services for the physical protection of tangible property and individuals; information services relating to

the safety of property and individuals; advisory services in relation to the safety of property and individuals; security services for the protection of property and individuals; advisory services relating to the preparation of standards; electronic monitoring services for security purposes; fire prevention consultancy; locks (opening of security -); monitoring of security systems; rental of safety equipment; safety evaluation; safety (inspection of factories for -) purposes; safety evaluation; information services relating to health and safety; inspection of factories for safety purposes; advisory services in relation to safety; safety auditing to improve safety of construction workers on residential construction sites; safety consultation in the field of construction site inspection and assessment; security assessment of risks; licensing of franchise concepts; granting of software licenses and granting of licenses for industrial property rights; online social networking services accessible by means of downloadable mobile applications; arbitration, mediation and dispute resolution services; accident investigation; accident reporting; consultancy on regulations on safety at work; rental of protective clothing; providing information in the field of building security via the Internet; consultancy services in the field of home security; control of building environmental access and security systems; information, consultancy and advisory services relating to the aforesaid services.

reception of satellite, terrestrial cable and digital subscriber line (DSL), Internet or other electronic broadcasts; apparatus for decoding encoded signals; recorded television and radio programmes; recorded programmes for broadcasting or other transmission on television, radio, mobile telephones, PDAs and on PCs; video recordings; multimedia apparatus and instruments; portable or hand-held computers; DVD players; computers; computer hardware; firmware, computer firmware; computer hardware, apparatus and instruments, all for transmitting, displaying, receiving, storing and searching electronic information; computer programs; electronic computer games (software); electronic interactive computer games (software); computer software; computer software and telecommunications apparatus to enable connection to databases and the Internet; computer software supplied from the Internet; network termination equipment; wired and/or wireless computer network routers, modems, firewalls and/or bridges; computer software and computer programs for distribution to, and for use by, viewers of a digital television channel for the viewing and purchase of goods and services; computer games software and computer quiz software;; computer programs for interactive television and for interactive games and/or quizzes; interactive video game devices comprised of computer software, namely software for operating game controllers; portable and/or hand-held electronic devices for receiving, playing and transmitting music, sounds, images, text, signals, information and code; electronic publications; computer games; computer video games; video screens; video projectors; tapes, discs and wires, all being magnetic; cassettes and cartridges, all adapted for use with the aforesaid magnetic tapes; blank and pre-recorded audio and video cassettes, tapes and cartridges; compact discs; DVD discs; phonographic records; laser readable discs for recording sound or video; ROM cartridges, CD ROMs, cards and discs, integrated circuit cards, memory carriers, recording media, all pre-recorded with computer video games and/or quizzes; encoded cards; radio and television signal antennae; music, sounds, videos, images, text and information provided by a telecommunications network, by on-line delivery and by way of the Internet and/or the world-wide web or other communications network; interactive sound and/or audio recordings; music, video, sound and/or audio recordings (downloadable) provided from MP3 Internet websites; MP3 players, MP3 readers; audio and/or video file recorders and/or players; portable audio and/or video file recorders and/or players; telephone ring tones (downloadable); apparatus and instruments for the reception of radio and television broadcasts including the reception of cable, satellite and digital broadcasts; smart cards; credit cards; loyalty cards; acoustic apparatus and instruments, namely, acoustic discs, acoustic meters and acoustic sound alarms; adaptors; aerials; antennae; amplifiers; communication apparatus and instruments; encoded or magnetic banking or credit cards; cinematographic film; cinematographic instruments and apparatus; data carriers; data storage apparatus, equipment and instruments; electrical telecommunications and/or communications and/or broadcast and/or transmission and/or decoding and/or image processing and/or audio visual instruments and apparatus;

electronic telecommunications and/or communications and/or broadcast and/or transmission and/or decoding and/or image processing and/or audio visual instruments and apparatus; film reproducing instruments and apparatus; hand held electrical telecommunications and/or communications and/or broadcast and/or transmission and/or decoding and/or image processing and/or audio visual instruments and apparatus; hand held electronic telecommunications and/or communications and/or broadcast and/or transmission and/or decoding and/or image processing and/or audio visual instruments and apparatus; mobile telephones; motion pictures; telephone apparatus and equipment; parts and fittings for all the aforesaid goods; sunglasses, leather cases for holding mobile phones; products sold by electonic means, namely downloadable media content, including video and films, television programmes, computer games, music, images and ring tones provided by internet, telephone line, cable, wireless transmission, satellite or terrestrial broadcast service; cases, containers, protective coverings and parts and fittings therefor, all for use with MP3 players, music storage devices, media storage devices, audio devices, visual devices, telecommunication devices, computer devices, GPS/navigation devices, photography devices, media streaming devices, smart TV devices, digital media players, set-top devices and smart phones, smart watches, remote controls, e-readers, electronic tablets, digital tablets; covers for personal digital assistants [PDAs]; covers for tablet computers; interactive touch screen terminals; smart rings; protective films adapted for smartphones; electrical, electronic and computer equipment for machinery for use in conservation, generation and efficient use of heat, light and water, including thermostatic controls, solar panels for electricity generation, photovoltaic devices, solar cells turbines and motion detectors; electrical and electronic equipment for use in the generation of solar power; electrical, electronic and computer equipment for use in the generation of alternative energy including wind power, hydroelectric power, tidal power, geothermal power, solar power, biomass, and biofuels; control and monitoring equipment for use in the generation of alternative energy including wind power, hydroelectric power, tidal power, geothermal power, solar power, biomass, and biofuels; automated control apparatus for local management of lighting, heating and water supplies; electronic publications (downloadable), including electronic publications, magazines and newsletters regarding environmental protection, energy conservation and ecology, animal welfare and renewable energy projects, including wind power, hydroelectric power, tidal power, geothermal power, solar power, biomass, and biofuels; apparatus and instruments for closed circuit television and surveillance systems; apparatus and instruments for personal security monitoring; apparatus and instruments for home security monitoring and control; home and personal security apparatus; home and personal security devices; home and personal security alarms; electronic protection equipment, including fire detecting and alarm equipment, intruder and burglar alarm equipment and motion detecting equipment; radio, telephonic, television and signalling apparatus and instruments, cameras, sound

and video monitoring and recording and sound and video reproducing apparatus and instruments, all for control and telemetry purposes for the home and personal security; security tokens [encryption devices]; closed-circuit television systems (CCTV); thermal imaging cameras; monitors; cameras; optical lenses; camera casings; prepackaged cameras; videocassette recorders (VCRs); system controlling software; video monitoring apparatus; detectors; access control apparatus; card readers; magnetic card readers; smart card readers; magnetic or encoded access control cards; monitoring apparatus; electronic panels for alarm management and monitoring; alarm panels; glass breakage detectors; smoke detectors; carbon monoxide detectors; digital audio recorders; digital video recorders; digital audio servers; digital video servers; electrical communication equipment; message programming equipment; radio paging equipment; electronic locking systems; life-saving apparatus and equipment; electric alarms; electronic devices for opening doors; electronic devices for protection; intruder alarms and anti-theft equipment; intruder detection apparatus; motion detecting equipment; electronic control apparatus; electronic apparatus for controlling operation of machines; remote apparatus for controlling operation of machines; computer apparatus for controlling operation of machines; electronic network equipment; electronic communication equipment; message programming devices; electronic locking apparatus; parts and fittings for all the aforesaid goods; computer software, operating system software, devices, and hardware for transmitting, receiving, synchronizing, displaying, backing-up, monitoring, controlling, sharing, coding, decoding, encrypting, accessing, remotely accessing, creating, collecting, storing, securing, removing, transferring, disseminating, locating, organizing or otherwise utilizing data, voice, multimedia, audio, visual, music, photographs, drawings, images, audiovisual, video, text, graphics or other data, including over a global communications network; computer software, operating system software, devices, and hardware for synchronizing data, files, e-mails, contacts, calendars, task lists, text messages, photos, music, audio, visual, audio visual, video, text, graphics, programs and other information between computers and hand-held or other devices, and vice versa; communications platforms for enabling instantaneous, continuous, scheduled and perpetual synchronization of data between computers and hand-held or other devices, and vice versa; multimedia cards, memory cards, flash memory cards, memory chips, data storage media devices, plugs, plug-in cards, magnetic cards, SIM cards, telephone calling cards, headphones, headsets, portable and/or hand held electronic devices for receiving, storing, playing and transmitting data, voice, multimedia, audio, visual, music, photographs, drawings, images, audiovisual, video, text, graphics or other data; online dictionaries, encyclopaedias, and reference texts (downloadable); online publications, including newspapers, magazines (periodicals), comics, journals (publications), books, user manuals, instructional and teaching materials (downloadable); online posters, photographs, pictures, articles, vouchers and tickets (downloadable), online electronic dictionaries, encyclopaedias and reference texts; computer software

for processing electronic payments and transferring funds to and from others; online and downloadable authentication software; online conversion software and databases, including currency conversion and measurement conversion; computer software for the purpose of monitoring online communications and chat room conversations and alerting third parties to the contents; computer software for monitoring the use of computers and the Internet by children; computer software relating to online protection and online security; protective body and limb pads for cycling for protection against accident or injury; protective clothing for cycling for protection against accident or injury; face masks for cycling for protection against accident or injury; locks (electric) for bicycles; parts and fittings for all the aforesaid goods; satellite navigational system for bicycles; global positioning systems for use with bicycles; computers for use with bicycles; ergometers; computer apparatus for remote meter reading; bicycle meters; distance meters; power meters; speed meters; eyewear; sports eyewear; protective eyewear; sunglasses; cases for eyewear; cases for sunglasses; frames for eyewear; lenses for eyewear; straps for sunglasses and eyewear; helmets; cyclists helmets; crash helmets; protective sports helmets; sports bags adapted for protective helmets; articles of protective clothing for sport purposes for protection against accident or injury; protective gloves; visors (protective); radios; Communications apparatus and equipment; aerials for radios; parts for radios; carrying cases adapted for radios; electronic radio apparatus; mobile radios; mounting fittings for radios; radio receivers and transmitters; radio transceivers; radios for vehicles; solar powered radios; computer software for creating and editing music and sounds; computer hardware, peripherals and devices for portable media storage and digital media streaming; computer hardware for upload, storage, retrieval, download, transmission and delivery of digital content; virtual reality systems; virtual reality glasses or goggle, data gloves, head mounted displays, datasuits, virtual reality clothing(downloadable), namely, datasuits, body suits, data gloves; headphones, speakers, joysticks, equipment and apparatus for virtual reality rooms; virtual reality software; Virtual reality headsets, helmets and viewers; Virtual Reality (VR) and Augmented Reality (AR) products namely goggles, gloves, 3D glasses for smartphones, headsets and head mounted displays adapted for use in watching videos and movies, headphones, head trackers, motion trackers, data gloves, 3D controllers, haptic devices, stereoscopic 3D displays, 2D monoscopic, monocular; Virtual Reality and Augmented Reality headsets, helmets, display screens, and sound systems comprised primarily of speakers, all adapted for use in playing video games, viewing motion pictures, and participating in Virtual Reality and Augmented Reality environments in which users can interact for recreational, leisure, or entertainment purposes; Electronic and optical communications instruments and components, namely, display screens for virtual reality visualization, manipulation, immersion and integration of audio, video, text, binary, still images, graphics and multimedia files; Personal video display devices in the nature of wearable displays for viewing

digital content including Virtual Reality, Augmented Reality, and mixed reality content; virtual reality motion platforms; Cameras for use in virtual reality products (headsets, head mounted displays adapted for use in watching videos and movies, headphones, head trackers, stereoscopic 3D displays); Motion tracking sensors; Hologram apparatus; Holographic apparatus; Virtual Reality software for immersion and integration of geographic information in interaction with on-line member communities, other applications and the data itself; Smart phones; Portable virtual reality systems; Wearable computers; Vision processing unit; holographic apparatus used for processing that integrates real world and data for augmented reality; inertial measurement unit; virtual reality games software; virtual reality hardware and peripheral devices; Virtual reality software; Augmented reality software; Software in the field of virtual reality, motion tracking, location, position, and orientation sensing; Software for developing and interfacing with virtual reality/augmented reality software; Software, namely, mobile application for setting up, configuring, viewing and running virtual reality/augmented reality software; Hardware and software for use in enabling computers, handheld consoles, tablet computers, mobile devices, and smart phones to provide virtual world experiences; Virtual Reality software for creating, sharing, and viewing Virtual Reality content over the Internet; Virtual reality computer platform; Earphones for mobile computer terminals; microphones; earphones; smart phones; webcams; head-mounted video displays; micro-displays, namely, head mounted video displays and near eye video displays; parts and accessories for micro-display; video processors; software and firmware for video drivers and video processing; personal video display screens; downloadable computer game programs for cellular phones, mobile computer terminals, set-top boxes, DVD players connected to network and television sets connected to network; downloadable computer game programs; downloadable video game programs; game programs for home video game machines; game programs for hand-held games with liquid crystal displays; downloadable or installable computer and video game programs for home video game machines; downloadable or installable additional image data for home video game machines; downloadable or installable computer and video game programs for hand-held games with liquid crystal displays; downloadable or installable additional image data for hand-held games with liquid crystal displays; downloadable image file containing artwork, text, audio, video, games and Internet Web links relating to sporting and cultural activities; downloadable images for cellular phones and mobile computer terminals; downloadable stand by image for cellular phones; downloadable ring tones for mobile phones; downloadable electronic publications in the nature of books, manuals, magazines, newspapers in the field of video games, game software, music and video movies; earphones for home video game machines; headphones for home video game machines; microphones for home video game machines; keyboards for home video game machines; mouse for home video game machines; webcams exclusively for use with home video game machines; earphones exclusively for use with hand-held games with liquid crystal displays; headphones exclusively for use with

hand-held games with liquid crystal displays; microphones exclusively for use with hand-held games with liquid crystal displays; keyboards exclusively for use with hand-held games with liquid crystal displays; mouse exclusively for use with hand-held games with liquid crystal displays; parts and fittings for all of the above.
Class 38:
Telecommunications; Cable television broadcasting; Cellular telephone communication; Communications by computer terminals; Communications by fiber [fibre] optic networks; Communications by telegrams; Communications by telephone; Computer aided transmission of messages and images; Electronic bulletin board services [telecommunications services]; Electronic mail; Facsimile transmission; Information about telecommunication; Message sending; Paging services [radio, telephone or other means of electronic communication]; Providing access to databases; Providing internet chatrooms; Providing online forums; Providing telecommunication channels for teleshopping services; Providing telecommunications connections to a global computer network; Providing user access to global computer networks; Radio broadcasting; Rental of access time to global computer networks; Rental of facsimile apparatus; Rental of message sending apparatus; Rental of modems; Rental of telecommunication equipment; Rental of telephones; Satellite transmission; Telecommunications routing and junction services; Teleconferencing services; Telegraph services; Telephone services; Television broadcasting; Broadcasting of television programs in bars, pubs, clubs, hotels and other public venues; Telex services; Transmission of digital files; Transmission of greeting cards online; Transmission of telegrams; Videoconferencing services; Voice mail services; Wire service; Wireless broadcasting; video-conferencing services and sharing of files, images, music, video, photos, drawings, audio-visual, text, documents and data; telegraph communications services; mobile and fixed telecommunications services; communications services; satellite, cellular and radio communication services; television and radio broadcasting; transmission and communication services; broadcasting and/or transmission of radio and/or television programmes and/or films; satellite, DTT, cable, DSL and broadband broadcasting and/or transmission of audio and/or audio visual programming; transmission of audio, video and/or audio visual programming (by any means); transmission of video films; broadcasting and transmission of television programmes and films to personal computers; broadcasting and communications by means of or aided by computer; transmission of audio, video and/or audio visual programming by Internet protocol (IPTV); telecommunications services over the Internet including but not limited to services provided using voice over Internet protocol (VOIP); provision of access and/or connectivity to broadband networks whether fixed, portable or wireless; transmission of text, messages, sound and/or pictures; telecommunication and/or communication and/or broadcast and/or transmission of audio visual content; communication of information (including web pages), data by radio, telecommunications and by satellite; online managing and filtering of electronic

communications; telephone, mobile telephone, message collection and transmission, radio-paging, call diversion, answerphone and directory enquiry services; personal numbering services; television screen based information broadcasting and retrieval services; loan of replacement telecommunications and communications apparatus and instruments in case of breakdown, loss or theft; computer aided transmission of messages and images; messaging services namely, sending, receiving and forwarding messages in the form of text, audio, graphic images or video or a combination of these formats; instant messaging; short message services (SMS); multimedia messaging services (MMS); unified messaging services; voicemail services; video conferencing services; video telephone services; providing access to telecommunications infrastructures for other operators; provision of access to electronic conferencing, discussion groups and chat rooms; provision of chat rooms; hire, leasing or rental of apparatus, instruments, installations or components for use in the provision of the aforementioned services; communications services by satellite, television and/or radio; news agency services; provision of access to news, current affairs and sports information; hiring, rental and leasing of communications apparatus; electronic mail services; telecommunication services relating to the Internet; telecommunication of information (including web pages); provision of location based services for telecommunications and communications apparatus and instruments; provision of wireless application protocol services including those utilising a secure communications channel; provision of information relating to or identifying telecommunications and communications apparatus and instruments; provision of telecommunications links to computer databases and websites on the Internet; telecommunications services dedicated to retailing goods and services through interactive communications with customers; interactive television services being telecommunications and/or communications and/or broadcasting and/or transmission services; interactive services for television viewers including those watching on mobile telephones and PCs being telecommunications and/or communications and/or broadcasting and/or transmission services; television broadcasting services incorporating interactive services for viewing guides and intelligent automated selection for programme recordal; interactive services for television viewers facilitating the recordal of programmes automatically initiated on the basis of customer viewing habits/preferences being telecommunications and/or communications and/or broadcasting and/or transmission services; providing interactive television viewers (including those watching on their mobile telephones or PCs) with access to information, data, graphics, audio and/or audio-visual content from a restricted group of Internet websites or portals; broadcasting and transmission of interactive television, interactive games, interactive news, interactive sport, interactive entertainment and interactive competitions; video on demand and near on demand telecommunication and/or communication and/or broadcast and/or transmission services; streaming delivery of video on demand streams to viewers; providing access to movies, videos and television programmes to viewers on demand and near on demand; professional consultancy services

relating to broadcasting; providing access to a database storing information relating to a variety of goods and services; enabling access to the Internet; provision of a connection between websites and television viewers via an interactive television portal; internet portal services; web portal services; provision of broadband services; interactive television portal services providing access to Internet websites for television viewers via their television receiving equipment including digital television receiving equipment; providing access to Internet websites to mobile telephone users; leasing access time to an information database; telecommunications information; factual information services relating to television broadcasting; audio visual communication services; data communication services; data broadcasting services; delivery of messages; telecommunication and/or communication and/or broadcast and/or transmission of radio programmes, television programmes, films and motion pictures; telecommunication and/or communication and/or broadcast and/or transmission of audio and/or visual material and material from pre-recorded video tapes; transmission of radio programmes, television programmes, films, motion pictures, pre-recorded video tapes, audio and/or visual material, pre-recorded video cassettes, DVDs or pre-recorded video discs; rental, leasing or hire of communications equipment; message sending; telephonic or telephone communications services; wireless communication services; services sold by electonic means, namely delivery by telecommunication of media content, including video and films, television programmes, computer games, music, images and ring tones provided by internet, telephone line, cable, wireless transmission, satellite or terrestrial broadcast service; organisation of call information; monitoring and analysis of call information; call screening services; call alerting services; computer network communication services for accessing a communications or computer network; computer network communication services for accessing entertainment, education, information and data via telephone line, cable, wire or fibre, database or computer network; computer network communication services for accessing and retrieving information, messages, text, sound, images and data via a computer or computer network; computer network communication services for accessing and retrieving radio and television programmes; consultancy, synchronization, transfer and transmission of programs, data, files, e-mails, contacts, calendars, task lists, text messages, photos, music, audio, visual, audio visual, video, text, graphics, programs and other information via telecommunications and global communications networks; technical consultancy in relation to the creation, provision, analysis, broadcast, transmission, delivery and transfer of programs, data, files, e-mails, contacts, calendars, task lists, text messages, photos, music, audio, visual, audio visual, video, text, graphics, programs and other information via telecommunications and global communications networks; data synchronization provided by transmission of computer data over telecommunications, communications and computer networks; remote data access services; e-mail, email notification and alert services; online instant messaging; provision of online

conferencing, discussion groups, message boards and chat rooms; internet portal services; web portal services; online video on demand or near on demand telecommunication and/or communication and/or broadcast and/or transmission services; online telecommunications services to enable the accessing and retrieving of data, files, e-mails, contacts, calendars, task lists, text messages, photos, music, audio, visual, audio visual, video, text, graphics, programs and other information via a computer or computer network or electronic device including services provided over a global communications network; online telecommunications services relating to webcasting and podcasting including services provided over a global communications network; peer to peer services network communication services; podcasting; provision of telecommunications and/or communications and/or broadcasting services for interactive polling; broadcasting and transmission of virtual reality/augmented reality content; providing access to online dictionaries, encyclopaedias, and reference texts; providing access to online publications, including newspapers, magazines (periodicals), comics, journals (publications), books, user manuals, instructional and teaching materials; providing access to online posters, photographs, pictures, articles, vouchers and tickets; streaming of radio programmes and audio material on the Internet; transmitting streamed sound, audio-visual recordings and multimedia content via mobile telephone devices; transmitting audio-visual recordings and multimedia content via the Internet; Internet communication services; data streaming services; streaming of audio, visual and audio visual content; providing community forums for users to post, search, watch, share, critique, rate, and comment on, videos and other multimedia content via the Internet and other communications networks; providing access to a video sharing portal for entertainment and education purposes; electronic transmission and streaming of digital media content for others via global and local computer networks; consultancy, information and advisory services relating to all the aforesaid services; professional consultancy, information and advisory services relating to all the aforesaid services; consultancy, information and advisory services relating to all the aforesaid services provided on-line from a computer database or via a helpline or the Internet.

Class 41:

Education; providing of training; entertainment; sporting and cultural activities; Academies [education]; Amusement parks; Amusements; Animal training; Arranging and conducting of colloquiums; Arranging and conducting of concerts; Arranging and conducting of conferences; Arranging and conducting of congresses; Arranging and conducting of seminars; Arranging and conducting of symposiums; Arranging and conducting of workshops [training]; Arranging of beauty contests; arranging, organising and running of individual cyclists and/or cycling teams and/or cycling events; Boarding schools; Booking of seats for shows; Bookmobile services; Calligraphy services; career counselling (training and education); Cinema presentations; Circuses; Club services [entertainment or education]; Coaching [training]; Conducting fitness classes; Correspondence courses; Disc jockey services; Discotheque services;
