放棄註冊所關乎的下列貨品或服務:

Surrendered in respect of the following goods or services for the registration:

類別 Class 8

hair curling irons (hand-held electric); hair curling brushes (hand-held electric); hair curlers electrically heated; accessories and component parts of all the foregoing; all included in Class 8.

類別 Class 17

rubber, gutta-percha, gum, asbestos, mica and goods made from these materials and not included in other classes; plastics in extruded form for use in manufacture and industry; packing, stopping and insulating materials; flexible pipes, not of metal; semi-processed plastic substances; artificial, synthetic and thermoplastics resins (semi-finished products); waterproofing, weatherproofing and weather resistance materials, soundproofing materials; insulators; insulators for electric mains; insulating paints and varnishes; dielectrics (insulators); adhesive sealant; sealant and caulking compounds and materials; silicone rubber sealants; silicone liquid elastomers; silicone rubber compositions; synthetic rubber, raw or semi worked rubber; liquid rubber; all included in Class 17.

類別 Class 37

oil and gas pipeline inspection, maintenance and repair services; drilling and pumping of oil and gas; drilling for crude oil; oil well casing, tubing and drill pipe installation; rental of oil and gas well drilling tools; building construction; repair; installation services, repair (including repair information), maintenance, overhaul and installation including remote monitoring and diagnostic assistance of machinery, motors, engines, turbines, generators, compressors, machine tools, airplanes, locomotives, reactors, all types of electrical instruments, equipment, supplies, apparatus, installations and accessories, factory automation and control instruments, equipment, accessories and installations, factory, building, commercial, industrial and construction machines and equipment, electric and gas cooking, heating, refrigerating, washing, drying, air conditioning and ventilating appliances, apparatus and installations, consumer electronic products; electric lighting apparatus and installations, office, factory and industrial machinery and equipment, construction machinery and equipment, computers, computer hardware and peripheral devices, medical and dental equipment and accessories, railway wagons and containers, telecommunication equipment and accessories; services rendered in the rebuilding and overhaul of engines, motors, turbines, compressors, locomotives, machines and machinery; leasing and rental of construction and building equipment; leasing, repair, maintenance, overhaul and installation services for gas and steam turbine power plants and for all types of power generation, transmission and/or distribution plants and facilities; consultancy, advisory and information services relating to all the foregoing services; all included in Class 37.

類別 Class 38

telecommunication services, television and radio broadcasting services by all means including cable and satellite; electronic mail and facsimile services; telephone communication services including cellular, wireless and satellite; communications by computer terminals; communications by fiber optic networks; computer aided recording, storage and transmission of sound, messages, images, data and documents; satellite and cable telecommunication and transmission services; providing information about telecommunications; rental of telecommunication and transmission equipment; internet and intranet communication services; providing telecommunication gateway services; providing telecommunication connections and services via global computer networks; providing multiple-user access to global computer information networks for the transfer and dissemination of a wide range of information; consultancy, advisory and information services relating to all the foregoing services; computer bulletin board services; all included in Class 38.

類別 Class 39

transmission of oil or gas through pipelines; transport and leasing services; packaging and storage of goods; travel arrangement services; leasing and rental of vehicles, automobiles, boats, railway wagons and containers, trucks, trailers and flatbeds; leasing of aircraft; leasing of cargo and shipping containers (land, marine, air and railroad) including refrigerated containers; freight, transport and shipping brokerage

services; operating leases of vehicles; cargo handling and unloading; freight forwarding; storage and delivery of goods; railway transport; warehousing and rental of warehouses; providing storage and transportation information; electricity distribution and transmission services including the management and operation of power distribution and transmission plants and facilities; consultancy, advisory and information services relating to all the foregoing services; all included Class 39.

類別 Class 43

services for providing food and drink; temporary accommodations; leasing and rental of electrical illumination fixtures, apparatus, installations and accessories; leasing and rental of mobile and modular buildings; rental of transportable buildings; consultancy, advisory and information services relating to all the foregoing services; all included in Class 43.

紀錄冊內的貨品或服務現修改如下：

The remaining goods or services on the register now read as follows:

類別 Class 1

silicone additives and intermediates for use in coatings; chemicals and chemical products for all types of water treatment and processing systems; chemicals and chemical products for use in the recovery, refining and processing of petroleum and gas; chemicals and chemical products for the use in the plastics finishing industries, chemicals used in industry, science and photography, as well as in agriculture, horticulture and forestry; unprocessed artificial, synthetic and thermoplastic resins; unprocessed plastics; manures; fire extinguishing compositions; tempering and soldering preparations; chemical substances for preserving foodstuffs; tanning substances; adhesives used in industry; emulsifiers; silicones; moderating materials for nuclear reactors; fuel for atomic piles; nuclear fuel rods; isotopes for industrial purposes; all included in Class 1.

類別 Class 7

machines and machine tools; motors and engines (except for land vehicles); machine coupling and transmission components (except for land vehicles); agricultural implements; other than hand-operated; incubators for eggs; machinery; aeronautical and aeroplane engines; centrifuges (machines); compressors (machines); compressors for refrigerators; condensers (steam) parts of machines; condensing installations; control mechanisms for machines, engines or motors; conversion apparatus; cranes; current generators; dressing (apparatus for); drill chucks; drilling bits; drilling heads; tool blanks and inserts, manufactured mesh diamonds (parts of machines); filtering machines; fuel conversion apparatus for internal combustion engines; jet engines other than for land vehicles; motors and engines for boats; dishwashers; drying machines; dynamos; garbage and waste disposals; generators of electricity; heat exchangers (parts of machines); motors, electric, other than for land vehicles; turbines other than for land vehicles; propulsion mechanisms other than for land vehicles; pumps (machines); pumps

(parts of machines and engines); valves; starters for motors and engines; robots; turbines (hydraulic); turbocompressors; textile machines, machines for washing and/or drying laundry; waste compacting machines; waste disposers (machines); fuel conversion devices for the production of electricity; machines for domestic and household use; electric and power operated coffee grinders for domestic and commercial use; electric mixing machines; electric blenders for household purposes; bread-making machines; vacuum cleaners; vacuum cleaner attachments and hoses; electric machines and apparatus for cleaning; electric machines and apparatus for carpet shampooing; cleaning appliances utilizing steam; electric can-openers; electric food processors; food preparation machines; electric knives; electric food grinders and slicers; electric ice crushers; juice makers and juice extractors; food dehydrators; automatic vending machines; fuel dispensing pumps for service stations; fuel pumps (self-regulating); galvanising apparatus; accessories and component parts of all the foregoing; all included Class 7.

類別 Class 9

scientific, nautical, surveying, electric, photographic, cinematographic, optical, weighing, measuring, signalling, checking (supervision), life-saving and teaching apparatus and instruments; apparatus for recording, transmission or reproduction of sound or images; magnetic data carriers, recording discs; mechanisms for coin-operated and credit card-operated apparatus; cash registers, calculating machines; data processing equipment and computers; fire-extinguishing apparatus; apparatus, instruments, accessories and components for the transformation, conversion, transmission, distribution, control and utilization of electricity; including but not limited to: acoustic conduits; acoustic couplers; actuators; alarms; alarm and monitoring systems; altimeters; amplifiers, receivers and tuners; anodes; anti-interference devices (electricity); armatures (electricity); audio and/or video tape and disc recorders and players; batteries; battery chargers; blank (non-prerecorded) audio, video and/or digital cassettes, tapes and discs; compact discs and DVD's; pre-recorded audio, video and/or digital cassettes, tapes and discs; branch boxes (electricity); busways; cables, electric; calibration instruments; camcorders; cameras; capacitors; cassette players; cathodes; cell switches (electricity); central processing units; circuit breakers; circuit closers; circuit interrupters; circuit boards (electrical and printed); circuits (electrical, integrated and printed); clock radios; coils, electric; commutators; comparators; computers; computer interface boards; computer software; computer programs; computer programs including interactive multimedia; computer memories; computer operating programs; computer peripheral devices; computer disk drives; laptop computers; computer automation systems; computer information and control systems; condensers; conduits; conduits; connections for electric lines; contacts, electric; contacts, electric of precious metal; contactors; control and protection panels (electricity); converters; couplers [data processing equipment]; current limiters; current rectifiers; cyclotrons; data carriers; data processing apparatus; digital satellite systems; dimmers (regulators); dimmers (electric light); distribution boards (electricity); distribution boxes (electricity);

distribution consoles (electricity); diodes; display panels; dynamometers; electric apparatus for commutation; electric and computerized installations for the remote control of industrial operations; electric accumulators; electric plugs and wires; electric collectors, conductors, connections, connectors, controllers, couplings, inductors, limiters and power supplies; electronic agendas; electronic transistors; material for electricity mains [wires, cables]; electro-dynamic apparatus for the remote control of signals and for the remote control of railway points; electromagnetic coils; electronic pens [visual display units]; magnetic encoders; exposure meters; fuel cells; fiber optics and fiber optic cables; flashing lights [luminous signals]; frequency meters; fuses; galvanometers; gages; heat regulating apparatus; high-frequency apparatus; igniting apparatus; electric, for igniting at a distance and remotely; indicators [electricity]; integrated circuit cards [smart cards]; intercommunication apparatus; inverters; junction boxes (electricity); junction sleeves for electric cables; lasers not for medical use; light conducting filaments; light switches; lighting arresters; lightning conductors [rods]; LEDs; LED signals; loudspeakers; magnets; meters; modems; pressure indicators; pressure measuring apparatus; power management controls systems (electricity); phonographs; programmable logic controllers; push buttons; radar apparatus; radios; railway traffic safety appliances; regulating apparatus (electric); refractors; remote control apparatus; relays; resistances, electric; rheostats; satellite broadcast antennas, receivers and decoders; scanners; semi-conductors; signaling panels, luminous or mechanical; signals, luminous or mechanical; signs, luminous; sockets (plugs and other contacts, electric connections); smoke detectors; solenoids; stereo receivers; switchboards; switchboxes; switches; switchgears; tachometers; telephone transmitters and transmitting sets; telephones; telephone answering devices; televisions; television antennas; terminal blocks; testing apparatus not for medical purposes; terminals [electricity]; thermostats; timers; transformers; transmitters of electronic signals; tubes (electric discharge); video cameras and recorders; wire connectors (electricity); wires of metal alloys (fuse wire); x-ray producing apparatus and installations, not for medical purposes; x-ray tubes, not for medical purposes; electric domestic and household apparatus and instruments; irons for clothes (electric, steam, travel); electric lighted make-up mirrors; accessories and component parts of all the foregoing; plants, systems and installations for the generation, transmission and distribution of electricity; all included in Class 9.

類別 Class 10

surgical, medical, dental and veterinary apparatus and instruments, artificial limbs; eyes and teeth; orthopedic articles; suture materials; medical diagnostic imaging apparatus including but not limited to x-ray and radiological apparatus, x-ray tubes and accessories, computer tomography apparatus, magnetic resonance imaging and spectroscopic apparatus, ultrasonic medical apparatus, nuclear medical apparatus, positron emission tomography apparatus, radiation therapy apparatus, medical interventional apparatus and medical diagnostic imaging, therapy and interventional accessories, fetal pulse and vital signs monitors; bone densitometers; magnetic

gradient coils used in magnetic resonance imaging; massage instruments and apparatus for home and personal use; sound therapy and aroma therapy instruments and apparatus for home and personal use; including accessories and component parts of all the foregoing; massage instruments and apparatus for home and personal use; sound therapy and aroma therapy instruments and apparatus for home and personal use; all included in Class 10.

類別 Class 11

apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes; including but not limited to electric light bulbs; luminescent, incandescent and fluorescent lighting lamps and tubes; lamps and lights for vehicles; luminaires; electric lighting fixtures, fittings, apparatus, systems and installations, their parts and accessories; electric discharge lamps; electric lights for Christmas trees; ultra-violet ray lamps, not for medical purposes; air conditioners; clothes dryers; dehumidifiers; humidifiers; freezers; refrigerators; heating elements; electric hot plates and cooking rings; gas and electric stoves and apparatus for cooking; gas and electric ovens and cooktops; microwave ovens; ventilation hoods and ventilating systems; refrigerating apparatus, machines, appliances and installations; water heaters; water filtering, purification and/or softening systems, apparatus and installations; steam and gas turbines, generators and installations; cooling appliances, installations and machines; cooling installations for liquids; distillation apparatus and columns; heat exchangers (not parts of machines); heating apparatus and installations; nuclear reactors; boiling water reactors, light water reactors; installations for processing nuclear fuel and nuclear moderating material; domestic and household electric and gas cooking appliances; coffee makers and percolators and tea makers and their component parts such as permanent filters; toasters; toaster ovens; cookers and steamers (for cooking purposes); electric and gas grills for cooking purposes; sandwich makers (cooking appliance); fryers; frypans; deep fryers; skillets; griddles; food/rice steamers; woks; popcorn makers; rotisserie ovens; hot air ovens (electric cooking appliances); roasters and roasting apparatus; ovens, other than for experimental purposes; ice cream makers (electric and non-electric); waffle irons (electric); kettles (electric); hair dryers (electric); hot air hair brushes (electric); including accessories and component parts of all the foregoing; cup and bottle warmer apparatus; all included in Class 11.

類別 Class 12

vehicles and apparatus for locomotion by land, air, or water including but not limited to aeronautical apparatus, machines and appliances; motors, engines and gearing for land vehicles and water vessels; motors, electric, for land vehicles; driving motors for land vehicles; propulsion mechanisms for land vehicles and water vessels; turbines for land vehicles; jet engines for land vehicles; traction engines; locomotives; aeroplanes and aircraft; space vehicles; including accessories and component parts of all the foregoing; all included in Class 12.

類別 Class 35

services in advertising, business management, business operation, business administration and office functions; business, consultation, management, planning and supervision; business acquisition and merger consultation; business management and organization consultancy; bartering and trading of goods for others; inventory control services; organization of exhibitions and trade fairs for commercial or advertising purposes; economic forecasting; import-export agencies; providing trade information and consultation; marketing research; updating and dissemination of advertising matter and materials; management assistance (commercial and industrial); business operations for others; business reorganization consulting services; business appraisals; auditing services; location of freight cars or vehicles by computers and global tracking network systems; vehicle fleet business management services; sales promotion for others; rental of office machinery and equipment; computerized data base management services, compilation and systemization of information into computer databases; internet, intranet and/or extranet based electronic retail and wholesale commerce and business services; computerised management information system services; direct mail advertising; business management and operation of medical and dental facilities; business management and operation of gas and steam turbine power plants and facilities; business management and operation of power generation, power transmission and/or power distribution plants and facilities; consultancy, advisory and information services relating to all the foregoing services; sale and administration of repair and maintenance service contracts; all included in Class 35.

類別 Class 36

insurance, financial affairs, monetary affairs, real estate affairs, accident, annuity, automobile, fire, life, health, medical, marine, merchandise protection, gap, personal, property, pet, long-term care, travel, payment protection insurance and reinsurance policies and underwriting services, including consultancy and information services relating thereof, claims administration services and processing services for all the foregoing; actuarial services; acquisition financing; asset based funding; asset based and private label financing services; banking services (savings, mortgage, commercial, consumer); brokerage services (business, commodities, futures, customs, insurance, investment, real estate, mortgage, mutual funds, stocks, bonds, securities, yachts, automated securities); capital investments; credit, debit, charge, bank, corporate, business and store card services; commercial equipment financial electronic fund transfers; financial information, analysis and consultation services; financial clearing services; financial evaluation (insurance, banking, real estate); financial management services; financial planning services; financing loans; financing services (commercial, consumer, inventory, financial assurance); fund investments; hire-purchase financing; issuance of credit, debit, charge, banks, corporate, business and store cards; installment loans; investment services; joint venture financing; lease-purchase financing and loans; leasing of real estate; lending against security; money exchanging; mutual funds; private equity and debt investment; real estate loan financing services; real estate appraisal; real estate management; retirement payment services; term loan

financing; warranty and surety services; loan services; credit services; development and structuring of financial services operations and financing products; insurance and insurance agency services; insurance claims administration; financial loyalty schemes; leasing and rental of mobile and modular buildings; consultancy, advisory and information services relating to all the foregoing services; all included in Class 36.

類別 Class 42

engineering services, technical consultation and research services in the oil and gas industries; oil and gas exploration services; geophysical exploration for the oil and gas industries; analysis of oil and gas fields; oil and gas prospecting; oil and gas well testing; scientific and technological services and research and design relating thereto; industrial analysis and research services; design and development of computer hardware and software; scientific and industrial research; research, consultation and advisory services relating to engineering, design and development problems encountered by utility, industrial, manufacturing and commercial companies, governments and individuals; computer programming services; duplication of computer programs; computer software design and analysis services; computer consultation services; maintenance and updating of computer software and computer systems; installation of computer software; computer system design and computer network analysis and design services; computer access, leasing and time sharing services; computer information storage and retrieval services; consultancy in the field of computer hardware; recovery of computer data; conversion of data or documents from physical to electronic media; data conversion of computer programs and data [not physical conversion]; leasing and rental of computers and computer software; providing integrated technology management solutions via desktop services and network integration; creating, designing, implementing and maintaining web sites and web pages for others; providing computer search engines for obtaining data on a global computer network; hosting computer sites [web sites]; scientific, chemical, industrial, technical and engineering consultation research services; technical research and technical project studies; quality control; research and development for others; consultation in environment protection; consultancy, advisory and information services relating to all the foregoing services; all included in Class 42.

類別 Class 44

medical services; veterinary services; hygienic and beauty care for human beings or animals; agriculture, horticulture and forestry services; leasing and rental of medical and dental equipment and accessories; management and operation of medical and dental facilities; consultancy, advisory and information services relating to all the foregoing services; all included in Class 44.

類別 Class 45

intellectual property consultancy and licensing of intellectual property; copyright management; consultancy, advisory and information services relating to all the foregoing services; all included in Class 45.
