接納註冊 (全文本)

商標註冊處處長已根據《商標條例》(第 559 章)第 42 條，接納下列商標的註冊申請。現根據《商標條例》第 43 條及《商標規則》(第 559 章附屬法例)第 15 條，公布申請的詳情。

根據《商標條例》第 44 條及《商標規則》第 16 條，任何人擬就下列商標的註冊提出反對，須在本公告公布日期起計的三個月內，採用表格第 T6 號提交反對通知。(例如，若果公布日期為 2003 年 4 月 4 日，則該三個月的最後一日為 2003 年 7 月 3 日。)反對通知須載有反對理由的陳述及《商標規則》第 16(2)條所提述的事宜。反對人須在提交反對通知的同時，將該通知的副本送交有關申請人。

有關商標註冊處處長根據商標條例(第 43 章)第 13 條/商標條例(第 559 章)附表 5 第 10 條所接納的註冊申請，請到 <http://www.gld.gov.hk/cgi-bin/gld/egazette/index.cgi?lang=c&agree=0> 檢視電子憲報。

ACCEPTANCE FOR REGISTRATION (FULL VERSION)

The Registrar of Trade Marks has accepted the following trade marks for registration under section 42 of the Trade Marks Ordinance (Cap. 559). Under section 43 of the Trade Marks Ordinance and rule 15 of the Trade Marks Rules (Cap. 559 sub. leg.), the particulars of the applications are published.

Under section 44 of the Trade Marks Ordinance and rule 16 of the Trade Marks Rules, any person who wishes to oppose the registration of any of these marks shall, within the 3-month period beginning on the date of this publication, file a notice of opposition on Form T6. (For example, if the publication date is 4 April 2003, the last day of the 3-month period is 3 July 2003.) The notice of opposition shall include a statement of the grounds of opposition and the matters referred to in rule 16(2). The opponent shall, at the same time as he files the notice of opposition, send a copy of it to the applicant of the application in question.

For applications for registration accepted by the Registrar of Trade Marks under section 13 of the Trade Marks Ordinance (Cap. 43)/section 10 of Schedule 5 to the Trade Marks Ordinance (Cap. 559), please view e-gazette at <http://www.gld.gov.hk/cgi-bin/gld/egazette/index.cgi?lang=e&agree=0>.

Specification: Class 1:
Adhesives for fixing tiles and building materials; adhesives for use in the building and civil engineering construction industries; building adhesives; chemicals used in building and civil engineering industry; chemicals used in the building industry; glues for use in building construction.
Class 2:
Coating materials (paints) for building purposes; protective preparations for building materials (paints).
Class 3:
Cleaning preparations and scouring solutions for use in building and civil engineering industry; preparations for cleaning non-metallic building materials used in building and civil engineering industry.
Class 4:
Oils for releasing form work (building).
Class 6:
Fittings, flashing and framework of metal for scaffolding; metal scaffolding; scaffolding of metal; scaffolding towers of metal; brackets of metal for building; building boards of metal; building fittings of metal; building fittings of nickel or silver; building hardware of metal; building materials and buildings of metal; building materials made of metal; building materials made principally of common metal alloys; building materials of metal; building or furniture fittings of nickel-silver; building panels of aluminium; building panels of metal; building parts of aluminium; building parts of metal; cladding of metal for building; columns of metal [parts of building]; fittings of metal for building; flashing of metal, for building; frames of metal for building; framework of metal for building; linings of metal for building; metal building elements for use in the construction of fireplaces; metal building

frames and framing sections for commercial buildings; metal building frames and framing sections for houses; metal building materials; metal materials for building; metal materials used exclusively for building; metal modular portable building structures; metallic anti-slip blocks for building construction; metallic anti-slip boards for building construction; metallic anti-slip panels for building construction; metallic anti-slip tile floorings for building construction; metallic anti-slip tiles for building construction; metallic building materials; modular building units of metal; modular portable building units of metal for construction into relocatable building; modular prefabricated building units of metal for the construction of buildings; paving blocks of metal for building; pillars of metal for building; prefabricated building assembly kits of metal; prefabricated metal building assembly kits; prepainted metal building materials; reinforcing materials of metal for building; slabs of metal for building; tiles of metal for building; wall claddings of metal for building; wall linings of metal for building.

Class 17:

Flexible tubes, not of metal, for building; foam sheeting for use as building insulation [polyurethane]; insulating building materials against moisture; insulating materials and junctions [not of metal] for pipes for the building industry; plastic sheets and laminates for building, manufacturing and industrial purposes; sealants for building; all being materials for packing, stopping and insulating; soundproofing materials of rock wool [not for building purposes].

Class 19:

Scaffolding, not of metal; agglomerated bagasses of cane [building material]; agglomerated cork for building; anti-slip panels, boards, blocks, tiles and tile floorings for building construction; articles of artificial stone for building purposes; articles of joinery for use in building; articles of wood for building purposes; artificial stones made of concrete as building materials for garden design; bitumen paper for building; bituminous products for building; bituminous products for building purposes; brackets, not of metal, for building; bricks for building; bricks for building construction; building cardboards; building elements made of wooden materials; building fittings, not of metals; building glass; building glasses; building materials [non-metallic]; building materials [not of metal]; building materials made of plastic board; building materials made of plastics; building materials made of synthetic materials; building materials not of metal and concrete; building materials of cement and concrete; building materials of plaster; building materials of plastics material; building materials, not of metal, all containing cement; building panels, not of metal; building paper; building safety glass; building sand; building stones; building timber; cement articles for building materials; ceramic and porcelain materials used exclusively for building; ceramic building materials; ceramic tiles for flooring of building; cladding, facings, linings, moldings, paving and surfacings [not of metal] for building; cladding, not of metal, for building; coating compositions for

application to non-metallic building materials; coating compositions for preserving non-metallic building materials; coatings [building materials]; coatings to protect concrete and non-metallic building materials from water; coloured stone materials for use in building; compressed cellulose fiber board used as a substitute for wood, plywood or cardboard for building purposes; concrete building elements; construction, building, mining and decorative materials, not of metal; decorative building products made of cementitious materials; enamelled glass, for building; facings, not of metal, for building and residence; felt for building; fibre-reinforced cement building panels; fibres for use in building materials; flashing, not of metal, for building; frameworks, not of metal, for building; frameworks and claddings for use in building and civil engineering, not of metal; frameworks for building elements [not of metal]; frameworks for building, not of metal; glass components for building materials; glass elements for building panels and windows; glass for building; glass for building purposes; glass steel building pieces; glass used in building; high pressure melamine laminates being non-metallic building materials; insulating glass for building; insulating materials made of plastic for use in road and building construction, civil engineering, water supply line and heating construction; interior finishing materials for building walls; laminated boards [non-metallic] for building use; laminated building glass incorporating a liquid crystal film; ledges for building; lime building or construction materials; linings, not of metal, for building; linoleum building materials; lintels for building; lumber and building timber; materials [non-metallic] for use in building; moldings, not of metal, for building; mortar for building; mosaic of glass and glass mosaic products for building; mosaics for building; mouldings, not of metal, for building; natural stones and polyester resin slabs for use in building construction; non-metal building materials; non-metal building materials mixed by mud, sand and coal cinder; non-metal building panels; non-metal claddings for building; non-metal floors for building; non-metal tiles for building; non-metal wall claddings and wall linings for building; non-metal wall for building; non-metal wall tiles for building; non-metallic building and construction materials; non-metallic building and covering materials; non-metallic building elements for use in the construction of fireplaces; non-metallic building elements made from glass; non-metallic building materials; non-metallic building materials [fixture materials]; non-metallic building materials for covering of walls and floors; non-metallic building materials for fire protection; non-metallic building materials for flooring; non-metallic building materials for waterproofing and for surface covering; non-metallic building materials of cement; non-metallic doors for building; non-metallic drainage products for use in building and construction; non-metallic floor tiles for building; non-metallic formwork for building purpose; non-metallic laminated materials for use in building and construction; non-metallic materials for filling and sealing building joints and cracks; non-metallic materials for use in building; non-metallic membranes for

waterproof, all for use in building and civil construction; non-metallic pipes for building purposes; non-metallic rigid pipes for building; non-metallic tiles for building; non-metallic waterproof and dampness-proofing materials for building; olivine for building; ornamental finish material for building wall surface [not of metal, for building]; paperboard for building; pavement finishes [building construction]; pillars, not of metal, for building; planar glass for building; planks of wood for building; plaster siding [not of metal, for building]; plasters for building purposes; plastic building materials; plastic coatings (other than paints) for use in building; plastic laminates in sheet form for use in building and construction; plastic laminates in sheet form for use in building construction; plate glass [windows], for building; plate glass for building; protective coatings for walkways [building materials]; protective finish materials for building wall surface [not of metal, for building]; reeds, for building; reinforced glass for building; reinforcing materials, not of metal, for building; rigid pipes, not of metal, for building; rubber building or construction materials; rubber materials exclusively for building (not of metal, for building); rubber sheets and rubber flanges being building materials; sandstone for building; slab and wall board made of methacrylate building materials; slabs, not of metal, for building; slag (building material); special glass components for building purposes; special glass for building purposes; spray finishing material for building wall surface (not of metal, for building); surfacings for building (not of metal); synthetic plastics materials for use in building; tarred strings, for building; tarred strips, for building; textured panels for use in building; tiles for building [not of metal]; tiles made of ceramic materials for building purposes; tiles, not of metal, for building; timber building materials and timber formwork; timber for building; vapour control membranes for building and roof; wall claddings and linings, not of metal, for building; wall claddings, not of metal, for building; wall coatings [building materials], other than paints; wall linings, not of metal, for building; wall-claddings for building, not of metal; waterproof membranes and mastics for use in protecting building and construction surfaces; window glass and articles of glass for building purposes; window glass board for building; window glass for building; wood and wood composite materials for use in building; wood pulp board, for building; wooden building materials; wooden building materials in fabricated form.

Class 20:

Wall decorations of marble (other than parts of building); wall decorations of plaster (other than parts of building); wall decorations of plastic (other than parts of building); wall decorations of wood (other than parts of building).

Class 35:

Provision of business information for building visitors; provision of business information relating to building materials and interior products; wholesaling and distributorship relating to building materials.

Class 37:

Scaffolding; scaffolding services; advice relating to demolition of buildings, building construction, dredging and civil engineering works; advisory services relating to building construction, repair and installation; advisory services relating to the repair of building, plumbing, environmental control systems and civil engineering structures; building construction information services; building construction services; building construction supervision; building demolition; building insulating; building insulation; building maintenance; building of accommodation facilities; building of drainage and filtration systems on golf courses; building of drainage systems; building of fair stalls and shops; building of offices; building of roads, bridges, highways, tunnels and power plants; building of ships; building of shopping arcades, malls, restaurants, convention centres, hotels and theatres; building of trapezoidal channel; building project management; building refurbishment; building renovation services; building repair; building sealing; building services; commercial building construction; construction, repair, maintenance and demolition of buildings and building complexes; damp-proofing [building]; hire of building equipment; information services relating to building; information services relating to building construction; leasing of construction and building equipment; leasing of marine building equipment; letting of equipment for building purposes; maintenance and advisory services relating to building; maintenance and repair of airport building facilities; office building construction; on-site building project management; painting of building; pier breakwater building; project management services relating to building and civil engineering construction; project management services relating to building and construction; providing information relating to building construction and repair; provision of information relating to building construction, repair and installation services; provision of information relating to supervision of building construction; rental of apparatus and tools for construction, building, maintenance, repair, lifting, demolition and interior decorating; rental of building machines; rental of tools and apparatus relating to building construction; repair of defective building; supervision of building construction; supervision of building construction, excavation, land reclamation, demolition and building decoration; supervision of building work; yacht building; advisory services relating to the repair of building, plumbing, environmental control systems and civil engineering structures; installation and maintenance of environmental monitoring systems; installation of drainage, environmental control systems and machines, waste liquid disposal systems and water purifying plants; installation of environmental engineering systems.

Class 42:

consultancy and advisory services relating to building design; design of building interiors; design services for building interiors; engineering services for the design of building structures; interior and exterior building design services; planning of building estates; research relating to building construction or city planning; advisory services relating to use of

energy; architectural design of energy conservation systems; consultancy and advisory services relating to energy conservation; analysis and research relating to environmental protection; consultancy services relating to environmental protection; design of environmental monitoring systems; environmental conservation; environmental consultation and design services; environmental engineering services relating to remediation of contaminated site; environmental hazard assessment; environmental research; environmental testing services; information and consultancy services relating to environmental protection; research and advisory services relating to environmental protection.
