

香港特別行政區政府知識產權署商標註冊處

Trade Marks Registry, Intellectual Property Department

The Government of the Hong Kong Special Administrative Region

接納註冊 (全文本)

商標註冊處處長已根據《商標條例》(第 559 章)第 42 條, 接納下列商標的註冊申請。現根據《商標條例》第 43 條及《商標規則》(第 559 章附屬法例)第 15 條, 公布申請的詳情。

根據《商標條例》第 44 條及《商標規則》第 16 條, 任何人擬就下列商標的註冊提出反對, 須在本公告公布日期起計的三個月內, 採用表格第 T6 號提交反對通知。(例如, 若果公布日期為 2003 年 4 月 4 日, 則該三個月的最後一日為 2003 年 7 月 3 日。)反對通知須載有反對理由的陳述及《商標規則》第 16(2)條所提述的事宜。反對人須在提交反對通知的同時, 將該通知的副本送交有關申請人。

有關商標註冊處處長根據商標條例(第 43 章)第 13 條/商標條例(第 559 章)附表 5 第 10 條所接納的註冊申請, 請到 <http://www.gld.gov.hk/cgi-bin/gld/egazette/index.cgi?lang=c&agree=0> 檢視電子憲報。

ACCEPTANCE FOR REGISTRATION (FULL VERSION)

The Registrar of Trade Marks has accepted the following trade marks for registration under section 42 of the Trade Marks Ordinance (Cap. 559). Under section 43 of the Trade Marks Ordinance and rule 15 of the Trade Marks Rules (Cap. 559 sub. leg.), the particulars of the applications are published.

Under section 44 of the Trade Marks Ordinance and rule 16 of the Trade Marks Rules, any person who wishes to oppose the registration of any of these marks shall, within the 3-month period beginning on the date of this publication, file a notice of opposition on Form T6. (For example, if the publication date is 4 April 2003, the last day of the 3-month period is 3 July 2003.) The notice of opposition shall include a statement of the grounds of opposition and the matters referred to in rule 16(2). The opponent shall, at the same time as he files the notice of opposition, send a copy of it to the applicant of the application in question.

For applications for registration accepted by the Registrar of Trade Marks under section 13 of the Trade Marks Ordinance (Cap. 43)/section 10 of Schedule 5 to the Trade Marks Ordinance (Cap. 559), please view e-gazette at <http://www.gld.gov.hk/cgi-bin/gld/egazette/index.cgi?lang=e&agree=0>.

[511] 貨品／服務說明 : Class 35:
Specification: Advertising; professional business consulting services in the fields of management, operation and maintenance of industrial facilities of others in the fields of product manufacturing, pharmaceutical manufacturing, chemical manufacturing, petroleum extraction, petroleum refining, aerospace manufacturing, automotive manufacturing, building material manufacturing, consumer products manufacturing, food and beverage manufacturing, metals manufacturing; business management; business consulting in the fields of management, planning and supervision; business consulting in the field of economic feasibility studies in relation to planning, design and operations for businesses, utilities and governments, for estimating, measuring and verifying the environmental, social and economic impact of alternatives in infrastructure design, construction and operation and for estimating, measuring and verifying the environmental, social and economic impact of practices in the fields of energy, construction, manufacturing, transportation, product distribution and utilities; technical auditing and business management services; business

advisory services in the fields of architecture, interior design and urban planning design; cost analyses; demographic consultation; economic feasibility studies; business advisory services in the fields of airfield planning and design, aviation and transportation management consulting, transportation master planning and feasibility studies, drainage and storm water management, environmental documentation, public involvement, transportation seismic analysis, and sustainability and investment planning in the field of transportation; management and business consulting services in the fields of transportation oil and gas, renewable energy, power, chemicals, biofuels, gasification, energy management, hazardous waste, wastewater treatment, water supply, nuclear liabilities, environmental science, air pollution control, environmental management, laboratory analysis, environmental sustainability, facilities management, government, advanced technology, manufacturing, scientific labs, transportation facilities, sports facilities, energy facilities, building materials, chemicals, metals, mining, water resources, aviations, transit and rail, intelligent transport, highways and bridges, sustainable transportation services, ports and maritime, highway and traffic safety, aerospace manufacturing, automotive manufacturing, water conveyance, utility management, drinking water infrastructure, water resources and system management, and wastewater infrastructure; project management services for others for business purposes in the fields of architecture, interior design, and urban planning design; project management (business management) services in the fields of nuclear development, nuclear maintenance, nuclear cleanup, and closure of nuclear sites; value engineering, namely, cost analysis; business management services, namely, managing logistics, reverse logistics, supply chain services, supply chain visibility and synchronization, supply and demand forecasting and product distribution processes for others; business services, namely, procuring qualified and credentialed third-party experts, professionals and other qualified personnel, and documentation and information all on behalf of others; business services, namely, providing computer databases regarding the purchase and sale of a wide variety of products and services of others; business services, namely, registering, screening, credentialing, and organizing third-party vendors, suppliers, and contractors, and documentation and information on behalf of others; compilation and systemization of information into computer databases; database management; computerised business information tracking via integrated tracking and management of commercial transactions on a global computer network; inventory control; inventory control in the field of database management; inventory management; inventory management in the field of database management; management and compilation of computerized databases; providing business data via a secured access database via the internet through which documents and images can be viewed, copied, and printed for purposes of conducting corporate transactions; database management via an on-line computer database for locating products, describing products, rating products, pricing products and comparing prices of products; records management services,

namely, document indexing for others; procurement, namely purchasing software, construction materials, construction equipment, and environmental treatment equipment for others; business management planning; business succession planning; business planning and business consultation used in facilitating hydropower services; business services, namely, facilities management of technical operations of hydro-electric factory facilities; business management of air and water processing systems and facilities for others; business consulting services related to the administration of water purification strategies; business management of waste water collection systems for others; business consulting and advisory services in the field of energy efficiency; business consulting services in the field of energy usage management and energy efficiency; management and operation assistance to commercial businesses; operation of telephone call centers for others; updating and maintenance of data in computer databases; business administration; office functions; business auditing; professional business consultancy; business management and organization consultancy; advisory services for business management; business efficiency expert services; business management assistance; commercial or industrial management assistance; outsourcing services [business assistance]; procurement services for others [purchasing goods and services for other businesses]; advisory and consultancy services in relation to all the aforesaid.

Class 37:

Construction; construction management; maintenance of industrial facilities for others in the fields of product manufacturing, pharmaceutical manufacturing, chemical manufacturing, petroleum extraction, petroleum refining, aerospace manufacturing, automotive manufacturing, building material manufacturing, consumer products manufacturing, food and beverage manufacturing, metals manufacturing; consultation in the field of land development and redevelopment; construction services relating to roads, bridges, tunnels, railways, underground railways, airports, power stations, structures, buildings, ports, harbors and other infrastructure projects; construction services relating to coastal protection and offshore structures; building construction; repair and installation services; supervising and inspecting major construction projects for others; building construction supervision; building remodeling services; building maintenance and repair; building reinforcing; building restoration; construction and construction management of tunnels and underground structures; construction and renovation of buildings; construction consultancy; construction grading services (construction); construction of airports; construction of medical establishments; construction and repair of roads, highways, bridges and underground utilities; construction planning; construction services, namely, planning, laying out and custom construction of commercial buildings; construction supervision; construction, maintenance and renovation of property; consultation in building construction supervision; consulting in the field of building construction; consulting in the field of hospital construction; consulting services for repair and

restoration of historic buildings and structures; electrical contractor services; erecting of commercial centers, housing areas and manufacturing plants; inspection services in the course of construction of airports, highways and bridges; pipeline construction and maintenance; pipeline installation and repair; construction planning and laying out of factory buildings; construction planning and laying out of production facilities; refurbishment of buildings; construction, repair and maintenance of aquatics facilities; construction, repair and maintenance of water treatment facilities; consulting services for the construction of water treatment and purification plants, solid waste treatment plants and other municipal infrastructure facilities; waste disposal (cleaning services); marine construction; pump repair and maintenance; repair or maintenance of water pollution control equipment; repair or maintenance of water purifying apparatus; sanitation consultation; underwater building and construction; underwater dredging; construction of pipelines, water treatment and wastewater treatment facilities; hydroelectric factory construction; installation and maintenance of transportation and traffic equipment and systems; maintenance of building equipment; construction information; construction consultation; repair information; factory construction; harbour construction; irrigation devices installation and repair; underwater repair; warehouse construction and repair; advisory and consultancy services in relation to all the aforesaid; land development services; management of construction projects (construction supervision); demolition services relating to facilities.

Class 42:

Engineering services; engineering and engineering consulting services in the fields of industrial design, product manufacturing, pharmaceutical manufacturing, chemical manufacturing, petroleum extraction, petroleum refining, aerospace manufacturing, automotive manufacturing, building material manufacturing, consumer products manufacturing, food and beverage manufacturing, metals manufacturing; consultation in the fields of civil engineering, environmental engineering, mechanical engineering, manufacturing engineering, design engineering, process engineering, architectural and engineering services relating to pollution abatement and land use planning; architectural and engineering services relating to planning, designing, building, upgrading, expanding, modernizing, renovating, retooling, optimizing, and operating infrastructure and facilities; architectural services and architectural consultancy services; architectural and design engineering consulting services; architecture and urban design planning services; hydrological engineering services; environmental engineering and environmental consultancy services; mechanical, electrical and energy engineering services; industrial analysis and research services; providing architectural and engineering planning and design services for major construction projects of highways, bridges, tunnels, airports, rapid transit systems, ports, terminals, water resources programs, and waste disposal systems for determining the financial, engineering and economic feasibility of proposed projects, and preparing preliminary designs, final designs and specifications;

traffic engineering; providing online non-downloadable software designed to facilitate the capture, storage and management of project data; civil engineering; civil engineering for the design of airports, highways and bridges; computer aided design for others; conducting chemical surveys, namely, strength and chemical testing of cementitious materials, asphalt and aggregates; conducting engineering surveys; conducting of engineering feasibility studies; construction drafting; consulting in the field of structural engineering; consulting in the fields of engineering and architecture; consulting services in the field of architectural design; consulting services in the field of sustainable building design; design for others in the field of engineering; design of tunnels and underground structures; drafting of construction plans for recreation premises; engineering services for building and property condition assessment, facility management, repair and restoration, building instrumentation and monitoring, and environmental consulting; engineering services for the construction of water treatment and purification plants, solid waste treatment plants and other municipal infrastructure facilities; engineering services in the field of environmental compliance; engineering services, namely, engineering for the construction of airports, highways and bridges; engineering services in the fields of physical and cyber security; graphic illustration and drawing services, namely, providing graphic illustrations and drawings of commercial and industrial building designs, and converting building designs or markups to electronic cad drawings; technical inspection, quality control, technical supervision of the quality and quantity of raw materials, commodities, manufactured, semi-manufactured and transformed goods or goods of any other nature and their conformity with national and international norms, laws, rules, practice and standards and with clients' contractual requirements; inspections of airports, highways and bridges; land surveying; landscape architectural design; marine, aerial and land surveying; material testing, analyzing and evaluation; mechanical research; engineering services relating to monitoring of commercial and industrial sites for detection of volatile and non-volatile organic compounds; engineering services relating to monitoring of erosion and sedimentation; pipeline inspection services; planning and layout design for the interior space of retail business establishments; layout design services for cleanroom environments; engineering services relating to planning of buildings and infrastructure systems for buildings; product development and engineering services for others; providing quality assurance services in the field of engineering; quality control for others; research and development and consultation related thereto in the field of civil engineering; research and development of technology in the field of civil engineering; research on building construction or city planning; research relating to mechanical engineering; research, development, engineering and testing services in the fields of welding and material joining; structural engineering design services; survey design and research; surveying; technical consultancy regarding the field of road cutting technology; technical surveying; testing or research on civil

engineering; testing, analysis and evaluation of the goods and services of others for the purpose of certification; testing, technological analyzing and evaluating the structural properties of masonry and concrete structures; urban planning; analysis of stream water quality; bacteriological consultation and research; engineering services relating to calculating and simulating flood flows, modeling of areas likely to be inundated, and preparing related reports and technical documentation; chemical, biochemical, biological and bacteriological research and analysis; civil engineering for the design of wastewater treatment facilities; civil engineering relating to water irrigation; consultation services in the field of hydrological research; consulting services in the field of environmental assessment, compliance and planning; engineering and hydrological design of restoration of stream channels, marshes, estuaries, and wetlands; engineering services for building and property condition assessment, facility management, repair and restoration, building instrumentation and monitoring, and environmental consulting; engineering services for the construction of water treatment and purification plants, solid waste treatment plants and other municipal infrastructure facilities; engineering services in the field of environmental compliance; engineering services, namely, engineering for the water distribution systems and wastewater systems; environmental conservation services relating to detection of contaminants in water; environmental services, namely, technical consultation in the field of environmental science, engineering services, design for others in the field of energy engineering, designing and testing of energy products for others; environmental services, namely, technical consultation in the field of environmental science; engineering services, design for others in the field of environmental engineering, designing and testing of new environmentally friendly products for others; environmental testing and inspection services; hydraulic engineering and design; hydrologic and engineering modeling and design of measures to protect areas likely to be inundated by storm-water and flood-waters; hydrologic and hydraulic modeling and design of storm drainage infrastructure; hydrologic study of surface and ground water; hydrologic engineering servication relating to hydrological calculations and simulations of flood flows in streams, marshes, and wetlands; hydrological research; environmental inspections of water treatment facilities; land surveying; environmental conservation services via providing environmentally friendly automation solutions relating to site evaluations, control design analysis, and integrated installation services for monitoring and controlling respective innovative devices within a designated area; providing quality assurance services in the field of wastewater treatment; providing reagent sample testing and technical diagnostic testing services for others in the fields of science and research related thereto; providing technological and scientific information about environmentally-conscious and green innovations; providing technological information about environmentally-conscious and green innovations; engineering services in the fields of safety, risk assessment, and risk management; research in the field

of hydrogeology; research on building construction or city planning; research relating to mechanical engineering; scientific research; scientific research and development; sewer overflow monitoring services; sewer system monitoring services; structural engineering design services; survey design and research; surveying; technical consultancy in the field of environmental science; technical quality monitoring services for conditions of water; technology consultation and research in the field of water resources; technology consultation in the field of water resources; technological supervision and inspection in the field of water resources; testing of filters; testing of raw materials; testing or research on civil engineering; underwater structural inspection services; water quality control services; application service provider featuring software for use in accounting, financial management, deployment, personnel management, property, inventory control management, production control management, quality, safety, and environmental management, supply chain management, planning and schedule management, document management and earned value management; application service provider featuring software for providing an on-line database in the field of transaction processing to upload transactional data, provide statistical analysis, and produce notifications and reports; application service provider, namely, providing, hosting, managing, developing, and maintaining applications, software, web sites, and databases in the fields of personal productivity, wireless communication, mobile information access, and remote data management for wireless delivery of content to handheld computers, laptops and mobile electronic devices; application service provider, namely, providing, hosting, managing, developing, researching, analyzing, reporting, and maintaining applications, software, web sites, and databases of others in the fields of healthcare, benefits programs, employee productivity, risk management; computer service, acting as an application service provider in the field of knowledge management to host computer application software for creating searchable databases of information and data to allow users to perform, on-line, the collecting and analyzing of different types of opinion surveys; computer service, namely, acting as an application service provider in the field of knowledge management to host computer application software for creating searchable databases of information and data; computer service, namely, acting as an application service provider in the field of knowledge management to host computer application software for searching and retrieving information from databases and computer networks; computer services, namely, providing a web-based system and online portal for customers to remotely manage, administer, modify and control their end user computer devices, data and software applications; computer systems integration services; database development services; integration of computer systems and networks; information technology integration services (information technology support services); providing a secured-access website that gives registered internet networked institutions the ability to upload, view, copy, print, download and share documents and images for the purposes of conducting consumer-driven transactions; software as a

service services featuring database management; software as a service, namely, hosting websites for software for use by others for use in accounting and financial management, deployment and personnel management, property and inventory control management, production control management, quality, safety and environmental management, supply chain management, planning and schedule management, document management and earned value management; engineering services in the field of reduction of operating costs, fuel blending, waste handling, quality performance of co-products and by-products, and chemical distribution; technical supervision and inspection in the field of product quality control, industrial services, water, and environmental engineering; quality control for others in the field of water and waste water treatment and irrigation systems; computer technical support services for monitoring of computer network systems of hydro-electric factory facilities; technical consultation in the field of hydro-electric engineering; technical support services, namely, troubleshooting of computer hardware and software problems in the field of hydro-electric engineering; environmental conservation services provided via environmental audits, investigations, and process control; environmental design and engineering services; environmental consulting services for compliance with environmental regulations; hosting websites for software for use by others for use during planning, design and operations for estimating, measuring and verifying the environmental, social and economic impact of business practices in the fields of energy, construction, manufacturing, transportation, product distribution and utilities in relation to facility planning, design, construction and operation, utility design and operation, water and wastewater treatment facility design and operation, oil and gas pipeline and pump station facility design, construction and operation, oil and gas transportation and oil and gas delivery systems, business, utility and governmental infrastructure planning, waste treatment plant design and operation, recycling, procurement, supply chain and product distribution chain management, carbon dioxide emissions, greenhouse gas emissions, and employee travel and job-related transportation; hosting websites for software for use by others for use during planning, design, and operations for businesses, utilities and governments for estimating, measuring and verifying the environmental, social and economic impact of alternatives in infrastructure design, construction and operation; consulting services in the field of environmental assessment and planning; consulting services for others in the field of design of production facilities; consulting services for others in the field of architectural design; consulting services for others in the field of engineering services for building and property condition assessment, facility management, repair and restoration, building instrumentation and monitoring, and environmental consulting, and technical analysis of a product or process to determine how to make it more environmentally sound; architectural design services in the fields of traffic and transportation; engineering services in the fields of traffic and transportation; traffic and transportation engineering; consulting services in the fields of energy
