ACCEPTANCE FOR REGISTRATION (FULL VERSION)

The Registrar of Trade Marks has accepted the following trade marks for registration under section 42 of the Trade Marks Ordinance (Cap. 559). Under section 43 of the Trade Marks Ordinance and rule 15 of the Trade Marks Rules (Cap. 559 sub. leg.), the particulars of the applications are published.

Under section 44 of the Trade Marks Ordinance and rule 16 of the Trade Marks Rules, any person who wishes to oppose the registration of any of these marks shall, within the 3-month period beginning on the date of this publication, file a notice of opposition on Form T6. (For example, if the publication date is 4 April 2003, the last day of the 3-month period is 3 July 2003.) The notice of opposition shall include a statement of the grounds of opposition and the matters referred to in rule 16(2). The opponent shall, at the same time as he files the notice of opposition, send a copy of it to the applicant of the application in question.

For applications for registration accepted by the Registrar of Trade Marks under section 13 of the Trade Marks Ordinance (Cap. 43)/section 10 of Schedule 5 to the Trade Marks Ordinance (Cap. 559), please view e-gazette at <http://www.gld.gov.hk/cgi-bin/gld/egazette/index.cgi?lang=e&agree=0>.

Class 19:

Building materials (non-metallic); non-metallic rigid pipes for building; asphalt, pitch and bitumen; non-metallic transportable buildings; monuments, not of metal; buildings, not of metal; advertisement columns and structures, not of metal; non-luminous and non-mechanical signs, not of metal; partitions, not of metal; works of art of stone, concrete or marble; bicycle parking installations, not of metal; ornamental models, figurines or sculptures made of concrete, marble or stone; road signs, non-luminous and non-mechanical, not of metal; wooden articles for use in interior decoration of buildings; all included in Class 19.

Class 25:

Clothing, footwear, headgear; uniforms; gloves; articles of disposable clothing; plastic aprons; plastic sleeves; plastic caps; protective suits [other than against accident or injury]; working clothing; all included in Class 25.

Class 28:

Games, toys and playthings; video game apparatus; gymnastic and sporting articles; decorations for Christmas trees; playing cards; apparatus for games; halloween decorations; all included in Class 28.

Class 35:

Advertising; office functions; public relations; import-export agency services; business management; business administration; accounting, business research and information services; rental of office machines and equipment; advertising services provided via the Internet; rental of advertising space; analysis of advertising response and market research; organisation of exhibitions for commercial or advertising purposes; search engine optimization for sales promotion; provision of business information; dissemination of business information of goods and services of others via local and global computer networks; publication of publicity materials; computer provision of sales, business, advertising and promotional information through a global computer network and via the Internet; data processing; database management; updating and maintenance of data in computer databases; compilation of information into computer databases; providing, searching, browsing and retrieving information, sites, and other resources available on global computer networks and other electronic and communications networks for others for purposes of providing business information, consumer information (commercial information and advice for consumers), and commercial information; presentation of goods on communication media for retail purposes; management, organisation, operation and supervision of loyalty, reward and incentive schemes; promotional information and advisory services provided to members and to subscribers of loyalty, reward and incentive schemes; arranging and

conducting incentive rewards programs to promote the sale of goods and services; operation of sales and/or promotional incentive schemes; supervision and management of sales and/or promotional incentive schemes; compilations of directories for publishing on the Internet and other electronic, computer and communications networks; subscription services, namely, providing subscriptions to text, data, image, audio, video, and multimedia content, provided via the Internet and other electronic and communications networks; computerized on-line ordering featuring general merchandise and general consumer goods; online retail services and retail store services in the field of food and beverages, hotel accommodations; bringing together, for the benefit of others, of a variety of goods, enabling customers to conveniently view and purchase those goods from a general merchandise Internet website or by means of telecommunications; all included in Class 35.

Class 36:

Insurance; financial affairs; monetary affairs; real estate affairs; real estate services; leasing of real estate; rental of offices [real estate]; renting of apartments, including renting of serviced apartments; apartment house management; real estate management; commercial property management services; real estate investment; rent collection; issue of tokens of value; issuing of shopping vouchers and gift certificates; redemption of shopping vouchers and gift certificates; issuance of debit cards and credit cards; providing credit card, debit card, charge card and stored value prepaid card services, discount and loyalty card services; providing discount card services and other rebate services as part of a customer loyalty program; financial sponsoring of exhibitions and events for cultural and educational purposes; charitable fund raising; leasing of offices, shops, food and beverage outlets and entertainment premises; all included in Class 36.

Class 37:

Building construction; repair; installation services; upholstery repair; upholstering; interior and exterior painting; cleaning of buildings (interior); cleaning of buildings (exterior surface); apartment refurbishment services; building of shopping arcades, malls, restaurants, convention centres, hotels and theatres; development of residential, commercial, shopping, office, hotel and industrial complexes (construction); all included in Class 37.

Class 38:

Telecommunications; communication via computers; computer bulletin boards; electronic bulletin board services [telecommunications services]; providing online bulletin boards for the transmission of messages among computer users; providing access to computer databases and computer networks; providing wireless telecommunications via electronic communications networks; electronic mail services; delivery of messages by electronic transmission; telecommunication access services; providing access to online searchable databases of text, data, image, audio, video, and multimedia content; electronic transmission of audio and video files via computer and other electronic communications networks; providing access to computer bulletin boards and real-time chat forums; transmission of data, sound and pictures by electronic

means; transmission of information by electronic mail means; communication services over mobile telecommunication networks and computer networks; all included in Class 38.

Class 39:

Transport; travel arrangement; car parking; parking place rental; wrapping of goods; packaging of goods; delivery of goods; storage of goods; parcel delivery; stroller and wheelchair lending service; chauffeur services; shuttle bus services; tourist information; transport information services; travel information and booking services; travel reservation; transport reservation; transport services of people; traffic information; porter services; luggage storage services; providing car parking facilities; providing travel information by means of a global computer network; all included in Class 39.

Class 41:

Education; providing of training; entertainment; sporting and cultural activities; teaching, instruction services and tuition relating to business management, computer, computer software, computer aided research and developments, computerized design system; training services relating to the use and application of work stations, commercial electronic and telecommunication systems; arranging and conducting of conferences; publication of texts, books and journals (others than publicity texts); publication of diagrams, images and photographs; publication of newspapers, magazines and periodicals; providing training in the use and operation of computer software and computer systems; provision of information relating to education, training, entertainment, recreation, sporting, social and cultural activities; providing on-line electronic publications (not downloadable); provision of information, data, graphics, sound, music, videos, animation and text for entertainment purpose; provision of club recreation, sporting and gymnasium facilities; club entertainment, discotheque, fashion show and night club services; club services relating to entertainment, education and cultural services; organizing and conducting exhibitions, fashion shows, educational shows and cultural shows and performances; art exhibition and gallery services; providing sports facilities; providing facilities for movies, shows, plays, music or educational training; providing websites and computer applications featuring information in the field of entertainment, music, sports, news, and arts and culture; all included in Class 41.

Class 42:

Scientific and technological services and research and design relating thereto; industrial analysis and research services; design and development of computer hardware and software; engineering drafting; providing computer or wireless terminal application services featuring software to enable or facilitate the uploading, posting, displaying, tagging, blogging, sharing or providing of electronic media or information over communications networks, mobile telecommunication networks or the Internet; providing computer services for downloading computer software via mobile telecommunication networks and the Internet; technical support (technical consultancy) services relating to computer software and

applications provided online, by email and by telephone; computer service relating to creating indexes of information, sites and resources on computer networks; computer programming; computer system software services; computer services in relation to providing direct connection services between computer users for exchanging data; computer software design; computer services relating to customized searching of computer databases and websites; computer and electronic signal coding and decoding; conversion of physical data and documents into electronic media format; security of data transmission and of transactions via computer networks; computerized communication network security services; authentication services for computer security; computer services in relation to on-line authentication of electronic signatures; designing, creating and maintaining websites; computer development services for Intranet and web-based portals; operation and providing search engine services for others to search and retrieve information from the computer networks; all included in Class 42.

Class 43:

Services for providing food and drink; temporary accommodation; rental of temporary accommodation; rental of meeting rooms; provision of restaurant facilities; provision of conference facilities; catering services; hotel reservations; booking services for hotel accommodation; rental of chairs, tables, table linen, glassware; banqueting and catering services; booking of serviced apartments [temporary accommodation]; child minding services; dining and restaurant services; hiring of function rooms and meeting rooms; hotel services; advisory services relating to the provision of hotel accommodation, food and beverages; cocktail lounge and cocktail bar services; electronic worldwide hotel reservation services accessible by means of telecommunication technology and telecommunication network; providing facilities [accommodation] for arranging and conducting of business conferences, exhibitions and shows for cultural, educational and entertainment purposes; all included in Class 43.

Class 44:

Medical services; veterinary services; hygienic and beauty care for human beings or animals; agriculture, horticulture and forestry services; provision of public toilet facilities; provision of baby changing rooms; floral display hiring services; landscaping; landscape planning; landscape maintenance and repair; provision of spa, sauna, solarium and sun deck facilities; aromatherapy services; barber services; body and foot massage services; facial and skin care services; manicure services; all included in Class 44.

Class 45:

Legal services; security services for the physical protection of tangible property and individuals; personal and social services rendered by others to meet the needs of individuals; lost property return; guards and security patrol services; security services for the protection of property; guarding of shops and buildings; concierge services; concierge information services; housekeeping services; maid services; baby sitting; personal shopper services;

computerised security and surveillance services for business establishments; intruder and burglar alarms monitoring services; monitoring and reporting services relating to security and surveillance systems; monitoring of burglar alarms and security alarms; monitoring of security systems; security services relating to access control to buildings, parts of buildings, goods elevators, passenger elevators, escalators and other such installations; Internet access authentication services; public events security services; all included in Class 45.
