ACCEPTANCE FOR REGISTRATION (FULL VERSION)

The Registrar of Trade Marks has accepted the following trade marks for registration under section 42 of the Trade Marks Ordinance (Cap. 559). Under section 43 of the Trade Marks Ordinance and rule 15 of the Trade Marks Rules (Cap. 559 sub. leg.), the particulars of the applications are published.

Under section 44 of the Trade Marks Ordinance and rule 16 of the Trade Marks Rules, any person who wishes to oppose the registration of any of these marks shall, within the 3-month period beginning on the date of this publication, file a notice of opposition on Form T6. (For example, if the publication date is 4 April 2003, the last day of the 3-month period is 3 July 2003.) The notice of opposition shall include a statement of the grounds of opposition and the matters referred to in rule 16(2). The opponent shall, at the same time as he files the notice of opposition, send a copy of it to the applicant of the application in question.

For applications for registration accepted by the Registrar of Trade Marks under section 13 of the Trade Marks Ordinance (Cap. 43)/section 10 of Schedule 5 to the Trade Marks Ordinance (Cap. 559), please view e-gazette at <http://www.gld.gov.hk/cgi-bin/gld/egazette/index.cgi?lang=c&agree=0>.

Specification: Anti-freezing liquids; formaldehyde absorbing agents; formaldehyde removing agents; oil additives for automobile engines [chemical preparations]; chemical reagents sold as a kit, other than for medical or veterinary purposes; chemicals; brake oil for automobiles; transmission fluids for automobiles; glue and adhesives for industrial purposes; non-metallic minerals; reagent paper [not for medical purposes]; unprocessed plastics [plastics in primary form]; chemical sealing compounds in liquid form; plant growth regulating preparations; fertilizers; ceramic glazings; priming putty; higher fatty acids; chemical compositions for developing, printing and enlarging photographs; artificial sweeteners; flour and starch for industrial purposes; pulp.
Class 4:
Mineral oils and greases for industrial purposes [not for fuel]; automotive engine oils; automotive gear oils; additives, non-chemical for motor-fuel; automotive lubricants; fuels; solid lubricants; leather preserving oil and grease; non-mineral oils and greases for industrial purposes [not for fuel]; wax [raw material]; candles; grease for shoes and boots; lamp wicks.
Class 6:
Locks and hinges for automobiles; door locks for automobiles; door hinges for automobiles; trunk locks for automobiles; trunk hinges for automobiles; automobile hood locks; automobile hood hinges; metal hardware; railings of metal; shutters of metal; metal materials for building or construction; metal pulleys, springs and valves [not including machine

elements]; containers of metal for transport; loading and unloading pallets of metal; industrial load turntables; traversers for load handling; joinery fittings of metal; metal safes; metal junctions for pipes; metal flanges; iron and steel; prefabricated building assembly kits of metal; metal molds for forming cement products; keys of metal; cotter pins; reservoirs of metal; wire rope; wire nets and gauzes; industrial packaging containers of metal; metal stepladders and ladders; outdoor blinds of metal; nonferrous metals.

Class 7:

Water pumps for automobile engines; water pumps for motors and engines; oil pumps for automobile engines; oil pumps for land vehicle engines; filters for automobile engines; filters for internal combustion engine; oil filters for internal combustion engine; filters for motors and engines; pistons for automobile engines; fan couplings for automobile engines; fans for automobile engines; cylinder heads for automobile engines; cylinder head covers for automobile engines; intake manifolds for automobile engines; crankcases for motors and engines; pistons [parts of machines or engines]; pistons for cylinders of automobile engines; gas engines [not for automobiles]; gas turbines [not for automobiles]; feed water heaters with cogeneration function [for non-electric prime movers and engines]; feed water heaters [for non-electric prime movers and engines]; non-electric prime movers [not for automobiles] and parts thereof; machine elements [not for automobiles]; power generating devices for cogeneration systems; power supply control panels and power regulating panels for use in power generating devices for cogeneration systems; power supply control devices and power regulating devices for power generators; gas engine driven power generators; starters for motors and engines; AC motors and DC motors (excluding those for automobiles) and parts therefor; AC generators [alternators]; DC generators; pumps; vacuum pumps; pneumatic or hydraulic machines and instruments; sewing machines; parts and fittings for sewing machines; machines and apparatus for the textile industry; metalworking machines and tools using laser beam; laser welding machines; metalworking machines and tools; plastic processing machines and apparatus; stone working machines and apparatus; glass-working machines and

apparatus; ceramic processing machines and apparatus; rubber processing machines; laser beam machines for manufacturing semi-conductors; electrically operated shutter automatic opening and shutting devices; pumps [parts of machines, engines or motors]; fuel pumps for land vehicle engines; chemical processing machines and apparatus; fuel dispensing machines for service stations; vehicle washing installations; waste compacting machines and apparatus for industrial purposes; waste crushing machines for industrial purposes; shafts, axles or spindles other than land vehicles; shaft bearings other than land vehicles; shaft couplings and connectors other than land vehicles; bearings other than land vehicles; power transmissions and gearing other than land vehicles; idling pulleys other than land vehicles; reduction gears other than land vehicles; power transmission belts other than land vehicles; toothed wheels and gears other than land vehicles; speed change gears other than land vehicles; fluid couplings other than land vehicles; hydraulic torque converter other than land vehicles; transmissions for machines.

Class 9:

Measuring and testing machines and instruments for detecting information about the performance of automobiles; measuring and testing machines and instruments; electronic locks; electronic control devices for automobiles; computer programs [recorded or downloadable]; electronic machines, apparatus and their parts, namely barcode readers, smart cards, encoded magnetic cards, interfaces for computers, integrated circuit cards [smart cards], printed circuits and readers [data processing equipment]; navigation apparatus for automobiles; automatic control and remote monitoring apparatus for gas engine heat pumps; telecommunications devices, apparatus and instruments; solar cells; solar panels for the production of electricity; solar panels (solar battery panels); solar battery power generation devices; fuel cells; fuel-cell power generation devices; automotive batteries and battery chargers; electric controlling and regulating machines and apparatus for automobiles; batteries and cells; power distribution and control machines and apparatus; rotary converters; phase modifiers; intruder detecting apparatus for security systems; fire alarms; gas alarms; anti-theft warning apparatus; downloadable electronic

publications; personal digital assistants; smart phones; navigation apparatus for vehicles [on-board computers]; Global Positioning System [GPS] navigation devices; remote control apparatus; computer software; application software; smart cards [integrated circuit cards]; electronic control apparatus for automobiles and parts thereof; game programs for arcade video game machines; simulators for the steering and control of vehicles; laboratory apparatus and instruments; photographic machines and apparatus; cinematographic machines and apparatus; optical machines and apparatus; electric or magnetic meters and testers; electric wires and cables; dust masks; gas masks; welding masks; game programs for home video game machines; electronic circuits and CD-ROMs recorded with programs for hand-held games with liquid crystal displays; protective helmets for sports; sports whistles; metronomes; electronic circuits and CD-ROMs recorded with automatic performance programs for electronic musical instruments; electric and electronic effects units for musical instruments; phonographic records; downloadable music files; downloadable image files; recorded video discs and video tapes; exposed cinematographic films; exposed slide films; slide film mounts.

Class 11:

Bathing apparatus for nursing care, not for medical purposes; bath fittings; toilet stool units with a washing water squirter; disinfectant dispensers for toilets; toilet bowls; seating for use with Japanese style toilet bowls; air-conditioning apparatus by gas engine heat pumps for industrial purposes; air conditioners by gas engine heat pumps for industrial purposes; heat pumps; air conditioning apparatus and fittings therefor [for industrial purposes]; space heating and cooling apparatus and fittings therefor [for industrial purposes]; air-conditioning apparatus by gas engine heat pumps for household purposes; air conditioners by gas engine heat pumps for household purposes; air conditioning apparatus and fittings therefor [for household purposes]; feed water heaters with cogeneration functions [for non-electric prime movers and engines]; hot water storage type hot water supplying apparatus using heat from gas engines [for industrial purposes]; gas hot water suppliers for industrial purposes; gas engine heat pumps and their parts; boilers, not for parts for non-electric

prime movers, and not for engines; hot water storage type hot water supplying apparatus using heat from gas engines [for household purposes]; gas hot water suppliers for household purposes; gas water heaters for household purposes; hot-air space heating apparatus [for household purposes]; stoves for household purposes [non-electric]; toilet bowls and seats sold as a unit; prefabricated bathrooms sold as a unit; prefabricated shower baths sold as a unit; facial treatment machines and/or devices for household purposes; facial equipment using ultrasonic waves for household purposes; nanoparticle water facial spray machines, namely, steam facial apparatus, electronic facial steamers and facial saunas, having fine water particle generating and infiltrating functions for home treatment; household electrothermic appliances for beauty or sanitary purposes; electric refrigerators for household purposes; electric freezers for household purposes; electric cooking ovens for household purposes; air purifiers; facial treatment machines and/or devices for industrial purposes; facial equipment using ultrasonic waves for industrial purposes; nanoparticle water facial spray machines, namely, steam facial apparatus, electronic facial steamers and facial saunas, having fine water particle generating and infiltrating functions for commercial use; towel steamers for hairdressing purposes; hair drying machines for beauty salon use; hair steamers for beauty salon use; shampoo basins for barber's shop use; hair dryers; hand dryers; steam generating apparatus; fine water particle generating and infiltrating device; sauna apparatus as a unit; sanitary apparatus and installations; evaporators for chemical processing; distillers for chemical processing; drying apparatus for chemical processing; recuperators for chemical processing; steamers for chemical processing; air conditioners for household purposes; vehicle-mounted air conditioners with installed fine water particle generating and infiltrating devices; air conditioners for automobiles; air conditioners for industrial purposes; ventilation installations; hot water heating installations; freezing machines and apparatus for industrial purposes; laundry dryers, electric, for industrial purposes; cooking apparatus and installations for commercial use; dish drying machines for commercial use; dish disinfectant apparatus

for commercial use; kitchen worktops with integrated sinks for commercial use; kitchen sinks for commercial use; cooking apparatus; solar water heaters; water purifying apparatus for industrial purposes; lighting apparatus and installations; non-electric cooking heaters for household purposes; kitchen worktops with integrated sinks for household purposes; kitchen sinks for household purposes; household tap-water filters, non-electric; sauna apparatus.

Class 12:

Non-electric prime movers for land vehicles [other than parts]; automobile engines; vehicles for the physically handicapped and those of reduced mobility; automobiles and their parts and fittings; two-wheeled motor vehicles, bicycles and their parts and fittings; self-propelled electric vehicles; electrically operated personal mobility scooters and automobiles; electric vehicles; wheelchairs for nursing care; electric wheelchairs; wheelchairs and their parts and fittings; rickshaws; sleighs and sleds [vehicles]; hand trucks; horse drawn carriages; carts; bicycle trailers; machine elements for land vehicles; anti-theft alarms for vehicles; anti-theft devices for automobiles; AC motors or DC motors for land vehicles [other than parts]; adhesives rubber patches for repairing tubes or tires; baby carriages [prams]; traction engine; ropeways for cargo or freight handling; parachutes; vessels and their parts and fittings; aircraft and their parts and fittings; railway rolling stock and their parts and fittings; automobiles and their parts and fittings; three-wheeled motor vehicle, electric tricycles and their parts and fittings; electric tricycles; shafts, axles and spindles; shafts, axles or spindles for land vehicles; shaft bearings; shaft bearings for land vehicles; shaft couplings and connectors; shaft couplings and connectors for land vehicles; bearing; bearing for land vehicles; power transmissions and gearing; power transmissions and gearing for land vehicles; idling pulleys; idling pulleys for land vehicles; reduction gears; reduction gears for land vehicles; power transmission belts; power transmission belts for land vehicles; toothed wheels and gears; toothed wheels and gears for land vehicles; speed change gears; speed change gears for land vehicles; fluid couplings; fluid couplings for land vehicles; hydraulic torque converter; hydraulic torque

converters for land vehicles; transmissions for land vehicles; transmissions for hybrid cars; drive units for hybrid cars; drive units for electric vehicles.

Class 20:

Furniture; electronic equipment racks; personal computer racks; audio racks; audio equipment racks; storage racks; racks [furniture].

Class 35:

Referral of carers, housekeepers, care workers and nurse; employment agencies; personnel exchanges; staff placement services and information and consulting services relating thereto; reception for visitors in buildings; retail services and wholesale services connected with sewing machines; business intermediary services relating to sales of beds or furniture; business intermediary services relating to sewing machine sales; providing information of products for sales purposes; advisory and information services for consumers relating to purchasing products; compilation and systematization of information into computer databases, and consultancy and providing information therefor; updating and maintenance of data in computer databases; data search in computer files for others; search engine optimization services; providing and rental of advertising space using communication networks; advertising and publicity services; publicity material rental; sponsorship search and consultancy services thereof; business consultancy for system construction relating to IT and introduction of IT; business consulting services; business management analysis and business consultancy; marketing research and analysis; promoting and managing the sale of goods and services of others, and consultancy therefor; issuance, settlement and management of loyalty rewards card, trading stamps and coupons; promoting the goods and services of others through the administration of sales and promotional incentive schemes involving trading stamps; provision of information and advice to consumers regarding the selection of products and services; referral of information technology engineers; providing employment information; data processing services [office functions]; collection of business data and information stored in computer databases; office functions; clerical services; providing business administrative process management in operation of computer system and providing information thereof; providing business

assistance to others in the operation of data processing apparatus namely, computers, typewriters, telex machines and other similar office machines; news clipping services; retail services and wholesale services including online retail and wholesale services in connection with the sale of computer software; retail services and wholesale services including online retail and wholesale services in connection with the sale of a variety of goods in each field of clothing, foods and beverages, and livingware, carrying all goods together including via online; retail services and wholesale services including online retail and wholesale services in connection with the sale of woven fabrics and beddings; retail services and wholesale services including online retail and wholesale services in connection with the sale of cushions and blankets; retail services and wholesale services including online retail and wholesale services in connection with the sale of clothing; retail services and wholesale services including online retail and wholesale services in connection with the sale of footwear and shoeboxes; retail services and wholesale services including online retail and wholesale services in connection with the sale of bags and pouches; retail services and wholesale services including online retail and wholesale services in connection with the sale of personal articles; retail services and wholesale services including online retail and wholesale services in connection with the sale of pin badges and tin badges; retail services and wholesale services including online retail and wholesale services in connection with the sale of foods and beverages; retail services and wholesale services including online retail and wholesale services in connection with the sale of automobiles and their parts; retail services and wholesale services including online retail and wholesale services in connection with the sale of cushions, mattresses and headrests as automobile interior equipment; retail services and wholesale services including online retail and wholesale services in connection with the sale of furniture; retail services and wholesale services including online retail and wholesale services in connection with the sale of joinery fittings; retail services and wholesale services including online retail and wholesale services in connection with the sale of tatami mats; retail services and wholesale services including online retail and wholesale

services in connection with the sale of ritual equipment; retail services and wholesale services including online retail and wholesale services in connection with the sale of electrical machinery apparatus; retail services and wholesale services including online retail and wholesale services in connection with the sale of cases and straps for smartphones and mobile phones; retail services and wholesale services including online retail and wholesale services in connection with the sale of lighting apparatus; retail services and wholesale services including online retail and wholesale services in connection with the sale of measuring and testing machines and instruments; retail services and wholesale services including online retail and wholesale services in connection with the sale of medical apparatus and instruments; retail services and wholesale services including online retail and wholesale services in connection with the sale of security lighting apparatus, security alarms, portable security alarms, security apparatus and instruments other than for vehicles, security monitoring apparatus and their parts, security and alarming apparatus and their parts, crime and disaster prevention monitoring and alarming apparatus; retail services and wholesale services including online retail and wholesale services in connection with the sale of bladed or pointed hand tools, hand tools and metal hardware; retail services and wholesale services including online retail and wholesale services in connection with the sale of kitchen equipment, cleaning tools and washing utensils; retail services and wholesale services including online retail and wholesale services in connection with the sale of portable water tanks; retail services and wholesale services including online retail and wholesale services in connection with the sale of pharmaceutical, veterinary and sanitary preparations and medical supplies; retail services and wholesale services including online retail and wholesale services in connection with the sale of cosmetics, toiletries, dentifrices, soaps and detergents; retail services and wholesale services including online retail and wholesale services in connection with the sale of decorative stickers for body or face; retail services and wholesale services including online retail and wholesale services in connection with the sale of agricultural machines, implements and

supplies; retail services and wholesale services including online retail and wholesale services in connection with the sale of flowers [natural] and trees; retail services and wholesale services including online retail and wholesale services in connection with the sale of printed matter; retail services and wholesale services including online retail and wholesale services in connection with the sale of paper and stationery; retail services and wholesale services including online retail and wholesale services in connection with the sale of straps or clips with reel for card or ticket holders; retail services and wholesale services including online retail and wholesale services in connection with the sale of sports articles and equipment; retail services and wholesale services including online retail and wholesale services in connection with the sale of toys, dolls, game machines and apparatus; retail services and wholesale services including online retail and wholesale services in connection with the sale of headbands, megaphones and toys for cheering up; retail services and wholesale services including online retail and wholesale services in connection with the sale of photographic machines and apparatus and photographic supplies; retail services and wholesale services including online retail and wholesale services in connection with the sale of opera glasses and optical machines and apparatus; retail services and wholesale services including online retail and wholesale services in connection with the sale of clocks, watches and spectacles [eyeglasses and goggles]; retail services and wholesale services including online retail and wholesale services in connection with the sale of key rings; retail services and wholesale services including online retail and wholesale services in connection with the sale of decorative magnets; retail services and wholesale services including online retail and wholesale services in connection with the sale of photographs [printed], portraits, photograph stands and photograph frames; retail services and wholesale services including online retail and wholesale services in connection with the sale of floor coverings; retail services and wholesale services including online retail and wholesale services in connection with the sale of toilet paper holders and tissue paper covers of cloth; retail services and wholesale services including online retail and wholesale services in connection with the sale of
