

香港特別行政區政府知識產權署商標註冊處  
Trade Marks Registry, Intellectual Property Department  
The Government of the Hong Kong Special Administrative Region

### 接納註冊 (全文本)

商標註冊處處長已根據《商標條例》(第 559 章)第 42 條, 接納下列商標的註冊申請。現根據《商標條例》第 43 條及《商標規則》(第 559 章附屬法例)第 15 條, 公布申請的詳情。

根據《商標條例》第 44 條及《商標規則》第 16 條, 任何人擬就下列商標的註冊提出反對, 須在本公告公布日期起計的三個月內, 採用表格第 T6 號提交反對通知。(例如, 若果公布日期為 2003 年 4 月 4 日, 則該三個月的最後一日為 2003 年 7 月 3 日。)反對通知須載有反對理由的陳述及《商標規則》第 16(2)條所提述的事宜。反對人須在提交反對通知的同時, 將該通知的副本送交有關申請人。

有關商標註冊處處長根據商標條例(第 43 章)第 13 條/商標條例(第 559 章)附表 5 第 10 條所接納的註冊申請, 請到 <http://www.gld.gov.hk/cgi-bin/gld/egazette/index.cgi?lang=c&agree=0> 檢視電子憲報。

### ACCEPTANCE FOR REGISTRATION (FULL VERSION)

The Registrar of Trade Marks has accepted the following trade marks for registration under section 42 of the Trade Marks Ordinance (Cap. 559). Under section 43 of the Trade Marks Ordinance and rule 15 of the Trade Marks Rules (Cap. 559 sub. leg.), the particulars of the applications are published.

Under section 44 of the Trade Marks Ordinance and rule 16 of the Trade Marks Rules, any person who wishes to oppose the registration of any of these marks shall, within the 3-month period beginning on the date of this publication, file a notice of opposition on Form T6. (For example, if the publication date is 4 April 2003, the last day of the 3-month period is 3 July 2003.) The notice of opposition shall include a statement of the grounds of opposition and the matters referred to in rule 16(2). The opponent shall, at the same time as he files the notice of opposition, send a copy of it to the applicant of the application in question.

For applications for registration accepted by the Registrar of Trade Marks under section 13 of the Trade Marks Ordinance (Cap. 43)/section 10 of Schedule 5 to the Trade Marks Ordinance (Cap. 559), please view e-gazette at <http://www.gld.gov.hk/cgi-bin/gld/egazette/index.cgi?lang=c&agree=0>.

Scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signalling, checking (supervision), life-saving and teaching apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; apparatus for recording, transmission or reproduction of sound or images; magnetic data carriers, recording discs; compact discs, DVDs and other digital recording media; mechanisms for coin-operated apparatus; cash registers, calculating machines, data processing equipment, computers; computer software; fire-extinguishing apparatus; accessories for computers, portable computers, tablet computers, electronic reading devices, camera, cell phone and mobile phone; animated cartoons; apparatus and instruments all for recording and reproducing sound or video; application programming interface (API) for computer software which facilitates online services for social networking, building social networking applications and for allowing data retrieval, upload, download, access and management; application software for payment or settlement of electronic money, credit cards and debit cards used with barcode or matrix barcode readers; application software for payment or settlement of electronic money, credit cards and debit cards used with barcode or matrix barcode code readers; applications namely game application (application for games), application programs; audio and video cassettes; audio and video recordings for children featuring the development of reading, mathematics, science, language and other academic skills; audio and video recordings; audio books; audio cassette players; audio cassette recorders; audio cassettes; audio discs; audio recording for educational programmes; audio recordings; audio speakers; audio-visual equipment for educational use; audio-visual teaching equipment; augmented reality computer hardware; augmented reality software; augmented reality glasses; augmented reality headsets; augmented reality software for interactive learning; augmented reality software for operating augmented reality

headsets; augmented reality software; bar codes labels (including matrix barcodes labels), namely optical data storage labels; battery packs; blank and pre-recorded sound and video recording materials; blank USB flash drives; books in electronic form; calculators; camcorders; CD ROMs; CD-RAMs (Random Access Memory); CD-ROM drives (as part of the computer); CD-ROM writers (as part of the computer); CDs and DVDs featuring animation, music, and entertainment programs for children; chips containing musical recordings; compact disc players; compact disc recorders; computer application software for mobile phones, namely, software for collecting, analyzing, managing, storing and reporting business for providing incentive rewards and points, for providing other rewards to users; computer based training programmes [downloadable software]; computer disc drives; computer game applications for mobile devices; computer game cartridges and discs; computer game programs downloadable via the internet; computer game programs; computer game software for personal computers and home video game consoles; computer game software for use on mobile and cellular phones; computer game software provided on CDs, DVDs, cartridges and memory cards; computer game software; computer hardware; computer peripheral devices not including ophthalmic and optometric devices or instruments; computer programs for video and computer games; computer search engine software; computer software for providing consumer resources for searching, locating, rating, evaluating and providing directions for the purchase, consumption and use of a wide range of consumer products, services, and information over a global communications network and using any connected access mode in any format, namely, mobile communication devices, desktop internet, email, voice or social media channels; computer software for teaching, instructional and educational purposes; computer software for the collection, editing, organizing, modifying, transmission, storage and sharing of data and information; computer software for the management, transmission, storage and sharing of computer game programs and electronically stored information across computer networks to users, for downloading and use of games by users; computer software programs and software applications for computer and mobile phone device programs for accessing, browsing and searching online databases, computer software

and firmware, namely operating system programs, data synchronization programs, matrix barcodes application development programs and computer software programs (including internet shopping and e-commerce applications) for personal and handheld computers and mobile device; computer software programs and software applications for computer and mobile phone device programs for accessing, browsing and searching online databases, computer software and firmware, namely operating system programs, data synchronization programs, matrix barcode application development programs and computer software programs (including internet shopping and e-commerce applications) for personal and handheld computers and mobile device; computer software to enable uploading, downloading, accessing, posting, displaying, tagging, blogging, streaming, linking, sharing or otherwise providing electronic media or information via computer and communication networks, computer gaming software, computer software, recorded, downloadable applications for use with mobile devices, application software, video game programs, children's educational software, pre-recorded videos and animated cartoons; computer software; computer video game programs downloadable via a mobile telephone network; computers; digital and analogue media for recording, reproducing, carrying, storing, processing, manipulating, transmitting, broadcasting, retrieving and reproducing downloadable music, downloadable sounds, downloadable images, downloadable text; digital media; digital versatile discs; digital video and audio players; digital video discs; downloadable arcade games provided online and/or by way of the Internet, the worldwide web and/or communications network; downloadable books; downloadable computer game application software for smart phones; downloadable computer game programs; downloadable computer software for modifying the appearance and enabling transmission of images, audio visual and video content; downloadable electronic game programs; downloadable electronic game software for use on mobile and cellular phones and handheld computers; downloadable electronic publications; downloadable electronic teaching materials (in encrypted or encoded form); downloadable games; downloadable image files; downloadable music files; downloadable publications in electronic form, supplied on-line from databases or from facilities

provided on the Internet; downloadable software applications; downloadable software in the nature of a mobile application for collecting, analyzing, managing, storing, and reporting business for providing incentive rewards and points, for providing other rewards to users; downloadable sounds, downloadable images, downloadable text and information provided by telecommunications networks, by online delivery and by way of the Internet and the world wide web; DVD players; DVD recorders; DVD-ROMs; electronic databases; electronic equipment for point-of sales (POS) systems, namely, point-of-sale terminals [POS terminals], bar code readers, optical readers, matrix barcode scanner; electronic game programs; electronic game software for handheld electronic devices; electronic game software for wireless devices; electronic game software; electronic instructional books and manuals sold as a unit; electronic personal organizers; electronic publications; firmware; floppy discs bearing computer software; game application software and development tools (computer programmes) that may be downloaded via the internet, computers, mobile computers and wireless devices; game software and entertainment software for use with mobile devices; game software for handheld electronic devices; game software for wireless devices; game software, including downloadable computer game application software; goggles for enabling virtual reality, augmented reality world experiences; handheld augmented reality controllers; handheld virtual reality controllers; headsets for augmented reality games; headsets for use with computers; headsets for virtual reality games; headsets; Internet games (downloadable); information stored in electronic, digital and magnetic form; interactive computer game programs; interactive computer game software downloaded from a global computer network; interactive computer games (software); interactive multimedia computer game programs; machines (players) for singing with prerecorded background music; matrix barcode application development programs for personal and handheld computers and mobile devices; media for recording, reproducing, carrying, storing, processing, manipulating, transmitting, broadcasting, retrieving and reproducing music, sounds, images, text, and information; mixed reality game computer hardware; mixed reality game software; mixed reality software; mobile apps (application programs); modems (as

part of a computer); motion picture films; motion tracking sensors for augmented reality technology; motion tracking sensors for virtual reality technology; MP3 players; music recordings; musical recordings; optical and magneto-optical disc players and recorders for audio, video and computer data; optical, electronic and magnetic data storage devices bearing recorded information; personal video display screens, and personal video display devices in the nature of wearable displays for viewing digital content including virtual reality, augmented reality, and mixed reality content; pre-recorded audio and visual programmes designed to stimulate the learning capabilities of infants and young children; pre-recorded computer programs and computer software; pre-recorded laser discs and interactive videos; pre-recorded optical and magneto-optical discs; publications in electronic form, supplied on-line from databases or from facilities provided on the internet; published material in digital format; matrix barcode application development programs for personal and handheld computers and mobile devices; software application that enables mobile device users to scan or link a matrix barcode which triggers a digital experience; software application that enables mobile device users to scan or link a matrix barcode which triggers a digital experience; software applications (apps) for mobile or wireless devices and computer devices; software applications delivered online through a web-browser or as a downloadable application or application delivered to any computing device including desktop, laptop and tablet computers as well as mobile devices; software for creating, managing and accessing groups within virtual communities; software for enabling transmission of communications through various modalities such as text, voice, email or other electronic messages, and social media channels; software for sending and receiving electronic messages via the Internet; software for sending electronic message alerts and reminders via the Internet; software for use in creating and designing virtual reality and augmented reality software; software for use in online community based games that enables users to play interactive games and chat from remote locations via the internet; sound recording strips; sounds, images, text and information provided by telecommunications networks, by online delivery and by way of the Internet and

the world wide web; telecommunications apparatus; universal serial bus (USB) drives; video cameras; video and computer game programs; video cassette players; video cassette recorders; video cassettes; video game cartridges; video game discs; video game interactive hand held remote controls for playing electronic games; video game interactive remote control units; video game software; video processors for providing an all-around view of buildings, building interiors and virtual environment; video recordings; videophones; virtual private network [VPN] hardware; virtual reality and augmented reality software for gaming, recreational, leisure, education, or entertainment purposes; virtual reality game computer hardware; virtual reality game headsets for game; virtual reality game software; virtual reality glasses; virtual reality headsets; virtual reality software for interactive entertainment; virtual reality software for operating virtual reality headsets; virtual reality software for use in enabling computers, video game consoles, handheld video game consoles, tablet computers, mobile devices, and mobile telephones to provide virtual reality experiences; virtual reality software; virtual, augmented and mixed reality headsets and helmets adapted for use in playing video games; wearable peripherals for computers, tablet computers, mobile devices and mobile telephones, namely, configurable head-mounted displays; virtual reality headsets and helmets adapted for use in playing video games; virtual reality headsets for playing video games for connection to computers, video game consoles, handheld video game consoles, tablet computers, mobile devices, and mobile phones in order to enable virtual reality experiences; parts and fittings for all the aforesaid goods.

Class 16:

Paper and cardboard; printed matter; bookbinding material; photographs; stationery and office requisites, except furniture; adhesives for stationery or household purposes; artists' and drawing materials; paintbrushes; instructional and teaching materials; plastic sheets, films and bags for wrapping and packaging; printers' type, printing blocks; activity kits consisting of adhesive stickers and pre-inked stamps; address books; adhesive corners for photographs; adhesive stickers; adhesive-

backed photographs; adhesives for stationery or household purposes; albums; almanacs; art books; art exhibition catalogs; art materials (other than paints); art paper; art pictures; art prints; articles made from paper and cardboard; arts, crafts and modelling equipment; baby books; bibles; binders (stationery); booklets; bookmarks; books; brochures; calendars; cards for use in connection with member reward schemes, incentive schemes, promotional schemes and customer loyalty schemes; cards for use in connection with member reward schemes; cartoon books; cartoon publications for children; cartoon strips; catalogues; certificates; chalk; charts; children's storybooks; children's activity books; children's art easel with a desk feature; children's books incorporating an audio component; children's books; children's paint-boxes; children's painting sets; Christmas cards; coasters made of paper; coasters; color pencils; coloring books; coloring pages; comic books; comics; company magazines; computer graphic art books; craft kits for painting; crafts and modelling equipment; crayons; decals and transfers (decalcomanias); decoration and art materials and media; decoration and art materials of paper; diagrams; diaries; dictionaries; document holders [stationery]; drawing rulers; educational books; educational printed publications; educational textbooks; educational texts; envelopes (stationery); erasers; exercise books; fiction books; fine art paper; fine art prints; flashcards [teaching materials]; flyers; folders for papers; folders; fountain pens; games magazines; gift bags; gift token cards; gift tokens for advertising or business purposes; graphic art prints; graphic art reproductions; graphic fine art prints; graphic novels; graphic representations; graphic reproductions; greeting cards; heat applied appliqués made of paper; highlighter pens; journals; letter paper; lithographic works of art; loose leaf binders; lunch bags of paper or plastic; magazines [periodicals]; magazines, manuals [handbooks]; marker pens; membership cards; membership certificates; memo pads; modeling materials and compounds for use by children; newsletters; newspapers; notebooks; notepaper; packaging bags of paper and plastic; packaging boxes of cardboard; pads [stationery]; paint brushes; pamphlets; paper and plastic materials for packaging; paper cake decorations; paper clips; paper for

printing photographs; paper party supplies, namely paper napkins, paper placemats, paper gift wrap and paper gift wrapping ribbons, paper table cloths and paper party bags; paper pennants; paper souvenirs; paper staplers; paper stationery; paperweights; passport cases; pencil cases; pencil holders; pencil sharpeners; pencils; pens; periodicals; photograph albums; photographic or art mounts of paper or cardboard; photographic or art mounts; photographs [printed]; photographs; picture books; pictures; placemats; plastic materials for packaging (not included in other classes); postcards; poster books; posters; printed art reproductions; printed awards; printed books; printed certificates; printed forms; printed invitation cards; printed invitations; printed materials; printed matter including that relating to cartoon characters; printed menus; printed publications containing crossword puzzles; printed publications; printed sheet music; prospectuses; publications for children; publications; published books; reference books; reports and brochures; rubber stamps (other than hand tools or parts of machines) and stamp pads; scrapbook albums; scrapbook pages; scrapbooks; sketchbook albums; slate boards for writing; souvenir booklets; staple removers; stationery articles; stencils; sticker activity books; sticker albums; stickers (stationery); story books; table napkins of paper; thesaurus; tops for pencils; towels of paper; trading cards (printed matter); trading cards and collectors cards featuring comic book, comic strip, cartoon and action characters; typewriters; works of art made of paper; writing instruments; writing paper; writing pens; lunch bags; parts and fittings for all the aforesaid goods.

Class 18:

Leather and imitations of leather; animal skins and hides; luggage and carrying bags; umbrellas and parasols; walking sticks; whips, harness and saddlery; collars, leashes and clothing for animals; athletic bags; backpacks; business card cases; card cases; carrying bags; casual bags; centre bags; coin purses; cosmetic and toiletry cases (sold empty); cosmetic bags (sold empty); cosmetic kits bags (sold empty); duffel bags; eco-friendly bags; garment bags for travel; handbags; key cases; key chains [fobs] of leather; key chains with mirrors [fobs] of leather; key holders made of leather; key rings (fobs) of leather; knapsacks; luggage

tags; pocket wallets; pouches; purses; reusable shopping bags; rucksacks; school bags; shopping nets or bags; shoulder bags; souvenir bags [not fitted or shaped]; sport bags; travel kits (leather goods); travelling bags; travelling sets (leatherware); travelling trunks; trolley bags; waist bags; wallets; parts and fittings for all the aforesaid goods.

Class 20:

Furniture, mirrors, picture frames; containers, not of metal, for storage or transport; unworked or semi-worked bone, horn, whalebone or mother-of-pearl; shells; meerschaum; yellow amber; air cushions, not for medical purposes; air pillows, not for medical purposes; bookcases; bookshelves; cases of wood or plastic; chairs (seats); counters (tables); desks; fans for personal use (non-electric); folding chairs; gift package decorations made of plastic; key chains (non-metallic); magazine racks; magazine racks; office furniture; picture frames; seats; shelves for storage; side tables; tables; parts and fittings for all the aforesaid goods.

Class 25:

Clothing, footwear, headgear; athletic and hiking wear; bands; bathing caps; bathing suits; bathrobes; beachwear; belts; bikinis; coats; costumes; gloves; hats and caps; headbands; hosiery; inner soles and sandals; jackets; jeans; knitwear (clothing); mittens; neckties; outerwear; outfits; pajamas; parkas; ponchos; raining coats; rainwear; scarves; shirts; shoes; shorts; sleepwear; slippers; socks; sports clothing; sports headgear (other than helmets); sports shoes; sportswear; sun visors; sweat shirts; sweaters; swimming caps; swimwear; tops; trousers; T-shirts; underwear; uniforms; vests; windbreakers; wristbands; parts and fittings for all the aforesaid goods.

Class 28:

Games, toys and playthings; video game apparatus; gymnastic and sporting articles; decorations for Christmas trees; apparatus for use in indoor sporting activities; apparatus for use in outdoor sporting activities; bags adapted for carrying sporting articles; balls for playing sports; children's activity sets; children's multiple activity toys; climbing frames [plaything]; collectable toy figures; dolls; educational playthings for use in teaching; educational playthings; educational toys; elbow guards; electronic educational

games machines for children; electronic educational games; electronic educational teaching games for children; electronic educational teaching games; exercise equipment; fitness equipment; game controllers for computer games; gloves made specifically for use in playing sports; inflatable games for swimming pool; inflatable slides [playthings]; inflatable slides for swimming pool [plaything]; knee guards; leg guards [cricket pads]; musical toys; pads for protecting the body against accident or injury [adapted for sports]; palms protector; play balloons; play house; playing cards; plush toys; recreation equipment and their parts and accessories; role-playing games; shin guards; slides [playthings]; sporting articles for wear adapted for use in specific sports; sporting gloves (not included in other classes); sports equipment and accessories; sports games; teddy bears; toy figures; video game consoles; video game interactive remote control units (game apparatus); wrist bands for use in playing sports; wrist guards [sports articles]; parts and fittings for all the aforesaid goods.

Class 35:

Advertising; business management; business administration; office functions; accumulation and settlement of reward points for the promotion of the goods and services; administration and settlement of reward points to be redeemed for goods and services for the promotion of sales; advertising (through all social media channels); advertising and promotion services and information services relating thereto; arranging and management of commercial operations for building customer loyalty, in particular with the provision of customer loyalty cards; arranging of subscriptions to publications; business and commercial information services provided on-line from a computer database, computer network, global computer network or the Internet; business appraisal; business assistance services; business centre services; business consultancy, news or information services; business information and inquiries; business management of cafeterias, canteens, coffee shops, food courts, food malls clubs, health clubs, hotels, shopping malls, retail outlets, exhibition places, sporting facilities, sporting venues, accommodation, cinema, theatre, theme parks, amusement parks, parking services, car parks, restaurants, bars and cafes; business management of club

membership; business networking; business organization consultancy; business planning; car park management services; compilation of advertisements for use as web pages on the Internet; compilation of business statistics and commercial information; convenience store retail services; convenience store retailing services and on-line retail services; customer loyalty reward programs; data collection, systemization and management in a computerized file; departmental store retail services, convenience store retail services and mail order retail services also provided via television, the Internet and other multimedia; dissemination of advertising material; issuance, processing of and management of membership cards which grant special privilege at member stores; issuance, processing of and management of point-cards and vouchers for the promotion of goods and services; issuing and administration of reward points for the promotion of sales; mail order retail services; mail order, catalogue, distributorship, online retail store, retailing and online retailing services in relation to foodstuff and beverages, bath and beauty products, goods made of paper and/or card board, printed matters and stationery, publications, books, photographs, posters, stationery, writing instruments, instructional manuals, trading cards and collectors cards featuring comic book, comic strip, cartoon and action characters, pouches of paper or plastic, for packaging, pouches of rubber, for packing, glassware, glass crystals, porcelain and earthenware, cups, mugs, pouches, drinking straw holders, drinking straws, drinking straws of silicone, silicone pouches for holding drinking straws, silicone containers for holding drinking straws, clothing and clothing accessories, footwear and headgear, sportswear, games and playthings, toys, playing cards, gymnastic and sporting articles, slides [playthings], inflatable slides [playthings], inflatable games for swimming pool, inflatable slides for swimming pool, apparatus for use in outdoor sporting activities, apparatus for use in indoor sporting activities, climbing frames [plaything], films, textile goods, leather and imitations of leather, and goods made of these materials, floral products, luggage and bags, eco-friendly bags, building materials, gifts or souvenirs of plastic, paper, common metals and their alloys, computer programmes, computer games, electronic game apparatus,

pre-recorded video tape and/or discs, CD, VCD, DVD, gifts or souvenirs of precious metals or their alloys or coated therewith, jewellery, horological and chronometric instruments, picture frames, gifts or souvenirs of wood, cork, reed, cane, wicker, horn, bone, ivory, whalebone, shell, amber, mother-of-pearl, plastic or acrylic, virtual reality headsets, and virtual reality content and data; marketing and business studies, research and reporting; marketing, publicity and promotion services; offering and management of member stores and its members for point stored cards and cards with special privilege of discounts for sales promotion; online business information services; online marketing services; on-line shopping services; business organization and administration of workers for a wide variety of organizations; business organization, provision of promotional activities and promotion goods and gifts via a loyalty point system; organization of exhibitions and trade fairs for commercial and advertising purposes; organization, operation, administration, management and supervision of loyalty, reward and incentive schemes; organization, operation, administration, management and supervision of sales and promotional incentive schemes; preparation and presentation of audio and visual displays for advertising purposes; promoting the goods and services of others by awarding purchase points for credit card use; promoting the goods and services of others through the issuance of trading stamps; promoting the goods and services of others via computer and communication networks; promoting the sale of goods and services of others by providing discounts, incentives, sweepstakes, rebates, value added offers and coupons; promotion in connection with reward and incentive schemes; promotional event planning services; promotional information and advisory services provided to members of incentive loyalty schemes; promotional information and advisory services provided to members and to subscribers of incentive loyalty schemes, travel reward programs and shopping reward programs; promotional loyalty scheme and frequent user incentive scheme services (promotional services); promotional services in the nature of bonus programmes, including membership privileges, loyalty recognition programmes, club membership and the supply of benefits in connection with shopping, transportation and travel; promotional

services in the nature of organization, operation, management and supervision of reward and incentive schemes; promotional services relating to membership privileges, loyalty recognition programmes, club membership and the supply of benefits in connection with hotels, hotel services, accommodation, spa and fitness, restaurants, bars, cafes, shopping mall, travel services and delivery services; promotional services relating to or in the nature of reward programs for customers; promotional services relating to providing incentives for the usage of credit and debit cards; promotional services relating to reward programs for credit card use; providing incentive award programs for customers through issuance and management of reward token, and providing information relating thereto; providing incentive award programs for customers through issuance of reward token for exchange of gifts and providing information relating thereto; providing information relating to the use of point-cards for promotion; providing online facilities (marketplace) for connecting sellers with buyers; providing online marketplaces for sellers of goods and/or services; providing web space for advertising for online business; provision of market research information; public relations; receipt, storage and provision of computerized business information data; rental of advertising space; reward programs for customers; supermarket and departmental store retailing services; telephone, Internet and computerized online ordering services; television advertising commercials; business operation of bar, cocktail lounge, cafe, cafeteria, snack bar, coffee-shop, restaurant, canteen and bakery; information, advisory and consultancy services relating to the aforesaid services.

Class 39:

Transport; packaging and storage of goods; travel arrangement; agency services for arranging travel; arranging of cruises and tours; booking agency services for travel; car parking services; delivery of goods by mail order; delivery of goods; escorting of travelers; garage rental; leasing of car parks; parcel delivery; parking place rental; provision of transportation information; provision of travel information; rental of warehouse; shuttle bus services; study tours; tourism sightseeing; tourist offices (except for hotel reservation); transport of

travelers; transport reservation; travel reservation; vehicle rental; warehousing and storage information services; information, advisory and consultancy services relating to the aforesaid services.

Class 41:

Education; providing of training; entertainment; sporting and cultural activities; academy services; advisory services relating to education; amusement park and theme park services; animation production services; arrangement and organisation of study tours (education services) and instructional, informational or educational visits; arranging and conducting of ceremonies relating to the awarding of prizes and rewards; arranging and conducting workshops, symposiums, congresses, conferences, conventions, educational lectures, seminars, instructional courses, educational examinations and seminars; arranging of competitions in the field of entertainment; arranging professional workshop and training courses; arranging, organizing, conducting and providing multiple intelligence courses and activities; art exhibition and gallery services; art gallery services relating to fine arts leasing; augmented reality arcade services; augmented reality game services provided online from a computer network; augmented reality video production; booking of tickets for entertainment activities; booking of tickets for shows and games; charitable services, namely academic mentoring, education or training; cinematographic displays and exhibition of pictures, photographs or books for cultural, educational and entertainment purposes; club house services [entertainment and recreation]; club services [entertainment or education]; conducting classes, seminars, workshops, lectures and educational community outreach programs, and providing training to community groups; conducting classes, seminars, workshops, lectures in the fields of art, movie, graphic and industrial design, healthcare, wellness, cooking, cuisine and food art; conducting correspondence courses; conducting guided tours for cultural or educational purposes; conducting guided tours; conducting workshops and seminars in art and movie appreciation; education academy services; educational and entertainment services rendered in or relating to theme parks; educational and training services; educational examinations; educational information services; educational services,

namely developing, arranging and conducting educational seminars and programs in the field of comic books and animated films; educational services, namely, organizing and conducting conferences, courses, seminars, and online training and distribution of course material in connection therewith; educational services, namely, providing webinars, tutorials and online learning materials, namely books, white papers, research papers, instruction books, tutorials, treatises, and educational games; electronic journals and blogs, featuring user generated or specified content; electronic publishing services; entertainer services; entertainment and educational services, namely, providing motion picture films, movies, videos, music videos, animation, musical recordings, radio programming and multimedia content in the fields of entertainment and education; entertainment information; entertainment services in the field of film and television, namely, creation and production of computer generated images for motion picture films, animated movies, videos, animated videos, television programs; entertainment services in the nature of live-action, comedy, opera, drama and/or animated television programmes; entertainment services in the nature of the provision of continuing programs containing animated cartoons and live action adventure transmitted via wireless communication devices, namely mobile phones, laptops, tablet computers, and personal mobile devices; entertainment services provided by recreation parks, amusement parks and theme parks; entertainment services, namely, an on-going series of television programs containing animated cartoons and live action adventure; entertainment services, namely, live performance theatrical exhibitions of costumed characters; entertainment services, namely, multimedia production of continuing entertainment, entertainment news, and current events information programs (entertainment), which are all delivered via communication and computer networks; entertainment services, namely, multimedia production of entertainment shows and interactive programs (entertainment) for distribution via television, cable, satellite, audio and video media, cartridges, computer discs and digital means; entertainment services, namely, providing augmented reality games, interactive entertainment and augmented reality content; entertainment services, namely, providing images and pictures about fictional and

cartoon characters appearing in games and animations; entertainment services, namely, providing mixed reality games, interactive entertainment and mixed reality content; entertainment services, namely, providing online augmented reality environments; entertainment services, namely, providing online video games; entertainment services, namely, providing online virtual reality environments; entertainment services, namely, providing virtual reality games, interactive entertainment and virtual reality content; entertainment services, namely, providing virtual reality games, interactive entertainment and virtual reality entertainment content; exhibitions of cinematographic films, video films and video film soundtracks; family club [entertainment and recreation]; fan club services [entertainment]; film production, other than advertising films; game entertainment services; game equipment rental; game services (indoor, outdoor, online and offline); games equipment rental; games services provided via computer networks and global communication networks; hire of sound reproduction equipment and systems; interactive game services; interest workshops (training); learning centre for child; learning centre; learning courses; lending libraries and library services; live stage shows; lucky draws; membership and club services [entertainment or education]; movie film production; movie showing; movie theatre services, namely, the exhibition of films and video tapes in theatres; museum services; online education services; online entertainment services; online game services; online interactive entertainment; online photography; online publication of electronic books journals and magazines; online ticket reservation services for entertainment events; organisation and provision of courses relating to the English language using distance learning methods; organisation and provision of courses using distance learning methods; organisation of exhibitions for educational purposes; organization and arranging of musical events and other cultural and artistic events; organization of competitions, teaching, training, seminars, colloquiums and conferences; organization of entertainment for birthday parties; organization of entertainment services including art exhibitions, sport, music, cultural and recreational events and competitions; organization of games and game activities;

organizing and conducting games for children; organizing and conducting of sports and cultural activities; organizing charitable fundraising events being the provision of entertainment, sporting and cultural services; organizing cultural and arts events; organizing exhibitions and events in the field of interactive entertainment, virtual reality, and augmented reality, consumer electronics and video game entertainment industries for cultural or educational purposes; organizing of art exhibitions; party planning [entertainment]; photography; planning and managing celebration events (entertainment); planning and managing entertainment activities; play centre (training); play group centre (training); play house services [entertainment and recreation]; portrait photography; presentation of awards; presentation of movies, shows, plays, live and musical performances; presentation of opera and drama performances; presentation of works of visual art or literature to the public for cultural or educational purposes; production and distribution of entertainment shows aimed at children; production and distribution of sound, movie and video recordings; production and publication of books, story books, magazine, newspapers, newsletters and journals; production and publication of texts, education books and educational materials; production of entertainment shows and interactive programs (entertainment) for distribution via television, cable, satellite, audio and video media, cartridges, laser discs, computer discs and electronic means; production of live-action, comedy, opera, drama and/or animated television programmes; production of shows, dramatic or theatrical entertainment; production of video and audio recordings relating to games and game activities; production of video; production, distribution and provision of entertainment, entertainment news, and entertainment information via a global communication network, computer networks and on-line from a computer databases of the Internet; production, post-production, preparation, presentation, distribution, and rental of television and radio programs and films, animated films, cartoons and audio and video recordings; production, presentation, distribution, and rental of motion picture films, sound and video recordings, television and radio programs; providing a computer game for use network-wide by network users;

providing a venue for magic shows, musical shows, comedy, interactive and participatory games and sporting events; providing a web site through which people locate information about tournaments, events, and competitions in the video and computer game field; providing a website featuring electronic media, multimedia content, videos, movies, pictures, images, text, photos, audio content, and information related to education and entertainment over the internet and mobile media networks; providing a website featuring electronic media, multimedia content, videos, movies, pictures, images, text, photos, audio content, and information related to education and entertainment over the internet and mobile media networks; providing amusement facilities equipped with virtual reality simulators; providing and exchanging training information in the field of education; providing cinema and movie theatre facilities; providing club recreation facilities; providing computer, electronic and online databases in the field of entertainment and in the fields of secondary, collegiate, social and community interest groups; providing educational playgroup services; providing electronic games [not downloadable] for mobile phones via the Internet; providing electronic publications through telecommunication or computer networks [not downloadable]; providing entertainment facilities to make simulated experiences of virtual reality using computer graphics technology; providing entertainment services via the internet, electronic communications networks, computer networks and wireless communications networks in the nature of online games and websites featuring a wide variety of general interest entertainment information relating to motion picture films, movies, videos, musical videos, animation, related film clips, photographs, graphics and other multimedia materials; providing facilities for recreational activities, movies, shows, plays, music or educational training; providing films, not downloadable, via video-on-demand services; providing game center for playing virtual reality games; providing information about online computer games and video games via computer or communication networks; providing information about video games, computer games, amusement machines, amusement center, amusement parks, sound, music, images, animation or movies through telecommunication or computer networks; providing information concerning

education; providing information regarding the English language, teaching, instruction and education by means of the Internet; providing information regarding the English language, teaching, instruction and education by means of a computer database; providing movie, television and music video entertainment via an interactive web site; providing museum facilities [presentation, exhibitions]; providing news and information in the field of entertainment relating to comic books, motion picture films, animated television programs and video games over an electronic network; providing online augmented reality games; providing online computer games and interactive games; providing online educational material; providing online electronic publications, not downloadable; providing online games and in mobile wireless form; providing online information in the field of entertainment concerning motion picture films, movies, video, music video, animation and radio programs; providing online mixed reality games; providing online music, not downloadable; providing online publications (not downloadable); providing online education and entertainment resources for software developers in the aforesaid fields; providing online videos, not downloadable; providing online virtual reality games; providing television and motion picture audio and visual special effects animation services for film, video and television; providing temporary use of non-downloadable computer games; providing training courses and operating assessment centres for training in the field of education; providing video games, computer games, sound, music, images, animation or movies through telecommunication or computer networks; providing websites in the field of entertainment that contain entertainment information relating to comic books, motion picture films, animated television programs and video games; provision and distribution of games activities content (online and/ or offline); provision of education, recreation, instruction, tuition and training both interactive and non-interactive; provision of educational, teaching, tutorial and instructional services by means of telecommunications; provision of educational, teaching, tutorial and instructional services remotely by means of the Internet; provision of educational, teaching, tutorial and instructional services electronically; provision of educational,

teaching, tutorial and instructional services remotely by means of telecommunications; provision of educational, teaching, tutorial and instructional services regarding the English language by means of telecommunications; provision of educational, teaching, tutorial and instructional services regarding the English language by means of the Internet; provision of educational, teaching, tutorial and instructional services regarding the English language electronically; provision of educational, teaching, tutorial and instructional services relating to the English language remotely by means of the Internet; provision of entertainment, cultural or sporting event activities and booking or reservation services of entertainment, cultural or sporting event activities provided in relation to a loyalty program, reward or incentive scheme; provision of indoor 3D images in model room using virtual reality system; provision of information relating to teaching, instruction, educational research and education; provision of news online; provision of online electronic publications; provision of sporting, cultural and entertainment activities; publication and issuing a printed matter on-line from a computer databases or the Internet; publication of book, magazines and printed matters; publication of educational materials, namely, publishing of books, journals, newsletters, and electronic publications; publication of electronic books and journals online; publication of electronic journals and blogs, featuring user generated or specified content; publication of texts, other than publicity texts; publishing and providing of computer games; publishing and provision of electronic publications; publishing by electronic means; publishing computer and video game software and applications; publishing of electronic publications; publishing services carried out by computerised means; publishing services provided by means of the Internet and world-wide web; publishing services; recording and distribution (other than transportation) of electronic publications and podcasts; recreation information; reference libraries of literature and documentary records; rental of educational apparatus and instruments; rental of entertainment media; rental of facilities for educational workshops and courses; rental of pre-recorded video tapes, video disks and movie films; rental of slides [playthings],

inflatable slides [playthings], inflatable games for swimming pool, inflatable slides for swimming pool [playthings], apparatus for use in outdoor sporting activities, apparatus for use in indoor sporting activities, climbing frames [plaything]; rental of sound recordings, films, film projectors, videotapes, video cassette recorders, radios and television sets and accessories therefor; rental of video games; school services for the teaching of art; show production services; special effects animation services for film and video; story-telling; teaching and publishing by electronic means; teaching services; teaching, instructional and educational services relating to the English language; teaching, lecturing and tutorial services; theatre production services; theatrical entertainment services; theme park services; ticket agency services [entertainment]; ticket reservation and booking services for amusement parks and theme parks; training courses and training consultancy; tuition services; tutoring; video arcade services; video photography; virtual reality arcade services; virtual reality game services provided on-line from a computer network; virtual reality video production; provision of facilities for shows and performances; information, advisory and consultancy services relating to the aforesaid services.

Class 42:

Scientific and technological services and research and design relating thereto; industrial analysis and research services; design and development of computer hardware and software; application service provider (ASP) featuring software to enable or facilitate the uploading, downloading, streaming, posting, displaying, blogging, linking, modifying, sharing or otherwise providing electronic media or information over communication networks; application service provider (asp) services, namely, hosting computer software applications of others; cloud computing in the field of game software; computer development services for Intranet and web-based portals; computer programming services for creating augmented reality videos and games; computer programming; computer services in the nature of customized online pages featuring user-defined or specified information, personal profiles, audio, video, photographic images, text, graphics and data; computer services in the nature of providing

customized online pages featuring user-defined or specified information, personal profiles, and virtual reality content and data; computer services provided on-line, by interactive means or via the Internet; computer services, namely, creating virtual communities for registered users to organize groups, participate in discussions, get feedback from their peers, and engage in social networking and business collaboration and communication; computer services, namely, creating virtual communities for registered users to organize groups and events, participate in discussions, get feedback from their peers, and engage in social, business and community networking; computer services, namely, hosting electronic facilities for others for organizing and conducting meetings, events and interactive discussions via communication networks; computer services, namely, providing interactive online facilities for others featuring technology that allows users to manage their online audio and visual and social networking and business communication and collaboration accounts; computer services, namely, providing search engines for obtaining data on global computer and communication networks; computer system software services; conversion of data or documents from physical to electronic media; design and development of computer game hardware and software and virtual reality hardware and software; design and development of mobile client to support customer data input with the choice of internet of things (IoT) using passive matrix barcode code; design and development of passive matrix barcode code plus dual authentication (mobile client from shop and customer) to record ownership transfer as an alternative to the expensive dedicated sensors to prevent forged tags; design and development of software for the Internet websites and applications; design and development of software in the field of mobile applications; design of animations; design of games; design, development, updating and upgrading of computer and video games software; design, development, updating and upgrading of game software and entertainment software for mobile devices; designing and developing computer game software and video game software for use with computers, video game program systems and computer networks; designing, creating and maintaining websites; development of computer hardware for computer games; development of, compilation of interactive and non-interactive

web pages for the Internet (other than by Internet service providers) in relation to education, training, entertainment, culture, sports, community services and charity activities; file sharing services, namely, providing online facilities for others featuring technology enabling users to upload and download electronic files; hosting computer sites (web sites); hosting of a website providing an online directory information service featuring information regarding, and in the nature of, collegiate life, classifieds, virtual community, social networking, photo sharing and tracking of trends; hosting of a website providing an on-line searchable database featuring digital images and video clips for viewing, storing, editing, arranging, combining, sharing, manipulating, modifying, enhancing, commenting upon and downloading; operating search engines; production and presentation of computer software and CD-ROMs being computer services; computer services by providing an online network service that enables users to transfer personal identity data to and share personal identify data with and among multiple online sites; hosting of websites to provide information from searchable indexes and databases of information, including text, electronic documents, databases, graphics, photographic images and audio visual information, on computer and communication networks; providing non-downloadable e-commerce software to allow users to perform electronic business transactions via a global computer and communication networks; computer services by providing online facilities for others featuring technology that enables online users to create personal profiles featuring social and business information and to transfer and share such information among multiple online facilities; computer services by providing online facilities for others that give users the ability to upload, modify and share audio, video, photographic images, text, graphics and data; computer services by providing online sites featuring technology that enables online users to create personal profiles featuring social and business networking information and to transfer and share such information among multiple online sites; computer services by providing online sites that gives users the ability to upload, modify and share virtual reality content and data; providing online software for modifying the appearance and enabling transmission of

audio, video, photographic images, text, graphics and data; providing search engines for obtaining data via communications networks; providing search engines for the internet; providing temporary use of non-downloadable software applications for social networking, creating a virtual community, and transmission of audio, video, photographic images, text, graphics and data; providing temporary use of non-downloadable software applications for social networking, creating a virtual community, and transmission of virtual reality content and data; providing temporary use of non-downloadable, cloud-based software for collecting, analyzing, managing, storing, and reporting business for providing incentive rewards and points, for providing other rewards to users; rental of web servers; software as a service (SAAS) services featuring software for sending electronic message alerts, and sending and receiving electronic messages, and via a global computer network; testing services in the field of game software; updating of game software on mobile communication apparatus; video game development services; providing online non-downloadable interactive computer game software over an electronic network that may be accessed network-wide by network users; information, advisory and consultancy services relating to the aforesaid services.

Class 43:

Services for providing food and drink; temporary accommodation; accommodation bureaux (hotel, boarding houses); agency for accommodation reservation; agency for hotel reservation; agency services for rental of event venue; arranging and conducting of banquets; arranging of wedding receptions [food and drink]; arranging of wedding receptions [venues]; bar, cocktail lounge, cafe, cafeteria, snack bar, coffee-shop, restaurant, canteen, bakery, banqueting and catering services; booking of serviced apartments (temporary accommodation); business catering services; café services; canteen services; catering services for parties; charitable services, namely providing food, beverages or temporary accommodation; child care services, day nurseries and creche facilities; club house services for the provision of food and drink; cocktail lounge buffets; coffee shop services; consultancy services relating to food, drink, catering, restaurant and cafeteria services; dim sum bars; dining and restaurant services; food and

drink catering; hotel and motel, guest house accommodation services; hotel lounge services; preparation of food and drink, self-service and/or fast food restaurant services; provision of banquet and social function facilities and venues for special occasions; provision of booking and reservation services for accommodation and restaurants in relation to a loyalty program or incentive scheme; provision of campground and venue for corporate team building; provision of campground facilities; provision of conference facilities; provision of conference, exhibition and meeting venues; provision of facilities for functions, conferences and exhibitions; provision of food and beverages in relation to a loyalty program or incentive scheme; provision of food and drinks in a food court, food mall, fast food outlet, canteen, cafeteria, café and restaurant; provision of information concerning agency services for rental of event venue; provision of information concerning rental of event venue; provision of information relating to hotel, motel, restaurants and bars services on-line from a computer database or via the Internet or extranets; provision of information relating to preparation of food and beverages and catering services on-line from a computer database or via the Internet or extranets; provision of information relating to preparation of foods and beverages and catering services on-line from a computer database or via the Internet or extranets; provision of meeting facilities; provision of rental information of lodging; rental of chairs, tables, table linen and glassware for conference, exhibition, meeting and social functions and banquets; rental of chairs, tables, table linen and glassware; rental of event venue; rental of meeting rooms for private parties; rental of meeting rooms; rental of rooms and venues for parties; rental of venue for corporate team building events; restaurant services; snack and sandwich bar services; temporary accommodation reservation services; temporary accommodation services rendered by hotels, motels, boarding houses and holiday camps; venue hire; venue rental for private events or exhibitions; rental of facilities for conferences, exhibitions, meetings, seminars and social functions; information, advisory and consultancy services relating to the aforesaid services.

Specification: interactive communication and social network;  
Downloadable computer application software for  
mobile phones, namely, software for  
interactive communication and social network;  
Downloadable electronic game software for  
handheld electronic devices; Downloadable  
computer application software for chat, audio  
chat, video chat, instant messaging, text  
messaging, audio communications, video  
communications, web messaging and short  
message services functions, and machine  
learning visual recognition software,  
proprietary user-pairing algorithms;  
Downloadable computer application software for  
mobile phones, namely, software for chat,  
audio chat, video chat, instant messaging,  
text messaging, audio communications, video  
communications, web messaging and short  
message services functions, and machine  
learning visual recognition software,  
proprietary user-pairing algorithms;  
Downloadable communication software for  
providing access to the Internet; Downloadable  
communications software for connecting  
computer network users and global computer  
networks; Downloadable computer programs for  
communication, networking, and social  
networking; Downloadable computer software for  
communication, networking, and social  
networking; Downloadable software for real-  
time video and audio communication over the  
Internet via mobile devices; Downloadable  
software for sending and receiving electronic  
messages, graphics, images, audio, and audio  
visual content via global communication  
networks; Downloadable computer software for  
use in creating, editing, and delivering  
textual and graphic information via computer  
communication networks, wireless communication  
networks, telephone communication networks;  
Downloadable software for performing in-app  
purchase functions for virtual in-app  
currency; Downloadable software for creating  
avatars, emoji stickers, symbols, images  
representing individuals, fanciful designs,  
comics, comic series, phrases, and graphical  
depictions of people, places and things that

can be posted; Downloadable software for performing social networking functions and featuring personal friend lists, personal profiles, friend invite and with optional access to server based data storage.

Class 35:

Provision of an on-line marketplace for buyers and sellers of goods and services; Marketing services; Advertising and business management services; Design of advertising materials; On-line advertising on a computer network; Rental of advertising time on communication media; Sales promotion for others; Systematization of data in computer databases; Sponsorship search.

Class 38:

Providing audio-video chat services; Chatroom services for social networking; Instant messaging services; Text messaging services; Web messaging; On-line services, namely, message sending; Providing multiple-user access to a global computer information network; Providing access to computer databases in the fields of social networking, providing online communications links which transfer users to other local and global web pages or applications; Providing user access to third party web sites hosted on computer servers accessible via a global computer network; Transmission of digital files; Providing user access to global computer networks; Providing telecommunications connections to a global computer network; Providing online forums for transmission of messages among computer and mobile users; Streaming of data.

Class 42:

Computer software design; Updating of computer software; Maintenance of computer software; Design and development of software in the field of mobile applications; Application service provider (ASP) featuring software for use in social networking, managing social networking content, creating a virtual community, and transmission of images, audio-visual and video content, photographs, videos, data, text, messages, advertisements, media advertising communications and information; Design and development of computer hardware and software; Computer services in the nature of customized electronic personal and group profiles or webpages featuring user-defined or specified information, including, audio, video, images, text, content, and data; Electronic data storage; Computer services, namely, creating an on-line virtual

environment for registered users to create, produce, edit, manipulate, transmit, share, and comment on videos or other electronic media in the nature of an online community; Graphic arts design; Platform as a service (PAAS) featuring computer software platforms for creating, producing, editing, manipulating, transmitting, sharing, and commenting on videos.

Class 45:

Online social networking services; Online social networking services accessible by means of downloadable mobile applications; Internet-based social networking services; Online social networking services provided through a community website; Providing a social networking website for entertainment purposes.
