

香港特別行政區政府知識產權署商標註冊處

Trade Marks Registry, Intellectual Property Department

The Government of the Hong Kong Special Administrative Region

接納註冊 (全文本)

商標註冊處處長已根據《商標條例》(第 559 章)第 42 條，接納下列商標的註冊申請。現根據《商標條例》第 43 條及《商標規則》(第 559 章附屬法例)第 15 條，公布申請的詳情。

根據《商標條例》第 44 條及《商標規則》第 16 條，任何人擬就下列商標的註冊提出反對，須在本公告公布日期起計的三個月內，採用表格第 T6 號提交反對通知。(例如，若果公布日期為 2003 年 4 月 4 日，則該三個月的最後一日為 2003 年 7 月 3 日。)反對通知須載有反對理由的陳述及《商標規則》第 16(2)條所提述的事宜。反對人須在提交反對通知的同時，將該通知的副本送交有關申請人。

有關商標註冊處處長根據商標條例(第 43 章)第 13 條/商標條例(第 559 章)附表 5 第 10 條所接納的註冊申請，請到 <http://www.gld.gov.hk/cgi-bin/gld/egazette/index.cgi?lang=c&agree=0> 檢視電子憲報。

ACCEPTANCE FOR REGISTRATION (FULL VERSION)

The Registrar of Trade Marks has accepted the following trade marks for registration under section 42 of the Trade Marks Ordinance (Cap. 559). Under section 43 of the Trade Marks Ordinance and rule 15 of the Trade Marks Rules (Cap. 559 sub. leg.), the particulars of the applications are published.

Under section 44 of the Trade Marks Ordinance and rule 16 of the Trade Marks Rules, any person who wishes to oppose the registration of any of these marks shall, within the 3-month period beginning on the date of this publication, file a notice of opposition on Form T6. (For example, if the publication date is 4 April 2003, the last day of the 3-month period is 3 July 2003.) The notice of opposition shall include a statement of the grounds of opposition and the matters referred to in rule 16(2). The opponent shall, at the same time as he files the notice of opposition, send a copy of it to the applicant of the application in question.

For applications for registration accepted by the Registrar of Trade Marks under section 13 of the Trade Marks Ordinance (Cap. 43)/section 10 of Schedule 5 to the Trade Marks Ordinance (Cap. 559), please view e-gazette at <http://www.gld.gov.hk/cgi-bin/gld/egazette/index.cgi?lang=e&agree=0>.

Specification:

Class 6:

Fittings, flashing and framework of metal for scaffolding; metal scaffolding; scaffolding of metal; scaffolding towers of metal; brackets of metal for building; building boards of metal; building fittings of metal; building fittings of nickel or silver; building hardware of metal; building materials and buildings of metal; building materials made of metal; building materials made principally of common metal alloys; building materials of metal; building or furniture fittings of nickel-silver; building panels of aluminum; building panels of metal; building parts of aluminum; building parts of metal; ceiling and cladding made wholly or principally of common metal for buildings; ceiling panels of metals; cladding of metal for building; columns of metal [parts of building]; fittings of metal for building; flashing of metal, for building; frames of metal for building; framework of metal for building; linings of metal for building; metal ceiling boards; metal ceiling tiles; metal building elements for use in the construction of fireplaces; metal building frames and framing sections for commercial buildings; metal building frames and framing sections for houses; metal building materials; metal materials for building; metal materials used exclusively for building; metal modular portable building structures; metallic anti-slip blocks for building construction; metallic anti-slip boards for building construction; metallic anti-slip panels for building construction; metallic anti-slip tile floorings for building construction; metallic anti-slip tiles for building construction; metallic building materials; modular building units of metal; modular portable building units of metal for construction into relocatable buildings; modular prefabricated building units of metal for the construction of buildings; paving blocks of metal for building; pillars of metal for building; prefabricated building assembly kits of metal; prefabricated metal building assembly kits; prepainted metal building materials; reinforcing materials of metal for building; slabs of metal for building; tiles of metal for building; wall claddings of metal for building; wall linings of metal for building; all included in class 6

Class 17:

Flexible tubes, not of metal, for building; foam sheeting for use as building insulation [polyurethane]; insulating building materials against moisture; insulating materials and junctions [not of metal] for pipes for the building industry; plastic sheets and laminates for building, manufacturing and industrial purposes; sealants for building; all being materials for packing, stopping and insulating; soundproofing materials of rock wool [not for building purposes]; all included in class 17.

Class 19:

Scaffolding, not of metal; agglomerated bagasses of cane [building material]; agglomerated cork for building; anti-slip panels, boards, blocks, tiles and tile floorings for building construction; articles of artificial stone for building purposes; articles of joinery for use in building; articles of wood for building purposes; artificial stones made of concrete as building materials for garden design; bitumen paper for building; bituminous products

for building; bituminous products for building purposes; brackets, not of metal, for building; bricks for building; bricks for building construction; building cardboards; building elements made of wooden materials; building fittings, not of metals; building glass; building glasses; building materials [non-metallic]; building materials [not of metal]; building materials made of plastic board; building materials made of plastics; building materials made of synthetic materials; building materials not of metal and concrete; building materials of cement and concrete; building materials of plaster; building materials of plastics material; building materials, not of metal, all containing cement; building panels, not of metal; building paper; building safety glass; building sand; building stones; building timber; building and ceiling covering materials (non-metallic); ceiling boards, not of metal; ceiling panels, not of metals; cement articles for building materials; ceramic and porcelain materials used exclusively for building; ceramic building materials; ceramic tiles for flooring of buildings; cladding, facings, linings, moldings, paving and surfacings [not of metal] for building; cladding, not of metal, for building; coating compositions for application to non-metallic building materials; coating compositions for preserving non-metallic building materials; coatings [building materials]; coatings to protect concrete and non-metallic building materials from water; coloured stone materials for use in building; compressed cellulose fiber board used as a substitute for wood, plywood or cardboard for building purposes; concrete building elements; construction, building, mining and decorative materials, not of metal; decorative building products made of cementitious materials; enamelled glass, for building; facings, not of metal, for building and residence; felt for building; fibre-reinforced cement building panels; fibres for use in building materials; flashing, not of metal, for building; frameworks, not of metal, for building; frameworks and claddings for use in building and civil engineering, not of metal; frameworks for building elements [not of metal]; frameworks for building, not of metal; glass components for building materials; glass elements for building panels and windows; glass for building; glass for building purposes; glass steel building pieces; glass used in building; high pressure melamine laminates being non-metallic building materials; insulating glass for building; insulating materials made of plastic for use in road and building construction, civil engineering, water supply line and heating construction; interior finishing materials for building walls; laminated boards [non-metallic] for building use; laminated building glass incorporating a liquid crystal film; ledges for building; lime building or construction materials; linings, not of metal, for building; linoleum building materials; lintels for building; lumber and building timber; materials [non-metallic] for use in building; moldings, not of metal, for building; mortar for building; mosaic of glass and glass mosaic products for building; mosaics for building; mouldings, not of metal, for building; natural stones and polyester resin slabs for use in building construction; non-metal building materials; non-metal building materials mixed by mud, sand and coal cinder; non-metal building panels; non-metal claddings for building; non-metal floors for building; non-metal tiles for building; non-metal wall claddings

and wall linings for building; non-metal wall for building; non-metal wall tiles for building; non-metallic building and construction materials; non-metallic building and covering materials; non-metallic building elements for use in the construction of fireplaces; non-metallic building elements made from glass; non-metallic building materials; non-metallic building and ceiling covering materials; non-metallic building materials [fixture materials]; non-metallic building materials for covering of walls and floors; non-metallic building materials for fire protection; non-metallic building materials for flooring; non-metallic building materials for waterproofing and for surface covering; non-metallic building materials of cement; non-metallic ceiling panels; non-metallic ceiling tiles; non-metallic doors for building; non-metallic drainage products for use in building and construction; non-metallic floor tiles for building; non-metallic formwork for building purpose; non-metallic laminated materials for use in building and construction; non-metallic materials for filling and sealing building joints and cracks; non-metallic materials for use in building; non-metallic membranes for waterproofing, all for use in building and civil construction; non-metallic pipes for building purposes; non-metallic rigid pipes for building; non-metallic tiles for building; non-metallic waterproof and dampness-proofing materials for building; olivine for building; ornamental finish material for building wall surfaces [not of metal, for building]; paperboard for building; pavement finishes [building construction]; pillars, not of metal, for building; planar glass for building; planks of wood for building; plaster siding [not of metal, for building]; plasters for building purposes; plastic building materials; plastic coatings (other than paints) for use in building; plastic laminates in sheet form for use in building and construction; plastic laminates in sheet form for use in building construction; plate glass [windows], for building; plate glass for building; protective coatings for walkways [building materials]; protective finish materials for building wall surfaces [not of metal, for building]; reeds, for building; reinforced glass for building; reinforcing materials, not of metal, for building; rigid pipes, not of metal, for building; rubber building or construction materials; roses of non-metallic material for ceiling decorations; rubber materials exclusively for building (not of metal, for building); rubber sheets and rubber flanges being building materials; sandstone for building; slab and wall board made of methacrylate building materials; slabs, not of metal, for building; slag (building material); special glass components for building purposes; special glass for building purposes; spray finishing material for building wall surface (not of metal, for building); surfacings for building (not of metal); synthetic plastics materials for use in building; tarred strings, for building; tarred strips, for building; textured panels for use in building; tiles for building [not of metal]; tiles of clay, glass, gypsum, ceramics or earthenware for walls, floors or ceilings; tiles made of ceramic materials for building purposes; tiles, not of metal, for building; timber building materials and timber formwork; timber for building; vapour control membranes for buildings and roofs; wall and ceiling panels of wood, plastic and form; wall claddings and linings, not of metal, for building; wall

claddings, not of metal, for building; wall coatings [building materials], other than paints; wall linings, not of metal, for building; wall-claddings for building, not of metal; waterproof membranes and mastics for use in protecting building and construction surfaces; window glass and articles of glass for building purposes; window glass board for building; window glass for building; wood and wood composite materials for use in building; wood pulp board, for building; wooden building materials; wooden building materials in fabricated form; wooden ceiling materials; all included in class 19.

Class 35:

Provision of business information for building visitors; provision of business information relating to building materials and interior products; wholesaling and distributorship relating to building materials; consultancy and advisory services relating to the aforesaid services; all included in class 35.

Class 37:

Scaffolding; scaffolding services; advice relating to demolition of buildings, building construction, dredging and civil engineering works; advisory services relating to building construction, repair and installation; advisory services relating to the repair of buildings, plumbing, environmental control systems and civil engineering structures; building construction information services; building construction services; building construction supervision; building demolition; building insulating; building insulation; building maintenance; building of accommodation facilities; building of drainage and filtration systems on golf courses; building of drainage systems; building of fair stalls and shops; building of offices; building of roads, bridges, highways, tunnels and power plants; building of ships; building of shopping arcades, malls, restaurants, convention centres, hotels and theatres; building of trapezoidal channels; building project management; building refurbishment; building renovation services; building repair; building sealing; building services; commercial building construction; construction, repair, maintenance and demolition of buildings and building complexes; damp-proofing [building]; hire of building equipment; information services relating to building; information services relating to building construction; leasing of construction and building equipment; leasing of marine building equipment; letting of equipment for building purposes; maintenance and advisory services relating to building; maintenance and repair of airport building facilities; office building construction; on-site building project management; painting of building; pier breakwater building; project management services relating to building and civil engineering construction; project management services relating to building and construction; providing information relating to building construction and repair; provision of information relating to building construction, repair and installation services; provision of information relating to supervision of building construction; rental of apparatus and tools for construction, building, maintenance, repair, lifting, demolition and interior decorating; rental of building machines; rental of tools and apparatus relating to building construction; repair of defective building; supervision of building construction; supervision of building construction, excavation, land reclamation,

demolition and building decoration; supervision of building work; yacht building; advisory services relating to the repair of building, plumbing, environmental control systems and civil engineering structures; installation and maintenance of environmental monitoring systems; installation of drainage, environmental control systems and machines, waste liquid disposal systems and water purifying plants; installation of environmental engineering systems; all included in class 37.

Class 42:

Computer services, namely, creating virtual communities for registered users to organize groups and events, participate in discussions, and engage in social, business and community networking; computer services, namely, hosting electronic facilities for others for organizing and conducting meetings, events and interactive discussions via communication networks; application service provider (asp) services, namely, hosting computer software applications for others; application service provider (asp) featuring software to enable or facilitate the uploading, downloading, streaming, posting, displaying, blogging, linking, sharing or otherwise providing electronic media or information over communication networks; providing an online computer network service that enables users to transfer personal identity data to and share personal identity data with and among multiple websites; providing a web site featuring technology that enables online users to create personal profiles featuring social networking information and to transfer and share such information among multiple websites; hosting of a website providing information from searchable indexes and databases of information, including text, electronic documents, databases, graphics and audio visual information, on computer and communication networks; providing temporary use of non-downloadable software applications for social networking, creating a virtual community, and transmission of audio, video, photographic images, text, graphics and data; computer services in the nature of customized web pages featuring user-defined or specified information, personal profiles, audio, video, photographic images, text, graphics and data; internet and website information and consultancy services; computer services in relation to providing an on-line magazine; website content update and maintenance services; website design, creation and hosting services; art work design and reproduction services; design of digital art images for commercial and artistic use; graphic arts design services; development of multimedia software applications; interior design; design and development of computer hardware and software; consultancy and advisory services relating to building design; design of building interiors; design services for building interiors; engineering services for the design of building structures; interior and exterior building design services; planning of building estates; research relating to building construction or city planning; advisory services relating to use of energy; architectural design of energy conservation systems; consultancy and advisory services relating to energy conservation; analysis and research relating to environmental protection; consultancy services relating to environmental protection; design of environmental monitoring systems; environmental conservation; environmental consultation and design services; environmental

engineering services relating to remediation of contaminated site;
 environmental hazard assessment; environmental research;
 environmental testing services; information and consultancy
 services relating to environmental protection; research and
 advisory services relating to environmental protection; analysis
 and research of architectural design relating to community
 planning, infrastructure, regional planning and urban development;
 architectural advisory and consultancy services; architectural and
 civil engineering (design) consultancy services; architectural and
 design services; architectural and design services in relation to
 real estate and residential property; architectural and interior
 design; architectural consultancy and advisory services;
 architectural design; architectural design consultancy services;
 architectural design of energy conservation systems; architectural
 design relating to community planning, exterior and interior
 decoration, interiors of commercial premises, infrastructure,
 regional planning, culture and heritage monuments; architectural
 planning services; architectural project management; architectural
 research; computerized analysis of architectural data; consultancy
 and advisory services relating to architectural technology;
 preparation of architectural plans, reports and engineering
 drawings; all included in class 42.

Class(es) No(s).:
- [511] 貨品/服務說明 :
Specification:
- Class 7:
Beverage preparation machines [electromechanical]; Blenders, electric, for household purposes; Bread cutting machines; Can openers [electric]; Carpet cleaning apparatus [electric]; Carpet shampooing (machines and apparatus for -) [electric]; Central vacuum cleaning installations; Coffee grinders, other than hand-operated; Dishwashers; Drying machines; Food mixers [electric]; Food preparation machines [electromechanical]; Food processors [electric]; Fruit presses [electric] for household purposes; Grating machines for vegetables; Grinders/crushers [electric] for household purposes; Juice extractors [electric]; Kitchen machines [electric]; Knives [electric]; Meat choppers [machines]; Meat mincers [machines]; Peeling machines; Sewing machines; Vacuum cleaners; Vacuum cleaner bags; Vacuum cleaner hoses; Washing machines; Wringing machines for laundry; Generators of electricity; Power tools, including electric drills, cordless drills, cordless drills with screw drivers, electric circular saws, electric angle grinders, electric angle polishers and cordless electric screwdrivers.
- Class 9:
Accumulators, electric; Acidimeters for batteries; Alkaline batteries; Amplifier tuners; Amplifiers; Amplitude modulation tuners; Analog to digital audio receivers; Anode batteries; Answering machines; Antennas; Audio tapes and discs; Automatic disc changers; Batteries for lighting; Batteries for mobile phones; Batteries for pocket lamps; Batteries, electric, for vehicles; Batteries; Battery boxes; Battery chargers for mobile phones; Battery chargers; Battery jars; Button batteries; Calculators; Camcorder batteries; Camcorders; Cameras (cinematographic-); Cameras [photography]; Cameras; Computer for vehicles; Car audio apparatus; Car audio instruments; Car speakers; Car TV tuners; Cassette players; Cathode ray tube computer monitors; Cathode ray

tube displays; Cathode ray tube televisions; CDRWs (Compact discs – rewritable); Channel selectors for television (remote controls); Chargers for electric batteries; radios incorporating clocks; Clocks (time-) [time recording devices]; Colour televisions, including pure flat colour televisions; Compact disc changers; Compact disc players; Compact disc recorders; Compact discs [audio-video]; Compact discs [read-only memory]; Compact discs, recordable; Compact radio cassette recorders; Hi-fi component; Computer accessories; Computer keyboard; Computer memory devices; Computer storage devices; Computers; Connectors [electricity]; Cordless phone batteries; Cylindrical battery cells; Data compact discs; Decoders; Digital cameras; Digital displays; Digital plasma displays; Digital readout tuners; Digital synthesized tuners; Digital to analog audio converters; Digital media receivers; Digital video broadcast receivers; Digital video disc changers; Digital video disc players; Digital video disc receivers; Digital video disc recorders; Digital/audio converters; Disk drives for computers; Docking station; Door to phone intercommunication devices; Digital Video Broadcasting–Terrestrial (DVB-T); DVD (digital versatile disc) players; DVD boomboxes; DVD-RWs (digital versatile discs – rewriteable); DVDs (digital versatile discs); Earphones [other than hearing aids for the deaf]; Earbuds; Electric cables; Electronic tuners; Equalizers; Flash memory cards; Flat panel display televisions; Flat panel monitors; Flexible displays/flexible flat panel displays; Frequency changers; Galvanic batteries; Gauges with digital readout; Grids for batteries; Headphones; Hi-Fi, mini/micro music systems; High tension batteries; Home theatre system; Audio and video apparatus for in-car entertainment; Audio and video apparatus for in-vehicle infotainment; Laptop computers; Light emitting diode computer monitors; Light emitting diode digital displays; Light emitting diode television displays; Line tuners; Liquid crystal display computer monitors; Liquid crystal display screens; Liquid crystal display television monitors; Liquid crystal display televisions; Lithium batteries; Lithium-ion batteries; Manganese alkaline batteries; Memory card readers; Microphones; Minidisks; Mobile internet device (MID); Mobile telephones; Mouse [data processing equipment]; Movie cameras; MP3 players (moving picture experts group layer-3 audio (audio file format/extension) players); MP4 players (MPEG Layer-4 Audio players); Multimedia players; Portable multimedia players; Multimedia speakers; Multisystem colour televisions; Nautical apparatus and instruments; Naval signalling apparatus; Navigation apparatus for vehicles [on-board computers]; Navigational instruments; Nickel cadmium batteries; Nickel cadmium cordless phone batteries; Nickel cadmium cylindrical cells; Nickel metal-hydride batteries; Organic light emitting diode displays; Organic light emitting diode television displays; Personal computers; Personal digital assistants (PDAs) or palmtop computers; Personal stereo speaker apparatus; Plasma displays; Plasma televisions; Plates for batteries; Portable compact disc players; Portable DVD and CD changers; Portable DVD (digital versatile disc) players; Portable media players; Portable radios; Portable telephones; Portable televisions; Prismatic cells [electric]; Programmable digital read-out units; Projection apparatus; Projection screens; Projection televisions; Projectors; Public

address speaker systems; Radio cassette players; Radio tuners; Radio/double cassette combo players with facility for sing-a-long; Receivers (audio- and video-); Rechargeable batteries; Record players; Recorded disk players; Remote control units; Satellite receivers; Security surveillance cameras; Selectors; Signal tuners; Silver-oxide batteries; Solar batteries; Sound alarms; Speaker systems; Speakers [audio equipment]; Stereo tuners; Subwoofers; Super flat colour televisions; Tablet computers; Tape recorders; Telephone apparatus; Telephone receivers; Telephone transmitters; Telescopic antennas; Television apparatus; Television receivers; Thin film displays (electronic displays); Transformers [electric]; Tuners; USB Flash drives; Vacuum fluorescent display; Video cassette players; Video cassette recorders; Video compact disc players; Video compact disc recorders; Video intercommunication systems; Video recording discs; Video tapes and discs; Video tuners; Wearable computers; Web cameras; Internet Protocol cameras; Pan-tilt-zoom (PTZ) cameras; Wireless telephones; Zinc oxide batteries; Parts and fittings for all the aforesaid goods.

Class 11:

Air conditioning apparatus; Air cooling apparatus; Air deodorising apparatus; Air dryers; Air filtering installations; Air heaters, air reheaters, heating apparatus [electric]; Air (ionisation apparatus for the treatment of -); Air purifying apparatus and machines; Air sterilizers; Apparatus for generating steam for cooking purposes; Autoclaves [electric pressure cookers]; Bakers' ovens; Barbecues; Bath (heaters for -); Bath fittings (hot air -); Bath installations (sauna -); Bedwarmers; Beverages cooling apparatus; Central heating radiators; Chest freezer; Coffee filters [electric]; Coffee machines [electric]; Coffee percolators [electric]; Coffee roasters; Coils [parts of distilling, heating or cooling installations]; Cooking apparatus and installations; Cooking rings; Cooking utensils [electric]; Cooling appliances and installations; Cooling installations and machines; Cooling installations for liquids; Cooling installations for water; Convectional ovens and ovens, other than for experimental purposes; Deep fryers [electric]; Dehumidifier; Drying apparatus and installations; Electric cookers; Energy saving lights; Fans [electric] for personal use; Filters for air conditioning; Filters for drinking water; Freezers; Fruit roasters; Griddles [cooking appliances]; Grills [cooking appliances]; Hair dryers; Hand drying apparatus for washrooms; Heaters [electric] for feeding bottles; Heating apparatus [electric]; Heating plates; Home bread makers; Hoods (extractor-) for kitchens; Hot plates; Humidifiers; Ice chests; Ice machines and apparatus; Kettles [electric]; Kitchen ranges [ovens]; Lanterns for lighting; Laundry dryers [electric]; Microwave ovens [cooking apparatus]; Plate warmers; Portable lightings including pocket torches; Pressure cooking saucepans [electric]; Refrigerating apparatus and machines; Refrigerating appliances and installations; Refrigerating cabinets; Refrigerating chambers; Refrigerating containers; Refrigerators; Rotisseries; Steam cookers; Steam generators for domestic use; Steam generating installations; Steam oven; Steamers; Steamers [electric] for cooking; Sterilizers; Stoves; Structural plates for ovens; Toasters; Waffle irons [electric]; Water heaters; Water purifying apparatus and machines; Water dispenser for drinking water;

Electric wine cooler.
 Class 15:
 Electric and Electronic musical instruments, including computerized musical instruments and accessories (not included in other classes) therefor; electronic musical systems and music computer systems (musical apparatus) comprising synthesizers; peripherals and matching devices for the aforesaid goods including effects generators; electronic musical devices for enhancing the music capabilities and sound; intensity regulators for mechanical pianos; music synthesizers; keyboards for musical instruments; parts and fittings included in Class 15 for the aforesaid goods.

- [511] 類別編號 : 7, 9, 35, 37, 38, 40, 41, 42, 45
Class(es) No(s).:
- [511] 貨品／服務說明 : Class 7:
Specification: Machines and machine tools; motors and engines (except for land
vehicles); machine coupling and transmission components (except for
land vehicles); agricultural implements other than hand-operated;
incubators for eggs; automatic vending machines; electric paper
shredders [machines]; label printing machines; labelling machines
[other than for office use]; paper feeders (printing); paper-
cutting machines; photoengraving machines; phototypesetting
machines; power generating apparatus; power supply units
[generators]; printing and bookbinding machines; printing machines;
recycling machines; shredding machines; 3D printers; and parts and
fittings for all the aforesaid goods; all included in Class 7.
Class 9:
Computer hardware and computer software; computer programs;
computer software supplied on the Internet; on-line electronic
publications (downloadable from the Internet); scientific,
surveying, electric, photographic, cinematographic, optical,
weighing, measuring, signalling, checking (supervision) and
teaching apparatus and instruments; apparatus and instruments for
recording, receiving, transmitting and/or reproducing data,
information, pictures, images, and/or sound; apparatus and
instruments for displaying and/or printing out data, information,
pictures and/or images; magnetic data carriers, recording discs;
mechanisms for coin-operated apparatus; cash registers; fire-
extinguishing apparatus; video tapes, audio cassettes, compact
discs, floppy discs and CD ROMS; videos and books in electronic
form supplied on-line from databases or from facilities provided on
the Internet; calculating machines, data processing equipment and
computers; computer software for searching of data; cards, wires,
discs and semiconductor devices carrying computer programs;
telecommunications apparatus, cables, devices, instruments,
networks and circuitry; cables, cable installations, optical
fibres, optical communication apparatus and circuitry, all for
telecommunication purposes and for communication of data,
information, pictures, video, images and sound; electronic and
computer apparatus and instruments for debiting and/or crediting
financial accounts and/or for paying for goods or services;
machine-readable debit and/or credit and/or charge cards;
electronic and computer apparatus, instruments and software for
communicating with computer networks and the world-wide web;

television, radio, video and audio apparatus, equipment and devices; digital music (downloadable) provided from the Internet; digital music (downloadable) provided from Moving Picture Experts Group Layer-3 (MP3) Internet web sites; Moving Picture Experts Group Layer-3 (MP3) players; downloadable computer software for event scheduling and for managing, viewing and editing address books and other personal and professional contact information; apparatus for coding and decoding signals; computer software for document management; document management systems for electronic document processing, filing, searching and retrieval; telephone calling cards for making long distance call, prepaid charge cards; computer application software for use in management of a database; computer hardware and computer application software for use in the field of telecommunications; computer utility software; computer software and hardware for providing network, Internet and computer security; computer software and hardware for the management, administration and optimisation of computer networks and applications; computer software and hardware for detecting, blocking, intercepting, quarantining and removing malware and other threats to computer hardware and software; computer software, hardware and devices for encrypting and authenticating data; transponders; transmitters of electronic signals; apparatus for automatically connecting messages via telecommunications equipment; apparatus for recording of data on data carriers; authentication machines for use in information data processing; cable connectors for use in the data communications industry; cable terminals; cabling and wiring systems for telecommunications equipment; cellular telecommunications apparatus; cellular telecommunications instruments; communication and broadcasting apparatus and instruments; communication interface for connecting an electronic apparatus to wired or wireless communication networks; computer hardware and software for database management; computer hardware and software for facilitating and managing remote access to and communication with local area networks (LANs); computer network adapters, switches, routers and hubs; computer security and authentication software for controlling access to and communications with computers; computer software for application and database integration; computer software for financial accounting, financial reporting, customer relations management, project management, inventory management, order processing and contact management; computer software for preventing unauthorized access to computer networks; computer software for use in protecting the privacy and security of personal computers; computer terminals for use in point of sale systems; computer workstations; computer programs for use in system recovery; peripheral data processing equipment, data terminals, data input and output equipment for computers; diagnostic apparatus and instruments, not for medical purposes; digital communication systems; cloud computing operating systems; cloud computer networks and applications; computer software platforms for cloud computing networks and applications; and parts and fittings for all the aforesaid goods; all included in Class 9.

Class 35:

Advertising; business management; business administration; office functions; promotion and marketing services and information

services relating thereto; business information services; customer relationship management; business management services relating to electronic commerce; all the aforesaid services also provided online from a computer database or the Internet; auctioneering; business inquiries; business management consultancy; compilation of information into computer database; computerized file management; data search in computer files [for others]; dissemination of advertising matter, marketing materials, promotional materials and publicity materials; distribution of samples for promotional purposes; advisory services for business management; marketing research; modelling for advertising or sales promotion; on-line advertising on a computer network; opinion polling; professional business consultancy; rental of advertising space; sales promotion [for others]; advertising services through the provision of incentive schemes; business information provided by means of a global computer network; computer data management; compilation and updating of customer files; document indexing and computerized document database management for others; business and marketing advisory services; advertising and interactive marketing services; design of advertising, marketing and publicity materials; dissemination of marketing information; marketing services for others; sales promotion for others via the Internet, intranet, extranet and marketing networks; sales promotional and marketing services; computerised database and file management; data processing services; creating indexes (computerised compilation) of information, sites and other resources available on global computer networks and other electronic and communications networks for others; retailing, business, advertising and promotional information provided by computers; promoting the goods and services of others by preparing and placing advertisements in an electronic magazine accessed through a global computer network; telephone, Internet and computerized online ordering services; preparation and compilation of business reports; preparation and provision of business statistical information; procurement services for others [purchasing goods and services for other businesses]; provision of an on-line marketplace for buyers and sellers of goods and services; systematisation, compiling, updating and administering of data in computer databases; systemization of business information into computer databases; telemarketing services; the bringing together, for the benefit of others, of a variety of goods, enabling customers to conveniently view and purchase those goods from a general merchandise Internet website or by means of telecommunications; online retail services; updating and management of databases; web indexing for commercial or advertising purposes; advisory services relating to recruitment and job placement; human resource management consultancy; human resources planning; personnel and human resources administration and management services; recruitment and human resources management services; consultancy, information, management and advisory services relating to all of the aforesaid services; all included in Class 35.

Class 37:

Building construction; repair; installation services; construction, repair and installation services for computers, computer hardware, computer networks, telecommunications apparatus, equipment, installations and networks; construction and repair services of

information technology systems and telecommunication apparatus; maintenance, repair, installation and on-site computer set-up and installation services and maintenance of computers, computer hardware, computer system and telecommunication apparatus; consultancy, provision of information and advice relating to the foregoing; installation, fitting, maintenance, restoration and repair of computers, computer parts and accessories and telecommunication products; telephone installation and repair; office machines and equipment installation, maintenance and repair; advisory services, provision of information and preparation of reports, all related to the aforesaid services; consultancy, information, management and advisory services relating to all the aforesaid services; all included in Class 37.

Class 38:

Telecommunications; communication services between computers; telecommunication services provided in relation to the Internet; electronic communication services; interactive telecommunications; telephone communication services; long-distance telephone communication services; data transmission services; digital cordless telephone services; digital data transmission services; delivery of messages by electronic media; electronic mail services; electronic message sending, receiving and forwarding services; collection, transmission and delivery of data by electronic means; collection, transmission and delivery of mail messages, still picture and/or moving picture information; electronic messaging, conferencing and electronic order-transmission; facsimile communication services; mobile radiocommunication services; transmit and receive streaming video and audio data through the Internet; communication via voice, data and video; providing communication access to web sites by dialling up; radio broadcasting; radio communication services; radio-paging services; telecommunication services; telegram communication services; telegraph services; public telephone services; teleprinter communication services; teletext services; videotext services; viewdata services; voice communication services; electronic voice mail services; wireless communication services; wireless telephone services; video conferencing, audio conferencing and broadband telecommunication services; providing user access to a computer database containing electronic publications and data via computer networks; providing user access to remote computers containing electronic publications, bulletin boards, database and information accessible via computer; provision of access to sites on an electronic information network; provision of access to various databases; leasing access time to a computer data base (other than by Internet services providers); telecommunications services provided via a global computer network; electronic mail services by means of a global computer network; electronic transmission of messages and data between remote users of a global computer network; electronic data interchange services; computer aided transmission of messages and images; providing information in the fields of secure transmission of data, voice, and images; consulting services in the fields of secure data and information transmission services; on-line transmission of document and data via a global computer network; online document delivery via a global computer network; electronic data and document transmission

by computers; telecommunication of information (web pages), computer programs and data; providing telecommunications connections to the Internet or data bases; providing computer links to third party websites to facilitate e-commerce and real world business transactions; providing access to electronic bulletin boards for the posting and transmission of messages among and between computer users concerning products, services and business opportunities; telephone services; telephone services relating to credit card authorization; mobile phone services; IP (Internet Protocol) telephony services; voice-over Internet protocol (VOIP) services; Internet phone services; electronic mail service; electronic message sending, receiving and forwarding services; transmission, broadcast and reception of audio, video, still and moving images and data whether in compressed or uncompressed form and whether in real or delayed time; provision of telecommunication facilities for accessing to world-wide web; telecommunication services relating to the management of information technology network and system; leasing and rental of communication and telecommunication apparatus or equipments; leasing and rental of data transmitting apparatus and instruments; leasing of telephone lines; leasing and rental of telephone sets, facsimile and other communication equipments; preparation of reports in relation to all the aforesaid services; consultancy, information, management and advisory services relating to all the aforesaid services; all included in Class 38.

Class 40:

Treatment of materials; printing services; rental and leasing of printing machines and apparatus; custom manufacture of computers for others; custom manufacture of motherboards and printed electrical circuit boards; custom manufacture and fabrication of integrated circuits, computer chips and electronic equipment for others; custom manufacture and assembly of electronic circuit boards; information services relating to material treatment; packaging printing services; consultancy, information, management and advisory services relating to all the aforesaid services; all included in Class 40.

Class 41:

Education; providing of training; entertainment; sporting and cultural activities; education, training and instruction services relating to e-commerce, business management, advertising and sales; all the aforesaid services also provided online from a computer database or the Internet; education, training and instruction services relating to telecommunications, computers, computer programs, web site design, business management and human resources management; providing on-line electronic publications (not downloadable); publication of books, manuals and documentations; rental of camcorders, cameras, cinematographic apparatus, movie projectors, radio and television sets; video film editing and production; consultancy, information, management and advisory services relating to all of the aforesaid services; all included in Class 41.

Class 42:

Scientific and technological services and research and design relating thereto; industrial analysis and research services; design and development of computer hardware and software; design, drawing

and commissioned writing, all for the compilation of web pages on the Internet; creating and maintaining web sites; hosting web sites of others; installation, design, upgrading, development and maintenance of computer software; hiring, rental and leasing of electronic apparatus, computers, computer programs, computer terminals, monitors, computer keyboards, laptop computers, modems, computer peripherals, any other Internet devices and parts and accessories of all these goods; computer services; consultancy services relating to computer industries; information and advice relating to the aforesaid services; all the aforesaid services also provided on-line from a computer data base or from the Internet; computer programming services; design and development of computer software and hardware; computer system analysis; computer disaster recovery services; data recovery services; data back-up services; co-location services, namely, the provision of a secure environmentally-controlled facility and technical monitoring for the telecommunications equipment of others; providing data center service and data center management services; data conversion of computer program data or information; hosting, storage and maintenance of websites; hosting computer software applications of others; design and development of computer hardware and software for internet backup; authentication services in the fields of telecommunications and network services; fault reporting and recovery of computer data services; computer-based data storage services; computerized data storage services; computerized business information storage; electronic storage of technical information; computerized communication network security services; providing information in the fields of Internet and network security; consulting services in the fields of Internet and network security services, information security services; consulting services in the fields of data encryption and decryption services; monitoring data networks for security purposes, including the provision of firewalls; consultation in the field of computerized communication network security; cloud computing; cloud computing consultation services; cloud computing services, namely providing computer services for storing data and computer software; off-site data backup; development of computer systems relating to opinion and marketing research; design and engineering services relating to telecommunications systems and apparatus; design and engineering services relating to computer hardware and software; data conversion from physical to electronic media; data encryption and decryption services; data security consultancy; computer service relating to creating indexes of information, sites and resources on computer networks; computer programming; computer integration services; application service provider (ASP) services, namely, hosting computer software applications of others; application service provider (ASP) services providing software in the fields of web-based conferencing, audio conferencing, electronic messaging, document collaboration, video conferencing, and voice and call processing; software as a service (SaaS); providing online non-downloadable software for facilitating the interoperability of multiple software applications; electronic data storage; professional advisory services, provision of information and preparation of reports, all related to the aforesaid services; consultancy, information, management and advisory services relating

to all the aforesaid services; all included in Class 42.

Class 45:

Legal services; security services for the physical protection of tangible property and individuals; personal and social services rendered by others to meet the needs of individuals; remote surveillance services; providing user authentication services to others in the field of voice and data communication network services; domain name registration services; monitoring of computer systems for security purposes; remote anti-theft and security monitoring services; computer licensing; computer software licensing; licensing of the use of computer software and computer programs; licensing of digital data, still images, moving images, multimedia content, video, movies, pictures, images, photos, games, audio and text; Internet access authentication services; on-line authentication of user in electronic commerce; user authentication and verification services for payment transactions; consultancy, information, management and advisory services relating to all the aforesaid services; all included in Class 45.

[511]	類別編號： Class(es) No(s).:	7, 9, 37, 38, 39, 40, 41, 42, 45
[511]	貨品／服務說明： Specification:	<p>Class 7:</p> <p>Machines and machine tools; motors and engines (except for land vehicles); machine coupling and transmission components (except for land vehicles); agricultural implements other than hand-operated; incubators for eggs; automatic vending machines; electric paper shredders [machines]; label printing machines; labelling machines [other than for office use]; paper feeders (printing); paper-cutting machines; photoengraving machines; phototypesetting machines; power generating apparatus; power supply units [generators]; printing and bookbinding machines; printing machines; recycling machines; shredding machines; 3D printers; and parts and fittings for all the aforesaid goods; all included in Class 7.</p> <p>Class 9:</p> <p>Computer hardware and computer software; computer programs; computer software supplied on the Internet; on-line electronic publications (downloadable from the Internet); scientific, surveying, electric, photographic, cinematographic, optical, weighing, measuring, signalling, checking (supervision) and teaching apparatus and instruments; apparatus and instruments for recording, receiving, transmitting and/or reproducing data, information, pictures, images, and/or sound; apparatus and instruments for displaying and/or printing out data, information, pictures and/or images; magnetic data carriers, recording discs; mechanisms for coin-operated apparatus; cash registers; fire-extinguishing apparatus; video tapes, audio cassettes, compact discs, floppy discs and CD ROMS; videos and books in electronic form supplied on-line from databases or from facilities provided on the Internet; calculating machines, data processing equipment and computers; computer software for searching of data; cards, wires, discs and semiconductor devices carrying computer programs; telecommunications apparatus, cables, devices, instruments, networks and circuitry; cables, cable installations, optical fibres, optical communication apparatus and circuitry, all for telecommunication purposes and for communication of data, information, pictures, video, images and sound; electronic and computer apparatus and instruments for debiting and/or crediting financial accounts and/or for paying for goods or services; machine-readable debit and/or credit and/or charge cards; electronic and computer apparatus, instruments and software for communicating with computer networks and the world-wide web; television, radio, video and audio apparatus, equipment and devices; digital music (downloadable) provided from the Internet; digital music (downloadable) provided from Moving Picture Experts Group Layer-3 (MP3) Internet web sites; Moving Picture Experts Group Layer-3 (MP3) players; downloadable computer software for</p>

event scheduling and for managing, viewing and editing address books and other personal and professional contact information; apparatus for coding and decoding signals; computer software for document management; document management systems for electronic document processing, filing, searching and retrieval; telephone calling cards for making long distance call, prepaid charge cards; computer application software for use in management of a database; computer hardware and computer application software for use in the field of telecommunications; computer utility software; computer software and hardware for providing network, Internet and computer security; computer software and hardware for the management, administration and optimisation of computer networks and applications; computer software and hardware for detecting, blocking, intercepting, quarantining and removing malware and other threats to computer hardware and software; computer software, hardware and devices for encrypting and authenticating data; transponders; transmitters of electronic signals; apparatus for automatically connecting messages via telecommunications equipment; apparatus for recording of data on data carriers; authentication machines for use in information data processing; cable connectors for use in the data communications industry; cable terminals; cabling and wiring systems for telecommunications equipment; cellular telecommunications apparatus; cellular telecommunications instruments; communication and broadcasting apparatus and instruments; communication interface for connecting an electronic apparatus to wired or wireless communication networks; computer hardware and software for database management; computer hardware and software for facilitating and managing remote access to and communication with local area networks (LANs); computer network adapters, switches, routers and hubs; computer security and authentication software for controlling access to and communications with computers; computer software for application and database integration; computer software for financial accounting, financial reporting, customer relations management, project management, inventory management, order processing and contact management; computer software for preventing unauthorized access to computer networks; computer software for use in protecting the privacy and security of personal computers; computer terminals for use in point of sale systems; computer workstations; computer programs for use in system recovery; peripheral data processing equipment, data terminals, data input and output equipment for computers; diagnostic apparatus and instruments, not for medical purposes; digital communication systems; cloud computing operating systems; cloud computer networks and applications; computer software platforms for cloud computing networks and applications; and parts and fittings for all the aforesaid goods; all included in Class 9.

Class 37:

Building construction; repair; installation services; construction, repair and installation services for computers, computer hardware, computer networks, telecommunications apparatus, equipment, installations and networks; construction and repair services of information technology systems and telecommunication apparatus; maintenance, repair, installation and on-site computer set-up and installation services and maintenance of computers, computer

hardware, computer system and telecommunication apparatus;
consultancy, provision of information and advice relating to the foregoing; installation, fitting, maintenance, restoration and repair of computers, computer parts and accessories and telecommunication products; telephone installation and repair; office machines and equipment installation, maintenance and repair; advisory services, provision of information and preparation of reports, all related to the aforesaid services; consultancy, information, management and advisory services relating to all the aforesaid services; all included in Class 37.

Class 38:

Telecommunications; communication services between computers; telecommunication services provided in relation to the Internet; electronic communication services; interactive telecommunications; telephone communication services; long-distance telephone communication services; data transmission services; digital cordless telephone services; digital data transmission services; delivery of messages by electronic media; electronic mail services; electronic message sending, receiving and forwarding services; collection, transmission and delivery of data by electronic means; collection, transmission and delivery of mail messages, still picture and/or moving picture information; electronic messaging, conferencing and electronic order-transmission; facsimile communication services; mobile radiocommunication services; transmit and receive streaming video and audio data through the Internet; communication via voice, data and video; providing communication access to web sites by dialling up; radio broadcasting; radio communication services; radio-paging services; telecommunication services; telegram communication services; telegraph services; public telephone services; teleprinter communication services; teletext services; videotext services; viewdata services; voice communication services; electronic voice mail services; wireless communication services; wireless telephone services; video conferencing, audio conferencing and broadband telecommunication services; providing user access to a computer database containing electronic publications and data via computer networks; providing user access to remote computers containing electronic publications, bulletin boards, database and information accessible via computer; provision of access to sites on an electronic information network; provision of access to various databases; leasing access time to a computer data base (other than by Internet services providers); telecommunications services provided via a global computer network; electronic mail services by means of a global computer network; electronic transmission of messages and data between remote users of a global computer network; electronic data interchange services; computer aided transmission of messages and images; providing information in the fields of secure transmission of data, voice, and images; consulting services in the fields of secure data and information transmission services; on-line transmission of document and data via a global computer network; online document delivery via a global computer network; electronic data and document transmission by computers; telecommunication of information (web pages), computer programs and data; providing telecommunications connections to the Internet or data bases; providing computer links

to third party websites to facilitate e-commerce and real world business transactions; providing access to electronic bulletin boards for the posting and transmission of messages among and between computer users concerning products, services and business opportunities; telephone services; telephone services relating to credit card authorization; mobile phone services; IP (Internet Protocol) telephony services; voice-over Internet protocol (VOIP) services; Internet phone services; electronic mail service; electronic message sending, receiving and forwarding services; transmission, broadcast and reception of audio, video, still and moving images and data whether in compressed or uncompressed form and whether in real or delayed time; provision of telecommunication facilities for accessing to world-wide web; telecommunication services relating to the management of information technology network and system; leasing and rental of communication and telecommunication apparatus or equipments; leasing and rental of data transmitting apparatus and instruments; leasing of telephone lines; leasing and rental of telephone sets, facsimile and other communication equipments; preparation of reports in relation to all the aforesaid services; consultancy, information, management and advisory services relating to all the aforesaid services; all included in Class 38.

Class 39:

Transport; packaging and storage of goods; travel arrangement; rental of storage space for server co-location, electronic equipment, telecommunication equipment and computers; rental of facilities for physical storage of electronic data, including documents, files, information, text, photos, images graphics, music, audio, video and data; physical storage of electronically-stored data or documents; navigation services; rental of navigational systems; consultancy, information, management and advisory services relating to all the aforesaid services; all included in Class 39.

Class 40:

Treatment of materials; printing services; rental and leasing of printing machines and apparatus; custom manufacture of computers for others; custom manufacture of motherboards and printed electrical circuit boards; custom manufacture and fabrication of integrated circuits, computer chips and electronic equipment for others; custom manufacture and assembly of electronic circuit boards; information services relating to material treatment; packaging printing services; consultancy, information, management and advisory services relating to all the aforesaid services; all included in Class 40.

Class 41:

Education; providing of training; entertainment; sporting and cultural activities; education, training and instruction services relating to e-commerce, business management, advertising and sales; all the aforesaid services also provided online from a computer database or the Internet; education, training and instruction services relating to telecommunications, computers, computer programs, web site design, business management and human resources management; providing on-line electronic publications (not downloadable); publication of books, manuals and documentations; rental of camcorders, cameras, cinematographic apparatus, movie

projectors, radio and television sets; video film editing and production; consultancy, information, management and advisory services relating to all of the aforesaid services; all included in Class 41.

Class 42:

Scientific and technological services and research and design relating thereto; industrial analysis and research services; design and development of computer hardware and software; design, drawing and commissioned writing, all for the compilation of web pages on the Internet; creating and maintaining web sites; hosting web sites of others; installation, design, upgrading, development and maintenance of computer software; hiring, rental and leasing of electronic apparatus, computers, computer programs, computer terminals, monitors, computer keyboards, laptop computers, modems, computer peripherals, any other Internet devices and parts and accessories of all these goods; computer services; consultancy services relating to computer industries; information and advice relating to the aforesaid services; all the aforesaid services also provided on-line from a computer data base or from the Internet; computer programming services; design and development of computer software and hardware; computer system analysis; computer disaster recovery services; data recovery services; data back-up services; co-location services, namely, the provision of a secure environmentally-controlled facility and technical monitoring for the telecommunications equipment of others; providing data center service and data center management services; data conversion of computer program data or information; hosting, storage and maintenance of websites; hosting computer software applications of others; design and development of computer hardware and software for internet backup; authentication services in the fields of telecommunications and network services; fault reporting and recovery of computer data services; computer-based data storage services; computerized data storage services; computerized business information storage; electronic storage of technical information; computerized communication network security services; providing information in the fields of Internet and network security; consulting services in the fields of Internet and network security services, information security services; consulting services in the fields of data encryption and decryption services; monitoring data networks for security purposes, including the provision of firewalls; consultation in the field of computerized communication network security; cloud computing; cloud computing consultation services; cloud computing services, namely providing computer services for storing data and computer software; off-site data backup; development of computer systems relating to opinion and marketing research; design and engineering services relating to telecommunications systems and apparatus; design and engineering services relating to computer hardware and software; data conversion from physical to electronic media; data encryption and decryption services; data security consultancy; computer service relating to creating indexes of information, sites and resources on computer networks; computer programming; computer integration services; application service provider (ASP) services, namely, hosting computer software applications of others; application service provider (ASP) services providing software in the fields of

web-based conferencing, audio conferencing, electronic messaging, document collaboration, video conferencing, and voice and call processing; software as a service (SaaS); providing online non-downloadable software for facilitating the interoperability of multiple software applications; electronic data storage; professional advisory services, provision of information and preparation of reports, all related to the aforesaid services; consultancy, information, management and advisory services relating to all the aforesaid services; all included in Class 42.

Class 45:

Legal services; security services for the physical protection of tangible property and individuals; personal and social services rendered by others to meet the needs of individuals; remote surveillance services; providing user authentication services to others in the field of voice and data communication network services; domain name registration services; monitoring of computer systems for security purposes; remote anti-theft and security monitoring services; computer licensing; computer software licensing; licensing of the use of computer software and computer programs; licensing of digital data, still images, moving images, multimedia content, video, movies, pictures, images, photos, games, audio and text; Internet access authentication services; on-line authentication of user in electronic commerce; user authentication and verification services for payment transactions; consultancy, information, management and advisory services relating to all the aforesaid services; all included in Class 45.
