

香港特別行政區政府知識產權署商標註冊處

Trade Marks Registry, Intellectual Property Department

The Government of the Hong Kong Special Administrative Region

接納註冊 (全文本)

商標註冊處處長已根據《商標條例》(第 559 章)第 42 條, 接納下列商標的註冊申請。現根據《商標條例》第 43 條及《商標規則》(第 559 章附屬法例)第 15 條, 公布申請的詳情。

根據《商標條例》第 44 條及《商標規則》第 16 條, 任何人擬就下列商標的註冊提出反對, 須在本公告公布日期起計的三個月內, 採用表格第 T6 號提交反對通知。(例如, 若果公布日期為 2003 年 4 月 4 日, 則該三個月的 後一日為 2003 年 7 月 3 日。)反對通知須載有反對理由的陳述及《商標規則》第 16(2)條所提述的事宜。反對人須在提交反對通知的同時, 將該通知的副本送交有關申請人。

有關商標註冊處處長根據商標條例(第 43 章)第 13 條/商標條例(第 559 章)附表 5 第 10 條所接納的註冊申請, 請到 <http://www.gld.gov.hk/cgi-bin/gld/egazette/index.cgi?lang=c&agree=0> 檢視電子憲報。

ACCEPTANCE FOR REGISTRATION (FULL VERSION)

The Registrar of Trade Marks has accepted the following trade marks for registration under section 42 of the Trade Marks Ordinance (Cap. 559). Under section 43 of the Trade Marks Ordinance and rule 15 of the Trade Marks Rules (Cap. 559 sub. leg.), the particulars of the applications are published.

Under section 44 of the Trade Marks Ordinance and rule 16 of the Trade Marks Rules, any person who wishes to oppose the registration of any of these marks shall, within the 3-month period beginning on the date of this publication, file a notice of opposition on Form T6. (For example, if the publication date is 4 April 2003, the last day of the 3-month period is 3 July 2003.) The notice of opposition shall include a statement of the grounds of opposition and the matters referred to in rule 16(2). The opponent shall, at the same time as he files the notice of opposition, send a copy of it to the applicant of the application in question.

For applications for registration accepted by the Registrar of Trade Marks under section 13 of the Trade Marks Ordinance (Cap. 43)/section 10 of Schedule 5 to the Trade Marks Ordinance (Cap. 559), please view e-gazette at <http://www.gld.gov.hk/cgi-bin/gld/egazette/index.cgi?lang=c&agree=0>.

- [511] 貨品 / 服務說明 :
Specification: Class 7:
Metalworking machines and tools; chemical processing machines and apparatus; plastic processing machines; semiconductor manufacturing machines; machine elements, not for land vehicles; assembling machines for connectors; cables working machines; linear motors.
Class 8:
Hand tools, hand operated, other than bladed or pointed hand tools; edge tools (hand tools); terminal crimpers.
Class 9:
Laboratory apparatus and instruments; measuring or testing machines and instruments; power distribution or control machines and apparatus; electric or magnetic meters and testers; electric wires and cables; photographic apparatus and instruments; cinematographic machines and apparatus; optical machines and apparatus; electrical communication machines and instruments; electronic machines, apparatus and their parts; accelerometers; acceleration sensors; gyroscopes; position sensors; angle sensors; angular rate sensors; sensors (measurement apparatus), other than for medical use; photovoltaic cells and modules; parts of photovoltaic cells; fittings for photovoltaic cells; solar cells; electric connectors;

stabilizers for cameras or video cameras for mounting on aircraft, for mounting on ships, for mounting on land vehicles, for shooting films or for shooting videos using antivibration devices with gyrosensors; camera stabilizers; stabilizers with gyroscopes for cameras; connectors (electricity); connectors for telecommunication cables; connectors for circuit boards; fiber optic connectors; cable connectors; plug-in connectors; plug connectors; connectors for computers; threaded electrical cable connectors; round plug connectors; threaded cable connectors of metal; plug connectors for automobiles; insulated electrical connectors; electrical connectors; electrical header connectors; power connectors; connectors for electronic circuits; connectors for electronic machines and apparatus; wire connectors (electricity); telephone connectors; connectors for laboratory apparatus and instruments; connectors for power distribution or control machines and apparatus; connectors for batteries; power supply connectors from electric vehicles such as electric vehicles, hybrid cars, bicycles with electric motors; charging connectors for electric vehicles such as electric vehicles, hybrid cars, bicycles with electric motors; coils, electric; optical mirrors; optical filters; conversion devices to convert to digital signal using resolvers for detecting positions or angles of apparatus as sensors; encoders (measuring or testing machines and instruments); rotary encoders; magnetic encoders; linear encoders; printed circuit boards; memory boards; printed circuit boards incorporating integrated circuits; electrical circuit boards; printed wiring boards; terminals (electricity); parts of electrical connection apparatus; electronic circuits and parts therefor; computer cables; data transmission cables; data synchronization cables; optical cables; fiber optics; fiber optic cables; cables for high definition multimedia interfaces; telecommunication cables; touch panels; touch panels for computers; touch panels for personal digital assistants; magnetic cores; resistance wires; electrodes; antennas; accelerometers for oilfield excavating machines.

Class 12:

Vessels and their parts and fittings; aircraft and their parts and fittings; railway rolling stock and their parts and fittings; automobiles and their parts and fittings; mechanical elements for land vehicles.

Class 37:

Construction; repair or maintenance of vessels; aircraft maintenance or repair; repair or maintenance of automobiles; repair or maintenance of railway rolling stock; repair or maintenance of cinematographic machines and apparatus; repair or maintenance of chemical processing machines and apparatus; repair or maintenance of metalworking machines and tools; repair or maintenance of optical machines and instruments; repair or maintenance of photographic machines and apparatus; repair or maintenance of measuring and testing machines and instruments; repair or maintenance of telecommunication machines and apparatus; repair or maintenance of electronic machines and apparatus; repair or maintenance of power distribution or control machines and apparatus; repair or maintenance of semi-conductor manufacturing machines and systems; repair or maintenance of plastic processing machines and apparatus; repair or maintenance of laboratory apparatus and instruments.

Class 42:

Testing or research on machines, apparatus and instruments; testing or research on electricity; computer software design, computer programming, or maintenance of computer software; providing computer programs on data networks; designing of machines, apparatus, instruments (including their parts) or systems composed of such machines, apparatus and instruments; design services, other than for advertising; technological advice relating to computers, automobiles and industrial machines; rental of measuring apparatus; rental of technical drawing instruments; rental of computers; rental of laboratory apparatus and instruments.

Specification: Wafer back grinding tapes for semiconductor
processing; wafer back grinding tapes for
wafer polishing; power operated hydraulic,
pneumatic and electric crimping and
compression tools for cutting, connecting and
sealing wires; hydraulic puncher; hydraulic
cutter; hydraulic pipe bender; hydraulic
intensifier; hydraulic pumps of manual type,
step type, electric type, engine driven type;
electric wire stripping and peeling machines;
apron bands made of rubber for textile as part
of spinning and weaving machinery; rubber
strips made of rubber as part of spinning and
weaving machinery; parts and accessories for
textile machines and apparatus; hydraulic
pumps; metalworking machines and machine
tools; machines for manufacturing semi-
conductors; plastic processing machines and
apparatus; machines and apparatus for
manufacturing rubber goods; adhesive tape
dispensing machines; compressors [machines];
punching presses for metalworking; cutting

machines for metalworking; oil hydraulic presses for metalworking; electric drills, hand-held; screwdrivers [power driven, hand-operated]; electric pumps; pumps [machines]; pumps [parts of machines]; transmissions, other than for land vehicles.

Class 17:

Adhesive tapes for wrapping; residential waterproof adhesive tapes; aluminum foil adhesive tapes for repair; aluminium foil adhesive tapes, other than stationery and not for medical or household purposes; aluminum foil adhesive tapes for ducts; plastic film with adhesive tape or adhesive tapes; dicing tapes for semiconductor processing; heat shield plastic sheets; heat insulated plasticsheets, not for wrapping; plastic semi-worked products [for use as material]; electrically conductive tapes; elastomer adhesive tapes, other than stationery and not for medical or household purposes; elastomer adhesive tapes for junctions for pipes; duct tapes; adhesive tapes for industrial purposes; synthetic rubber; synthetic rubber sheets; rubber, raw or semi-worked; rubber sheets for sealing; semi-processed films of plastic in the form of plates or films; synthetic resins, semi-processed; plastic film, other than for wrapping; adhesive tapes, for binding, other than stationery and not for medical or household purposes; adhesive fiberglass filament tape for industrial or commercial use; anti-dazzle films for windows, tinted films.

Class 19:

Masking tapes for building; adhesive tapes for building; architectural waterproof adhesive tapes; plastic and rubber sheets for waterproofing exclusively used for buildings and/or construction; plastic floorboards; rubber materials exclusively for building.

Specification: Credit screening software; Quantity indicators; Electronic billboards; Global positioning system (GPS) apparatus and instruments; Security surveillance robots; Computer programs for monitoring; Computer software relating to financial and insurance services supplied via the Internet; Identity cards, magnetic; Computer software, recorded; Encoded magnetic cards; Magnetic data media; Computer hardware; Computer application software for cellular phones; Computer database; Computer programs for use in database management; Databases; Databases (electronic publications); Card readers for credit cards; Cards for use as credit cards (encoded or magnetic); Computer terminals for use with credit cards at point of sale; Credit card controlled ticket issuing machines; Credit card embossing machines (computer peripherals); Credit card encoding machines (computer peripherals); Credit card imprinters, electric; Credit card payphones; Credit card processing terminals; Credit card terminal; Terminals for electronically processing credit card payments; Terminals for

processing credit card transaction; Terminals for processing credit card; Terminals for the electronic payment of charges with credit cards; Banking cards (encoded or magnetic); Banking cards (encoded or magnetic) for debit purposes; Computer programs for simulating the trading in futures and options; Automatic distributors for pre-payment apparatus; Electronic modules; Electronic and computer apparatus and instruments for debiting and/or crediting financial accounts and/or for paying for goods or services; Computer, electronic and video games programmes and software (including software downloadable from the Internet); Audiovisual teaching apparatus; Cards for electronic, optical or magnetic storage of data for use as customer loyalty cards; Computer software and electronic user manuals for use in connection with fraud management in the fields of financial, debit, and credit card services; Automatic ticket dispensing machines; Electronic anti-theft devices; Computer operating system software; Network operating software; Computer software development tools; Website development software; Computer software that provides web-based access to applications and services through a web operating system or portal interface; Computer software for developing and operating cloud computer networks and applications; Computer software for use in database management; Computer software platforms for cloud computing networks and applications; Computer software enabling commerce over a global communications network; Interactive computer software; Computer software platforms for e-commerce; Computer software and telecommunications apparatus (including modems) to enable connection to databases and the Internet; Computer software to enable searching of data; Computer application software for blockchain-based platforms, namely, software for distributed applications; Computer software platforms for distributed computing platforms; Computer software platforms for blockchains; Data processing apparatus; Computer memory devices; Computers; Memory cards for video game machines; Computer programmes [programs], recorded; Computer operating programs, recorded; Computer programs [downloadable software]; Computer game software; Computer software applications, downloadable; Electronic cards and stored value cards; Software applications (apps) for mobile or wireless devices and computer devices;

Electronic publications, downloadable;
Computer software and instruction manual therefor in electronic format; Computer software relating to financial and insurance services; Sound and video recording and reproducing apparatus and instruments; Magnetic disks, tapes and cassettes all relating to all insurance and finance; Video tapes, audio tapes, compact disks (read only); Smart cards [integrated circuit cards]; Authentication software for controlling access to and communications with computers and computer networks; Pre-recorded audio tapes, CD-ROMS, discs and video tapes featuring information in the fields of hobbies, collectibles, auctions and products accessed from global information networks and network systems, parts and fittings for all the aforesaid goods; Recorded or downloadable computer software platforms, namely, software platforms for businesses to register, compile, edit, store, manage, retrieve and share business information, to create, post, publish, edit and share content and comments about businesses operations, to send and receive electronic messages and conduct audio and video teleconferences; Computer network monitoring and control systems; Communications and networking software; Computer software and telecommunication apparatus to enable connection to databases and the global communication network; Computer software and computer programs for digital certification; Computer software and programs for mobile application acceleration; Computer software and programs for collection and management of big data; Application, database, web and file servers; Computer software for hosting of digital content on the Internet; Computer software for network and information technology security; Content distribution network (CDN) systems; Computer hardware and software for use in data transformation, indexing, conversion, storage, retrieval, distribution and in record management; Apparatus and instruments for monitoring of telecommunication network and data communication networks; Computer software for use in resource planning; Internet and web-based application software; Apparatus and equipment for recording, processing, receiving, reproducing, transmitting, modifying, compressing, decompressing, broadcasting, merging and/or enhancing sound, video images, graphics and data; Computer firmware; Computer hardware and computer

software for a wireless technology to provide communication between multiple computers and between computers and local and global computer networks; Digital communication systems; Network interface devices; Network communication apparatus; Voice messaging systems; On-line and off-line electronic payment apparatus; Computer software and application software for use with mobile phones for providing travel information, including information about flights, hotels, travel attractions, insurance, to users; Software for the uploading, posting, displaying, tagging, blogging, sharing or providing of electronic media or information over communications networks or the Internet; Personal information management software; Portable telecommunication instant messaging devices; Game software and entertainment software for use with mobile devices; Downloadable publications and software supplied on-line from a mobile telecommunication network or the Internet; Computer hardware and software for facilitating and processing electronic payment and for transferring funds to and from others; Billing application software specifically designed to facilitate automated payment of multiple bills; Bank credit, debit, cash, cheque and identification cards, all being encoded or magnetic; Encoded cards used in relation to the electronic transfer of funds and other financial transactions; Cash payment service computer terminals; Sound recording strips; PDA (personal digital assistant); Blockchain-based computer software and application software [downloadable]; Cloud computing software; Encryption software for use in the field of virtual currency and cryptocurrency; Security tokens [encryption devices]; Bank note counters; Counterfeit bank notes and coin detecting machines; Apparatus for processing card transactions and data relating thereof and for payment processing; Card readers and authentication apparatus for encoded or magnetic data carriers; Apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; Video tapes, audio tapes, compact discs, DVDs and other digital recording media; Mechanisms for coin-operated apparatus; Cash dispensers cards; Cash dispensers and parts and fittings therefor, talking machines, cash registers, automatic teller machines; Computer hardware and software, computer programmes for use in cash

dispensers and all relating to banking; Computer software to enable sharing of multimedia content and comments among users about businesses operations, to send and receive electronic messages and conduct audio and video teleconferences; Scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments; Apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling the distribution or use of electricity; Apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data; Recorded and downloadable media, computer software, blank digital or analogue recording and storage media; Mechanisms for coin-operated apparatus; Cash registers, calculating devices; Computers and computer peripheral devices; Diving Suits, divers' masks, ear plugs for divers, nose clips for divers and swimmers, gloves for divers, breathing apparatus for underwater swimming; Fire-extinguishing apparatus; All included in class 9.

Class 35:

Auditing services; Payroll preparation; Telephone answering (for others); Arranging subscriptions to telecommunication services for others; Invoicing; Relocation services for businesses and corporations; Data search (for third parties) in computer files; Commercial administration of the licensing of the goods and services of others; Import-export agency; Targeted marketing; Website traffic optimisation; Administration relating to marketing; Design of marketing material; Planning of marketing strategies; Preparation of reports for marketing; Product marketing; Provision of information relating to marketing; Commercial information services provided by access to a computer database; Provision of customer loyalty, incentive and reward programs; Management, supervision and promotional services relating to customer loyalty, incentive and reward programs; Promoting the sale or provision of the goods or services of third parties through customer loyalty, incentive and reward programs, merchant currency for single or multiple merchants; Customer relationship management; Registration services (customer services) for credit cards, charge cards, cash cards, cheque guarantee cards, debit cards, payment cards,

financial cards and purchase cards, merchant currency for single or multiple merchants; Managing and tracking credit card, debit card, automated clearing house, prepaid cards, payment cards, and other forms of payment transactions via electronic communications networks for business purposes; Providing a directory of third party web sites to facilitate business transactions; Promotion; Public relations; Administration of consumer loyalty programs; Operating on-line marketplaces for sellers of goods and/or services; Compilation, provision, storage and retrieval of business and commercial information; Marketing, promotional and advertising services, all provided on-line from a computer database or the Internet; Data processing services; Compilation and transcription of data; database management services; Electronic database management services; Interactive database information management services; Compilation of advertisements for use as web pages on the Internet; Compilation, storage, analysis and retrieval of business information; On-line advertising on a computer network; Price comparison services; Providing business information via a web site; Marketing studies; Marketing research; Provision of price information relating to the supply of consumer goods and services including insurance, telecommunication services, utilities and financial products; Marketing services; Price analysis services; Price comparison of other vendors; Online, offline and telephone based price comparison service within the following industries: utilities, telecommunications, personal finance, insurance, tax advice, accountancy, real estate; Performance comparison of the goods and services of others; Advertising of the goods or services of other vendors, enabling customers to conveniently view and compare the goods or services of those vendors; Arranging of contracts for the buying and selling of goods and the use of services for others, and the billing therefor (office functions) including via an electronic marketplace; Advertising and marketing, including on digital networks; Arranging subscriptions to telecommunications services for others; Arranging subscription to utilities for others; Business intermediary services for the provision of banking, telecommunications and utilities; Auctioneering services including via the Internet; Information and advisory service

relating to all of the aforesaid services; Corporate communication services; Advertising; Publicity; Commercial information agency services; Business management consultancy; Business appraisals; Professional business consultancy; Business advice and information; Commercial intermediation services; Marketing and promotional services; Business and market research and consultancy; Business inquiries; Business investigations; Business management; Business organization consultancy, assistance and advisory services; Business administration, office functions; Rental of advertising space on communication media; Rental of advertising time on communication media; On-line trading services relating to electronic auctioneering and providing online business evaluation relating thereto; Compiling, maintaining and providing business directories; Business evaluation services; Business and commercial information services, all provided on-line from a computer database, computer network, global computer network or the internet; Economic analysis for business purposes; Business referral services; Tax services (business management and accountancy services); Accounting; Administrative processing of purchase orders; Systematization and compilation of information into computer databases; Data handling, processing, updating, administering, storage, retrieval, maintenance and management services; Advertising by mail order; The bringing together, for the benefit of others, of a variety of goods and services, enabling customers to conveniently view and purchase those goods and services from an Internet web site particularly specializing in the marketing of the sale of goods and services of others; Internet retail services; Presentation of goods on communication media, for retail purposes; Sales promotion and management for others; Procurement services for others (purchasing goods and services for other businesses); Opinion polling; Sponsorship search; Providing shopping information; Catalogue mail order services; Business strategies; Online business networking services; Arranging and conducting of fairs and exhibitions for business purposes; Digital currency business networking services; Business administration and business management in the field of financial services, financial technology, digital currency, cryptocurrency and virtual currency, and blockchain technology information, consultancy

and advisory services relating to all the aforementioned services; Business advisory services and business information relating to banking, finance, monetary affairs and the stock market; Company record keeping; Employee benefit services; Company data information services; Economic advisory services; Company data information services; Economic advisory services; Preparation of statement of account; Book-keeping; Cost price analysis; all included in Class 35.

Class 36:

Providing financial information via websites; Processing of credit card payments; Exchanging money; Providing financial information via a web site; Processing of debit card payments; Online banking; Business liquidation services, financial; Organization of collections; Provision of financial information via an online calculator; Provision of online financial calculators; Electronic settlement of account via mobile wireless Internet; Safety deposit and issuing of e-coupons and e-tickets services; Capital investment; Provision of finance for consumers; Financial management; Mortgage financing services; Provision of home equity loans; Financial leasing and management services; Loan financing and financing related services provided online from a computer database or the internet or on a mobile application; Lending against security; Factoring; Financial services relating to credit card customer loyalty and reward programs; Providing rebates at participating establishments of others through use of a membership card; Credit card cash advance services; Credit card issuance; Personal loan services; Mortgage services; Deposit services; Arranging insurance; Estimates for financial purpose; Financial assessments relating to insurance, banking and real estate; Issue of securities; Futures brokerage; Stock market services; Art appraisals; Brokerage of real estate; Evaluation of real estate; Pawnbrokerage; Provident fund services; Insurance intermediary services; Financial intermediary services; Provision of advice relating to the supply of insurance and insurance products; Provision of financial advice relating to the supply of consumer goods and services including insurance, telecommunications services, utilities, financial products, tax advisors, estate agents; Financial forecasting and analysis; financial strategy planning services; Credit intermediation; Broking and

brokerage services in relation to insurance, banking, financial services, telecommunications and utilities; Instalment loans; Capital investment; Loan [financing]; Financing services; Mortgage banking; Financial analysis; Financial consultancy; Financial information; Debt advisory services; Providing financial information online from a computer database or Internet; Credit bureaux; Banking services; Mutual funds; Fund investments; Savings bank services; Financial and asset management; Financial planning; Investment services; Securities financing; Commodities brokerage and trading; Securities brokerage services; Options and margin trading services; Bullion broking; Currency exchange; Provision of security margin financing facilities; Custodian trustees and nominees; Financial brokerage; Corporate financing services; Credit card services; Lending services; Investment information; Insurance information; Arranging of discount and privileges at selected merchants exclusively for credit card holders; Financial transaction services, namely, electronic funds transfer; Provision of electronic payment services; Financial transaction services, namely, providing secure commercial transactions and payment options using a mobile device at a point of sale; Electronic credit card transaction processing, debit card services, pre-paid purchase card services, namely, processing electronic payments made through prepaid cards and processing electronic payment through pre-paid cards, processing electronic payments made through loyalty cards; Charge card services and cheque guarantee services; Electronic payment, namely, electronic processing and transmission of credit card transactions, wireless wallets, mobile wallets, electronic wallets, wireless credit, debit and prepaid credit cards; Issuance of stored valued cards; Providing secure commercial transactions and payment options relating to finance; Bill payment services; Automated payment services; Electronic payment services conducted via a global communications network; Management and execution of electronic bill payment, electronic purchase payments, fund transfers, and other value exchanges, management and execution of financial transactions using mobile communication devices; Clearing and reconciling financial transactions via a global computer network; Providing a wide variety of payment and financial services,

namely, issuing credit cards and lines of credit, processing and transmission of bills and payments thereof, bill payment services with guaranteed payment delivery, and brokerage of money market funds, all conducted via a global communications network; Reimbursement of funds for disputed items in the field of electronic payment purchasers; Providing purchase protection services (financial services) for goods and services purchased by others via a global computer and wireless networks; Credit services, namely, providing revolving credit account services; Electronic foreign exchange payment processing; Payment processing services, namely, providing virtual currency transaction processing services for others; Providing secure financial transaction in the nature of electronic cash transactions, electronic credit card transactions, electronic debit transactions, electronic check processing transaction and electronic transmission of bill payment data via a global computer network; Internet-secure electronic transaction solutions for ecommerce, namely processing electronic custody, banking, cash management, trade finance transactions and payments; Financial administration services; Issuance and redemption of cryptocurrency, digital currency, electronic cash and electronic money; Issuing of notes, coins, drafts and bills of exchange; Agency services for buying, selling and storing gold coins and bars; Investment services and analysis services of gold; Registration services for credit cards, charge cards, cash cards, cheque guarantee cards, debit cards, payment cards, financial cards and purchase cards; Telephone banking services; Mortgage bank insurance; Research and advisory services relating to banking, finance, monetary affairs and the stock market; Valuation of businesses and companies; Investment banking services; Financial trading; Financial management and administration of digital assets such as cryptocurrency, digital tokens, virtual currency and digital currency; Raising of capital; Electronic funds transfer; Investment management; Private equity funds services; Hedge funds; Investment trust services; Executor and trustee services; Electronic banking services and financial services; Safety deposit and issuing of travel vouchers services; Financial evaluation [insurance, banking, real estate]; Stock exchange quotation services; Credit verification via

global computer information network;
Electronic credit risk management service;
Financial accounts debiting and crediting services; Telephone credit card services; Tax information supply (financial services); Charitable fund raising; Organizing of charitable collections; Charitable collections; Rental of paper money and coin counting or processing machines; Rental of cash dispensers or automated-teller machines; Arranging finance for construction projects; Monetary transaction services; Automated payment of accounts provided on-line from the Internet; International commodity trading and exchanges services for others; International financial exchange and monetary services; Integrated financial clearing house services; Investment fund transfer and transaction services; Operation of financial derivatives markets; Financial derivative and trading services relating to bitcoins; Providing a virtual currency for use by members of an on-line community via a global computer network; Electronic financial trading, namely trading in the field of digitised assets such as bitcoins, crypto currency, digital tokens, virtual currency and digital currency; Insurance brokerage; Financial sponsorship; Investment schemes and accounts; On-line financial, banking, savings, payment and credit facilities; Home banking and Internet banking; Advisory, consultancy and information services relating to the aforesaid services; Cash management; Cheque account services; Verification of cheques; Organising financial collections; Credit agency; Credit brokerage; Credit recovery agency; Provision for finance for credit sales; Debt collection and recovery agency; Debt factoring; Deposit taking; Discount card services; Escrow services; Provision and raising of finance; Hire-purchase financing; Investment advice; Investment research and survey; Issuing and redemption of travellers' cheques and gift cheques; Lease-purchase financing; Lending against security; Lending on mortgage; Arranging and provision of loans against security; Market-making; Merchant banking; Money order services; Mortgage broking; Pawn broking; Pension services; Investment portfolio management services; Preparation of financial reports and analyses; Provision of information relating to rates of exchange; Savings account services; Share underwriting; Financial studies; Provision of finance for trade credit; Unit trust services; Estate

agency and management services; Stock broking agency services; Bonding; Fiduciary services; Provision of financial guarantees; Surety services; Share registration services; Professional consultancy services relating to banking or finance; Conducting surveys relating to banking or finance; Insurance; Financial affairs; Monetary affairs; Real estate affairs; all included in Class 36.

Class 38:

Videoconferencing services; Video-on-demand transmission; Communication services; Communication services between computers; Communication services for the electronic transmission of data; Communication services for the transmission of information; Communication services for the transmission of information by electronic means; Providing customers with online access to online reports regarding the performance, effectiveness, and status of web-based applications, teleconferences, videoconferences, and meetings; Providing users with secure remote access via the Internet to private computer networks; Telecommunication services by providing online collaboration services allowing users to access applications, platforms, jointly-shared documents, data and task lists; Providing telecommunication channels for teleshopping; Digital transmission of voice, data, images, audio, video, signals, messages and information; Electronic bulletin board services; Mobile and electronic communication services; Data transfer and information transfer services via computer networks; Television broadcasting; Communications by computer terminals; Mobile phone communications; Electronic files and data transfer; Telecommunications of information (including web pages), computer programs and any other data; Electronic mail services; Providing user access to the Internet; Providing telecommunications connections to the Internet or databases; Providing access to e-commerce platforms on the internet; Providing access to a global computer network to facilitate peer-to-peer transactions; Providing multiple-user access to a global computer information network; Telecommunications services relating to the provision of secure transactions on the Internet; Message sending; Computer aided transmission of messages and images; Electronic bulletin board services [telecommunications services] for the posting and transmission of messages among and between

computer users concerning products, services and business opportunities; Providing user access to global computer networks; Providing internet chatrooms; Providing access to databases; Transmission of greeting cards online; Transmission of digital files; Providing online forums; Streaming of data; Wireless broadcasting; Providing electronic transmission of credit card, charge card, stored value and debit card and online account payment data via a global computer network; Transmission of information for carrying out transactions in electronic form over the Internet or other communication networks or other electronic means (including all mobile or wireless devices); Telecommunication services for the transmission, provision or display of information from a computer-stored information bank or via the Internet; Providing multi-user access to secure computerised information network for the transfer and dissemination of a range of information in the field of financial services; Online electronic transmission services for use in handling of secure payment transactions; Providing electronic mail and electronic mail forwarding services; Providing access to a web site on a global computer network by which third parties can offer goods and services, place and fulfill orders, enter into contracts and transact business; Providing computer links to third party web sites to facilitate e-commerce and real world business transactions; Providing access to electronic calendar, address book and notes feature, via local and global computer networks; Electronic transmission of data and information; Information, advisory and consultancy services relating to all the aforesaid services; Transmission of text, data, pictures, images, video, voices, information and messaging by mobile devices and computer terminals; Leasing of access time to a central database server; Instant messaging services on mobile phones and computer terminals; Communication services over mobile telecommunication networks and computer networks; Communication services for accessing a database; Internet protocol transmission services; Communications via fiber-optic networks; Pay-mobile telephone communication services; Telecommunication services relating to banking, financial and insurance services; Transmission (including on-line transmission) of financial transactions; Computer aided transmission of

messages, documents, data, information and images; News agency services; Rental of message sending apparatus; Telegraph services; Wire services; Telecommunication of information, web pages, computer programs and data; Providing access to on-line databases in the fields of portfolio management tools and account information; Providing access to on-line databases relating to news, information research, data, analysis, all for use in the fields of investment, finances, and financial planning; Providing access to on-line databases in the fields of portfolio management, tools and account information via a global communication network; Providing access to databases relating to financial decision making tools and financial investment research tools via a global communication network; Providing access to on-line databases relating to news, information, research, data, analysis, all for use in the fields of investments, finances, and financial planning, via a global communication network; Providing direct connection services between computer users for exchanging data; Providing computer access and leasing access time to online interactive bulletin boards and databases; Transmitting information, data, documents, and images over the Internet; Providing an online access to interactive computer database featuring movies programming, previews, trailers, sports, concerts, celebrity and entertainment news and other related information; Consulting services relating to electronic data interchange in the field of banking and finance; Telecommunications; All included in Class 38.

Class 42:

Design and development of multimedia software applications; Software design for mobile applications; Monitoring of computer systems to detect breakdowns; Monitoring of computer systems for detecting unauthorized access or data breach; Electronic monitoring of personally identifying information to detect identity theft via the internet; Graphic art design; Conversion of computer programs and data, other than physical conversion; data security consultancy; Consulting in the field of information technology related to insurance; Electronic monitoring of credit card activity to detect fraud via the internet; Database design; Design of computer databases; Design and development of online calculators; Hosting of online calculators (computer services); Research and development

of new products for others; Quality control; Computer software design; Valuation of intangible assets; Providing on-line non-downloadable operating software for accessing and using a cloud computing network; Providing on-line non-downloadable software for software development and website development; Providing on-line non-downloadable software for operating and maintaining computer networks and servers; Providing on-line non-downloadable software for database management; Providing a full line of on-line non-downloadable business and application software; Application service provider (ASP), namely, providing, hosting, managing, developing, and maintaining applications, software, web sites, and databases; Providing information in the fields of computers, computer software, computer networks and the development and operation of computer systems, software and networks; Computer services relating to customization of computer hardware and software; Computer hardware and software consulting services; Consulting in the field of information technology; Consulting in the field of cloud computing networks and applications; Design and development of networks and network software and applications; Leasing computer facilities; Software as a service (SaaS) services for database design and development; Software as a service (SaaS) services for use in database management; Design and development of computer software for e-commerce portals; Providing (hosting) an online platform and interactive website for use in providing retail and ordering services for a wide variety of consumer goods and services of others; Electronic storage of files, documents and databases; Design, development, and implementation of software for distributed computing platforms; Design, development, and implementation of software for blockchains; Software development and product development consulting in the field of distributed computing platforms; Analysis of product safety information by using algorithms; Product safety testing services; Safety testing of consumer products; Technical advice relating to product safety; Digitization of document [scanning]; Development of computer platforms; Computer programming; Updating of computer software; Maintenance of computer software; Computer system analysis; Computer system design; Computer software consultancy; Software as a service [SaaS]; Web site design

consultancy; Cloud computing; Computer virus protection services; Computer technology consultancy; Computer security consultancy; Consultancy in the design and development of computer hardware; Conversion of data or documents from physical to electronic media; Data security consultancy; Data encryption services; Electronic data storage; Information technology [IT] consultancy; Providing information on computer technology and programming via a web site; Computer services in relation to providing an interactive website featuring technology that allows users to enter, access and synthesize information and generate reports for use in insurance selection and underwriting; Designing, creating and hosting of bill payment websites; Data conversion from one digital/electronic format to another; Computer services; Computer system software services; Design and development of web pages; Advisory and consultancy services relating to all the aforesaid services; Platform as a service [PaaS]; Computerised business information storage; Rental of computer software; Providing computer or wireless terminal application services featuring software to enable or facilitate the uploading, posting, displaying, tagging, blogging, sharing or providing of electronic media or information over communications networks or the Internet; Providing computer services for downloading computer software via mobile telecommunication networks and the Internet; Maintenance and upgrading of computer networks; Computer network and time-sharing services; Design, development, updating and upgrading of game software and entertainment software; Hosting computer sites (web sites); Rental of web servers; Providing search engines for the internet; Computer development services for Intranet and web-based portals; Computer services provided on-line, interactive or via the Internet; Design and development of computer hardware and software for authentication of identity; Computer consultancy services relating to electronic business transactions; Providing temporary on-line use of non-downloadable software for use in financial trading, financial transaction, financial management and administration, electronic commerce, payment processing via global communications network, and financial management and administration of digital assets; Providing temporary on-line use of non-downloadable software; Providing on-line

non-downloadable computer software for use in blockchain technology; Designing, creating and hosting an online platform for processing electronic payment, financial trading, financial transaction, financial management and administration, electronic commerce, payment processing via global communications network, and financial management and administration of digital assets; Technical research, information, consultancy and advisory services relating to all the aforementioned service; Technical project studies; Application service provider (ASP) services, namely, hosting computer software applications of others; Application service provider (ASP) services providing software in the fields of web-based conferencing, audio conferencing, electronic messaging, document collaboration, video conferencing, and voice and call processing; Technical support (technical consultancy) services relating to computer software and applications provided online, by email and by telephone; Computer services, namely, creating an online community for registered users to participate in discussions, get feedback from their peers, form virtual communities, engage in social networking, and exchange documents; Computer service relating to creating indexes of information, sites and resources on computer networks; Computer integration services; Hosting computer application software for searching and retrieving information from databases and computer networks; Product testing and evaluation services; Provision of computer security risk management programs; Computer security information, knowledge, and testing services; Quality assurance services; Computer services relating to certification of business transactions and preparation of reports therefor; Security of data transmission and of transactions via computer network; Computerized communication network security services; Providing information in the fields of Internet, world wide web and computerized communication network security; Authentication services for computer security; Off-site data backup; Providing temporary use of non-downloadable cloud-based software and cloud computing software; Providing virtual computer systems and virtual computer environments through cloud computing; Rental of computer hardware and software for use in electronic banking services; Updating of game software in the Internet; Creating and maintaining web sites for others; Design,

development, rental and leasing of computers and computer software for use in banking or financial services; Scientific and technological services and research and design relating thereto; Industrial analysis and industrial research services; Design and development of computer hardware and software; All included in class 42.

[511] 貨品 / 服務說明 : Class 9:
Specification: Credit screening software; Quantity
indicators; Electronic billboards; Global
positioning system (GPS) apparatus and
instruments; Security surveillance robots;
Computer programs for monitoring; Computer
software relating to financial and insurance
services supplied via the Internet; Identity
cards, magnetic; Computer software, recorded;
Encoded magnetic cards; Magnetic data media;
Computer hardware; Computer application
software for cellular phones; Computer
database; Computer programs for use in
database management; Databases; Databases
(electronic publications); Card readers for
credit cards; Cards for use as credit cards
(encoded or magnetic); Computer terminals for
use with credit cards at point of sale; Credit
card controlled ticket issuing machines;
Credit card embossing machines (computer
peripherals); Credit card encoding machines
(computer peripherals); Credit card
imprinters, electric; Credit card payphones;
Credit card processing terminals; Credit card
terminal; Terminals for electronically
processing credit card payments; Terminals for
processing credit card transaction; Terminals
for processing credit card; Terminals for the
electronic payment of charges with credit
cards; Banking cards (encoded or magnetic);
Banking cards (encoded or magnetic) for debit
purposes; Computer programs for simulating the
trading in futures and options; Automatic
distributors for pre-payment apparatus;
Electronic modules; Electronic and computer
apparatus and instruments for debiting and/or
crediting financial accounts and/or for paying
for goods or services; Computer, electronic
and video games programmes and software
(including software downloadable from the
Internet); Audiovisual teaching apparatus;
Cards for electronic, optical or magnetic
storage of data for use as customer loyalty
cards; Computer software and electronic user
manuals for use in connection with fraud
management in the fields of financial, debit,

and credit card services; Automatic ticket dispensing machines; Electronic anti-theft devices; Computer operating system software; Network operating software; Computer software development tools; Website development software; Computer software that provides web-based access to applications and services through a web operating system or portal interface; Computer software for developing and operating cloud computer networks and applications; Computer software for use in database management; Computer software platforms for cloud computing networks and applications; Computer software enabling commerce over a global communications network; Interactive computer software; Computer software platforms for e-commerce; Computer software and telecommunications apparatus (including modems) to enable connection to databases and the Internet; Computer software to enable searching of data; Computer application software for blockchain-based platforms, namely, software for distributed applications; Computer software platforms for distributed computing platforms; Computer software platforms for blockchains; Data processing apparatus; Computer memory devices; Computers; Memory cards for video game machines; Computer programmes [programs], recorded; Computer operating programs, recorded; Computer programs [downloadable software]; Computer game software; Computer software applications, downloadable; Electronic cards and stored value cards; Software applications (apps) for mobile or wireless devices and computer devices; Electronic publications, downloadable; Computer software and instruction manual therefor in electronic format; Computer software relating to financial and insurance services; Sound and video recording and reproducing apparatus and instruments; Magnetic disks, tapes and cassettes all relating to all insurance and finance; Video tapes, audio tapes, compact disks (read only); Smart cards [integrated circuit cards]; Authentication software for controlling access to and communications with computers and computer networks; Pre-recorded audio tapes, CD-ROMS, discs and video tapes featuring information in the fields of hobbies, collectibles, auctions and products accessed from global information networks and network systems, parts and fittings for all the aforesaid goods; Recorded or downloadable computer software platforms, namely, software

platforms for businesses to register, compile, edit, store, manage, retrieve and share business information, to create, post, publish, edit and share content and comments about businesses operations, to send and receive electronic messages and conduct audio and video teleconferences; Computer network monitoring and control systems; Communications and networking software; Computer software and telecommunication apparatus to enable connection to databases and the global communication network; Computer software and computer programs for digital certification; Computer software and programs for mobile application acceleration; Computer software and programs for collection and management of big data; Application, database, web and file servers; Computer software for hosting of digital content on the Internet; Computer software for network and information technology security; Content distribution network (CDN) systems; Computer hardware and software for use in data transformation, indexing, conversion, storage, retrieval, distribution and in record management; Apparatus and instruments for monitoring of telecommunication network and data communication networks; Computer software for use in resource planning; Internet and web-based application software; Apparatus and equipment for recording, processing, receiving, reproducing, transmitting, modifying, compressing, decompressing, broadcasting, merging and/or enhancing sound, video images, graphics and data; Computer firmware; Computer hardware and computer software for a wireless technology to provide communication between multiple computers and between computers and local and global computer networks; Digital communication systems; Network interface devices; Network communication apparatus; Voice messaging systems; On-line and off-line electronic payment apparatus; Computer software and application software for use with mobile phones for providing travel information, including information about flights, hotels, travel attractions, insurance, to users; Software for the uploading, posting, displaying, tagging, blogging, sharing or providing of electronic media or information over communications networks or the Internet; Personal information management software; Portable telecommunication instant messaging devices; Game software and entertainment software for use with mobile devices;

Downloadable publications and software supplied on-line from a mobile telecommunication network or the Internet; Computer hardware and software for facilitating and processing electronic payment and for transferring funds to and from others; Billing application software specifically designed to facilitate automated payment of multiple bills; Bank credit, debit, cash, cheque and identification cards, all being encoded or magnetic; Encoded cards used in relation to the electronic transfer of funds and other financial transactions; Cash payment service computer terminals; Sound recording strips; PDA (personal digital assistant); Blockchain-based computer software and application software [downloadable]; Cloud computing software; Encryption software for use in the field of virtual currency and cryptocurrency; Security tokens [encryption devices]; Bank note counters; Counterfeit bank notes and coin detecting machines; Apparatus for processing card transactions and data relating thereof and for payment processing; Card readers and authentication apparatus for encoded or magnetic data carriers; Apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; Video tapes, audio tapes, compact discs, DVDs and other digital recording media; Mechanisms for coin-operated apparatus; Cash dispensers cards; Cash dispensers and parts and fittings therefor, talking machines, cash registers, automatic teller machines; Computer hardware and software, computer programmes for use in cash dispensers and all relating to banking; Computer software to enable sharing of multimedia content and comments among users about businesses operations, to send and receive electronic messages and conduct audio and video teleconferences; Scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments; Apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling the distribution or use of electricity; Apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data; Recorded and downloadable media, computer software, blank digital or analogue recording and storage media; Mechanisms for coin-operated apparatus;

Cash registers, calculating devices; Computers and computer peripheral devices; Diving Suits, divers' masks, ear plugs for divers, nose clips for divers and swimmers, gloves for divers, breathing apparatus for underwater swimming; Fire-extinguishing apparatus; All included in class 9.

Class 35:

Auditing services; Payroll preparation; Telephone answering (for others); Arranging subscriptions to telecommunication services for others; Invoicing; Relocation services for businesses and corporations; Data search (for third parties) in computer files; Commercial administration of the licensing of the goods and services of others; Import-export agency; Targeted marketing; Website traffic optimisation; Administration relating to marketing; Design of marketing material; Planning of marketing strategies; Preparation of reports for marketing; Product marketing; Provision of information relating to marketing; Commercial information services provided by access to a computer database; Provision of customer loyalty, incentive and reward programs; Management, supervision and promotional services relating to customer loyalty, incentive and reward programs; Promoting the sale or provision of the goods or services of third parties through customer loyalty, incentive and reward programs, merchant currency for single or multiple merchants; Customer relationship management; Registration services (customer services) for credit cards, charge cards, cash cards, cheque guarantee cards, debit cards, payment cards, financial cards and purchase cards, merchant currency for single or multiple merchants; Managing and tracking credit card, debit card, automated clearing house, prepaid cards, payment cards, and other forms of payment transactions via electronic communications networks for business purposes; Providing a directory of third party web sites to facilitate business transactions; Promotion; Public relations; Administration of consumer loyalty programs; Operating on-line marketplaces for sellers of goods and/or services; Compilation, provision, storage and retrieval of business and commercial information; Marketing, promotional and advertising services, all provided on-line from a computer database or the Internet; Data processing services; Compilation and transcription of data; database management services; Electronic database management

services; Interactive database information management services; Compilation of advertisements for use as web pages on the Internet; Compilation, storage, analysis and retrieval of business information; On-line advertising on a computer network; Price comparison services; Providing business information via a web site; Marketing studies; Marketing research; Provision of price information relating to the supply of consumer goods and services including insurance, telecommunication services, utilities and financial products; Marketing services; Price analysis services; Price comparison of other vendors; Online, offline and telephone based price comparison service within the following industries: utilities, telecommunications, personal finance, insurance, tax advice, accountancy, real estate; Performance comparison of the goods and services of others; Advertising of the goods or services of other vendors, enabling customers to conveniently view and compare the goods or services of those vendors; Arranging of contracts for the buying and selling of goods and the use of services for others, and the billing therefor (office functions) including via an electronic marketplace; Advertising and marketing, including on digital networks; Arranging subscriptions to telecommunications services for others; Arranging subscription to utilities for others; Business intermediary services for the provision of banking, telecommunications and utilities; Auctioneering services including via the Internet; Information and advisory service relating to all of the aforesaid services; Corporate communication services; Advertising; Publicity; Commercial information agency services; Business management consultancy; Business appraisals; Professional business consultancy; Business advice and information; Commercial intermediation services; Marketing and promotional services; Business and market research and consultancy; Business inquiries; Business investigations; Business management; Business organization consultancy, assistance and advisory services; Business administration, office functions; Rental of advertising space on communication media; Rental of advertising time on communication media; On-line trading services relating to electronic auctioneering and providing online business evaluation relating thereto; Compiling, maintaining and providing business directories; Business evaluation services;

Business and commercial information services, all provided on-line from a computer database, computer network, global computer network or the internet; Economic analysis for business purposes; Business referral services; Tax services (business management and accountancy services); Accounting; Administrative processing of purchase orders; Systematization and compilation of information into computer databases; Data handling, processing, updating, administering, storage, retrieval, maintenance and management services; Advertising by mail order; The bringing together, for the benefit of others, of a variety of goods and services, enabling customers to conveniently view and purchase those goods and services from an Internet web site particularly specializing in the marketing of the sale of goods and services of others; Internet retail services; Presentation of goods on communication media, for retail purposes; Sales promotion and management for others; Procurement services for others (purchasing goods and services for other businesses); Opinion polling; Sponsorship search; Providing shopping information; Catalogue mail order services; Business strategies; Online business networking services; Arranging and conducting of fairs and exhibitions for business purposes; Digital currency business networking services; Business administration and business management in the field of financial services, financial technology, digital currency, cryptocurrency and virtual currency, and blockchain technology information, consultancy and advisory services relating to all the aforementioned services; Business advisory services and business information relating to banking, finance, monetary affairs and the stock market; Company record keeping; Employee benefit services; Company data information services; Economic advisory services; Company data information services; Economic advisory services; Preparation of statement of account; Book-keeping; Cost price analysis; all included in Class 35.

Class 36:

Providing financial information via websites; Processing of credit card payments; Exchanging money; Providing financial information via a web site; Processing of debit card payments; Online banking; Business liquidation services, financial; Organization of collections; Provision of financial information via an online calculator; Provision of online

financial calculators; Electronic settlement of account via mobile wireless Internet; Safety deposit and issuing of e-coupons and e-tickets services; Capital investment; Provision of finance for consumers; Financial management; Mortgage financing services; Provision of home equity loans; Financial leasing and management services; Loan financing and financing related services provided online from a computer database or the internet or on a mobile application; Lending against security; Factoring; Financial services relating to credit card customer loyalty and reward programs; Providing rebates at participating establishments of others through use of a membership card; Credit card cash advance services; Credit card issuance; Personal loan services; Mortgage services; Deposit services; Arranging insurance; Estimates for financial purpose; Financial assessments relating to insurance, banking and real estate; Issue of securities; Futures brokerage; Stock market services; Art appraisals; Brokerage of real estate; Evaluation of real estate; Pawnbrokerage; Provident fund services; Insurance intermediary services; Financial intermediary services; Provision of advice relating to the supply of insurance and insurance products; Provision of financial advice relating to the supply of consumer goods and services including insurance, telecommunications services, utilities, financial products, tax advisors, estate agents; Financial forecasting and analysis; financial strategy planning services; Credit intermediation; Broking and brokerage services in relation to insurance, banking, financial services, telecommunications and utilities; Instalment loans; Capital investment; Loan [financing]; Financing services; Mortgage banking; Financial analysis; Financial consultancy; Financial information; Debt advisory services; Providing financial information online from a computer database or Internet; Credit bureaux; Banking services; Mutual funds; Fund investments; Savings bank services; Financial and asset management; Financial planning; Investment services; Securities financing; Commodities brokerage and trading; Securities brokerage services; Options and margin trading services; Bullion broking; Currency exchange; Provision of security margin financing facilities; Custodian trustees and nominees; Financial brokerage; Corporate financing services; Credit card services; Lending

services; Investment information; Insurance information; Arranging of discount and privileges at selected merchants exclusively for credit card holders; Financial transaction services, namely, electronic funds transfer; Provision of electronic payment services; Financial transaction services, namely, providing secure commercial transactions and payment options using a mobile device at a point of sale; Electronic credit card transaction processing, debit card services, pre-paid purchase card services, namely, processing electronic payments made through prepaid cards and processing electronic payment through pre-paid cards, processing electronic payments made through loyalty cards; Charge card services and cheque guarantee services; Electronic payment, namely, electronic processing and transmission of credit card transactions, wireless wallets, mobile wallets, electronic wallets, wireless credit, debit and prepaid credit cards; Issuance of stored valued cards; Providing secure commercial transactions and payment options relating to finance; Bill payment services; Automated payment services; Electronic payment services conducted via a global communications network; Management and execution of electronic bill payment, electronic purchase payments, fund transfers, and other value exchanges, management and execution of financial transactions using mobile communication devices; Clearing and reconciling financial transactions via a global computer network; Providing a wide variety of payment and financial services, namely, issuing credit cards and lines of credit, processing and transmission of bills and payments thereof, bill payment services with guaranteed payment delivery, and brokerage of money market funds, all conducted via a global communications network; Reimbursement of funds for disputed items in the field of electronic payment purchasers; Providing purchase protection services (financial services) for goods and services purchased by others via a global computer and wireless networks; Credit services, namely, providing revolving credit account services; Electronic foreign exchange payment processing; Payment processing services, namely, providing virtual currency transaction processing services for others; Providing secure financial transaction in the nature of electronic cash transactions, electronic credit card transactions, electronic debit

transactions, electronic check processing transaction and electronic transmission of bill payment data via a global computer network; Internet-secure electronic transaction solutions for ecommerce, namely processing electronic custody, banking, cash management, trade finance transactions and payments; Financial administration services; Issuance and redemption of cryptocurrency, digital currency, electronic cash and electronic money; Issuing of notes, coins, drafts and bills of exchange; Agency services for buying, selling and storing gold coins and bars; Investment services and analysis services of gold; Registration services for credit cards, charge cards, cash cards, cheque guarantee cards, debit cards, payment cards, financial cards and purchase cards; Telephone banking services; Mortgage bank insurance; Research and advisory services relating to banking, finance, monetary affairs and the stock market; Valuation of businesses and companies; Investment banking services; Financial trading; Financial management and administration of digital assets such as cryptocurrency, digital tokens, virtual currency and digital currency; Raising of capital; Electronic funds transfer; Investment management; Private equity funds services; Hedge funds; Investment trust services; Executor and trustee services; Electronic banking services and financial services; Safety deposit and issuing of travel vouchers services; Financial evaluation [insurance, banking, real estate]; Stock exchange quotation services; Credit verification via global computer information network; Electronic credit risk management service; Financial accounts debiting and crediting services; Telephone credit card services; Tax information supply (financial services); Charitable fund raising; Organizing of charitable collections; Charitable collections; Rental of paper money and coin counting or processing machines; Rental of cash dispensers or automated-teller machines; Arranging finance for construction projects; Monetary transaction services; Automated payment of accounts provided on-line from the Internet; International commodity trading and exchanges services for others; International financial exchange and monetary services; Integrated financial clearing house services; Investment fund transfer and transaction services; Operation of financial derivatives markets; Financial derivative and trading

services relating to bitcoins; Providing a virtual currency for use by members of an on-line community via a global computer network; Electronic financial trading, namely trading in the field of digitised assets such as bitcoins, crypto currency, digital tokens, virtual currency and digital currency; Insurance brokerage; Financial sponsorship; Investment schemes and accounts; On-line financial, banking, savings, payment and credit facilities; Home banking and Internet banking; Advisory, consultancy and information services relating to the aforesaid services; Cash management; Cheque account services; Verification of cheques; Organising financial collections; Credit agency; Credit brokerage; Credit recovery agency; Provision for finance for credit sales; Debt collection and recovery agency; Debt factoring; Deposit taking; Discount card services; Escrow services; Provision and raising of finance; Hire-purchase financing; Investment advice; Investment research and survey; Issuing and redemption of travellers' cheques and gift cheques; Lease-purchase financing; Lending against security; Lending on mortgage; Arranging and provision of loans against security; Market-making; Merchant banking; Money order services; Mortgage broking; Pawn broking; Pension services; Investment portfolio management services; Preparation of financial reports and analyses; Provision of information relating to rates of exchange; Savings account services; Share underwriting; Financial studies; Provision of finance for trade credit; Unit trust services; Estate agency and management services; Stock broking agency services; Bonding; Fiduciary services; Provision of financial guarantees; Surety services; Share registration services; Professional consultancy services relating to banking or finance; Conducting surveys relating to banking or finance; Insurance; Financial affairs; Monetary affairs; Real estate affairs; all included in Class 36.

Class 38:

Videoconferencing services; Video-on-demand transmission; Communication services; Communication services between computers; Communication services for the electronic transmission of data; Communication services for the transmission of information; Communication services for the transmission of information by electronic means; Providing customers with online access to online reports regarding the performance, effectiveness, and

status of web-based applications, teleconferences, videoconferences, and meetings; Providing users with secure remote access via the Internet to private computer networks; Telecommunication services by providing online collaboration services allowing users to access applications, platforms, jointly-shared documents, data and task lists; Providing telecommunication channels for teleshopping; Digital transmission of voice, data, images, audio, video, signals, messages and information; Electronic bulletin board services; Mobile and electronic communication services; Data transfer and information transfer services via computer networks; Television broadcasting; Communications by computer terminals; Mobile phone communications; Electronic files and data transfer; Telecommunications of information (including web pages), computer programs and any other data; Electronic mail services; Providing user access to the Internet; Providing telecommunications connections to the Internet or databases; Providing access to e-commerce platforms on the internet; Providing access to a global computer network to facilitate peer-to-peer transactions; Providing multiple-user access to a global computer information network; Telecommunications services relating to the provision of secure transactions on the Internet; Message sending; Computer aided transmission of messages and images; Electronic bulletin board services [telecommunications services] for the posting and transmission of messages among and between computer users concerning products, services and business opportunities; Providing user access to global computer networks; Providing internet chatrooms; Providing access to databases; Transmission of greeting cards online; Transmission of digital files; Providing online forums; Streaming of data; Wireless broadcasting; Providing electronic transmission of credit card, charge card, stored value and debit card and online account payment data via a global computer network; Transmission of information for carrying out transactions in electronic form over the Internet or other communication networks or other electronic means (including all mobile or wireless devices); Telecommunication services for the transmission, provision or display of information from a computer-stored information bank or via the Internet; Providing multi-user access to secure

computerised information network for the transfer and dissemination of a range of information in the field of financial services; Online electronic transmission services for use in handling of secure payment transactions; Providing electronic mail and electronic mail forwarding services; Providing access to a web site on a global computer network by which third parties can offer goods and services, place and fulfill orders, enter into contracts and transact business; Providing computer links to third party web sites to facilitate e-commerce and real world business transactions; Providing access to electronic calendar, address book and notes feature, via local and global computer networks; Electronic transmission of data and information; Information, advisory and consultancy services relating to all the aforesaid services; Transmission of text, data, pictures, images, video, voices, information and messaging by mobile devices and computer terminals; Leasing of access time to a central database server; Instant messaging services on mobile phones and computer terminals; Communication services over mobile telecommunication networks and computer networks; Communication services for accessing a database; Internet protocol transmission services; Communications via fiber-optic networks; Pay-mobile telephone communication services; Telecommunication services relating to banking, financial and insurance services; Transmission (including on-line transmission) of financial transactions; Computer aided transmission of messages, documents, data, information and images; News agency services; Rental of message sending apparatus; Telegraph services; Wire services; Telecommunication of information, web pages, computer programs and data; Providing access to on-line databases in the fields of portfolio management tools and account information; Providing access to on-line databases relating to news, information research, data, analysis, all for use in the fields of investment, finances, and financial planning; Providing access to on-line databases in the fields of portfolio management, tools and account information via a global communication network; Providing access to databases relating to financial decision making tools and financial investment research tools via a global communication network; Providing access to on-line databases relating to news, information, research, data,

analysis, all for use in the fields of investments, finances, and financial planning, via a global communication network; Providing direct connection services between computer users for exchanging data; Providing computer access and leasing access time to online interactive bulletin boards and databases; Transmitting information, data, documents, and images over the Internet; Providing an online access to interactive computer database featuring movies programming, previews, trailers, sports, concerts, celebrity and entertainment news and other related information; Consulting services relating to electronic data interchange in the field of banking and finance; Telecommunications; All included in Class 38.

Class 42:

Design and development of multimedia software applications; Software design for mobile applications; Monitoring of computer systems to detect breakdowns; Monitoring of computer systems for detecting unauthorized access or data breach; Electronic monitoring of personally identifying information to detect identity theft via the internet; Graphic art design; Conversion of computer programs and data, other than physical conversion; data security consultancy; Consulting in the field of information technology related to insurance; Electronic monitoring of credit card activity to detect fraud via the internet; Database design; Design of computer databases; Design and development of online calculators; Hosting of online calculators (computer services); Research and development of new products for others; Quality control; Computer software design; Valuation of intangible assets; Providing on-line non-downloadable operating software for accessing and using a cloud computing network; Providing on-line non-downloadable software for software development and website development; Providing on-line non-downloadable software for operating and maintaining computer networks and servers; Providing on-line non-downloadable software for database management; Providing a full line of on-line non-downloadable business and application software; Application service provider (ASP), namely, providing, hosting, managing, developing, and maintaining applications, software, web sites, and databases; Providing information in the fields of computers, computer software, computer networks and the development and operation of computer systems,

software and networks; Computer services relating to customization of computer hardware and software; Computer hardware and software consulting services; Consulting in the field of information technology; Consulting in the field of cloud computing networks and applications; Design and development of networks and network software and applications; Leasing computer facilities; Software as a service (SaaS) services for database design and development; Software as a service (SaaS) services for use in database management; Design and development of computer software for e-commerce portals; Providing (hosting) an online platform and interactive website for use in providing retail and ordering services for a wide variety of consumer goods and services of others; Electronic storage of files, documents and databases; Design, development, and implementation of software for distributed computing platforms; Design, development, and implementation of software for blockchains; Software development and product development consulting in the field of distributed computing platforms; Analysis of product safety information by using algorithms; Product safety testing services; Safety testing of consumer products; Technical advice relating to product safety; Digitization of document [scanning]; Development of computer platforms; Computer programming; Updating of computer software; Maintenance of computer software; Computer system analysis; Computer system design; Computer software consultancy; Software as a service [SaaS]; Web site design consultancy; Cloud computing; Computer virus protection services; Computer technology consultancy; Computer security consultancy; Consultancy in the design and development of computer hardware; Conversion of data or documents from physical to electronic media; Data security consultancy; Data encryption services; Electronic data storage; Information technology [IT] consultancy; Providing information on computer technology and programming via a web site; Computer services in relation to providing an interactive website featuring technology that allows users to enter, access and synthesize information and generate reports for use in insurance selection and underwriting; Designing, creating and hosting of bill payment websites; Data conversion from one digital/electronic format to another; Computer services; Computer system software services; Design and

development of web pages; Advisory and consultancy services relating to all the aforesaid services; Platform as a service [PaaS]; Computerised business information storage; Rental of computer software; Providing computer or wireless terminal application services featuring software to enable or facilitate the uploading, posting, displaying, tagging, blogging, sharing or providing of electronic media or information over communications networks or the Internet; Providing computer services for downloading computer software via mobile telecommunication networks and the Internet; Maintenance and upgrading of computer networks; Computer network and time-sharing services; Design, development, updating and upgrading of game software and entertainment software; Hosting computer sites (web sites); Rental of web servers; Providing search engines for the internet; Computer development services for Intranet and web-based portals; Computer services provided on-line, interactive or via the Internet; Design and development of computer hardware and software for authentication of identity; Computer consultancy services relating to electronic business transactions; Providing temporary on-line use of non-downloadable software for use in financial trading, financial transaction, financial management and administration, electronic commerce, payment processing via global communications network, and financial management and administration of digital assets; Providing temporary on-line use of non-downloadable software; Providing on-line non-downloadable computer software for use in blockchain technology; Designing, creating and hosting an online platform for processing electronic payment, financial trading, financial transaction, financial management and administration, electronic commerce, payment processing via global communications network, and financial management and administration of digital assets; Technical research, information, consultancy and advisory services relating to all the aforementioned service; Technical project studies; Application service provider (ASP) services, namely, hosting computer software applications of others; Application service provider (ASP) services providing software in the fields of web-based conferencing, audio conferencing, electronic messaging, document collaboration, video conferencing, and voice and call processing; Technical support

(technical consultancy) services relating to computer software and applications provided online, by email and by telephone; Computer services, namely, creating an online community for registered users to participate in discussions, get feedback from their peers, form virtual communities, engage in social networking, and exchange documents; Computer service relating to creating indexes of information, sites and resources on computer networks; Computer integration services; Hosting computer application software for searching and retrieving information from databases and computer networks; Product testing and evaluation services; Provision of computer security risk management programs; Computer security information, knowledge, and testing services; Quality assurance services; Computer services relating to certification of business transactions and preparation of reports therefor; Security of data transmission and of transactions via computer network; Computerized communication network security services; Providing information in the fields of Internet, world wide web and computerized communication network security; Authentication services for computer security; Off-site data backup; Providing temporary use of non-downloadable cloud-based software and cloud computing software; Providing virtual computer systems and virtual computer environments through cloud computing; Rental of computer hardware and software for use in electronic banking services; Updating of game software in the Internet; Creating and maintaining web sites for others; Design, development, rental and leasing of computers and computer software for use in banking or financial services; Scientific and technological services and research and design relating thereto; Industrial analysis and industrial research services; Design and development of computer hardware and software; All included in class 42.

Class 9:
Credit screening software; Quantity indicators; Electronic billboards; Global positioning system (GPS) apparatus and instruments; Security surveillance robots; Computer programs for monitoring; Computer software relating to financial and insurance services supplied via the Internet; Identity cards, magnetic; Computer software, recorded; Encoded magnetic cards; Magnetic data media; Computer hardware; Computer application software for cellular phones; Computer database; Computer programs for use in database management; Databases; Databases (electronic publications); Card readers for credit cards; Cards for use as credit cards (encoded or magnetic); Computer terminals for use with credit cards at point of sale; Credit card controlled ticket issuing machines; Credit card embossing machines (computer peripherals); Credit card encoding machines (computer peripherals); Credit card imprinters, electric; Credit card payphones; Credit card processing terminals; Credit card terminal; Terminals for electronically processing credit card payments; Terminals for processing credit card transaction; Terminals for processing credit card; Terminals for the electronic payment of charges with credit cards; Banking cards (encoded or magnetic); Banking cards (encoded or magnetic) for debit purposes; Computer programs for simulating the trading in futures and options; Automatic distributors for pre-payment apparatus; Electronic modules; Electronic and computer apparatus and instruments for debiting and/or crediting financial accounts and/or for paying for goods or services; Computer, electronic and video games programmes and software (including software downloadable from the Internet); Audiovisual teaching apparatus; Cards for electronic, optical or magnetic storage of data for use as customer loyalty cards; Computer software and electronic user manuals for use in connection with fraud management in the fields of financial, debit, and credit card services; Automatic ticket dispensing machines; Electronic anti-theft devices; Computer operating system software; Network operating software; Computer software

development tools; Website development software; Computer software that provides web-based access to applications and services through a web operating system or portal interface; Computer software for developing and operating cloud computer networks and applications; Computer software for use in database management; Computer software platforms for cloud computing networks and applications; Computer software enabling commerce over a global communications network; Interactive computer software; Computer software platforms for e-commerce; Computer software and telecommunications apparatus (including modems) to enable connection to databases and the Internet; Computer software to enable searching of data; Computer application software for blockchain-based platforms, namely, software for distributed applications; Computer software platforms for distributed computing platforms; Computer software platforms for blockchains; Data processing apparatus; Computer memory devices; Computers; Memory cards for video game machines; Computer programmes [programs], recorded; Computer operating programs, recorded; Computer programs [downloadable software]; Computer game software; Computer software applications, downloadable; Electronic cards and stored value cards; Software applications (apps) for mobile or wireless devices and computer devices; Electronic publications, downloadable; Computer software and instruction manual therefor in electronic format; Computer software relating to financial and insurance services; Sound and video recording and reproducing apparatus and instruments; Magnetic disks, tapes and cassettes all relating to all insurance and finance; Video tapes, audio tapes, compact disks (read only); Smart cards [integrated circuit cards]; Authentication software for controlling access to and communications with computers and computer networks; Pre-recorded audio tapes, CD-ROMS, discs and video tapes featuring information in the fields of hobbies, collectibles, auctions and products accessed from global information networks and network systems, parts and fittings for all the aforesaid goods; Recorded or downloadable computer software platforms, namely, software platforms for businesses to register, compile, edit, store, manage, retrieve and share business information, to create, post, publish, edit and share content and comments

about businesses operations, to send and receive electronic messages and conduct audio and video teleconferences; Computer network monitoring and control systems; Communications and networking software; Computer software and telecommunication apparatus to enable connection to databases and the global communication network; Computer software and computer programs for digital certification; Computer software and programs for mobile application acceleration; Computer software and programs for collection and management of big data; Application, database, web and file servers; Computer software for hosting of digital content on the Internet; Computer software for network and information technology security; Content distribution network (CDN) systems; Computer hardware and software for use in data transformation, indexing, conversion, storage, retrieval, distribution and in record management; Apparatus and instruments for monitoring of telecommunication network and data communication networks; Computer software for use in resource planning; Internet and web-based application software; Apparatus and equipment for recording, processing, receiving, reproducing, transmitting, modifying, compressing, decompressing, broadcasting, merging and/or enhancing sound, video images, graphics and data; Computer firmware; Computer hardware and computer software for a wireless technology to provide communication between multiple computers and between computers and local and global computer networks; Digital communication systems; Network interface devices; Network communication apparatus; Voice messaging systems; On-line and off-line electronic payment apparatus; Computer software and application software for use with mobile phones for providing travel information, including information about flights, hotels, travel attractions, insurance, to users; Software for the uploading, posting, displaying, tagging, blogging, sharing or providing of electronic media or information over communications networks or the Internet; Personal information management software; Portable telecommunication instant messaging devices; Game software and entertainment software for use with mobile devices; Downloadable publications and software supplied on-line from a mobile telecommunication network or the Internet; Computer hardware and software for

facilitating and processing electronic payment and for transferring funds to and from others; Billing application software specifically designed to facilitate automated payment of multiple bills; Bank credit, debit, cash, cheque and identification cards, all being encoded or magnetic; Encoded cards used in relation to the electronic transfer of funds and other financial transactions; Cash payment service computer terminals; Sound recording strips; PDA (personal digital assistant); Blockchain-based computer software and application software [downloadable]; Cloud computing software; Encryption software for use in the field of virtual currency and cryptocurrency; Security tokens [encryption devices]; Bank note counters; Counterfeit bank notes and coin detecting machines; Apparatus for processing card transactions and data relating thereof and for payment processing; Card readers and authentication apparatus for encoded or magnetic data carriers; Apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; Video tapes, audio tapes, compact discs, DVDs and other digital recording media; Mechanisms for coin-operated apparatus; Cash dispensers cards; Cash dispensers and parts and fittings therefor, talking machines, cash registers, automatic teller machines; Computer hardware and software, computer programmes for use in cash dispensers and all relating to banking; Computer software to enable sharing of multimedia content and comments among users about businesses operations, to send and receive electronic messages and conduct audio and video teleconferences; Scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments; Apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling the distribution or use of electricity; Apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data; Recorded and downloadable media, computer software, blank digital or analogue recording and storage media; Mechanisms for coin-operated apparatus; Cash registers, calculating devices; Computers and computer peripheral devices; Diving Suits, divers' masks, ear plugs for divers, nose clips for divers and swimmers, gloves for

divers, breathing apparatus for underwater swimming; Fire-extinguishing apparatus; All included in class 9.

Class 35:

Auditing services; Payroll preparation; Telephone answering (for others); Arranging subscriptions to telecommunication services for others; Invoicing; Relocation services for businesses and corporations; Data search (for third parties) in computer files; Commercial administration of the licensing of the goods and services of others; Import-export agency; Targeted marketing; Website traffic optimisation; Administration relating to marketing; Design of marketing material; Planning of marketing strategies; Preparation of reports for marketing; Product marketing; Provision of information relating to marketing; Commercial information services provided by access to a computer database; Provision of customer loyalty, incentive and reward programs; Management, supervision and promotional services relating to customer loyalty, incentive and reward programs; Promoting the sale or provision of the goods or services of third parties through customer loyalty, incentive and reward programs, merchant currency for single or multiple merchants; Customer relationship management; Registration services (customer services) for credit cards, charge cards, cash cards, cheque guarantee cards, debit cards, payment cards, financial cards and purchase cards, merchant currency for single or multiple merchants; Managing and tracking credit card, debit card, automated clearing house, prepaid cards, payment cards, and other forms of payment transactions via electronic communications networks for business purposes; Providing a directory of third party web sites to facilitate business transactions; Promotion; Public relations; Administration of consumer loyalty programs; Operating on-line marketplaces for sellers of goods and/or services; Compilation, provision, storage and retrieval of business and commercial information; Marketing, promotional and advertising services, all provided on-line from a computer database or the Internet; Data processing services; Compilation and transcription of data; database management services; Electronic database management services; Interactive database information management services; Compilation of advertisements for use as web pages on the Internet; Compilation, storage, analysis and

retrieval of business information; On-line advertising on a computer network; Price comparison services; Providing business information via a web site; Marketing studies; Marketing research; Provision of price information relating to the supply of consumer goods and services including insurance, telecommunication services, utilities and financial products; Marketing services; Price analysis services; Price comparison of other vendors; Online, offline and telephone based price comparison service within the following industries: utilities, telecommunications, personal finance, insurance, tax advice, accountancy, real estate; Performance comparison of the goods and services of others; Advertising of the goods or services of other vendors, enabling customers to conveniently view and compare the goods or services of those vendors; Arranging of contracts for the buying and selling of goods and the use of services for others, and the billing therefor (office functions) including via an electronic marketplace; Advertising and marketing, including on digital networks; Arranging subscriptions to telecommunications services for others; Arranging subscription to utilities for others; Business intermediary services for the provision of banking, telecommunications and utilities; Auctioneering services including via the Internet; Information and advisory service relating to all of the aforesaid services; Corporate communication services; Advertising; Publicity; Commercial information agency services; Business management consultancy; Business appraisals; Professional business consultancy; Business advice and information; Commercial intermediation services; Marketing and promotional services; Business and market research and consultancy; Business inquiries; Business investigations; Business management; Business organization consultancy, assistance and advisory services; Business administration, office functions; Rental of advertising space on communication media; Rental of advertising time on communication media; On-line trading services relating to electronic auctioneering and providing online business evaluation relating thereto; Compiling, maintaining and providing business directories; Business evaluation services; Business and commercial information services, all provided on-line from a computer database, computer network, global computer network or the internet; Economic analysis for business

purposes; Business referral services; Tax services (business management and accountancy services); Accounting; Administrative processing of purchase orders; Systematization and compilation of information into computer databases; Data handling, processing, updating, administering, storage, retrieval, maintenance and management services; Advertising by mail order; The bringing together, for the benefit of others, of a variety of goods and services, enabling customers to conveniently view and purchase those goods and services from an Internet web site particularly specializing in the marketing of the sale of goods and services of others; Internet retail services; Presentation of goods on communication media, for retail purposes; Sales promotion and management for others; Procurement services for others (purchasing goods and services for other businesses); Opinion polling; Sponsorship search; Providing shopping information; Catalogue mail order services; Business strategies; Online business networking services; Arranging and conducting of fairs and exhibitions for business purposes; Digital currency business networking services; Business administration and business management in the field of financial services, financial technology, digital currency, cryptocurrency and virtual currency, and blockchain technology information, consultancy and advisory services relating to all the aforementioned services; Business advisory services and business information relating to banking, finance, monetary affairs and the stock market; Company record keeping; Employee benefit services; Company data information services; Economic advisory services; Company data information services; Economic advisory services; Preparation of statement of account; Book-keeping; Cost price analysis; all included in Class 35.

Class 36:

Providing financial information via websites; Processing of credit card payments; Exchanging money; Providing financial information via a web site; Processing of debit card payments; Online banking; Business liquidation services, financial; Organization of collections; Provision of financial information via an online calculator; Provision of online financial calculators; Electronic settlement of account via mobile wireless Internet; Safety deposit and issuing of e-coupons and e-tickets services; Capital investment;

Provision of finance for consumers; Financial management; Mortgage financing services; Provision of home equity loans; Financial leasing and management services; Loan financing and financing related services provided online from a computer database or the internet or on a mobile application; Lending against security; Factoring; Financial services relating to credit card customer loyalty and reward programs; Providing rebates at participating establishments of others through use of a membership card; Credit card cash advance services; Credit card issuance; Personal loan services; Mortgage services; Deposit services; Arranging insurance; Estimates for financial purpose; Financial assessments relating to insurance, banking and real estate; Issue of securities; Futures brokerage; Stock market services; Art appraisals; Brokerage of real estate; Evaluation of real estate; Pawnbrokerage; Provident fund services; Insurance intermediary services; Financial intermediary services; Provision of advice relating to the supply of insurance and insurance products; Provision of financial advice relating to the supply of consumer goods and services including insurance, telecommunications services, utilities, financial products, tax advisors, estate agents; Financial forecasting and analysis; financial strategy planning services; Credit intermediation; Broking and brokerage services in relation to insurance, banking, financial services, telecommunications and utilities; Instalment loans; Capital investment; Loan [financing]; Financing services; Mortgage banking; Financial analysis; Financial consultancy; Financial information; Debt advisory services; Providing financial information online from a computer database or Internet; Credit bureaux; Banking services; Mutual funds; Fund investments; Savings bank services; Financial and asset management; Financial planning; Investment services; Securities financing; Commodities brokerage and trading; Securities brokerage services; Options and margin trading services; Bullion broking; Currency exchange; Provision of security margin financing facilities; Custodian trustees and nominees; Financial brokerage; Corporate financing services; Credit card services; Lending services; Investment information; Insurance information; Arranging of discount and privileges at selected merchants exclusively for credit card holders; Financial transaction

services, namely, electronic funds transfer; Provision of electronic payment services; Financial transaction services, namely, providing secure commercial transactions and payment options using a mobile device at a point of sale; Electronic credit card transaction processing, debit card services, pre-paid purchase card services, namely, processing electronic payments made through prepaid cards and processing electronic payment through pre-paid cards, processing electronic payments made through loyalty cards; Charge card services and cheque guarantee services; Electronic payment, namely, electronic processing and transmission of credit card transactions, wireless wallets, mobile wallets, electronic wallets, wireless credit, debit and prepaid credit cards; Issuance of stored valued cards; Providing secure commercial transactions and payment options relating to finance; Bill payment services; Automated payment services; Electronic payment services conducted via a global communications network; Management and execution of electronic bill payment, electronic purchase payments, fund transfers, and other value exchanges, management and execution of financial transactions using mobile communication devices; Clearing and reconciling financial transactions via a global computer network; Providing a wide variety of payment and financial services, namely, issuing credit cards and lines of credit, processing and transmission of bills and payments thereof, bill payment services with guaranteed payment delivery, and brokerage of money market funds, all conducted via a global communications network; Reimbursement of funds for disputed items in the field of electronic payment purchasers; Providing purchase protection services (financial services) for goods and services purchased by others via a global computer and wireless networks; Credit services, namely, providing revolving credit account services; Electronic foreign exchange payment processing; Payment processing services, namely, providing virtual currency transaction processing services for others; Providing secure financial transaction in the nature of electronic cash transactions, electronic credit card transactions, electronic debit transactions, electronic check processing transaction and electronic transmission of bill payment data via a global computer network; Internet-secure electronic

transaction solutions for ecommerce, namely processing electronic custody, banking, cash management, trade finance transactions and payments; Financial administration services; Issuance and redemption of cryptocurrency, digital currency, electronic cash and electronic money; Issuing of notes, coins, drafts and bills of exchange; Agency services for buying, selling and storing gold coins and bars; Investment services and analysis services of gold; Registration services for credit cards, charge cards, cash cards, cheque guarantee cards, debit cards, payment cards, financial cards and purchase cards; Telephone banking services; Mortgage bank insurance; Research and advisory services relating to banking, finance, monetary affairs and the stock market; Valuation of businesses and companies; Investment banking services; Financial trading; Financial management and administration of digital assets such as cryptocurrency, digital tokens, virtual currency and digital currency; Raising of capital; Electronic funds transfer; Investment management; Private equity funds services; Hedge funds; Investment trust services; Executor and trustee services; Electronic banking services and financial services; Safety deposit and issuing of travel vouchers services; Financial evaluation [insurance, banking, real estate]; Stock exchange quotation services; Credit verification via global computer information network; Electronic credit risk management service; Financial accounts debiting and crediting services; Telephone credit card services; Tax information supply (financial services); Charitable fund raising; Organizing of charitable collections; Charitable collections; Rental of paper money and coin counting or processing machines; Rental of cash dispensers or automated-teller machines; Arranging finance for construction projects; Monetary transaction services; Automated payment of accounts provided on-line from the Internet; International commodity trading and exchanges services for others; International financial exchange and monetary services; Integrated financial clearing house services; Investment fund transfer and transaction services; Operation of financial derivatives markets; Financial derivative and trading services relating to bitcoins; Providing a virtual currency for use by members of an on-line community via a global computer network; Electronic financial trading, namely trading

in the field of digitised assets such as bitcoins, crypto currency, digital tokens, virtual currency and digital currency; Insurance brokerage; Financial sponsorship; Investment schemes and accounts; On-line financial, banking, savings, payment and credit facilities; Home banking and Internet banking; Advisory, consultancy and information services relating to the aforesaid services; Cash management; Cheque account services; Verification of cheques; Organising financial collections; Credit agency; Credit brokerage; Credit recovery agency; Provision for finance for credit sales; Debt collection and recovery agency; Debt factoring; Deposit taking; Discount card services; Escrow services; Provision and raising of finance; Hire-purchase financing; Investment advice; Investment research and survey; Issuing and redemption of travellers' cheques and gift cheques; Lease-purchase financing; Lending against security; Lending on mortgage; Arranging and provision of loans against security; Market-making; Merchant banking; Money order services; Mortgage broking; Pawn broking; Pension services; Investment portfolio management services; Preparation of financial reports and analyses; Provision of information relating to rates of exchange; Savings account services; Share underwriting; Financial studies; Provision of finance for trade credit; Unit trust services; Estate agency and management services; Stock broking agency services; Bonding; Fiduciary services; Provision of financial guarantees; Surety services; Share registration services; Professional consultancy services relating to banking or finance; Conducting surveys relating to banking or finance; Insurance; Financial affairs; Monetary affairs; Real estate affairs; all included in Class 36.

Class 38:

Videoconferencing services; Video-on-demand transmission; Communication services; Communication services between computers; Communication services for the electronic transmission of data; Communication services for the transmission of information; Communication services for the transmission of information by electronic means; Providing customers with online access to online reports regarding the performance, effectiveness, and status of web-based applications, teleconferences, videoconferences, and meetings; Providing users with secure remote access via the Internet to private computer

networks; Telecommunication services by providing online collaboration services allowing users to access applications, platforms, jointly-shared documents, data and task lists; Providing telecommunication channels for teleshopping; Digital transmission of voice, data, images, audio, video, signals, messages and information; Electronic bulletin board services; Mobile and electronic communication services; Data transfer and information transfer services via computer networks; Television broadcasting; Communications by computer terminals; Mobile phone communications; Electronic files and data transfer; Telecommunications of information (including web pages), computer programs and any other data; Electronic mail services; Providing user access to the Internet; Providing telecommunications connections to the Internet or databases; Providing access to e-commerce platforms on the internet; Providing access to a global computer network to facilitate peer-to-peer transactions; Providing multiple-user access to a global computer information network; Telecommunications services relating to the provision of secure transactions on the Internet; Message sending; Computer aided transmission of messages and images; Electronic bulletin board services [telecommunications services] for the posting and transmission of messages among and between computer users concerning products, services and business opportunities; Providing user access to global computer networks; Providing internet chatrooms; Providing access to databases; Transmission of greeting cards online; Transmission of digital files; Providing online forums; Streaming of data; Wireless broadcasting; Providing electronic transmission of credit card, charge card, stored value and debit card and online account payment data via a global computer network; Transmission of information for carrying out transactions in electronic form over the Internet or other communication networks or other electronic means (including all mobile or wireless devices); Telecommunication services for the transmission, provision or display of information from a computer-stored information bank or via the Internet; Providing multi-user access to secure computerised information network for the transfer and dissemination of a range of information in the field of financial services; Online electronic transmission

services for use in handling of secure payment transactions; Providing electronic mail and electronic mail forwarding services; Providing access to a web site on a global computer network by which third parties can offer goods and services, place and fulfill orders, enter into contracts and transact business; Providing computer links to third party web sites to facilitate e-commerce and real world business transactions; Providing access to electronic calendar, address book and notes feature, via local and global computer networks; Electronic transmission of data and information; Information, advisory and consultancy services relating to all the aforesaid services; Transmission of text, data, pictures, images, video, voices, information and messaging by mobile devices and computer terminals; Leasing of access time to a central database server; Instant messaging services on mobile phones and computer terminals; Communication services over mobile telecommunication networks and computer networks; Communication services for accessing a database; Internet protocol transmission services; Communications via fiber-optic networks; Pay-mobile telephone communication services; Telecommunication services relating to banking, financial and insurance services; Transmission (including on-line transmission) of financial transactions; Computer aided transmission of messages, documents, data, information and images; News agency services; Rental of message sending apparatus; Telegraph services; Wire services; Telecommunication of information, web pages, computer programs and data; Providing access to on-line databases in the fields of portfolio management tools and account information; Providing access to on-line databases relating to news, information research, data, analysis, all for use in the fields of investment, finances, and financial planning; Providing access to on-line databases in the fields of portfolio management, tools and account information via a global communication network; Providing access to databases relating to financial decision making tools and financial investment research tools via a global communication network; Providing access to on-line databases relating to news, information, research, data, analysis, all for use in the fields of investments, finances, and financial planning, via a global communication network; Providing direct connection services between computer

users for exchanging data; Providing computer access and leasing access time to online interactive bulletin boards and databases; Transmitting information, data, documents, and images over the Internet; Providing an online access to interactive computer database featuring movies programming, previews, trailers, sports, concerts, celebrity and entertainment news and other related information; Consulting services relating to electronic data interchange in the field of banking and finance; Telecommunications; All included in Class 38.

Class 42:

Design and development of multimedia software applications; Software design for mobile applications; Monitoring of computer systems to detect breakdowns; Monitoring of computer systems for detecting unauthorized access or data breach; Electronic monitoring of personally identifying information to detect identity theft via the internet; Graphic art design; Conversion of computer programs and data, other than physical conversion; data security consultancy; Consulting in the field of information technology related to insurance; Electronic monitoring of credit card activity to detect fraud via the internet; Database design; Design of computer databases; Design and development of online calculators; Hosting of online calculators (computer services); Research and development of new products for others; Quality control; Computer software design; Valuation of intangible assets; Providing on-line non-downloadable operating software for accessing and using a cloud computing network; Providing on-line non-downloadable software for software development and website development; Providing on-line non-downloadable software for operating and maintaining computer networks and servers; Providing on-line non-downloadable software for database management; Providing a full line of on-line non-downloadable business and application software; Application service provider (ASP), namely, providing, hosting, managing, developing, and maintaining applications, software, web sites, and databases; Providing information in the fields of computers, computer software, computer networks and the development and operation of computer systems, software and networks; Computer services relating to customization of computer hardware and software; Computer hardware and software consulting services; Consulting in the field

of information technology; Consulting in the field of cloud computing networks and applications; Design and development of networks and network software and applications; Leasing computer facilities; Software as a service (SaaS) services for database design and development; Software as a service (SaaS) services for use in database management; Design and development of computer software for e-commerce portals; Providing (hosting) an online platform and interactive website for use in providing retail and ordering services for a wide variety of consumer goods and services of others; Electronic storage of files, documents and databases; Design, development, and implementation of software for distributed computing platforms; Design, development, and implementation of software for blockchains; Software development and product development consulting in the field of distributed computing platforms; Analysis of product safety information by using algorithms; Product safety testing services; Safety testing of consumer products; Technical advice relating to product safety; Digitization of document [scanning]; Development of computer platforms; Computer programming; Updating of computer software; Maintenance of computer software; Computer system analysis; Computer system design; Computer software consultancy; Software as a service [SaaS]; Web site design consultancy; Cloud computing; Computer virus protection services; Computer technology consultancy; Computer security consultancy; Consultancy in the design and development of computer hardware; Conversion of data or documents from physical to electronic media; Data security consultancy; Data encryption services; Electronic data storage; Information technology [IT] consultancy; Providing information on computer technology and programming via a web site; Computer services in relation to providing an interactive website featuring technology that allows users to enter, access and synthesize information and generate reports for use in insurance selection and underwriting; Designing, creating and hosting of bill payment websites; Data conversion from one digital/electronic format to another; Computer services; Computer system software services; Design and development of web pages; Advisory and consultancy services relating to all the aforesaid services; Platform as a service [PaaS]; Computerised business information

storage; Rental of computer software; Providing computer or wireless terminal application services featuring software to enable or facilitate the uploading, posting, displaying, tagging, blogging, sharing or providing of electronic media or information over communications networks or the Internet; Providing computer services for downloading computer software via mobile telecommunication networks and the Internet; Maintenance and upgrading of computer networks; Computer network and time-sharing services; Design, development, updating and upgrading of game software and entertainment software; Hosting computer sites (web sites); Rental of web servers; Providing search engines for the internet; Computer development services for Intranet and web-based portals; Computer services provided on-line, interactive or via the Internet; Design and development of computer hardware and software for authentication of identity; Computer consultancy services relating to electronic business transactions; Providing temporary on-line use of non-downloadable software for use in financial trading, financial transaction, financial management and administration, electronic commerce, payment processing via global communications network, and financial management and administration of digital assets; Providing temporary on-line use of non-downloadable software; Providing on-line non-downloadable computer software for use in blockchain technology; Designing, creating and hosting an online platform for processing electronic payment, financial trading, financial transaction, financial management and administration, electronic commerce, payment processing via global communications network, and financial management and administration of digital assets; Technical research, information, consultancy and advisory services relating to all the aforementioned service; Technical project studies; Application service provider (ASP) services, namely, hosting computer software applications of others; Application service provider (ASP) services providing software in the fields of web-based conferencing, audio conferencing, electronic messaging, document collaboration, video conferencing, and voice and call processing; Technical support (technical consultancy) services relating to computer software and applications provided online, by email and by telephone; Computer services, namely, creating an online community

for registered users to participate in discussions, get feedback from their peers, form virtual communities, engage in social networking, and exchange documents; Computer service relating to creating indexes of information, sites and resources on computer networks; Computer integration services; Hosting computer application software for searching and retrieving information from databases and computer networks; Product testing and evaluation services; Provision of computer security risk management programs; Computer security information, knowledge, and testing services; Quality assurance services; Computer services relating to certification of business transactions and preparation of reports therefor; Security of data transmission and of transactions via computer network; Computerized communication network security services; Providing information in the fields of Internet, world wide web and computerized communication network security; Authentication services for computer security; Off-site data backup; Providing temporary use of non-downloadable cloud-based software and cloud computing software; Providing virtual computer systems and virtual computer environments through cloud computing; Rental of computer hardware and software for use in electronic banking services; Updating of game software in the Internet; Creating and maintaining web sites for others; Design, development, rental and leasing of computers and computer software for use in banking or financial services; Scientific and technological services and research and design relating thereto; Industrial analysis and industrial research services; Design and development of computer hardware and software; All included in class 42.

Specification: Credit screening software; Quantity indicators; Electronic billboards; Global positioning system (GPS) apparatus and instruments; Security surveillance robots; Computer programs for monitoring; Computer software relating to financial and insurance services supplied via the Internet; Identity cards, magnetic; Computer software, recorded; Encoded magnetic cards; Magnetic data media; Computer hardware; Computer application software for cellular phones; Computer database; Computer programs for use in database management; Databases; Databases (electronic publications); Card readers for credit cards; Cards for use as credit cards (encoded or magnetic); Computer terminals for use with credit cards at point of sale; Credit card controlled ticket issuing machines; Credit card embossing machines (computer peripherals); Credit card encoding machines (computer peripherals); Credit card imprinters, electric; Credit card payphones; Credit card processing terminals; Credit card terminal; Terminals for electronically processing credit card payments; Terminals for processing credit card transaction; Terminals for processing credit card; Terminals for the electronic payment of charges with credit cards; Banking cards (encoded or magnetic);

Banking cards (encoded or magnetic) for debit purposes; Computer programs for simulating the trading in futures and options; Automatic distributors for pre-payment apparatus; Electronic modules; Electronic and computer apparatus and instruments for debiting and/or crediting financial accounts and/or for paying for goods or services; Computer, electronic and video games programmes and software (including software downloadable from the Internet); Audiovisual teaching apparatus; Cards for electronic, optical or magnetic storage of data for use as customer loyalty cards; Computer software and electronic user manuals for use in connection with fraud management in the fields of financial, debit, and credit card services; Automatic ticket dispensing machines; Electronic anti-theft devices; Computer operating system software; Network operating software; Computer software development tools; Website development software; Computer software that provides web-based access to applications and services through a web operating system or portal interface; Computer software for developing and operating cloud computer networks and applications; Computer software for use in database management; Computer software platforms for cloud computing networks and applications; Computer software enabling commerce over a global communications network; Interactive computer software; Computer software platforms for e-commerce; Computer software and telecommunications apparatus (including modems) to enable connection to databases and the Internet; Computer software to enable searching of data; Computer application software for blockchain-based platforms, namely, software for distributed applications; Computer software platforms for distributed computing platforms; Computer software platforms for blockchains; Data processing apparatus; Computer memory devices; Computers; Memory cards for video game machines; Computer programmes [programs], recorded; Computer operating programs, recorded; Computer programs [downloadable software]; Computer game software; Computer software applications, downloadable; Electronic cards and stored value cards; Software applications (apps) for mobile or wireless devices and computer devices; Electronic publications, downloadable; Computer software and instruction manual therefor in electronic format; Computer software relating to financial and insurance

services; Sound and video recording and reproducing apparatus and instruments; Magnetic disks, tapes and cassettes all relating to all insurance and finance; Video tapes, audio tapes, compact disks (read only); Smart cards [integrated circuit cards]; Authentication software for controlling access to and communications with computers and computer networks; Pre-recorded audio tapes, CD-ROMS, discs and video tapes featuring information in the fields of hobbies, collectibles, auctions and products accessed from global information networks and network systems, parts and fittings for all the aforesaid goods; Recorded or downloadable computer software platforms, namely, software platforms for businesses to register, compile, edit, store, manage, retrieve and share business information, to create, post, publish, edit and share content and comments about businesses operations, to send and receive electronic messages and conduct audio and video teleconferences; Computer network monitoring and control systems; Communications and networking software; Computer software and telecommunication apparatus to enable connection to databases and the global communication network; Computer software and computer programs for digital certification; Computer software and programs for mobile application acceleration; Computer software and programs for collection and management of big data; Application, database, web and file servers; Computer software for hosting of digital content on the Internet; Computer software for network and information technology security; Content distribution network (CDN) systems; Computer hardware and software for use in data transformation, indexing, conversion, storage, retrieval, distribution and in record management; Apparatus and instruments for monitoring of telecommunication network and data communication networks; Computer software for use in resource planning; Internet and web-based application software; Apparatus and equipment for recording, processing, receiving, reproducing, transmitting, modifying, compressing, decompressing, broadcasting, merging and/or enhancing sound, video images, graphics and data; Computer firmware; Computer hardware and computer software for a wireless technology to provide communication between multiple computers and between computers and local and global computer networks; Digital communication

systems; Network interface devices; Network communication apparatus; Voice messaging systems; On-line and off-line electronic payment apparatus; Computer software and application software for use with mobile phones for providing travel information, including information about flights, hotels, travel attractions, insurance, to users; Software for the uploading, posting, displaying, tagging, blogging, sharing or providing of electronic media or information over communications networks or the Internet; Personal information management software; Portable telecommunication instant messaging devices; Game software and entertainment software for use with mobile devices; Downloadable publications and software supplied on-line from a mobile telecommunication network or the Internet; Computer hardware and software for facilitating and processing electronic payment and for transferring funds to and from others; Billing application software specifically designed to facilitate automated payment of multiple bills; Bank credit, debit, cash, cheque and identification cards, all being encoded or magnetic; Encoded cards used in relation to the electronic transfer of funds and other financial transactions; Cash payment service computer terminals; Sound recording strips; PDA (personal digital assistant); Blockchain-based computer software and application software [downloadable]; Cloud computing software; Encryption software for use in the field of virtual currency and cryptocurrency; Security tokens [encryption devices]; Bank note counters; Counterfeit bank notes and coin detecting machines; Apparatus for processing card transactions and data relating thereof and for payment processing; Card readers and authentication apparatus for encoded or magnetic data carriers; Apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; Video tapes, audio tapes, compact discs, DVDs and other digital recording media; Mechanisms for coin-operated apparatus; Cash dispensers cards; Cash dispensers and parts and fittings therefor, talking machines, cash registers, automatic teller machines; Computer hardware and software, computer programmes for use in cash dispensers and all relating to banking; Computer software to enable sharing of multimedia content and comments among users about businesses operations, to send and

receive electronic messages and conduct audio and video teleconferences; Scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments; Apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling the distribution or use of electricity; Apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data; Recorded and downloadable media, computer software, blank digital or analogue recording and storage media; Mechanisms for coin-operated apparatus; Cash registers, calculating devices; Computers and computer peripheral devices; Diving Suits, divers' masks, ear plugs for divers, nose clips for divers and swimmers, gloves for divers, breathing apparatus for underwater swimming; Fire-extinguishing apparatus; All included in class 9.

Class 35:

Auditing services; Payroll preparation; Telephone answering (for others); Arranging subscriptions to telecommunication services for others; Invoicing; Relocation services for businesses and corporations; Data search (for third parties) in computer files; Commercial administration of the licensing of the goods and services of others; Import-export agency; Targeted marketing; Website traffic optimisation; Administration relating to marketing; Design of marketing material; Planning of marketing strategies; Preparation of reports for marketing; Product marketing; Provision of information relating to marketing; Commercial information services provided by access to a computer database; Provision of customer loyalty, incentive and reward programs; Management, supervision and promotional services relating to customer loyalty, incentive and reward programs; Promoting the sale or provision of the goods or services of third parties through customer loyalty, incentive and reward programs, merchant currency for single or multiple merchants; Customer relationship management; Registration services (customer services) for credit cards, charge cards, cash cards, cheque guarantee cards, debit cards, payment cards, financial cards and purchase cards, merchant currency for single or multiple merchants; Managing and tracking credit card, debit card, automated clearing house, prepaid cards,

payment cards, and other forms of payment transactions via electronic communications networks for business purposes; Providing a directory of third party web sites to facilitate business transactions; Promotion; Public relations; Administration of consumer loyalty programs; Operating on-line marketplaces for sellers of goods and/or services; Compilation, provision, storage and retrieval of business and commercial information; Marketing, promotional and advertising services, all provided on-line from a computer database or the Internet; Data processing services; Compilation and transcription of data; database management services; Electronic database management services; Interactive database information management services; Compilation of advertisements for use as web pages on the Internet; Compilation, storage, analysis and retrieval of business information; On-line advertising on a computer network; Price comparison services; Providing business information via a web site; Marketing studies; Marketing research; Provision of price information relating to the supply of consumer goods and services including insurance, telecommunication services, utilities and financial products; Marketing services; Price analysis services; Price comparison of other vendors; Online, offline and telephone based price comparison service within the following industries: utilities, telecommunications, personal finance, insurance, tax advice, accountancy, real estate; Performance comparison of the goods and services of others; Advertising of the goods or services of other vendors, enabling customers to conveniently view and compare the goods or services of those vendors; Arranging of contracts for the buying and selling of goods and the use of services for others, and the billing therefor (office functions) including via an electronic marketplace; Advertising and marketing, including on digital networks; Arranging subscriptions to telecommunications services for others; Arranging subscription to utilities for others; Business intermediary services for the provision of banking, telecommunications and utilities; Auctioneering services including via the Internet; Information and advisory service relating to all of the aforesaid services; Corporate communication services; Advertising; Publicity; Commercial information agency services; Business management consultancy;

Business appraisals; Professional business consultancy; Business advice and information; Commercial intermediation services; Marketing and promotional services; Business and market research and consultancy; Business inquiries; Business investigations; Business management; Business organization consultancy, assistance and advisory services; Business administration, office functions; Rental of advertising space on communication media; Rental of advertising time on communication media; On-line trading services relating to electronic auctioneering and providing online business evaluation relating thereto; Compiling, maintaining and providing business directories; Business evaluation services; Business and commercial information services, all provided on-line from a computer database, computer network, global computer network or the internet; Economic analysis for business purposes; Business referral services; Tax services (business management and accountancy services); Accounting; Administrative processing of purchase orders; Systematization and compilation of information into computer databases; Data handling, processing, updating, administering, storage, retrieval, maintenance and management services; Advertising by mail order; The bringing together, for the benefit of others, of a variety of goods and services, enabling customers to conveniently view and purchase those goods and services from an Internet web site particularly specializing in the marketing of the sale of goods and services of others; Internet retail services; Presentation of goods on communication media, for retail purposes; Sales promotion and management for others; Procurement services for others (purchasing goods and services for other businesses); Opinion polling; Sponsorship search; Providing shopping information; Catalogue mail order services; Business strategies; Online business networking services; Arranging and conducting of fairs and exhibitions for business purposes; Digital currency business networking services; Business administration and business management in the field of financial services, financial technology, digital currency, cryptocurrency and virtual currency, and blockchain technology information, consultancy and advisory services relating to all the aforementioned services; Business advisory services and business information relating to banking, finance, monetary affairs and the

stock market; Company record keeping; Employee benefit services; Company data information services; Economic advisory services; Company data information services; Economic advisory services; Preparation of statement of account; Book-keeping; Cost price analysis; all included in Class 35.

Class 36:

Providing financial information via websites; Processing of credit card payments; Exchanging money; Providing financial information via a web site; Processing of debit card payments; Online banking; Business liquidation services, financial; Organization of collections; Provision of financial information via an online calculator; Provision of online financial calculators; Electronic settlement of account via mobile wireless Internet; Safety deposit and issuing of e-coupons and e-tickets services; Capital investment; Provision of finance for consumers; Financial management; Mortgage financing services; Provision of home equity loans; Financial leasing and management services; Loan financing and financing related services provided online from a computer database or the internet or on a mobile application; Lending against security; Factoring; Financial services relating to credit card customer loyalty and reward programs; Providing rebates at participating establishments of others through use of a membership card; Credit card cash advance services; Credit card issuance; Personal loan services; Mortgage services; Deposit services; Arranging insurance; Estimates for financial purpose; Financial assessments relating to insurance, banking and real estate; Issue of securities; Futures brokerage; Stock market services; Art appraisals; Brokerage of real estate; Evaluation of real estate; Pawnbrokerage; Provident fund services; Insurance intermediary services; Financial intermediary services; Provision of advice relating to the supply of insurance and insurance products; Provision of financial advice relating to the supply of consumer goods and services including insurance, telecommunications services, utilities, financial products, tax advisors, estate agents; Financial forecasting and analysis; financial strategy planning services; Credit intermediation; Broking and brokerage services in relation to insurance, banking, financial services, telecommunications and utilities; Instalment loans; Capital investment; Loan [financing];

Financing services; Mortgage banking; Financial analysis; Financial consultancy; Financial information; Debt advisory services; Providing financial information online from a computer database or Internet; Credit bureaux; Banking services; Mutual funds; Fund investments; Savings bank services; Financial and asset management; Financial planning; Investment services; Securities financing; Commodities brokerage and trading; Securities brokerage services; Options and margin trading services; Bullion broking; Currency exchange; Provision of security margin financing facilities; Custodian trustees and nominees; Financial brokerage; Corporate financing services; Credit card services; Lending services; Investment information; Insurance information; Arranging of discount and privileges at selected merchants exclusively for credit card holders; Financial transaction services, namely, electronic funds transfer; Provision of electronic payment services; Financial transaction services, namely, providing secure commercial transactions and payment options using a mobile device at a point of sale; Electronic credit card transaction processing, debit card services, pre-paid purchase card services, namely, processing electronic payments made through prepaid cards and processing electronic payment through pre-paid cards, processing electronic payments made through loyalty cards; Charge card services and cheque guarantee services; Electronic payment, namely, electronic processing and transmission of credit card transactions, wireless wallets, mobile wallets, electronic wallets, wireless credit, debit and prepaid credit cards; Issuance of stored valued cards; Providing secure commercial transactions and payment options relating to finance; Bill payment services; Automated payment services; Electronic payment services conducted via a global communications network; Management and execution of electronic bill payment, electronic purchase payments, fund transfers, and other value exchanges, management and execution of financial transactions using mobile communication devices; Clearing and reconciling financial transactions via a global computer network; Providing a wide variety of payment and financial services, namely, issuing credit cards and lines of credit, processing and transmission of bills and payments thereof, bill payment services with guaranteed payment delivery, and

brokerage of money market funds, all conducted via a global communications network; Reimbursement of funds for disputed items in the field of electronic payment purchasers; Providing purchase protection services (financial services) for goods and services purchased by others via a global computer and wireless networks; Credit services, namely, providing revolving credit account services; Electronic foreign exchange payment processing; Payment processing services, namely, providing virtual currency transaction processing services for others; Providing secure financial transaction in the nature of electronic cash transactions, electronic credit card transactions, electronic debit transactions, electronic check processing transaction and electronic transmission of bill payment data via a global computer network; Internet-secure electronic transaction solutions for ecommerce, namely processing electronic custody, banking, cash management, trade finance transactions and payments; Financial administration services; Issuance and redemption of cryptocurrency, digital currency, electronic cash and electronic money; Issuing of notes, coins, drafts and bills of exchange; Agency services for buying, selling and storing gold coins and bars; Investment services and analysis services of gold; Registration services for credit cards, charge cards, cash cards, cheque guarantee cards, debit cards, payment cards, financial cards and purchase cards; Telephone banking services; Mortgage bank insurance; Research and advisory services relating to banking, finance, monetary affairs and the stock market; Valuation of businesses and companies; Investment banking services; Financial trading; Financial management and administration of digital assets such as cryptocurrency, digital tokens, virtual currency and digital currency; Raising of capital; Electronic funds transfer; Investment management; Private equity funds services; Hedge funds; Investment trust services; Executor and trustee services; Electronic banking services and financial services; Safety deposit and issuing of travel vouchers services; Financial evaluation [insurance, banking, real estate]; Stock exchange quotation services; Credit verification via global computer information network; Electronic credit risk management service; Financial accounts debiting and crediting services; Telephone credit card services; Tax

information supply (financial services); Charitable fund raising; Organizing of charitable collections; Charitable collections; Rental of paper money and coin counting or processing machines; Rental of cash dispensers or automated-teller machines; Arranging finance for construction projects; Monetary transaction services; Automated payment of accounts provided on-line from the Internet; International commodity trading and exchanges services for others; International financial exchange and monetary services; Integrated financial clearing house services; Investment fund transfer and transaction services; Operation of financial derivatives markets; Financial derivative and trading services relating to bitcoins; Providing a virtual currency for use by members of an on-line community via a global computer network; Electronic financial trading, namely trading in the field of digitised assets such as bitcoins, crypto currency, digital tokens, virtual currency and digital currency; Insurance brokerage; Financial sponsorship; Investment schemes and accounts; On-line financial, banking, savings, payment and credit facilities; Home banking and Internet banking; Advisory, consultancy and information services relating to the aforesaid services; Cash management; Cheque account services; Verification of cheques; Organising financial collections; Credit agency; Credit brokerage; Credit recovery agency; Provision for finance for credit sales; Debt collection and recovery agency; Debt factoring; Deposit taking; Discount card services; Escrow services; Provision and raising of finance; Hire-purchase financing; Investment advice; Investment research and survey; Issuing and redemption of travellers' cheques and gift cheques; Lease-purchase financing; Lending against security; Lending on mortgage; Arranging and provision of loans against security; Market-making; Merchant banking; Money order services; Mortgage broking; Pawn broking; Pension services; Investment portfolio management services; Preparation of financial reports and analyses; Provision of information relating to rates of exchange; Savings account services; Share underwriting; Financial studies; Provision of finance for trade credit; Unit trust services; Estate agency and management services; Stock broking agency services; Bonding; Fiduciary services; Provision of financial guarantees; Surety services; Share registration services;

Professional consultancy services relating to banking or finance; Conducting surveys relating to banking or finance; Insurance; Financial affairs; Monetary affairs; Real estate affairs; all included in Class 36.

Class 38:

Videoconferencing services; Video-on-demand transmission; Communication services; Communication services between computers; Communication services for the electronic transmission of data; Communication services for the transmission of information; Communication services for the transmission of information by electronic means; Providing customers with online access to online reports regarding the performance, effectiveness, and status of web-based applications, teleconferences, videoconferences, and meetings; Providing users with secure remote access via the Internet to private computer networks; Telecommunication services by providing online collaboration services allowing users to access applications, platforms, jointly-shared documents, data and task lists; Providing telecommunication channels for teleshopping; Digital transmission of voice, data, images, audio, video, signals, messages and information; Electronic bulletin board services; Mobile and electronic communication services; Data transfer and information transfer services via computer networks; Television broadcasting; Communications by computer terminals; Mobile phone communications; Electronic files and data transfer; Telecommunications of information (including web pages), computer programs and any other data; Electronic mail services; Providing user access to the Internet; Providing telecommunications connections to the Internet or databases; Providing access to e-commerce platforms on the internet; Providing access to a global computer network to facilitate peer-to-peer transactions; Providing multiple-user access to a global computer information network; Telecommunications services relating to the provision of secure transactions on the Internet; Message sending; Computer aided transmission of messages and images; Electronic bulletin board services [telecommunications services] for the posting and transmission of messages among and between computer users concerning products, services and business opportunities; Providing user access to global computer networks; Providing internet chatrooms; Providing access to

databases; Transmission of greeting cards online; Transmission of digital files; Providing online forums; Streaming of data; Wireless broadcasting; Providing electronic transmission of credit card, charge card, stored value and debit card and online account payment data via a global computer network; Transmission of information for carrying out transactions in electronic form over the Internet or other communication networks or other electronic means (including all mobile or wireless devices); Telecommunication services for the transmission, provision or display of information from a computer-stored information bank or via the Internet; Providing multi-user access to secure computerised information network for the transfer and dissemination of a range of information in the field of financial services; Online electronic transmission services for use in handling of secure payment transactions; Providing electronic mail and electronic mail forwarding services; Providing access to a web site on a global computer network by which third parties can offer goods and services, place and fulfill orders, enter into contracts and transact business; Providing computer links to third party web sites to facilitate e-commerce and real world business transactions; Providing access to electronic calendar, address book and notes feature, via local and global computer networks; Electronic transmission of data and information; Information, advisory and consultancy services relating to all the aforesaid services; Transmission of text, data, pictures, images, video, voices, information and messaging by mobile devices and computer terminals; Leasing of access time to a central database server; Instant messaging services on mobile phones and computer terminals; Communication services over mobile telecommunication networks and computer networks; Communication services for accessing a database; Internet protocol transmission services; Communications via fiber-optic networks; Pay-mobile telephone communication services; Telecommunication services relating to banking, financial and insurance services; Transmission (including on-line transmission) of financial transactions; Computer aided transmission of messages, documents, data, information and images; News agency services; Rental of message sending apparatus; Telegraph services; Wire services; Telecommunication of

information, web pages, computer programs and data; Providing access to on-line databases in the fields of portfolio management tools and account information; Providing access to on-line databases relating to news, information research, data, analysis, all for use in the fields of investment, finances, and financial planning; Providing access to on-line databases in the fields of portfolio management, tools and account information via a global communication network; Providing access to databases relating to financial decision making tools and financial investment research tools via a global communication network; Providing access to on-line databases relating to news, information, research, data, analysis, all for use in the fields of investments, finances, and financial planning, via a global communication network; Providing direct connection services between computer users for exchanging data; Providing computer access and leasing access time to online interactive bulletin boards and databases; Transmitting information, data, documents, and images over the Internet; Providing an online access to interactive computer database featuring movies programming, previews, trailers, sports, concerts, celebrity and entertainment news and other related information; Consulting services relating to electronic data interchange in the field of banking and finance; Telecommunications; All included in Class 38.

Class 42:

Design and development of multimedia software applications; Software design for mobile applications; Monitoring of computer systems to detect breakdowns; Monitoring of computer systems for detecting unauthorized access or data breach; Electronic monitoring of personally identifying information to detect identity theft via the internet; Graphic art design; Conversion of computer programs and data, other than physical conversion; data security consultancy; Consulting in the field of information technology related to insurance; Electronic monitoring of credit card activity to detect fraud via the internet; Database design; Design of computer databases; Design and development of online calculators; Hosting of online calculators (computer services); Research and development of new products for others; Quality control; Computer software design; Valuation of intangible assets; Providing on-line non-downloadable operating software for accessing

and using a cloud computing network; Providing on-line non-downloadable software for software development and website development; Providing on-line non-downloadable software for operating and maintaining computer networks and servers; Providing on-line non-downloadable software for database management; Providing a full line of on-line non-downloadable business and application software; Application service provider (ASP), namely, providing, hosting, managing, developing, and maintaining applications, software, web sites, and databases; Providing information in the fields of computers, computer software, computer networks and the development and operation of computer systems, software and networks; Computer services relating to customization of computer hardware and software; Computer hardware and software consulting services; Consulting in the field of information technology; Consulting in the field of cloud computing networks and applications; Design and development of networks and network software and applications; Leasing computer facilities; Software as a service (SaaS) services for database design and development; Software as a service (SaaS) services for use in database management; Design and development of computer software for e-commerce portals; Providing (hosting) an online platform and interactive website for use in providing retail and ordering services for a wide variety of consumer goods and services of others; Electronic storage of files, documents and databases; Design, development, and implementation of software for distributed computing platforms; Design, development, and implementation of software for blockchains; Software development and product development consulting in the field of distributed computing platforms; Analysis of product safety information by using algorithms; Product safety testing services; Safety testing of consumer products; Technical advice relating to product safety; Digitization of document [scanning]; Development of computer platforms; Computer programming; Updating of computer software; Maintenance of computer software; Computer system analysis; Computer system design; Computer software consultancy; Software as a service [SaaS]; Web site design consultancy; Cloud computing; Computer virus protection services; Computer technology consultancy; Computer security consultancy; Consultancy in the design and development of

computer hardware; Conversion of data or documents from physical to electronic media; Data security consultancy; Data encryption services; Electronic data storage; Information technology [IT] consultancy; Providing information on computer technology and programming via a web site; Computer services in relation to providing an interactive website featuring technology that allows users to enter, access and synthesize information and generate reports for use in insurance selection and underwriting; Designing, creating and hosting of bill payment websites; Data conversion from one digital/electronic format to another; Computer services; Computer system software services; Design and development of web pages; Advisory and consultancy services relating to all the aforesaid services; Platform as a service [PaaS]; Computerised business information storage; Rental of computer software; Providing computer or wireless terminal application services featuring software to enable or facilitate the uploading, posting, displaying, tagging, blogging, sharing or providing of electronic media or information over communications networks or the Internet; Providing computer services for downloading computer software via mobile telecommunication networks and the Internet; Maintenance and upgrading of computer networks; Computer network and time-sharing services; Design, development, updating and upgrading of game software and entertainment software; Hosting computer sites (web sites); Rental of web servers; Providing search engines for the internet; Computer development services for Intranet and web-based portals; Computer services provided on-line, interactive or via the Internet; Design and development of computer hardware and software for authentication of identity; Computer consultancy services relating to electronic business transactions; Providing temporary on-line use of non-downloadable software for use in financial trading, financial transaction, financial management and administration, electronic commerce, payment processing via global communications network, and financial management and administration of digital assets; Providing temporary on-line use of non-downloadable software; Providing on-line non-downloadable computer software for use in blockchain technology; Designing, creating and hosting an online platform for processing electronic payment, financial trading,

financial transaction, financial management and administration, electronic commerce, payment processing via global communications network, and financial management and administration of digital assets; Technical research, information, consultancy and advisory services relating to all the aforementioned service; Technical project studies; Application service provider (ASP) services, namely, hosting computer software applications of others; Application service provider (ASP) services providing software in the fields of web-based conferencing, audio conferencing, electronic messaging, document collaboration, video conferencing, and voice and call processing; Technical support (technical consultancy) services relating to computer software and applications provided online, by email and by telephone; Computer services, namely, creating an online community for registered users to participate in discussions, get feedback from their peers, form virtual communities, engage in social networking, and exchange documents; Computer service relating to creating indexes of information, sites and resources on computer networks; Computer integration services; Hosting computer application software for searching and retrieving information from databases and computer networks; Product testing and evaluation services; Provision of computer security risk management programs; Computer security information, knowledge, and testing services; Quality assurance services; Computer services relating to certification of business transactions and preparation of reports therefor; Security of data transmission and of transactions via computer network; Computerized communication network security services; Providing information in the fields of Internet, world wide web and computerized communication network security; Authentication services for computer security; Off-site data backup; Providing temporary use of non-downloadable cloud-based software and cloud computing software; Providing virtual computer systems and virtual computer environments through cloud computing; Rental of computer hardware and software for use in electronic banking services; Updating of game software in the Internet; Creating and maintaining web sites for others; Design, development, rental and leasing of computers and computer software for use in banking or financial services; Scientific and technological services and research and design

relating thereto; Industrial analysis and industrial research services; Design and development of computer hardware and software; All included in class 42.

[511] 貨品 / 服務說明 : Class 9:
Specification: Credit screening software; Quantity
indicators; Electronic billboards; Global
positioning system (GPS) apparatus and
instruments; Security surveillance robots;
Computer programs for monitoring; Computer
software relating to financial and insurance
services supplied via the Internet; Identity
cards, magnetic; Computer software, recorded;
Encoded magnetic cards; Magnetic data media;
Computer hardware; Computer application
software for cellular phones; Computer
database; Computer programs for use in
database management; Databases; Databases
(electronic publications); Card readers for
credit cards; Cards for use as credit cards
(encoded or magnetic); Computer terminals for
use with credit cards at point of sale; Credit
card controlled ticket issuing machines;
Credit card embossing machines (computer
peripherals); Credit card encoding machines
(computer peripherals); Credit card
imprinters, electric; Credit card payphones;
Credit card processing terminals; Credit card
terminal; Terminals for electronically
processing credit card payments; Terminals for
processing credit card transaction; Terminals
for processing credit card; Terminals for the
electronic payment of charges with credit
cards; Banking cards (encoded or magnetic);
Banking cards (encoded or magnetic) for debit
purposes; Computer programs for simulating the
trading in futures and options; Automatic
distributors for pre-payment apparatus;
Electronic modules; Electronic and computer
apparatus and instruments for debiting and/or
crediting financial accounts and/or for paying
for goods or services; Computer, electronic
and video games programmes and software
(including software downloadable from the
Internet); Audiovisual teaching apparatus;
Cards for electronic, optical or magnetic
storage of data for use as customer loyalty
cards; Computer software and electronic user
manuals for use in connection with fraud
management in the fields of financial, debit,

and credit card services; Automatic ticket dispensing machines; Electronic anti-theft devices; Computer operating system software; Network operating software; Computer software development tools; Website development software; Computer software that provides web-based access to applications and services through a web operating system or portal interface; Computer software for developing and operating cloud computer networks and applications; Computer software for use in database management; Computer software platforms for cloud computing networks and applications; Computer software enabling commerce over a global communications network; Interactive computer software; Computer software platforms for e-commerce; Computer software and telecommunications apparatus (including modems) to enable connection to databases and the Internet; Computer software to enable searching of data; Computer application software for blockchain-based platforms, namely, software for distributed applications; Computer software platforms for distributed computing platforms; Computer software platforms for blockchains; Data processing apparatus; Computer memory devices; Computers; Memory cards for video game machines; Computer programmes [programs], recorded; Computer operating programs, recorded; Computer programs [downloadable software]; Computer game software; Computer software applications, downloadable; Electronic cards and stored value cards; Software applications (apps) for mobile or wireless devices and computer devices; Electronic publications, downloadable; Computer software and instruction manual therefor in electronic format; Computer software relating to financial and insurance services; Sound and video recording and reproducing apparatus and instruments; Magnetic disks, tapes and cassettes all relating to all insurance and finance; Video tapes, audio tapes, compact disks (read only); Smart cards [integrated circuit cards]; Authentication software for controlling access to and communications with computers and computer networks; Pre-recorded audio tapes, CD-ROMS, discs and video tapes featuring information in the fields of hobbies, collectibles, auctions and products accessed from global information networks and network systems, parts and fittings for all the aforesaid goods; Recorded or downloadable computer software platforms, namely, software

platforms for businesses to register, compile, edit, store, manage, retrieve and share business information, to create, post, publish, edit and share content and comments about businesses operations, to send and receive electronic messages and conduct audio and video teleconferences; Computer network monitoring and control systems; Communications and networking software; Computer software and telecommunication apparatus to enable connection to databases and the global communication network; Computer software and computer programs for digital certification; Computer software and programs for mobile application acceleration; Computer software and programs for collection and management of big data; Application, database, web and file servers; Computer software for hosting of digital content on the Internet; Computer software for network and information technology security; Content distribution network (CDN) systems; Computer hardware and software for use in data transformation, indexing, conversion, storage, retrieval, distribution and in record management; Apparatus and instruments for monitoring of telecommunication network and data communication networks; Computer software for use in resource planning; Internet and web-based application software; Apparatus and equipment for recording, processing, receiving, reproducing, transmitting, modifying, compressing, decompressing, broadcasting, merging and/or enhancing sound, video images, graphics and data; Computer firmware; Computer hardware and computer software for a wireless technology to provide communication between multiple computers and between computers and local and global computer networks; Digital communication systems; Network interface devices; Network communication apparatus; Voice messaging systems; On-line and off-line electronic payment apparatus; Computer software and application software for use with mobile phones for providing travel information, including information about flights, hotels, travel attractions, insurance, to users; Software for the uploading, posting, displaying, tagging, blogging, sharing or providing of electronic media or information over communications networks or the Internet; Personal information management software; Portable telecommunication instant messaging devices; Game software and entertainment software for use with mobile devices;

Downloadable publications and software supplied on-line from a mobile telecommunication network or the Internet; Computer hardware and software for facilitating and processing electronic payment and for transferring funds to and from others; Billing application software specifically designed to facilitate automated payment of multiple bills; Bank credit, debit, cash, cheque and identification cards, all being encoded or magnetic; Encoded cards used in relation to the electronic transfer of funds and other financial transactions; Cash payment service computer terminals; Sound recording strips; PDA (personal digital assistant); Blockchain-based computer software and application software [downloadable]; Cloud computing software; Encryption software for use in the field of virtual currency and cryptocurrency; Security tokens [encryption devices]; Bank note counters; Counterfeit bank notes and coin detecting machines; Apparatus for processing card transactions and data relating thereof and for payment processing; Card readers and authentication apparatus for encoded or magnetic data carriers; Apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; Video tapes, audio tapes, compact discs, DVDs and other digital recording media; Mechanisms for coin-operated apparatus; Cash dispensers cards; Cash dispensers and parts and fittings therefor, talking machines, cash registers, automatic teller machines; Computer hardware and software, computer programmes for use in cash dispensers and all relating to banking; Computer software to enable sharing of multimedia content and comments among users about businesses operations, to send and receive electronic messages and conduct audio and video teleconferences; Scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments; Apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling the distribution or use of electricity; Apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data; Recorded and downloadable media, computer software, blank digital or analogue recording and storage media; Mechanisms for coin-operated apparatus;

Cash registers, calculating devices; Computers and computer peripheral devices; Diving Suits, divers' masks, ear plugs for divers, nose clips for divers and swimmers, gloves for divers, breathing apparatus for underwater swimming; Fire-extinguishing apparatus; All included in class 9.

Class 35:

Auditing services; Payroll preparation; Telephone answering (for others); Arranging subscriptions to telecommunication services for others; Invoicing; Relocation services for businesses and corporations; Data search (for third parties) in computer files; Commercial administration of the licensing of the goods and services of others; Import-export agency; Targeted marketing; Website traffic optimisation; Administration relating to marketing; Design of marketing material; Planning of marketing strategies; Preparation of reports for marketing; Product marketing; Provision of information relating to marketing; Commercial information services provided by access to a computer database; Provision of customer loyalty, incentive and reward programs; Management, supervision and promotional services relating to customer loyalty, incentive and reward programs; Promoting the sale or provision of the goods or services of third parties through customer loyalty, incentive and reward programs, merchant currency for single or multiple merchants; Customer relationship management; Registration services (customer services) for credit cards, charge cards, cash cards, cheque guarantee cards, debit cards, payment cards, financial cards and purchase cards, merchant currency for single or multiple merchants; Managing and tracking credit card, debit card, automated clearing house, prepaid cards, payment cards, and other forms of payment transactions via electronic communications networks for business purposes; Providing a directory of third party web sites to facilitate business transactions; Promotion; Public relations; Administration of consumer loyalty programs; Operating on-line marketplaces for sellers of goods and/or services; Compilation, provision, storage and retrieval of business and commercial information; Marketing, promotional and advertising services, all provided on-line from a computer database or the Internet; Data processing services; Compilation and transcription of data; database management services; Electronic database management

services; Interactive database information management services; Compilation of advertisements for use as web pages on the Internet; Compilation, storage, analysis and retrieval of business information; On-line advertising on a computer network; Price comparison services; Providing business information via a web site; Marketing studies; Marketing research; Provision of price information relating to the supply of consumer goods and services including insurance, telecommunication services, utilities and financial products; Marketing services; Price analysis services; Price comparison of other vendors; Online, offline and telephone based price comparison service within the following industries: utilities, telecommunications, personal finance, insurance, tax advice, accountancy, real estate; Performance comparison of the goods and services of others; Advertising of the goods or services of other vendors, enabling customers to conveniently view and compare the goods or services of those vendors; Arranging of contracts for the buying and selling of goods and the use of services for others, and the billing therefor (office functions) including via an electronic marketplace; Advertising and marketing, including on digital networks; Arranging subscriptions to telecommunications services for others; Arranging subscription to utilities for others; Business intermediary services for the provision of banking, telecommunications and utilities; Auctioneering services including via the Internet; Information and advisory service relating to all of the aforesaid services; Corporate communication services; Advertising; Publicity; Commercial information agency services; Business management consultancy; Business appraisals; Professional business consultancy; Business advice and information; Commercial intermediation services; Marketing and promotional services; Business and market research and consultancy; Business inquiries; Business investigations; Business management; Business organization consultancy, assistance and advisory services; Business administration, office functions; Rental of advertising space on communication media; Rental of advertising time on communication media; On-line trading services relating to electronic auctioneering and providing online business evaluation relating thereto; Compiling, maintaining and providing business directories; Business evaluation services;

Business and commercial information services, all provided on-line from a computer database, computer network, global computer network or the internet; Economic analysis for business purposes; Business referral services; Tax services (business management and accountancy services); Accounting; Administrative processing of purchase orders; Systematization and compilation of information into computer databases; Data handling, processing, updating, administering, storage, retrieval, maintenance and management services; Advertising by mail order; The bringing together, for the benefit of others, of a variety of goods and services, enabling customers to conveniently view and purchase those goods and services from an Internet web site particularly specializing in the marketing of the sale of goods and services of others; Internet retail services; Presentation of goods on communication media, for retail purposes; Sales promotion and management for others; Procurement services for others (purchasing goods and services for other businesses); Opinion polling; Sponsorship search; Providing shopping information; Catalogue mail order services; Business strategies; Online business networking services; Arranging and conducting of fairs and exhibitions for business purposes; Digital currency business networking services; Business administration and business management in the field of financial services, financial technology, digital currency, cryptocurrency and virtual currency, and blockchain technology information, consultancy and advisory services relating to all the aforementioned services; Business advisory services and business information relating to banking, finance, monetary affairs and the stock market; Company record keeping; Employee benefit services; Company data information services; Economic advisory services; Company data information services; Economic advisory services; Preparation of statement of account; Book-keeping; Cost price analysis; all included in Class 35.

Class 36:

Providing financial information via websites; Processing of credit card payments; Exchanging money; Providing financial information via a web site; Processing of debit card payments; Online banking; Business liquidation services, financial; Organization of collections; Provision of financial information via an online calculator; Provision of online

financial calculators; Electronic settlement of account via mobile wireless Internet; Safety deposit and issuing of e-coupons and e-tickets services; Capital investment; Provision of finance for consumers; Financial management; Mortgage financing services; Provision of home equity loans; Financial leasing and management services; Loan financing and financing related services provided online from a computer database or the internet or on a mobile application; Lending against security; Factoring; Financial services relating to credit card customer loyalty and reward programs; Providing rebates at participating establishments of others through use of a membership card; Credit card cash advance services; Credit card issuance; Personal loan services; Mortgage services; Deposit services; Arranging insurance; Estimates for financial purpose; Financial assessments relating to insurance, banking and real estate; Issue of securities; Futures brokerage; Stock market services; Art appraisals; Brokerage of real estate; Evaluation of real estate; Pawnbrokerage; Provident fund services; Insurance intermediary services; Financial intermediary services; Provision of advice relating to the supply of insurance and insurance products; Provision of financial advice relating to the supply of consumer goods and services including insurance, telecommunications services, utilities, financial products, tax advisors, estate agents; Financial forecasting and analysis; financial strategy planning services; Credit intermediation; Broking and brokerage services in relation to insurance, banking, financial services, telecommunications and utilities; Instalment loans; Capital investment; Loan [financing]; Financing services; Mortgage banking; Financial analysis; Financial consultancy; Financial information; Debt advisory services; Providing financial information online from a computer database or Internet; Credit bureaux; Banking services; Mutual funds; Fund investments; Savings bank services; Financial and asset management; Financial planning; Investment services; Securities financing; Commodities brokerage and trading; Securities brokerage services; Options and margin trading services; Bullion broking; Currency exchange; Provision of security margin financing facilities; Custodian trustees and nominees; Financial brokerage; Corporate financing services; Credit card services; Lending

services; Investment information; Insurance information; Arranging of discount and privileges at selected merchants exclusively for credit card holders; Financial transaction services, namely, electronic funds transfer; Provision of electronic payment services; Financial transaction services, namely, providing secure commercial transactions and payment options using a mobile device at a point of sale; Electronic credit card transaction processing, debit card services, pre-paid purchase card services, namely, processing electronic payments made through prepaid cards and processing electronic payment through pre-paid cards, processing electronic payments made through loyalty cards; Charge card services and cheque guarantee services; Electronic payment, namely, electronic processing and transmission of credit card transactions, wireless wallets, mobile wallets, electronic wallets, wireless credit, debit and prepaid credit cards; Issuance of stored valued cards; Providing secure commercial transactions and payment options relating to finance; Bill payment services; Automated payment services; Electronic payment services conducted via a global communications network; Management and execution of electronic bill payment, electronic purchase payments, fund transfers, and other value exchanges, management and execution of financial transactions using mobile communication devices; Clearing and reconciling financial transactions via a global computer network; Providing a wide variety of payment and financial services, namely, issuing credit cards and lines of credit, processing and transmission of bills and payments thereof, bill payment services with guaranteed payment delivery, and brokerage of money market funds, all conducted via a global communications network; Reimbursement of funds for disputed items in the field of electronic payment purchasers; Providing purchase protection services (financial services) for goods and services purchased by others via a global computer and wireless networks; Credit services, namely, providing revolving credit account services; Electronic foreign exchange payment processing; Payment processing services, namely, providing virtual currency transaction processing services for others; Providing secure financial transaction in the nature of electronic cash transactions, electronic credit card transactions, electronic debit

transactions, electronic check processing transaction and electronic transmission of bill payment data via a global computer network; Internet-secure electronic transaction solutions for ecommerce, namely processing electronic custody, banking, cash management, trade finance transactions and payments; Financial administration services; Issuance and redemption of cryptocurrency, digital currency, electronic cash and electronic money; Issuing of notes, coins, drafts and bills of exchange; Agency services for buying, selling and storing gold coins and bars; Investment services and analysis services of gold; Registration services for credit cards, charge cards, cash cards, cheque guarantee cards, debit cards, payment cards, financial cards and purchase cards; Telephone banking services; Mortgage bank insurance; Research and advisory services relating to banking, finance, monetary affairs and the stock market; Valuation of businesses and companies; Investment banking services; Financial trading; Financial management and administration of digital assets such as cryptocurrency, digital tokens, virtual currency and digital currency; Raising of capital; Electronic funds transfer; Investment management; Private equity funds services; Hedge funds; Investment trust services; Executor and trustee services; Electronic banking services and financial services; Safety deposit and issuing of travel vouchers services; Financial evaluation [insurance, banking, real estate]; Stock exchange quotation services; Credit verification via global computer information network; Electronic credit risk management service; Financial accounts debiting and crediting services; Telephone credit card services; Tax information supply (financial services); Charitable fund raising; Organizing of charitable collections; Charitable collections; Rental of paper money and coin counting or processing machines; Rental of cash dispensers or automated-teller machines; Arranging finance for construction projects; Monetary transaction services; Automated payment of accounts provided on-line from the Internet; International commodity trading and exchanges services for others; International financial exchange and monetary services; Integrated financial clearing house services; Investment fund transfer and transaction services; Operation of financial derivatives markets; Financial derivative and trading

services relating to bitcoins; Providing a virtual currency for use by members of an on-line community via a global computer network; Electronic financial trading, namely trading in the field of digitised assets such as bitcoins, crypto currency, digital tokens, virtual currency and digital currency; Insurance brokerage; Financial sponsorship; Investment schemes and accounts; On-line financial, banking, savings, payment and credit facilities; Home banking and Internet banking; Advisory, consultancy and information services relating to the aforesaid services; Cash management; Cheque account services; Verification of cheques; Organising financial collections; Credit agency; Credit brokerage; Credit recovery agency; Provision for finance for credit sales; Debt collection and recovery agency; Debt factoring; Deposit taking; Discount card services; Escrow services; Provision and raising of finance; Hire-purchase financing; Investment advice; Investment research and survey; Issuing and redemption of travellers' cheques and gift cheques; Lease-purchase financing; Lending against security; Lending on mortgage; Arranging and provision of loans against security; Market-making; Merchant banking; Money order services; Mortgage broking; Pawn broking; Pension services; Investment portfolio management services; Preparation of financial reports and analyses; Provision of information relating to rates of exchange; Savings account services; Share underwriting; Financial studies; Provision of finance for trade credit; Unit trust services; Estate agency and management services; Stock broking agency services; Bonding; Fiduciary services; Provision of financial guarantees; Surety services; Share registration services; Professional consultancy services relating to banking or finance; Conducting surveys relating to banking or finance; Insurance; Financial affairs; Monetary affairs; Real estate affairs; all included in Class 36.

Class 38:

Videoconferencing services; Video-on-demand transmission; Communication services; Communication services between computers; Communication services for the electronic transmission of data; Communication services for the transmission of information; Communication services for the transmission of information by electronic means; Providing customers with online access to online reports regarding the performance, effectiveness, and

status of web-based applications, teleconferences, videoconferences, and meetings; Providing users with secure remote access via the Internet to private computer networks; Telecommunication services by providing online collaboration services allowing users to access applications, platforms, jointly-shared documents, data and task lists; Providing telecommunication channels for teleshopping; Digital transmission of voice, data, images, audio, video, signals, messages and information; Electronic bulletin board services; Mobile and electronic communication services; Data transfer and information transfer services via computer networks; Television broadcasting; Communications by computer terminals; Mobile phone communications; Electronic files and data transfer; Telecommunications of information (including web pages), computer programs and any other data; Electronic mail services; Providing user access to the Internet; Providing telecommunications connections to the Internet or databases; Providing access to e-commerce platforms on the internet; Providing access to a global computer network to facilitate peer-to-peer transactions; Providing multiple-user access to a global computer information network; Telecommunications services relating to the provision of secure transactions on the Internet; Message sending; Computer aided transmission of messages and images; Electronic bulletin board services [telecommunications services] for the posting and transmission of messages among and between computer users concerning products, services and business opportunities; Providing user access to global computer networks; Providing internet chatrooms; Providing access to databases; Transmission of greeting cards online; Transmission of digital files; Providing online forums; Streaming of data; Wireless broadcasting; Providing electronic transmission of credit card, charge card, stored value and debit card and online account payment data via a global computer network; Transmission of information for carrying out transactions in electronic form over the Internet or other communication networks or other electronic means (including all mobile or wireless devices); Telecommunication services for the transmission, provision or display of information from a computer-stored information bank or via the Internet; Providing multi-user access to secure

computerised information network for the transfer and dissemination of a range of information in the field of financial services; Online electronic transmission services for use in handling of secure payment transactions; Providing electronic mail and electronic mail forwarding services; Providing access to a web site on a global computer network by which third parties can offer goods and services, place and fulfill orders, enter into contracts and transact business; Providing computer links to third party web sites to facilitate e-commerce and real world business transactions; Providing access to electronic calendar, address book and notes feature, via local and global computer networks; Electronic transmission of data and information; Information, advisory and consultancy services relating to all the aforesaid services; Transmission of text, data, pictures, images, video, voices, information and messaging by mobile devices and computer terminals; Leasing of access time to a central database server; Instant messaging services on mobile phones and computer terminals; Communication services over mobile telecommunication networks and computer networks; Communication services for accessing a database; Internet protocol transmission services; Communications via fiber-optic networks; Pay-mobile telephone communication services; Telecommunication services relating to banking, financial and insurance services; Transmission (including on-line transmission) of financial transactions; Computer aided transmission of messages, documents, data, information and images; News agency services; Rental of message sending apparatus; Telegraph services; Wire services; Telecommunication of information, web pages, computer programs and data; Providing access to on-line databases in the fields of portfolio management tools and account information; Providing access to on-line databases relating to news, information research, data, analysis, all for use in the fields of investment, finances, and financial planning; Providing access to on-line databases in the fields of portfolio management, tools and account information via a global communication network; Providing access to databases relating to financial decision making tools and financial investment research tools via a global communication network; Providing access to on-line databases relating to news, information, research, data,

analysis, all for use in the fields of investments, finances, and financial planning, via a global communication network; Providing direct connection services between computer users for exchanging data; Providing computer access and leasing access time to online interactive bulletin boards and databases; Transmitting information, data, documents, and images over the Internet; Providing an online access to interactive computer database featuring movies programming, previews, trailers, sports, concerts, celebrity and entertainment news and other related information; Consulting services relating to electronic data interchange in the field of banking and finance; Telecommunications; All included in Class 38.

Class 42:

Design and development of multimedia software applications; Software design for mobile applications; Monitoring of computer systems to detect breakdowns; Monitoring of computer systems for detecting unauthorized access or data breach; Electronic monitoring of personally identifying information to detect identity theft via the internet; Graphic art design; Conversion of computer programs and data, other than physical conversion; data security consultancy; Consulting in the field of information technology related to insurance; Electronic monitoring of credit card activity to detect fraud via the internet; Database design; Design of computer databases; Design and development of online calculators; Hosting of online calculators (computer services); Research and development of new products for others; Quality control; Computer software design; Valuation of intangible assets; Providing on-line non-downloadable operating software for accessing and using a cloud computing network; Providing on-line non-downloadable software for software development and website development; Providing on-line non-downloadable software for operating and maintaining computer networks and servers; Providing on-line non-downloadable software for database management; Providing a full line of on-line non-downloadable business and application software; Application service provider (ASP), namely, providing, hosting, managing, developing, and maintaining applications, software, web sites, and databases; Providing information in the fields of computers, computer software, computer networks and the development and operation of computer systems,

software and networks; Computer services relating to customization of computer hardware and software; Computer hardware and software consulting services; Consulting in the field of information technology; Consulting in the field of cloud computing networks and applications; Design and development of networks and network software and applications; Leasing computer facilities; Software as a service (SaaS) services for database design and development; Software as a service (SaaS) services for use in database management; Design and development of computer software for e-commerce portals; Providing (hosting) an online platform and interactive website for use in providing retail and ordering services for a wide variety of consumer goods and services of others; Electronic storage of files, documents and databases; Design, development, and implementation of software for distributed computing platforms; Design, development, and implementation of software for blockchains; Software development and product development consulting in the field of distributed computing platforms; Analysis of product safety information by using algorithms; Product safety testing services; Safety testing of consumer products; Technical advice relating to product safety; Digitization of document [scanning]; Development of computer platforms; Computer programming; Updating of computer software; Maintenance of computer software; Computer system analysis; Computer system design; Computer software consultancy; Software as a service [SaaS]; Web site design consultancy; Cloud computing; Computer virus protection services; Computer technology consultancy; Computer security consultancy; Consultancy in the design and development of computer hardware; Conversion of data or documents from physical to electronic media; Data security consultancy; Data encryption services; Electronic data storage; Information technology [IT] consultancy; Providing information on computer technology and programming via a web site; Computer services in relation to providing an interactive website featuring technology that allows users to enter, access and synthesize information and generate reports for use in insurance selection and underwriting; Designing, creating and hosting of bill payment websites; Data conversion from one digital/electronic format to another; Computer services; Computer system software services; Design and

development of web pages; Advisory and consultancy services relating to all the aforesaid services; Platform as a service [PaaS]; Computerised business information storage; Rental of computer software; Providing computer or wireless terminal application services featuring software to enable or facilitate the uploading, posting, displaying, tagging, blogging, sharing or providing of electronic media or information over communications networks or the Internet; Providing computer services for downloading computer software via mobile telecommunication networks and the Internet; Maintenance and upgrading of computer networks; Computer network and time-sharing services; Design, development, updating and upgrading of game software and entertainment software; Hosting computer sites (web sites); Rental of web servers; Providing search engines for the internet; Computer development services for Intranet and web-based portals; Computer services provided on-line, interactive or via the Internet; Design and development of computer hardware and software for authentication of identity; Computer consultancy services relating to electronic business transactions; Providing temporary on-line use of non-downloadable software for use in financial trading, financial transaction, financial management and administration, electronic commerce, payment processing via global communications network, and financial management and administration of digital assets; Providing temporary on-line use of non-downloadable software; Providing on-line non-downloadable computer software for use in blockchain technology; Designing, creating and hosting an online platform for processing electronic payment, financial trading, financial transaction, financial management and administration, electronic commerce, payment processing via global communications network, and financial management and administration of digital assets; Technical research, information, consultancy and advisory services relating to all the aforementioned service; Technical project studies; Application service provider (ASP) services, namely, hosting computer software applications of others; Application service provider (ASP) services providing software in the fields of web-based conferencing, audio conferencing, electronic messaging, document collaboration, video conferencing, and voice and call processing; Technical support

(technical consultancy) services relating to computer software and applications provided online, by email and by telephone; Computer services, namely, creating an online community for registered users to participate in discussions, get feedback from their peers, form virtual communities, engage in social networking, and exchange documents; Computer service relating to creating indexes of information, sites and resources on computer networks; Computer integration services; Hosting computer application software for searching and retrieving information from databases and computer networks; Product testing and evaluation services; Provision of computer security risk management programs; Computer security information, knowledge, and testing services; Quality assurance services; Computer services relating to certification of business transactions and preparation of reports therefor; Security of data transmission and of transactions via computer network; Computerized communication network security services; Providing information in the fields of Internet, world wide web and computerized communication network security; Authentication services for computer security; Off-site data backup; Providing temporary use of non-downloadable cloud-based software and cloud computing software; Providing virtual computer systems and virtual computer environments through cloud computing; Rental of computer hardware and software for use in electronic banking services; Updating of game software in the Internet; Creating and maintaining web sites for others; Design, development, rental and leasing of computers and computer software for use in banking or financial services; Scientific and technological services and research and design relating thereto; Industrial analysis and industrial research services; Design and development of computer hardware and software; All included in class 42.

Credit screening software; Quantity indicators; Electronic billboards; Global positioning system (GPS) apparatus and instruments; Security surveillance robots; Computer programs for monitoring; Computer software relating to financial and insurance services supplied via the Internet; Identity

cards, magnetic; Computer software, recorded; Encoded magnetic cards; Magnetic data media; Computer hardware; Computer application software for cellular phones; Computer database; Computer programs for use in database management; Databases; Databases (electronic publications); Card readers for credit cards; Cards for use as credit cards (encoded or magnetic); Computer terminals for use with credit cards at point of sale; Credit card controlled ticket issuing machines; Credit card embossing machines (computer peripherals); Credit card encoding machines (computer peripherals); Credit card imprinters, electric; Credit card payphones; Credit card processing terminals; Credit card terminal; Terminals for electronically processing credit card payments; Terminals for processing credit card transaction; Terminals for processing credit card; Terminals for the electronic payment of charges with credit cards; Banking cards (encoded or magnetic); Banking cards (encoded or magnetic) for debit purposes; Computer programs for simulating the trading in futures and options; Automatic distributors for pre-payment apparatus; Electronic modules; Electronic and computer apparatus and instruments for debiting and/or crediting financial accounts and/or for paying for goods or services; Computer, electronic and video games programmes and software (including software downloadable from the Internet); Audiovisual teaching apparatus; Cards for electronic, optical or magnetic storage of data for use as customer loyalty cards; Computer software and electronic user manuals for use in connection with fraud management in the fields of financial, debit, and credit card services; Automatic ticket dispensing machines; Electronic anti-theft devices; Computer operating system software; Network operating software; Computer software development tools; Website development software; Computer software that provides web-based access to applications and services through a web operating system or portal interface; Computer software for developing and operating cloud computer networks and applications; Computer software for use in database management; Computer software platforms for cloud computing networks and applications; Computer software enabling commerce over a global communications network; Interactive computer software; Computer software platforms for e-commerce; Computer software and telecommunications apparatus

(including modems) to enable connection to databases and the Internet; Computer software to enable searching of data; Computer application software for blockchain-based platforms, namely, software for distributed applications; Computer software platforms for distributed computing platforms; Computer software platforms for blockchains; Data processing apparatus; Computer memory devices; Computers; Memory cards for video game machines; Computer programmes [programs], recorded; Computer operating programs, recorded; Computer programs [downloadable software]; Computer game software; Computer software applications, downloadable; Electronic cards and stored value cards; Software applications (apps) for mobile or wireless devices and computer devices; Electronic publications, downloadable; Computer software and instruction manual therefor in electronic format; Computer software relating to financial and insurance services; Sound and video recording and reproducing apparatus and instruments; Magnetic disks, tapes and cassettes all relating to all insurance and finance; Video tapes, audio tapes, compact disks (read only); Smart cards [integrated circuit cards]; Authentication software for controlling access to and communications with computers and computer networks; Pre-recorded audio tapes, CD-ROMS, discs and video tapes featuring information in the fields of hobbies, collectibles, auctions and products accessed from global information networks and network systems, parts and fittings for all the aforesaid goods; Recorded or downloadable computer software platforms, namely, software platforms for businesses to register, compile, edit, store, manage, retrieve and share business information, to create, post, publish, edit and share content and comments about businesses operations, to send and receive electronic messages and conduct audio and video teleconferences; Computer network monitoring and control systems; Communications and networking software; Computer software and telecommunication apparatus to enable connection to databases and the global communication network; Computer software and computer programs for digital certification; Computer software and programs for mobile application acceleration; Computer software and programs for collection and management of big data; Application, database, web and file servers; Computer software for hosting of

digital content on the Internet; Computer software for network and information technology security; Content distribution network (CDN) systems; Computer hardware and software for use in data transformation, indexing, conversion, storage, retrieval, distribution and in record management; Apparatus and instruments for monitoring of telecommunication network and data communication networks; Computer software for use in resource planning; Internet and web-based application software; Apparatus and equipment for recording, processing, receiving, reproducing, transmitting, modifying, compressing, decompressing, broadcasting, merging and/or enhancing sound, video images, graphics and data; Computer firmware; Computer hardware and computer software for a wireless technology to provide communication between multiple computers and between computers and local and global computer networks; Digital communication systems; Network interface devices; Network communication apparatus; Voice messaging systems; On-line and off-line electronic payment apparatus; Computer software and application software for use with mobile phones for providing travel information, including information about flights, hotels, travel attractions, insurance, to users; Software for the uploading, posting, displaying, tagging, blogging, sharing or providing of electronic media or information over communications networks or the Internet; Personal information management software; Portable telecommunication instant messaging devices; Game software and entertainment software for use with mobile devices; Downloadable publications and software supplied on-line from a mobile telecommunication network or the Internet; Computer hardware and software for facilitating and processing electronic payment and for transferring funds to and from others; Billing application software specifically designed to facilitate automated payment of multiple bills; Bank credit, debit, cash, cheque and identification cards, all being encoded or magnetic; Encoded cards used in relation to the electronic transfer of funds and other financial transactions; Cash payment service computer terminals; Sound recording strips; PDA (personal digital assistant); Blockchain-based computer software and application software [downloadable]; Cloud computing software; Encryption software for

use in the field of virtual currency and cryptocurrency; Security tokens [encryption devices]; Bank note counters; Counterfeit bank notes and coin detecting machines; Apparatus for processing card transactions and data relating thereof and for payment processing; Card readers and authentication apparatus for encoded or magnetic data carriers; Apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; Video tapes, audio tapes, compact discs, DVDs and other digital recording media; Mechanisms for coin-operated apparatus; Cash dispensers cards; Cash dispensers and parts and fittings therefor, talking machines, cash registers, automatic teller machines; Computer hardware and software, computer programmes for use in cash dispensers and all relating to banking; Computer software to enable sharing of multimedia content and comments among users about businesses operations, to send and receive electronic messages and conduct audio and video teleconferences; Scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments; Apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling the distribution or use of electricity; Apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data; Recorded and downloadable media, computer software, blank digital or analogue recording and storage media; Mechanisms for coin-operated apparatus; Cash registers, calculating devices; Computers and computer peripheral devices; Diving Suits, divers' masks, ear plugs for divers, nose clips for divers and swimmers, gloves for divers, breathing apparatus for underwater swimming; Fire-extinguishing apparatus; All included in class 9.

Class 35:

Auditing services; Payroll preparation; Telephone answering (for others); Arranging subscriptions to telecommunication services for others; Invoicing; Relocation services for businesses and corporations; Data search (for third parties) in computer files; Commercial administration of the licensing of the goods and services of others; Import-export agency; Targeted marketing; Website traffic optimisation; Administration relating to

marketing; Design of marketing material; Planning of marketing strategies; Preparation of reports for marketing; Product marketing; Provision of information relating to marketing; Commercial information services provided by access to a computer database; Provision of customer loyalty, incentive and reward programs; Management, supervision and promotional services relating to customer loyalty, incentive and reward programs; Promoting the sale or provision of the goods or services of third parties through customer loyalty, incentive and reward programs, merchant currency for single or multiple merchants; Customer relationship management; Registration services (customer services) for credit cards, charge cards, cash cards, cheque guarantee cards, debit cards, payment cards, financial cards and purchase cards, merchant currency for single or multiple merchants; Managing and tracking credit card, debit card, automated clearing house, prepaid cards, payment cards, and other forms of payment transactions via electronic communications networks for business purposes; Providing a directory of third party web sites to facilitate business transactions; Promotion; Public relations; Administration of consumer loyalty programs; Operating on-line marketplaces for sellers of goods and/or services; Compilation, provision, storage and retrieval of business and commercial information; Marketing, promotional and advertising services, all provided on-line from a computer database or the Internet; Data processing services; Compilation and transcription of data; database management services; Electronic database management services; Interactive database information management services; Compilation of advertisements for use as web pages on the Internet; Compilation, storage, analysis and retrieval of business information; On-line advertising on a computer network; Price comparison services; Providing business information via a web site; Marketing studies; Marketing research; Provision of price information relating to the supply of consumer goods and services including insurance, telecommunication services, utilities and financial products; Marketing services; Price analysis services; Price comparison of other vendors; Online, offline and telephone based price comparison service within the following industries: utilities, telecommunications, personal finance, insurance, tax advice,

accountancy, real estate; Performance comparison of the goods and services of others; Advertising of the goods or services of other vendors, enabling customers to conveniently view and compare the goods or services of those vendors; Arranging of contracts for the buying and selling of goods and the use of services for others, and the billing therefor (office functions) including via an electronic marketplace; Advertising and marketing, including on digital networks; Arranging subscriptions to telecommunications services for others; Arranging subscription to utilities for others; Business intermediary services for the provision of banking, telecommunications and utilities; Auctioneering services including via the Internet; Information and advisory service relating to all of the aforesaid services; Corporate communication services; Advertising; Publicity; Commercial information agency services; Business management consultancy; Business appraisals; Professional business consultancy; Business advice and information; Commercial intermediation services; Marketing and promotional services; Business and market research and consultancy; Business inquiries; Business investigations; Business management; Business organization consultancy, assistance and advisory services; Business administration, office functions; Rental of advertising space on communication media; Rental of advertising time on communication media; On-line trading services relating to electronic auctioneering and providing online business evaluation relating thereto; Compiling, maintaining and providing business directories; Business evaluation services; Business and commercial information services, all provided on-line from a computer database, computer network, global computer network or the internet; Economic analysis for business purposes; Business referral services; Tax services (business management and accountancy services); Accounting; Administrative processing of purchase orders; Systematization and compilation of information into computer databases; Data handling, processing, updating, administering, storage, retrieval, maintenance and management services; Advertising by mail order; The bringing together, for the benefit of others, of a variety of goods and services, enabling customers to conveniently view and purchase those goods and services from an Internet web site particularly specializing in the

marketing of the sale of goods and services of others; Internet retail services; Presentation of goods on communication media, for retail purposes; Sales promotion and management for others; Procurement services for others (purchasing goods and services for other businesses); Opinion polling; Sponsorship search; Providing shopping information; Catalogue mail order services; Business strategies; Online business networking services; Arranging and conducting of fairs and exhibitions for business purposes; Digital currency business networking services; Business administration and business management in the field of financial services, financial technology, digital currency, cryptocurrency and virtual currency, and blockchain technology information, consultancy and advisory services relating to all the aforementioned services; Business advisory services and business information relating to banking, finance, monetary affairs and the stock market; Company record keeping; Employee benefit services; Company data information services; Economic advisory services; Company data information services; Economic advisory services; Preparation of statement of account; Book-keeping; Cost price analysis; all included in Class 35.

Class 36:

Providing financial information via websites; Processing of credit card payments; Exchanging money; Providing financial information via a web site; Processing of debit card payments; Online banking; Business liquidation services, financial; Organization of collections; Provision of financial information via an online calculator; Provision of online financial calculators; Electronic settlement of account via mobile wireless Internet; Safety deposit and issuing of e-coupons and e-tickets services; Capital investment; Provision of finance for consumers; Financial management; Mortgage financing services; Provision of home equity loans; Financial leasing and management services; Loan financing and financing related services provided online from a computer database or the internet or on a mobile application; Lending against security; Factoring; Financial services relating to credit card customer loyalty and reward programs; Providing rebates at participating establishments of others through use of a membership card; Credit card cash advance services; Credit card issuance; Personal loan services; Mortgage services;

Deposit services; Arranging insurance; Estimates for financial purpose; Financial assessments relating to insurance, banking and real estate; Issue of securities; Futures brokerage; Stock market services; Art appraisals; Brokerage of real estate; Evaluation of real estate; Pawnbrokerage; Provident fund services; Insurance intermediary services; Financial intermediary services; Provision of advice relating to the supply of insurance and insurance products; Provision of financial advice relating to the supply of consumer goods and services including insurance, telecommunications services, utilities, financial products, tax advisors, estate agents; Financial forecasting and analysis; financial strategy planning services; Credit intermediation; Broking and brokerage services in relation to insurance, banking, financial services, telecommunications and utilities; Instalment loans; Capital investment; Loan [financing]; Financing services; Mortgage banking; Financial analysis; Financial consultancy; Financial information; Debt advisory services; Providing financial information online from a computer database or Internet; Credit bureaux; Banking services; Mutual funds; Fund investments; Savings bank services; Financial and asset management; Financial planning; Investment services; Securities financing; Commodities brokerage and trading; Securities brokerage services; Options and margin trading services; Bullion broking; Currency exchange; Provision of security margin financing facilities; Custodian trustees and nominees; Financial brokerage; Corporate financing services; Credit card services; Lending services; Investment information; Insurance information; Arranging of discount and privileges at selected merchants exclusively for credit card holders; Financial transaction services, namely, electronic funds transfer; Provision of electronic payment services; Financial transaction services, namely, providing secure commercial transactions and payment options using a mobile device at a point of sale; Electronic credit card transaction processing, debit card services, pre-paid purchase card services, namely, processing electronic payments made through prepaid cards and processing electronic payment through pre-paid cards, processing electronic payments made through loyalty cards; Charge card services and cheque guarantee services; Electronic payment,

namely, electronic processing and transmission of credit card transactions, wireless wallets, mobile wallets, electronic wallets, wireless credit, debit and prepaid credit cards; Issuance of stored valued cards; Providing secure commercial transactions and payment options relating to finance; Bill payment services; Automated payment services; Electronic payment services conducted via a global communications network; Management and execution of electronic bill payment, electronic purchase payments, fund transfers, and other value exchanges, management and execution of financial transactions using mobile communication devices; Clearing and reconciling financial transactions via a global computer network; Providing a wide variety of payment and financial services, namely, issuing credit cards and lines of credit, processing and transmission of bills and payments thereof, bill payment services with guaranteed payment delivery, and brokerage of money market funds, all conducted via a global communications network; Reimbursement of funds for disputed items in the field of electronic payment purchasers; Providing purchase protection services (financial services) for goods and services purchased by others via a global computer and wireless networks; Credit services, namely, providing revolving credit account services; Electronic foreign exchange payment processing; Payment processing services, namely, providing virtual currency transaction processing services for others; Providing secure financial transaction in the nature of electronic cash transactions, electronic credit card transactions, electronic debit transactions, electronic check processing transaction and electronic transmission of bill payment data via a global computer network; Internet-secure electronic transaction solutions for ecommerce, namely processing electronic custody, banking, cash management, trade finance transactions and payments; Financial administration services; Issuance and redemption of cryptocurrency, digital currency, electronic cash and electronic money; Issuing of notes, coins, drafts and bills of exchange; Agency services for buying, selling and storing gold coins and bars; Investment services and analysis services of gold; Registration services for credit cards, charge cards, cash cards, cheque guarantee cards, debit cards, payment cards, financial cards and purchase cards; Telephone

banking services; Mortgage bank insurance; Research and advisory services relating to banking, finance, monetary affairs and the stock market; Valuation of businesses and companies; Investment banking services; Financial trading; Financial management and administration of digital assets such as cryptocurrency, digital tokens, virtual currency and digital currency; Raising of capital; Electronic funds transfer; Investment management; Private equity funds services; Hedge funds; Investment trust services; Executor and trustee services; Electronic banking services and financial services; Safety deposit and issuing of travel vouchers services; Financial evaluation [insurance, banking, real estate]; Stock exchange quotation services; Credit verification via global computer information network; Electronic credit risk management service; Financial accounts debiting and crediting services; Telephone credit card services; Tax information supply (financial services); Charitable fund raising; Organizing of charitable collections; Charitable collections; Rental of paper money and coin counting or processing machines; Rental of cash dispensers or automated-teller machines; Arranging finance for construction projects; Monetary transaction services; Automated payment of accounts provided on-line from the Internet; International commodity trading and exchanges services for others; International financial exchange and monetary services; Integrated financial clearing house services; Investment fund transfer and transaction services; Operation of financial derivatives markets; Financial derivative and trading services relating to bitcoins; Providing a virtual currency for use by members of an on-line community via a global computer network; Electronic financial trading, namely trading in the field of digitised assets such as bitcoins, crypto currency, digital tokens, virtual currency and digital currency; Insurance brokerage; Financial sponsorship; Investment schemes and accounts; On-line financial, banking, savings, payment and credit facilities; Home banking and Internet banking; Advisory, consultancy and information services relating to the aforesaid services; Cash management; Cheque account services; Verification of cheques; Organising financial collections; Credit agency; Credit brokerage; Credit recovery agency; Provision for finance for credit sales; Debt collection and recovery

agency; Debt factoring; Deposit taking; Discount card services; Escrow services; Provision and raising of finance; Hire-purchase financing; Investment advice; Investment research and survey; Issuing and redemption of travellers' cheques and gift cheques; Lease-purchase financing; Lending against security; Lending on mortgage; Arranging and provision of loans against security; Market-making; Merchant banking; Money order services; Mortgage broking; Pawn broking; Pension services; Investment portfolio management services; Preparation of financial reports and analyses; Provision of information relating to rates of exchange; Savings account services; Share underwriting; Financial studies; Provision of finance for trade credit; Unit trust services; Estate agency and management services; Stock broking agency services; Bonding; Fiduciary services; Provision of financial guarantees; Surety services; Share registration services; Professional consultancy services relating to banking or finance; Conducting surveys relating to banking or finance; Insurance; Financial affairs; Monetary affairs; Real estate affairs; all included in Class 36.

Class 38:

Videoconferencing services; Video-on-demand transmission; Communication services; Communication services between computers; Communication services for the electronic transmission of data; Communication services for the transmission of information; Communication services for the transmission of information by electronic means; Providing customers with online access to online reports regarding the performance, effectiveness, and status of web-based applications, teleconferences, videoconferences, and meetings; Providing users with secure remote access via the Internet to private computer networks; Telecommunication services by providing online collaboration services allowing users to access applications, platforms, jointly-shared documents, data and task lists; Providing telecommunication channels for teleshopping; Digital transmission of voice, data, images, audio, video, signals, messages and information; Electronic bulletin board services; Mobile and electronic communication services; Data transfer and information transfer services via computer networks; Television broadcasting; Communications by computer terminals; Mobile phone communications; Electronic files and

data transfer; Telecommunications of information (including web pages), computer programs and any other data; Electronic mail services; Providing user access to the Internet; Providing telecommunications connections to the Internet or databases; Providing access to e-commerce platforms on the internet; Providing access to a global computer network to facilitate peer-to-peer transactions; Providing multiple-user access to a global computer information network; Telecommunications services relating to the provision of secure transactions on the Internet; Message sending; Computer aided transmission of messages and images; Electronic bulletin board services [telecommunications services] for the posting and transmission of messages among and between computer users concerning products, services and business opportunities; Providing user access to global computer networks; Providing internet chatrooms; Providing access to databases; Transmission of greeting cards online; Transmission of digital files; Providing online forums; Streaming of data; Wireless broadcasting; Providing electronic transmission of credit card, charge card, stored value and debit card and online account payment data via a global computer network; Transmission of information for carrying out transactions in electronic form over the Internet or other communication networks or other electronic means (including all mobile or wireless devices); Telecommunication services for the transmission, provision or display of information from a computer-stored information bank or via the Internet; Providing multi-user access to secure computerised information network for the transfer and dissemination of a range of information in the field of financial services; Online electronic transmission services for use in handling of secure payment transactions; Providing electronic mail and electronic mail forwarding services; Providing access to a web site on a global computer network by which third parties can offer goods and services, place and fulfill orders, enter into contracts and transact business; Providing computer links to third party web sites to facilitate e-commerce and real world business transactions; Providing access to electronic calendar, address book and notes feature, via local and global computer networks; Electronic transmission of data and information; Information, advisory and

consultancy services relating to all the aforesaid services; Transmission of text, data, pictures, images, video, voices, information and messaging by mobile devices and computer terminals; Leasing of access time to a central database server; Instant messaging services on mobile phones and computer terminals; Communication services over mobile telecommunication networks and computer networks; Communication services for accessing a database; Internet protocol transmission services; Communications via fiber-optic networks; Pay-mobile telephone communication services; Telecommunication services relating to banking, financial and insurance services; Transmission (including on-line transmission) of financial transactions; Computer aided transmission of messages, documents, data, information and images; News agency services; Rental of message sending apparatus; Telegraph services; Wire services; Telecommunication of information, web pages, computer programs and data; Providing access to on-line databases in the fields of portfolio management tools and account information; Providing access to on-line databases relating to news, information research, data, analysis, all for use in the fields of investment, finances, and financial planning; Providing access to on-line databases in the fields of portfolio management, tools and account information via a global communication network; Providing access to databases relating to financial decision making tools and financial investment research tools via a global communication network; Providing access to on-line databases relating to news, information, research, data, analysis, all for use in the fields of investments, finances, and financial planning, via a global communication network; Providing direct connection services between computer users for exchanging data; Providing computer access and leasing access time to online interactive bulletin boards and databases; Transmitting information, data, documents, and images over the Internet; Providing an online access to interactive computer database featuring movies programming, previews, trailers, sports, concerts, celebrity and entertainment news and other related information; Consulting services relating to electronic data interchange in the field of banking and finance; Telecommunications; All included in Class 38.

Class 42:

Design and development of multimedia software applications; Software design for mobile applications; Monitoring of computer systems to detect breakdowns; Monitoring of computer systems for detecting unauthorized access or data breach; Electronic monitoring of personally identifying information to detect identity theft via the internet; Graphic art design; Conversion of computer programs and data, other than physical conversion; data security consultancy; Consulting in the field of information technology related to insurance; Electronic monitoring of credit card activity to detect fraud via the internet; Database design; Design of computer databases; Design and development of online calculators; Hosting of online calculators (computer services); Research and development of new products for others; Quality control; Computer software design; Valuation of intangible assets; Providing on-line non-downloadable operating software for accessing and using a cloud computing network; Providing on-line non-downloadable software for software development and website development; Providing on-line non-downloadable software for operating and maintaining computer networks and servers; Providing on-line non-downloadable software for database management; Providing a full line of on-line non-downloadable business and application software; Application service provider (ASP), namely, providing, hosting, managing, developing, and maintaining applications, software, web sites, and databases; Providing information in the fields of computers, computer software, computer networks and the development and operation of computer systems, software and networks; Computer services relating to customization of computer hardware and software; Computer hardware and software consulting services; Consulting in the field of information technology; Consulting in the field of cloud computing networks and applications; Design and development of networks and network software and applications; Leasing computer facilities; Software as a service (SaaS) services for database design and development; Software as a service (SaaS) services for use in database management; Design and development of computer software for e-commerce portals; Providing (hosting) an online platform and interactive website for use in providing retail and ordering services for a wide variety of consumer goods and services of others;

Electronic storage of files, documents and databases; Design, development, and implementation of software for distributed computing platforms; Design, development, and implementation of software for blockchains; Software development and product development consulting in the field of distributed computing platforms; Analysis of product safety information by using algorithms; Product safety testing services; Safety testing of consumer products; Technical advice relating to product safety; Digitization of document [scanning]; Development of computer platforms; Computer programming; Updating of computer software; Maintenance of computer software; Computer system analysis; Computer system design; Computer software consultancy; Software as a service [SaaS]; Web site design consultancy; Cloud computing; Computer virus protection services; Computer technology consultancy; Computer security consultancy; Consultancy in the design and development of computer hardware; Conversion of data or documents from physical to electronic media; Data security consultancy; Data encryption services; Electronic data storage; Information technology [IT] consultancy; Providing information on computer technology and programming via a web site; Computer services in relation to providing an interactive website featuring technology that allows users to enter, access and synthesize information and generate reports for use in insurance selection and underwriting; Designing, creating and hosting of bill payment websites; Data conversion from one digital/electronic format to another; Computer services; Computer system software services; Design and development of web pages; Advisory and consultancy services relating to all the aforesaid services; Platform as a service [PaaS]; Computerised business information storage; Rental of computer software; Providing computer or wireless terminal application services featuring software to enable or facilitate the uploading, posting, displaying, tagging, blogging, sharing or providing of electronic media or information over communications networks or the Internet; Providing computer services for downloading computer software via mobile telecommunication networks and the Internet; Maintenance and upgrading of computer networks; Computer network and time-sharing services; Design, development, updating and upgrading of game software and entertainment software; Hosting

computer sites (web sites); Rental of web servers; Providing search engines for the internet; Computer development services for Intranet and web-based portals; Computer services provided on-line, interactive or via the Internet; Design and development of computer hardware and software for authentication of identity; Computer consultancy services relating to electronic business transactions; Providing temporary on-line use of non-downloadable software for use in financial trading, financial transaction, financial management and administration, electronic commerce, payment processing via global communications network, and financial management and administration of digital assets; Providing temporary on-line use of non-downloadable software; Providing on-line non-downloadable computer software for use in blockchain technology; Designing, creating and hosting an online platform for processing electronic payment, financial trading, financial transaction, financial management and administration, electronic commerce, payment processing via global communications network, and financial management and administration of digital assets; Technical research, information, consultancy and advisory services relating to all the aforementioned service; Technical project studies; Application service provider (ASP) services, namely, hosting computer software applications of others; Application service provider (ASP) services providing software in the fields of web-based conferencing, audio conferencing, electronic messaging, document collaboration, video conferencing, and voice and call processing; Technical support (technical consultancy) services relating to computer software and applications provided online, by email and by telephone; Computer services, namely, creating an online community for registered users to participate in discussions, get feedback from their peers, form virtual communities, engage in social networking, and exchange documents; Computer service relating to creating indexes of information, sites and resources on computer networks; Computer integration services; Hosting computer application software for searching and retrieving information from databases and computer networks; Product testing and evaluation services; Provision of computer security risk management programs; Computer security information, knowledge, and testing services; Quality assurance services;

Computer services relating to certification of business transactions and preparation of reports therefor; Security of data transmission and of transactions via computer network; Computerized communication network security services; Providing information in the fields of Internet, world wide web and computerized communication network security; Authentication services for computer security; Off-site data backup; Providing temporary use of non-downloadable cloud-based software and cloud computing software; Providing virtual computer systems and virtual computer environments through cloud computing; Rental of computer hardware and software for use in electronic banking services; Updating of game software in the Internet; Creating and maintaining web sites for others; Design, development, rental and leasing of computers and computer software for use in banking or financial services; Scientific and technological services and research and design relating thereto; Industrial analysis and industrial research services; Design and development of computer hardware and software; All included in class 42.

Class 9:
Credit screening software; Quantity indicators; Electronic billboards; Global positioning system (GPS) apparatus and instruments; Security surveillance robots; Computer programs for monitoring; Computer software relating to financial and insurance services supplied via the Internet; Identity cards, magnetic; Computer software, recorded; Encoded magnetic cards; Magnetic data media; Computer hardware; Computer application software for cellular phones; Computer database; Computer programs for use in database management; Databases; Databases (electronic publications); Card readers for credit cards; Cards for use as credit cards (encoded or magnetic); Computer terminals for use with credit cards at point of sale; Credit card controlled ticket issuing machines; Credit card embossing machines (computer peripherals); Credit card encoding machines (computer peripherals); Credit card imprinters, electric; Credit card payphones; Credit card processing terminals; Credit card terminal; Terminals for electronically processing credit card payments; Terminals for

processing credit card transaction; Terminals for processing credit card; Terminals for the electronic payment of charges with credit cards; Banking cards (encoded or magnetic); Banking cards (encoded or magnetic) for debit purposes; Computer programs for simulating the trading in futures and options; Automatic distributors for pre-payment apparatus; Electronic modules; Electronic and computer apparatus and instruments for debiting and/or crediting financial accounts and/or for paying for goods or services; Computer, electronic and video games programmes and software (including software downloadable from the Internet); Audiovisual teaching apparatus; Cards for electronic, optical or magnetic storage of data for use as customer loyalty cards; Computer software and electronic user manuals for use in connection with fraud management in the fields of financial, debit, and credit card services; Automatic ticket dispensing machines; Electronic anti-theft devices; Computer operating system software; Network operating software; Computer software development tools; Website development software; Computer software that provides web-based access to applications and services through a web operating system or portal interface; Computer software for developing and operating cloud computer networks and applications; Computer software for use in database management; Computer software platforms for cloud computing networks and applications; Computer software enabling commerce over a global communications network; Interactive computer software; Computer software platforms for e-commerce; Computer software and telecommunications apparatus (including modems) to enable connection to databases and the Internet; Computer software to enable searching of data; Computer application software for blockchain-based platforms, namely, software for distributed applications; Computer software platforms for distributed computing platforms; Computer software platforms for blockchains; Data processing apparatus; Computer memory devices; Computers; Memory cards for video game machines; Computer programmes [programs], recorded; Computer operating programs, recorded; Computer programs [downloadable software]; Computer game software; Computer software applications, downloadable; Electronic cards and stored value cards; Software applications (apps) for mobile or wireless devices and computer devices;

Electronic publications, downloadable;
Computer software and instruction manual therefor in electronic format; Computer software relating to financial and insurance services; Sound and video recording and reproducing apparatus and instruments; Magnetic disks, tapes and cassettes all relating to all insurance and finance; Video tapes, audio tapes, compact disks (read only); Smart cards [integrated circuit cards]; Authentication software for controlling access to and communications with computers and computer networks; Pre-recorded audio tapes, CD-ROMS, discs and video tapes featuring information in the fields of hobbies, collectibles, auctions and products accessed from global information networks and network systems, parts and fittings for all the aforesaid goods; Recorded or downloadable computer software platforms, namely, software platforms for businesses to register, compile, edit, store, manage, retrieve and share business information, to create, post, publish, edit and share content and comments about businesses operations, to send and receive electronic messages and conduct audio and video teleconferences; Computer network monitoring and control systems; Communications and networking software; Computer software and telecommunication apparatus to enable connection to databases and the global communication network; Computer software and computer programs for digital certification; Computer software and programs for mobile application acceleration; Computer software and programs for collection and management of big data; Application, database, web and file servers; Computer software for hosting of digital content on the Internet; Computer software for network and information technology security; Content distribution network (CDN) systems; Computer hardware and software for use in data transformation, indexing, conversion, storage, retrieval, distribution and in record management; Apparatus and instruments for monitoring of telecommunication network and data communication networks; Computer software for use in resource planning; Internet and web-based application software; Apparatus and equipment for recording, processing, receiving, reproducing, transmitting, modifying, compressing, decompressing, broadcasting, merging and/or enhancing sound, video images, graphics and data; Computer firmware; Computer hardware and computer

software for a wireless technology to provide communication between multiple computers and between computers and local and global computer networks; Digital communication systems; Network interface devices; Network communication apparatus; Voice messaging systems; On-line and off-line electronic payment apparatus; Computer software and application software for use with mobile phones for providing travel information, including information about flights, hotels, travel attractions, insurance, to users; Software for the uploading, posting, displaying, tagging, blogging, sharing or providing of electronic media or information over communications networks or the Internet; Personal information management software; Portable telecommunication instant messaging devices; Game software and entertainment software for use with mobile devices; Downloadable publications and software supplied on-line from a mobile telecommunication network or the Internet; Computer hardware and software for facilitating and processing electronic payment and for transferring funds to and from others; Billing application software specifically designed to facilitate automated payment of multiple bills; Bank credit, debit, cash, cheque and identification cards, all being encoded or magnetic; Encoded cards used in relation to the electronic transfer of funds and other financial transactions; Cash payment service computer terminals; Sound recording strips; PDA (personal digital assistant); Blockchain-based computer software and application software [downloadable]; Cloud computing software; Encryption software for use in the field of virtual currency and cryptocurrency; Security tokens [encryption devices]; Bank note counters; Counterfeit bank notes and coin detecting machines; Apparatus for processing card transactions and data relating thereof and for payment processing; Card readers and authentication apparatus for encoded or magnetic data carriers; Apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; Video tapes, audio tapes, compact discs, DVDs and other digital recording media; Mechanisms for coin-operated apparatus; Cash dispensers cards; Cash dispensers and parts and fittings therefor, talking machines, cash registers, automatic teller machines; Computer hardware and software, computer programmes for use in cash

dispensers and all relating to banking; Computer software to enable sharing of multimedia content and comments among users about businesses operations, to send and receive electronic messages and conduct audio and video teleconferences; Scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments; Apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling the distribution or use of electricity; Apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data; Recorded and downloadable media, computer software, blank digital or analogue recording and storage media; Mechanisms for coin-operated apparatus; Cash registers, calculating devices; Computers and computer peripheral devices; Diving Suits, divers' masks, ear plugs for divers, nose clips for divers and swimmers, gloves for divers, breathing apparatus for underwater swimming; Fire-extinguishing apparatus; All included in class 9.

Class 35:

Auditing services; Payroll preparation; Telephone answering (for others); Arranging subscriptions to telecommunication services for others; Invoicing; Relocation services for businesses and corporations; Data search (for third parties) in computer files; Commercial administration of the licensing of the goods and services of others; Import-export agency; Targeted marketing; Website traffic optimisation; Administration relating to marketing; Design of marketing material; Planning of marketing strategies; Preparation of reports for marketing; Product marketing; Provision of information relating to marketing; Commercial information services provided by access to a computer database; Provision of customer loyalty, incentive and reward programs; Management, supervision and promotional services relating to customer loyalty, incentive and reward programs; Promoting the sale or provision of the goods or services of third parties through customer loyalty, incentive and reward programs, merchant currency for single or multiple merchants; Customer relationship management; Registration services (customer services) for credit cards, charge cards, cash cards, cheque guarantee cards, debit cards, payment cards,

relating to all of the aforesaid services; Corporate communication services; Advertising; Publicity; Commercial information agency services; Business management consultancy; Business appraisals; Professional business consultancy; Business advice and information; Commercial intermediation services; Marketing and promotional services; Business and market research and consultancy; Business inquiries; Business investigations; Business management; Business organization consultancy, assistance and advisory services; Business administration, office functions; Rental of advertising space on communication media; Rental of advertising time on communication media; On-line trading services relating to electronic auctioneering and providing online business evaluation relating thereto; Compiling, maintaining and providing business directories; Business evaluation services; Business and commercial information services, all provided on-line from a computer database, computer network, global computer network or the internet; Economic analysis for business purposes; Business referral services; Tax services (business management and accountancy services); Accounting; Administrative processing of purchase orders; Systematization and compilation of information into computer databases; Data handling, processing, updating, administering, storage, retrieval, maintenance and management services; Advertising by mail order; The bringing together, for the benefit of others, of a variety of goods and services, enabling customers to conveniently view and purchase those goods and services from an Internet web site particularly specializing in the marketing of the sale of goods and services of others; Internet retail services; Presentation of goods on communication media, for retail purposes; Sales promotion and management for others; Procurement services for others (purchasing goods and services for other businesses); Opinion polling; Sponsorship search; Providing shopping information; Catalogue mail order services; Business strategies; Online business networking services; Arranging and conducting of fairs and exhibitions for business purposes; Digital currency business networking services; Business administration and business management in the field of financial services, financial technology, digital currency, cryptocurrency and virtual currency, and blockchain technology information, consultancy

and advisory services relating to all the aforementioned services; Business advisory services and business information relating to banking, finance, monetary affairs and the stock market; Company record keeping; Employee benefit services; Company data information services; Economic advisory services; Company data information services; Economic advisory services; Preparation of statement of account; Book-keeping; Cost price analysis; all included in Class 35.

Class 36:

Providing financial information via websites; Processing of credit card payments; Exchanging money; Providing financial information via a web site; Processing of debit card payments; Online banking; Business liquidation services, financial; Organization of collections; Provision of financial information via an online calculator; Provision of online financial calculators; Electronic settlement of account via mobile wireless Internet; Safety deposit and issuing of e-coupons and e-tickets services; Capital investment; Provision of finance for consumers; Financial management; Mortgage financing services; Provision of home equity loans; Financial leasing and management services; Loan financing and financing related services provided online from a computer database or the internet or on a mobile application; Lending against security; Factoring; Financial services relating to credit card customer loyalty and reward programs; Providing rebates at participating establishments of others through use of a membership card; Credit card cash advance services; Credit card issuance; Personal loan services; Mortgage services; Deposit services; Arranging insurance; Estimates for financial purpose; Financial assessments relating to insurance, banking and real estate; Issue of securities; Futures brokerage; Stock market services; Art appraisals; Brokerage of real estate; Evaluation of real estate; Pawnbrokerage; Provident fund services; Insurance intermediary services; Financial intermediary services; Provision of advice relating to the supply of insurance and insurance products; Provision of financial advice relating to the supply of consumer goods and services including insurance, telecommunications services, utilities, financial products, tax advisors, estate agents; Financial forecasting and analysis; financial strategy planning services; Credit intermediation; Broking and

brokerage services in relation to insurance, banking, financial services, telecommunications and utilities; Instalment loans; Capital investment; Loan [financing]; Financing services; Mortgage banking; Financial analysis; Financial consultancy; Financial information; Debt advisory services; Providing financial information online from a computer database or Internet; Credit bureaux; Banking services; Mutual funds; Fund investments; Savings bank services; Financial and asset management; Financial planning; Investment services; Securities financing; Commodities brokerage and trading; Securities brokerage services; Options and margin trading services; Bullion broking; Currency exchange; Provision of security margin financing facilities; Custodian trustees and nominees; Financial brokerage; Corporate financing services; Credit card services; Lending services; Investment information; Insurance information; Arranging of discount and privileges at selected merchants exclusively for credit card holders; Financial transaction services, namely, electronic funds transfer; Provision of electronic payment services; Financial transaction services, namely, providing secure commercial transactions and payment options using a mobile device at a point of sale; Electronic credit card transaction processing, debit card services, pre-paid purchase card services, namely, processing electronic payments made through prepaid cards and processing electronic payment through pre-paid cards, processing electronic payments made through loyalty cards; Charge card services and cheque guarantee services; Electronic payment, namely, electronic processing and transmission of credit card transactions, wireless wallets, mobile wallets, electronic wallets, wireless credit, debit and prepaid credit cards; Issuance of stored valued cards; Providing secure commercial transactions and payment options relating to finance; Bill payment services; Automated payment services; Electronic payment services conducted via a global communications network; Management and execution of electronic bill payment, electronic purchase payments, fund transfers, and other value exchanges, management and execution of financial transactions using mobile communication devices; Clearing and reconciling financial transactions via a global computer network; Providing a wide variety of payment and financial services,

namely, issuing credit cards and lines of credit, processing and transmission of bills and payments thereof, bill payment services with guaranteed payment delivery, and brokerage of money market funds, all conducted via a global communications network; Reimbursement of funds for disputed items in the field of electronic payment purchasers; Providing purchase protection services (financial services) for goods and services purchased by others via a global computer and wireless networks; Credit services, namely, providing revolving credit account services; Electronic foreign exchange payment processing; Payment processing services, namely, providing virtual currency transaction processing services for others; Providing secure financial transaction in the nature of electronic cash transactions, electronic credit card transactions, electronic debit transactions, electronic check processing transaction and electronic transmission of bill payment data via a global computer network; Internet-secure electronic transaction solutions for ecommerce, namely processing electronic custody, banking, cash management, trade finance transactions and payments; Financial administration services; Issuance and redemption of cryptocurrency, digital currency, electronic cash and electronic money; Issuing of notes, coins, drafts and bills of exchange; Agency services for buying, selling and storing gold coins and bars; Investment services and analysis services of gold; Registration services for credit cards, charge cards, cash cards, cheque guarantee cards, debit cards, payment cards, financial cards and purchase cards; Telephone banking services; Mortgage bank insurance; Research and advisory services relating to banking, finance, monetary affairs and the stock market; Valuation of businesses and companies; Investment banking services; Financial trading; Financial management and administration of digital assets such as cryptocurrency, digital tokens, virtual currency and digital currency; Raising of capital; Electronic funds transfer; Investment management; Private equity funds services; Hedge funds; Investment trust services; Executor and trustee services; Electronic banking services and financial services; Safety deposit and issuing of travel vouchers services; Financial evaluation [insurance, banking, real estate]; Stock exchange quotation services; Credit verification via

global computer information network;
Electronic credit risk management service;
Financial accounts debiting and crediting services; Telephone credit card services; Tax information supply (financial services); Charitable fund raising; Organizing of charitable collections; Charitable collections; Rental of paper money and coin counting or processing machines; Rental of cash dispensers or automated-teller machines; Arranging finance for construction projects; Monetary transaction services; Automated payment of accounts provided on-line from the Internet; International commodity trading and exchanges services for others; International financial exchange and monetary services; Integrated financial clearing house services; Investment fund transfer and transaction services; Operation of financial derivatives markets; Financial derivative and trading services relating to bitcoins; Providing a virtual currency for use by members of an on-line community via a global computer network; Electronic financial trading, namely trading in the field of digitised assets such as bitcoins, crypto currency, digital tokens, virtual currency and digital currency; Insurance brokerage; Financial sponsorship; Investment schemes and accounts; On-line financial, banking, savings, payment and credit facilities; Home banking and Internet banking; Advisory, consultancy and information services relating to the aforesaid services; Cash management; Cheque account services; Verification of cheques; Organising financial collections; Credit agency; Credit brokerage; Credit recovery agency; Provision for finance for credit sales; Debt collection and recovery agency; Debt factoring; Deposit taking; Discount card services; Escrow services; Provision and raising of finance; Hire-purchase financing; Investment advice; Investment research and survey; Issuing and redemption of travellers' cheques and gift cheques; Lease-purchase financing; Lending against security; Lending on mortgage; Arranging and provision of loans against security; Market-making; Merchant banking; Money order services; Mortgage broking; Pawn broking; Pension services; Investment portfolio management services; Preparation of financial reports and analyses; Provision of information relating to rates of exchange; Savings account services; Share underwriting; Financial studies; Provision of finance for trade credit; Unit trust services; Estate

agency and management services; Stock broking agency services; Bonding; Fiduciary services; Provision of financial guarantees; Surety services; Share registration services; Professional consultancy services relating to banking or finance; Conducting surveys relating to banking or finance; Insurance; Financial affairs; Monetary affairs; Real estate affairs; all included in Class 36.

Class 38:

Videoconferencing services; Video-on-demand transmission; Communication services; Communication services between computers; Communication services for the electronic transmission of data; Communication services for the transmission of information; Communication services for the transmission of information by electronic means; Providing customers with online access to online reports regarding the performance, effectiveness, and status of web-based applications, teleconferences, videoconferences, and meetings; Providing users with secure remote access via the Internet to private computer networks; Telecommunication services by providing online collaboration services allowing users to access applications, platforms, jointly-shared documents, data and task lists; Providing telecommunication channels for teleshopping; Digital transmission of voice, data, images, audio, video, signals, messages and information; Electronic bulletin board services; Mobile and electronic communication services; Data transfer and information transfer services via computer networks; Television broadcasting; Communications by computer terminals; Mobile phone communications; Electronic files and data transfer; Telecommunications of information (including web pages), computer programs and any other data; Electronic mail services; Providing user access to the Internet; Providing telecommunications connections to the Internet or databases; Providing access to e-commerce platforms on the internet; Providing access to a global computer network to facilitate peer-to-peer transactions; Providing multiple-user access to a global computer information network; Telecommunications services relating to the provision of secure transactions on the Internet; Message sending; Computer aided transmission of messages and images; Electronic bulletin board services [telecommunications services] for the posting and transmission of messages among and between

computer users concerning products, services and business opportunities; Providing user access to global computer networks; Providing internet chatrooms; Providing access to databases; Transmission of greeting cards online; Transmission of digital files; Providing online forums; Streaming of data; Wireless broadcasting; Providing electronic transmission of credit card, charge card, stored value and debit card and online account payment data via a global computer network; Transmission of information for carrying out transactions in electronic form over the Internet or other communication networks or other electronic means (including all mobile or wireless devices); Telecommunication services for the transmission, provision or display of information from a computer-stored information bank or via the Internet; Providing multi-user access to secure computerised information network for the transfer and dissemination of a range of information in the field of financial services; Online electronic transmission services for use in handling of secure payment transactions; Providing electronic mail and electronic mail forwarding services; Providing access to a web site on a global computer network by which third parties can offer goods and services, place and fulfill orders, enter into contracts and transact business; Providing computer links to third party web sites to facilitate e-commerce and real world business transactions; Providing access to electronic calendar, address book and notes feature, via local and global computer networks; Electronic transmission of data and information; Information, advisory and consultancy services relating to all the aforesaid services; Transmission of text, data, pictures, images, video, voices, information and messaging by mobile devices and computer terminals; Leasing of access time to a central database server; Instant messaging services on mobile phones and computer terminals; Communication services over mobile telecommunication networks and computer networks; Communication services for accessing a database; Internet protocol transmission services; Communications via fiber-optic networks; Pay-mobile telephone communication services; Telecommunication services relating to banking, financial and insurance services; Transmission (including on-line transmission) of financial transactions; Computer aided transmission of

messages, documents, data, information and images; News agency services; Rental of message sending apparatus; Telegraph services; Wire services; Telecommunication of information, web pages, computer programs and data; Providing access to on-line databases in the fields of portfolio management tools and account information; Providing access to on-line databases relating to news, information research, data, analysis, all for use in the fields of investment, finances, and financial planning; Providing access to on-line databases in the fields of portfolio management, tools and account information via a global communication network; Providing access to databases relating to financial decision making tools and financial investment research tools via a global communication network; Providing access to on-line databases relating to news, information, research, data, analysis, all for use in the fields of investments, finances, and financial planning, via a global communication network; Providing direct connection services between computer users for exchanging data; Providing computer access and leasing access time to online interactive bulletin boards and databases; Transmitting information, data, documents, and images over the Internet; Providing an online access to interactive computer database featuring movies programming, previews, trailers, sports, concerts, celebrity and entertainment news and other related information; Consulting services relating to electronic data interchange in the field of banking and finance; Telecommunications; All included in Class 38.

Class 42:

Design and development of multimedia software applications; Software design for mobile applications; Monitoring of computer systems to detect breakdowns; Monitoring of computer systems for detecting unauthorized access or data breach; Electronic monitoring of personally identifying information to detect identity theft via the internet; Graphic art design; Conversion of computer programs and data, other than physical conversion; data security consultancy; Consulting in the field of information technology related to insurance; Electronic monitoring of credit card activity to detect fraud via the internet; Database design; Design of computer databases; Design and development of online calculators; Hosting of online calculators (computer services); Research and development

of new products for others; Quality control; Computer software design; Valuation of intangible assets; Providing on-line non-downloadable operating software for accessing and using a cloud computing network; Providing on-line non-downloadable software for software development and website development; Providing on-line non-downloadable software for operating and maintaining computer networks and servers; Providing on-line non-downloadable software for database management; Providing a full line of on-line non-downloadable business and application software; Application service provider (ASP), namely, providing, hosting, managing, developing, and maintaining applications, software, web sites, and databases; Providing information in the fields of computers, computer software, computer networks and the development and operation of computer systems, software and networks; Computer services relating to customization of computer hardware and software; Computer hardware and software consulting services; Consulting in the field of information technology; Consulting in the field of cloud computing networks and applications; Design and development of networks and network software and applications; Leasing computer facilities; Software as a service (SaaS) services for database design and development; Software as a service (SaaS) services for use in database management; Design and development of computer software for e-commerce portals; Providing (hosting) an online platform and interactive website for use in providing retail and ordering services for a wide variety of consumer goods and services of others; Electronic storage of files, documents and databases; Design, development, and implementation of software for distributed computing platforms; Design, development, and implementation of software for blockchains; Software development and product development consulting in the field of distributed computing platforms; Analysis of product safety information by using algorithms; Product safety testing services; Safety testing of consumer products; Technical advice relating to product safety; Digitization of document [scanning]; Development of computer platforms; Computer programming; Updating of computer software; Maintenance of computer software; Computer system analysis; Computer system design; Computer software consultancy; Software as a service [SaaS]; Web site design

consultancy; Cloud computing; Computer virus protection services; Computer technology consultancy; Computer security consultancy; Consultancy in the design and development of computer hardware; Conversion of data or documents from physical to electronic media; Data security consultancy; Data encryption services; Electronic data storage; Information technology [IT] consultancy; Providing information on computer technology and programming via a web site; Computer services in relation to providing an interactive website featuring technology that allows users to enter, access and synthesize information and generate reports for use in insurance selection and underwriting; Designing, creating and hosting of bill payment websites; Data conversion from one digital/electronic format to another; Computer services; Computer system software services; Design and development of web pages; Advisory and consultancy services relating to all the aforesaid services; Platform as a service [PaaS]; Computerised business information storage; Rental of computer software; Providing computer or wireless terminal application services featuring software to enable or facilitate the uploading, posting, displaying, tagging, blogging, sharing or providing of electronic media or information over communications networks or the Internet; Providing computer services for downloading computer software via mobile telecommunication networks and the Internet; Maintenance and upgrading of computer networks; Computer network and time-sharing services; Design, development, updating and upgrading of game software and entertainment software; Hosting computer sites (web sites); Rental of web servers; Providing search engines for the internet; Computer development services for Intranet and web-based portals; Computer services provided on-line, interactive or via the Internet; Design and development of computer hardware and software for authentication of identity; Computer consultancy services relating to electronic business transactions; Providing temporary on-line use of non-downloadable software for use in financial trading, financial transaction, financial management and administration, electronic commerce, payment processing via global communications network, and financial management and administration of digital assets; Providing temporary on-line use of non-downloadable software; Providing on-line

non-downloadable computer software for use in blockchain technology; Designing, creating and hosting an online platform for processing electronic payment, financial trading, financial transaction, financial management and administration, electronic commerce, payment processing via global communications network, and financial management and administration of digital assets; Technical research, information, consultancy and advisory services relating to all the aforementioned service; Technical project studies; Application service provider (ASP) services, namely, hosting computer software applications of others; Application service provider (ASP) services providing software in the fields of web-based conferencing, audio conferencing, electronic messaging, document collaboration, video conferencing, and voice and call processing; Technical support (technical consultancy) services relating to computer software and applications provided online, by email and by telephone; Computer services, namely, creating an online community for registered users to participate in discussions, get feedback from their peers, form virtual communities, engage in social networking, and exchange documents; Computer service relating to creating indexes of information, sites and resources on computer networks; Computer integration services; Hosting computer application software for searching and retrieving information from databases and computer networks; Product testing and evaluation services; Provision of computer security risk management programs; Computer security information, knowledge, and testing services; Quality assurance services; Computer services relating to certification of business transactions and preparation of reports therefor; Security of data transmission and of transactions via computer network; Computerized communication network security services; Providing information in the fields of Internet, world wide web and computerized communication network security; Authentication services for computer security; Off-site data backup; Providing temporary use of non-downloadable cloud-based software and cloud computing software; Providing virtual computer systems and virtual computer environments through cloud computing; Rental of computer hardware and software for use in electronic banking services; Updating of game software in the Internet; Creating and maintaining web sites for others; Design,

development, rental and leasing of computers and computer software for use in banking or financial services; Scientific and technological services and research and design relating thereto; Industrial analysis and industrial research services; Design and development of computer hardware and software; All included in class 42.

Class(es) No(s) .:

[511] 貨品 / 服務說明: Class 9:
Specification: Computer software for assisting a user by providing real time guidance, performance, and execution tools for assisting with the concurrent navigation, execution and operation of other software or website features and functions; computer software for assisting a user by providing real time guidance, performance, and execution tools for others, such as the interactive creation of online instructional guides to accomplish tasks on a website or software or other Internet platforms; computer software for manipulating and changing display of a website or software to introduce interactive elements, widgets, tool-tips or textual information; computer software for composing and editing automation rules and digital walkthroughs for a website

or another software; computer chatbot software for simulating conversations and for performing actions based on user instructions; augmented reality software for providing augmented reality display related to usage guidance; computer software for receiving messages and displaying notifications relating thereto; web-browser extension software for modifying websites and web documents.

Class 35:

Compiling and analyzing statistics, data and other sources of information for business purposes; business data analysis services in the field of employee training, employee productivity, employee onboarding and customer onboarding; business process discovery service, namely automatically identifying frequent business processes performed by users; business monitoring and consulting services, namely, tracking web sites and applications of others to provide strategy and insight regarding marketing, sales, operations or product design, namely using analytic and statistic models for the understanding and predicting of consumers, businesses, and market trends and actions; monitoring usage of websites for business purposes; conducting business surveys; conducting employee surveys for others for purposes of improving employee performance, productivity and adoption of features.

Class 42:

Providing temporary use of non-downloadable software for assisting a user by providing real time guidance, performance, and execution tools for assisting with the concurrent navigation, execution and operation of other software or website features and functions for website or application development; providing temporary use of non-downloadable software for assisting a user by providing real time guidance, performance, and execution tools for others, such as the interactive creation of instructional guides to accomplish tasks on a website or software or other Internet platforms; providing temporary use of non-downloadable software for manipulating and changing display of a website or software to introduce interactive elements, widgets, tool-tips or textual information; providing temporary use of non-downloadable software for tracking user engagement, user productivity, efficiency or adoption of features, in another software or on a website; computer services for the analysis of data, namely analysis of execution of multiple separate web-sites or

applications, for the purpose of tracking cross-platform activity of users; providing temporary use of non-downloadable chatbot software for simulating conversations and performing actions based on user instructions; providing temporary use of non-downloadable software for recording user activity on an application, a website, or a combination thereof, and for displaying recorded activities to authorized users; providing temporary use of non-downloadable software for providing augmented reality display related to usage guidance; providing temporary use of non-downloadable software for using Application Programming Interface (API) for providing reports using third-party software and for activation functionalities in third-party software; monitoring usage of computer software for business purposes.

Specification: Computer hardware; computer networking
hardware; computer network switches, servers
and routers; computer hardware containing
network security functionality, including
firewalls, data encryption, and/or
interoperability with network security
protocols; computer software for securing
mobile devices; computer software for
administering, managing, and monitoring
network traffic and access, optimizing network
performance, performing network diagnostics,
detecting malware and network threats, and
reporting network security and performance
analytics; computer software that provides

monitoring, analysis, auditing, management, detecting, classifying, protecting, reporting, and securing of sensitive information and data located in cloud computing environments for computer and mobile applications, computer and mobile platforms, and user interfaces related thereto; computer software for ensuring the security of data located in cloud computing environments; computer software and applications for providing user behavior analytics, security forensics, risk management, data loss prevention, cloud data protection, data governance, compliance monitoring, data rights management, data security, and secure storage and access to data, files and media; computer software platforms for locating, assessing, measuring and remediating suspected malware that targets computing devices; computer software for location based analytics of website and internet traffic; computer software for database management; VPN (virtual private network) operating software; software for computers and mobile devices to secure remote access via the internet to private computer networks; computer software and computer hardware for network security, email and web security, secure access control, user identification, encryption and security management; messaging and network security appliances comprising computer hardware and software for detecting, blocking, and automating the removal of computer viruses and threats, encrypting and authenticating data, preventing data loss, recovering data, securing networks, and detecting, filtering, analyzing, managing and blocking electronic communications; computer hardware and software for data centers for use in collecting, analyzing and reporting of computer network and telecommunications data; computer software and network security hardware for use in detection and prevention of network intrusions and malware and for controlling and managing network user access and for enforcement of network policies; computer software and network security hardware for monitoring, analyzing or reporting of network information, data and traffic; computer software and network security hardware for optimizing computer system resources and availability; downloadable electronic publications in the nature of e-books, compliance guides, data sheets, and reports in the fields of cloud computing and data security for public cloud computing environments; downloadable webcasts,

webinars, case studies, audio files, and videos in the fields of cloud computing and data security for cloud computing environments.

Class 41:

Providing a website featuring blogs and online non-downloadable publications in the nature of e-books, compliance guides, data sheets, and reports in the fields of cloud computing and data security for cloud computing environments; providing a website featuring online non-downloadable webcasts, webinars, case studies, audio files, and videos in the fields of cloud computing and data security for cloud computing environments.

Class 42:

Computer consulting services; Customer technical support services; Technical support services in the fields of computer, data, email, web and network security; Monitoring of network systems for technical and computer security purposes and troubleshooting in the nature of diagnosing computer hardware and software problems; Computer services, namely, detecting, blocking, and automating the removal of computer network intrusions, malware, viruses and threats, encrypting and authenticating data, preventing data-loss, recovering data, securing networks, and detecting, filtering, analyzing, managing and blocking electronic communications; Computer services, namely, filtering of unwanted e-mails; On-line technical support services, namely collecting information from members regarding unwanted e-mails, and reporting information to network administrators; Computer services, namely, hosting on-line web facilities for others for setting up and monitoring wireless networks, managing users, applying software updates, setting bandwidth limits, and maintaining branded splash pages; Software as a service (SAAS) services, namely, hosting software for use by others for detecting, blocking, and automating the removal of computer network intrusions, malware, viruses and threats, encrypting and authenticating data, preventing data-loss, recovering data, securing networks, and detecting, filtering, analyzing, managing and blocking electronic communications; Software as a service (SAAS) services featuring software for data centers for use in collecting, analyzing and reporting of computer network and telecommunications data; Software as a service (SAAS) services featuring software that provides monitoring,

analysis, auditing, user behavior analytics, security forensics, risk and data management, data loss prevention, cloud data protection and threat detection, as well as classifying, reporting and securing sensitive information on computers and mobile applications and platforms, and presenting such sensitive information in an easy to understand user interface; Software as a service (SAAS) services, namely, hosting software for use by others for data security purposes by providing authentication; Consulting services in the field of design, selection, implementation, management and use of computer hardware and software systems for others; Consulting services in the field of data analytics, telemetry and computer networking; computer network design; Providing software technological support services and consultation in the field of computer software, development and use of computer hardware, use of networking equipment, computer network design, storage design, network security, cloud security, data center design and analytics; Consulting services in the field of cloud computing; cloud computing featuring software for use in securing data located in a cloud computing environment; Computer security services, namely, enforcing, restricting and controlling access privileges of users of cloud computing resources based on assigned credentials; Computer security services, namely, restricting access to and by computer networks to and of undesired websites and media; Computer virus protection services; Internet security services, namely, globally monitoring and collecting cybersecurity intelligence in the nature of collecting and disseminating information from computer networks about cyber threats and malware; Monitoring of computer systems for security purposes; Providing security threat management systems, namely, monitoring and tracking of security vulnerabilities and problems in computer software products, the Internet, and computer networks; Computer network and Internet security services; Research in the field of cybersecurity; Providing information in the field of computer network and Internet security; Providing technical information in the field of computer software applications; Providing technical information in the field of big data computer network security analytics; Information services, offered through reports accessible over a global computer network, providing statistical

information about high volume internet messages and other network communications for use in management of information systems.
