The Government of the Hong Kong Special Administrative Region

### **接納註冊 (全文本)**

商標註冊處處長已根據《商標條例》(第 559 章)第 42 條,接納下列商標的註冊申請。現根據《商標條例》第 43 條及《商標規則》(第 559 章附屬法例)第 15 條,公布申請的詳情。

根據《商標條例》第 44 條及《商標規則》第 16 條,任何人擬就下列商標的註冊提出反對,須在本公告公布日期起計的三個月內,採用表格第 T6 號提交反對通知。(例如,若果公布日期為 2003 年 4 月 4 日,則該三個月的後一日為 2003 年 7 月 3 日。)反對通知須載有反對理由的陳述及《商標規則》第 16(2)條所提述的事宜。反對人須在提交反對通知的同時,將該通知的副本送交有關申請人。

有關商標註冊處處長根據商標條例(第 43 章)第 13 條/商標條例(第 559 章)附表 5 第 10 條所接納的註冊申請,請到 <http://www.gld.gov.hk/cgi-bin/gld/egazette/index.cgi?lang=c&agree=0> 檢視電子憲報。

### **ACCEPTANCE FOR REGISTRATION (FULL VERSION)**

The Registrar of Trade Marks has accepted the following trade marks for registration under section 42 of the Trade Marks Ordinance (Cap. 559). Under section 43 of the Trade Marks Ordinance and rule 15 of the Trade Marks Rules (Cap. 559 sub. leg.), the particulars of the applications are published.

Under section 44 of the Trade Marks Ordinance and rule 16 of the Trade Marks Rules, any person who wishes to oppose the registration of any of these marks shall, within the 3-month period beginning on the date of this publication, file a notice of opposition on Form T6. (For example, if the publication date is 4 April 2003, the last day of the 3-month period is 3 July 2003.) The notice of opposition shall include a statement of the grounds of opposition and the matters referred to in rule 16(2). The opponent shall, at the same time as he files the notice of opposition, send a copy of it to the applicant of the application in question.

For applications for registration accepted by the Registrar of Trade Marks under section 13 of the Trade Marks Ordinance (Cap. 43)/section 10 of Schedule 5 to the Trade Marks Ordinance (Cap. 559), please view e-gazette at <http://www.gld.gov.hk/cgi-bin/gld/egazette/index.cgi?lang=c&agree=0>.

hoses used in machines, plastics pipes [fitted parts of machines], hydraulic connectors [pipes] being parts of machines, parts and fittings for all the aforesaid goods; resin hoses for hydrogen station; air springs [parts of machines]; transmission belts (not for land vehicles); brakes (for machines); rubber tracks being parts of snow ploughs; crimping machines for use in swaging hoses and metal couplings, apparatus, parts, and attachments thereof; hose cutting machines and apparatus and parts and attachments thereof; hose cleaning machines and apparatus and parts and attachments thereof; metal hardware inserting machines and apparatus and parts and attachments thereof for use in the assembly of industrial hose fittings; metal hardware engraving machines for industrial hose fittings; jigs for extending springs of swaging machines for use in the assembly of industrial hoses; jigs for marking the length for inserting metal hardware for use in the assembly of industrial hose fittings; electric pumps; dies; pneumatic chucks; pneumatic holders for take-up rollers; hydraulic hoses and other fluid hoses, not of metal, for metalworking machines, mining machines, construction machines, loading-unloading machines, industrial fishing machines, chemical processing machines, textile machines, food processing machines, beverage processing machines, lumbering machines, woodworking machines, veneer and plywood machines, pulp making machines, papermaking machines, paper-working machines, printing machines, bookbinding machines, agricultural machines, shoe making machines, leather tanning machines, cigarette machines, glassware manufacturing machines, painting machines, packing machines, plastic processing machines, semiconductor manufacturing machines, rubber manufacturing machines, stone working machines, non-electric prime movers, pneumatic or hydraulic machines, repairing or fixing machines, mechanical parking systems, vehicle washing machines, power sprayers for disinfecting, insecticides and deodorants, lawnmowers, curtain drawing devices electrically operated, waste compacting machines and waste crushing machines; non-metal hoses for fluid force transfer for metalworking machines, mining machines, construction machines, loading-unloading machines, industrial fishing machines, chemical processing machines, textile machines, food processing machines, beverage

processing machines, lumbering machines, woodworking machines, veneer and plywood machines, pulp making machines, papermaking machines, paper-working machines, printing machines, bookbinding machines, agricultural machines, shoe making machines, leather tanning machines, cigarette machines, glassware manufacturing machines, painting machines, packing machines, plastic processing machines, semiconductor manufacturing machines, rubber manufacturing machines, stone working machines, non-electric prime movers, pneumatic or hydraulic machines, repairing or fixing machines, mechanical parking systems, vehicle washing machines, power sprayers for disinfecting, insecticides and deodorants, lawnmowers, curtain drawing devices electrically operated, waste compacting machines and waste crushing machines; non-metal hoses for hydraulic system for metalworking machines, mining machines, construction machines, loading-unloading machines, industrial fishing machines, chemical processing machines, textile machines, food processing machines, beverage processing machines, lumbering machines, woodworking machines, veneer and plywood machines, pulp making machines, papermaking machines, paper-working machines, printing machines, bookbinding machines, agricultural machines, shoe making machines, leather tanning machines, cigarette machines, glassware manufacturing machines, painting machines, packing machines, plastic processing machines, semiconductor manufacturing machines, rubber manufacturing machines, stone working machines, non-electric prime movers, pneumatic or hydraulic machines, repairing or fixing machines, mechanical parking systems, vehicle washing machines, power sprayers for disinfecting, insecticides and deodorants, lawnmowers, curtain drawing devices electrically operated, waste compacting machines and waste crushing machines; easy removable hydraulic couplings and other fluid couplings for high-pressure hoses used for machines, not for land vehicles; plastic pipes for chemical processing machines, textile machines, food processing machines, beverage processing machines, lumbering machines, woodworking machines, veneer and plywood machines, pulp making machines, papermaking machines, paper-working machines, printing machines, bookbinding machines, agricultural machines, shoe making machines, leather tanning machines, cigarette machines,

glassware manufacturing machines, painting machines, packing machines, plastic processing machines, semiconductor manufacturing machines, rubber manufacturing machines, stone working machines, non-electric prime movers, pneumatic or hydraulic machines, repairing or fixing machines, mechanical parking systems, vehicle washing machines, power sprayers for disinfecting, insecticides and deodorants, lawnmowers, curtain drawing devices electrically operated, waste compacting machines and waste crushing machines; couplings for hydraulic hoses, hydraulic connecting tubes, other fluid hoses and tubes for metalworking machines, mining machines, construction machines, loading-unloading machines, industrial fishing machines, chemical processing machines, textile machines, food processing machines, beverage processing machines, lumbering machines, woodworking machines, veneer and plywood machines, pulp making machines, papermaking machines, paper-working machines, printing machines, bookbinding machines, agricultural machines, shoe making machines, leather tanning machines, cigarette machines, glassware manufacturing machines, painting machines, packing machines, plastic processing machines, semiconductor manufacturing machines, rubber manufacturing machines, stone working machines, non-electric prime movers, pneumatic or hydraulic machines, repairing or fixing machines, mechanical parking systems, vehicle washing machines, power sprayers for disinfecting, insecticides and deodorants, lawnmowers, curtain drawing devices electrically operated, waste compacting machines and waste crushing machines; tires for scrapers; tires for motor graders; tires for shovel loaders; tires for tire rollers; tires for wheel cranes; tires for cranes; tires for snow ploughs; tires for mining machines; arc welding machines; electric metal cutting machines; electric welding machines; gasoline station equipment.

Class 9:

Electronic machines and apparatus, and their parts and accessories; electronic machines, apparatus and their parts for remote monitoring systems; wireless remote control systems and devices for vehicles; telecommunication machines and apparatus, and their parts and accessories; computer software and computer hardware; computer programs; computer programs for data processing; computer programs for repair or maintenance of

metalworking machines and apparatus, construction machines and apparatus, loading-unloading machines and apparatus, mining machines and apparatus, agricultural machines and implements, forest machines and apparatus; computer programs for managing position and battery, operational status and maintenance information of metalworking machines and apparatus, construction machines and apparatus, loading-unloading machines and apparatus, mining machines and apparatus, agricultural machines and implements, forest machines and apparatus; tablet computers, and their parts and accessories; tablet computer terminals to measure the operation status of machine tools and to collect the operation data of machine tools by installing to the machine tools, and their parts and accessories; electrical control, testing and monitoring apparatus, and their parts and accessories; batteries and cells; battery boxes; capacitors; accumulators [batteries]; battery terminal; vehicle batteries; battery chargers for battery vehicles, and their parts and accessories; measuring or testing machines and instruments, and their parts and accessories; surveying machines and instruments, and their parts and accessories; power distribution or control machines and apparatus; LCD monitors; computer monitors; touchscreen monitors; tablet monitors; electroluminescent display panels; computer display monitors; electronic numeric displays; electrical controlling devices; electrical charge controllers; electronic power controllers; electronic speed controllers; pressure sensors; condensers; capacitance boxes; software recorded with computer programs; connectors [electricity]; electronic connectors; electric wires and cables; cables, electric; sensors [measurement apparatus], other than for medical use; optical sensors; humanoid robots with artificial intelligence; remote control telemetering machines and instruments for industrial robots; rotary converters; phase modifiers; electric or magnetic meters and testers; electric buzzers; electrodes, other than welding electrodes or medical electrodes; magnetic cores; resistance wires; laboratory apparatus and instruments; optical machines and apparatus; photographic machines and apparatus; cinematographic machines and apparatus; anti-theft warning apparatus; protective helmets; simulators for the steering and control of vehicles; sports training simulators; tire pressure and tire

temperature monitoring and measuring machines and instruments; bicycle speedometers; terminal devices for collecting information which have saving data measured by remote monitoring and transmitting saved data on demand functions; data transmitting devices for telecommunication; electronic machines and apparatus for measuring, monitoring and transmitting tire pressure and tire temperature; computer programs for managing information regarding tires and vehicles; computer programs for managing information regarding belts for conveyors; computer programs for vehicle drive information, vehicle kinetic information and tire pressure information; computer programs relating to visualization tools for solution effectiveness, such as improvement of productivity, optimization of inventory and improvement of efficiency, by various combinations of products and services; protective eyewear for cycling; bicycle helmets; computers for vehicles with autonomous driving functions or autonomous driving assistance functions; computers for vehicles with automated driving functions or automated driving assistance functions; autonomous driving or automated driving devices for automobiles comprised of telecommunication machines and apparatus, electrical and electronic control apparatus and instruments, remote control apparatus, photographic machines and apparatus, and automatic adjusting/regulating machines and instruments including radar apparatus, scanners [data processing equipment], cameras, video cameras, sensors [measurement apparatus], other than for medical use, and alarms, for autonomous driving or automated driving of automobiles; telecommunication machines and apparatus for autonomous driving or automated driving of automobiles; electrical and electronic control apparatus and instruments for autonomous driving or automated driving of automobiles; remote control apparatus for autonomous driving or automated driving of automobiles; photographic machines and apparatus for autonomous driving or automated driving of automobiles; autonomous parking or automated parking devices for automobiles comprised of telecommunication machines and apparatus, electrical and electronic control apparatus and instruments, remote control apparatus, photographic machines and apparatus, and automatic adjusting/regulating machines and

instruments including radar apparatus, scanners [data processing equipment], cameras, video cameras, sensors [measurement apparatus], other than for medical use, and alarms, for autonomous parking or automated parking of automobiles; telecommunication machines and apparatus for autonomous parking or automated parking of automobiles; electrical and electronic control apparatus and instruments for autonomous parking or automated parking of automobiles; remote control apparatus for autonomous parking or automated parking of automobiles; photographic machines and apparatus for autonomous parking or automated parking of automobiles; radar apparatus, scanners [data processing equipment], cameras, video cameras, sensors [measurement apparatus] other than for medical use, alarms and automatic adjusting/regulating machines and instruments for automobiles comprised thereof; rollers, namely transfer rollers, toner rollers, toner supply rollers and development rollers all being parts of printers, facsimile and copying machines; thread gauges; apparatus and instruments for testing hydraulic resistance of industrial hoses; hydraulic pressure measuring apparatus and instruments; pressure measuring apparatus; instruments for measuring length; slide calipers; downloadable computer software for remote monitoring and analyzing; navigational apparatus for automobiles.

Class 11:

Desiccating apparatus; recuperators; steamers; evaporators; distillation apparatus; heat exchangers; industrial furnaces; forage drying apparatus; boilers, other than parts of non-electric prime movers or engines; feed water heaters [for industrial purposes]; air conditioners; air dehumidifiers; freezing machines and apparatus; waste water treatment tanks for industrial purposes; solar water heaters; water purifying apparatus for industrial purposes; tap water faucets; level controlling valves for tanks; pipe line cocks; bath fittings; water heaters; heaters; apparatus and installations for cooling; temperature regulators; drain pipes for bath tub, bathroom sinks and kitchen; water-pipes for sanitary installations; water-pipes of synthetic resin; water-pipes, not of metal; valves of synthetic resin for water-pipes; plumbing fittings in the form of hose for water heaters; tap water valves; prefabricated bathrooms sold as a unit; bath tubs; bath tubs for prefabricated bathrooms sold as a unit;

bicycle lights; lighting apparatus and installations for bicycles.

Class 12:

Vessels and their parts and fittings; aircraft and their parts and fittings; railway rolling stock and their parts and fittings; automobiles and their parts and fittings; carts; carts [Riyakah]; car dampers; car pushers; car pullers; traction engine; non-electric prime movers for land vehicles, not including their parts; anti-theft alarms for vehicles; machine elements for land vehicles; AC motors or DC motors for land vehicles, not including their parts; self-driving cars; camera drones; civilian drones; dump trucks; fork lift trucks; shaft couplings or connectors, machine elements for land vehicles; bearings, machine elements for land vehicles; vehicle suspension components; shock absorbers, machine elements for land vehicles; springs, machine elements for land vehicles; non-pneumatic tires for wheelchairs; fenders for vessels [boat side protectors]; tires for wheels of aircraft; retreaded tires for wheels of aircraft; non-pneumatic tires for aircraft; inner tubes for aircraft tires; tread rubbers for retreading tires for aircraft; tires for railway cars; retreaded tires for railway cars; non-pneumatic tires for railway cars; inner tubes for railway car tires; wheels for railway cars; tread rubbers for retreading tires for railway cars; tires for Automated Guideway Transit (AGT) vehicles; non-pneumatic tires for Automated Guideway Transit (AGT) vehicles; retreaded tires for Automated Guideway Transit (AGT) vehicles; inner tubes of tires for Automated Guideway Transit (AGT) vehicles; wheels for Automated Guideway Transit (AGT) vehicles; tread rubbers for retreading tires for Automated Guideway Transit (AGT) vehicles; Automated Guideway Transit (AGT) vehicles and their parts and fittings; tires for magnetic levitation trains; non-pneumatic tires for magnetic levitation trains; retreaded tires for magnetic levitation trains; inner tubes for magnetic levitation train tires; wheels for magnetic levitation trains; tread rubbers for retreading tires for magnetic levitation trains; magnetic levitation trains and their parts and fittings; tires for monorail vehicles; non-pneumatic tires for monorail vehicles; retreaded tires for monorail vehicles; inner tubes for monorail vehicle tires; wheels for monorail vehicles; tread rubbers for retreading tires for monorail

vehicles; monorail vehicles and their parts and fittings; tires for Light Rail Transit (LRT) vehicles; non-pneumatic tires for Light Rail Transit (LRT) vehicles; retreaded tires for Light Rail Transit (LRT) vehicles; inner tubes for Light Rail Transit (LRT) vehicle tires; wheels for Light Rail Transit (LRT) vehicles; tread rubbers for retreading tires for Light Rail Transit (LRT) vehicles; Light Rail Transit (LRT) vehicles and their parts and fittings; tires for new transportation system vehicles such as Automated Guideway Transit [AGT], Dual Mode Bus [DMB], Bus Rapid Transit [BRT] and Dual mode vehicle [DMV]; non-pneumatic tires for new transportation system vehicles such as Automated Guideway Transit [AGT], Dual Mode Bus [DMB], Bus Rapid Transit [BRT] and Dual mode vehicle [DMV]; retreaded tires for new transportation system vehicles such as Automated Guideway Transit [AGT], Dual Mode Bus [DMB], Bus Rapid Transit [BRT] and Dual mode vehicle [DMV]; inner tubes of tires for new transportation system vehicles such as Automated Guideway Transit [AGT], Dual Mode Bus [DMB], Bus Rapid Transit [BRT] and Dual mode vehicle [DMV]; wheels for new transportation system vehicles such as Automated Guideway Transit [AGT], Dual Mode Bus [DMB], Bus Rapid Transit [BRT] and Dual mode vehicle [DMV]; tread rubbers for retreading tires for new transportation system vehicles such as Automated Guideway Transit [AGT], Dual Mode Bus [DMB], Bus Rapid Transit [BRT] and Dual mode vehicle [DMV]; new transportation system vehicles such as Automated Guideway Transit [AGT], Dual Mode Bus [DMB], Bus Rapid Transit [BRT] and Dual mode vehicle [DMV] , and their parts and fittings; autonomous cars; automated cars; driver assisting vehicles being loaded with automatic driving device; tires for automobiles; tires for vehicles; retreaded tires for automobiles; retreaded tires for vehicles; non-pneumatic tires for small electric cars; non-pneumatic tires for automobiles; inner tubes for automobile tires; inner tubes for vehicle tires; tread rubbers for retreading tires for automobiles; wheels for automobiles; wheels for vehicles; anti-vibration rubbers for automobiles; treads for vehicles [tractor type]; seat cushions for vehicles; hydraulic hoses for vehicles, not of metal; non-pneumatic tires for electric carts for seniors; non-pneumatic tires for golf carts; non-pneumatic tires for electric carts; non-pneumatic tires for all-terrain vehicles;

tires for two-wheeled motor vehicles; retreaded tires for two-wheeled motor vehicles; non-pneumatic tires for two-wheeled motor vehicles; inner tubes for motorcycle tires; wheels for two-wheeled motor vehicles; tires for bicycles; retreaded tires for bicycles; non-pneumatic tires for bicycles; inner tubes for bicycle tires; wheels for bicycles; tread rubbers for retreading tires for two-wheeled motor vehicles and bicycles; electric bicycles; two-wheeled motor vehicles, bicycles and their parts and fittings; wheel rims and wheel covers for aircraft, railway cars, automobiles, two-wheeled motor vehicles and bicycles; wheel rims and wheel covers for Automated Guideway Transit [AGT] vehicles, magnetic levitation trains, monorail vehicles, Light Rail Transit (LRT) vehicles and new transportation system vehicles such as Automated Guideway Transit [AGT], Dual Mode Bus [DMB], Bus Rapid Transit [BRT] and Dual Mode Vehicle [DMV]; valves for tires of aircraft, railway cars, automobiles, two-wheeled motor vehicles and bicycles; valves for Automated Guideway Transit [AGT] vehicles, magnetic levitation trains, monorail vehicles, Light Rail Transit (LRT) vehicles and new transportation system vehicles such as Automated Guideway Transit [AGT], Dual Mode Bus [DMB], Bus Rapid Transit [BRT] and Dual Mode Vehicle [DMV]; adhesive rubber patches for repairing tubes or tires; seat pads for vehicles; air springs for railway cars; air springs; air suspensions; engine mounts; vibration isolating rubber [for land vehicles]; anti-vibration rubbers for railway cars; car seats; automobile seat cushions; rubber tracks for snowmobiles; rubber tracks for all-terrain vehicles; rubber tracks for automobiles; rubber pads for attaching shoe plates of iron crawlers for agricultural tractors.

Class 17:

Seals; hydraulic hoses and other hoses for fluids, not included in other classes; valves of rubber or vulcanized fiber, not including machine elements; gaskets; pipe joints of synthetic resin; non-metal pipe couplings and joints; urethane foams; sound absorbing sponges for automobile tires; plastic semi-worked products; foam rubber, semi-finished products; sound absorbing materials for automobile tires; sound absorbing plates for automobile tires; rubber materials for retreading and repairing tires; rubber materials for repairing tubes; rubber

materials for recapping tires; rubber; packing [cushioning, stuffing] materials of rubber or plastics; washers of rubber or vulcanized fibre; resin pipes; plastic pipes and tubes; high-pressure rubber hoses; rubber hoses for industrial use; polymer films; polymer sheets; flexible tubes, not of metal; hose fittings, not of metal; anti-vibration rubbers; anti-vibration rubbers for industrial purposes; thermoplastic elastomers for use as raw materials of seals; thermoplastic elastomers for use as raw materials of packings; insulating materials.

Class 35:

Providing information concerning commercial sales; providing information concerning sales of used automobiles, used constructing machines including crane trucks and power shovels, used loading-unloading machines and apparatus, used mining machines and apparatus, used waste compacting machines and apparatus, used waste crushing machines, used metalworking machines and tools, and used apparatus and instruments for use in forestry; marketing research or analysis; marketing research concerning used automobiles, used constructing machines including crane trucks and power shovels, used loading-unloading machines and apparatus, used mining machines and apparatus, used waste compacting machines and apparatus, used waste crushing machines, used metalworking machines and tools, and used apparatus and instruments for use in forestry; commercial intermediation services; intermediation services for the purchase and sale of used automobiles, used constructing machines including crane trucks and power shovels, used loading-unloading machines and apparatus, used mining machines and apparatus, used waste compacting machines and apparatus, used waste crushing machines, used metalworking machines and tools, and used apparatus and instruments for use in forestry; retail services or wholesale services for used automobiles and their parts and fittings; retail services or wholesale services for construction machines and their parts and fittings; retail services or wholesale services for used loading-unloading machines and apparatus and their parts and fittings; retail services or wholesale services for mining machines and apparatus and their parts and fittings; retail services or wholesale services for waste compacting machines and apparatus and their parts and fittings; retail services or wholesale services for waste

crushing machines and their parts and fittings; retail services or wholesale services for metalworking machines and tools and their parts and fittings; retail services or wholesale services for apparatus and instruments for use in forestry and their parts and fittings; business management analysis or business consultancy; business management of hotels; collection, management and analysis concerning big data; collection of market research information; collection and analysis of information on vehicles; management, including management of inventory and sales incentives, for retail stores and wholesale stores; retail services or wholesale services for automobiles; retail services or wholesale services for two-wheeled motor vehicles; retail services or wholesale services for bicycles; retail services or wholesale services for electrical machinery and apparatuses; retail services or wholesale services for agricultural machines, implements and supplies; retail services or wholesale services for automobiles and their parts and fittings; retail services or wholesale services in relation to agricultural equipment and their parts and fittings; retail services or wholesale services for shock absorbers, springs, valves, and hoses made of rubber, and their parts and fittings; retail services or wholesale services for pipes made of resin, couplings of resin for pipes, and their parts and fittings; retail services or wholesale services for seismic isolation rubbers, and their parts and fittings; research and consultancy regarding computer-assisted business information; providing information and advice on the selection of tires and driving techniques and practices; providing commercial information and advice related to tire management, namely the selection, maintenance, repair, retreading, replacement and pressure measuring of vehicle tires; business management and organization consultancy in particular for professionals in the pneumatic tire and automobile industries; business management and organization consultancy; arranging and conducting of marketing analysis; input, processing, systemization and compilation into computer databases of information and data relating to vehicle and tire management, arrangement and location determination of vehicles, and routes of the roads; commercial information and advice related to arrangement and location determination of vehicles; consultancy

relating to management, strategy, organization management of businesses and of its employees; provision of advice and information of business administration linked to employment development and professional and social integration; compilation and provision of business information; business analysis, business advice and business consultancy; professional business consultancy; collection, management and analysis of customer information; providing internet-based information concerning sales of tires; sales management, inventory management, logistics services, customer service management of tires and wheels, and providing information relating thereto; retail services or wholesale services for hoses made of rubber, hydraulic hoses, high-pressure rubber hoses, hoses of synthetic resins, fastening fittings of hoses, and hose fittings of metal; electronic order and stock management services.

Class 37:

Repair or maintenance of metalworking machines and tools; providing location information regarding metalworking machines and tools; providing operational status information regarding metalworking machines and tools; providing information regarding maintenance of metalworking machines and tools; providing information regarding location and operational status of metalworking machines and apparatus for construction; providing information regarding location and operational status of metalworking machines and apparatus for repair and maintenance; repair or maintenance of construction machines and apparatus; providing location information regarding construction machines and apparatus; providing operational status information regarding construction machines and apparatus; providing information regarding maintenance of construction machines and apparatus; providing information regarding location and operational status of construction machines and apparatus for construction; providing information regarding location and operational status of construction machines and apparatus for repair and maintenance; repair or maintenance of loading-unloading machines and apparatus; providing location information regarding loading-unloading machines and apparatus; providing operational status information regarding loading-unloading machines and apparatus; providing information regarding maintenance of loading-unloading machines and apparatus; providing information regarding

location and operational status of loading-unloading machines and apparatus for construction; providing information regarding location and operational status of loading-unloading machines and apparatus for repair and maintenance; repair or maintenance of civil engineering machines and apparatus; providing location information regarding civil engineering machines and apparatus; providing operational status information regarding civil engineering machines and apparatus; providing information regarding maintenance of civil engineering machines and apparatus; providing information regarding location and operational status of civil engineering machines and apparatus for construction; providing information regarding location and operational status of civil engineering machines and apparatus for repair and maintenance; repair or maintenance of mining machines and apparatus; providing location information regarding mining machines and apparatus; providing operational status information regarding mining machines and apparatus; providing information regarding maintenance of mining machines and apparatus; providing information regarding location and operational status of mining machines and apparatus for construction; providing information regarding location and operational status of mining machines and apparatus for repair and maintenance; repair or maintenance of machines and apparatus for use in forestry; providing location information regarding machines and apparatus for use in forestry; providing operational status information regarding machines and apparatus for use in forestry; providing information regarding maintenance of machines and apparatus for use in forestry; providing information regarding location and operational status of machines and apparatus for use in forestry for construction; providing information regarding location and operational status of machines and apparatus for use in forestry for repair and maintenance; repair or maintenance of agricultural machines and agricultural implements other than hand-operated; providing location information regarding agricultural machines and agricultural implements other than hand-operated; providing operational status information regarding agricultural machines and agricultural implements other than hand-operated; providing information regarding maintenance of agricultural machines and agricultural implements other than hand-

operated; providing information regarding location and operational status of agricultural machines and agricultural implements other than hand-operated for construction; providing information regarding location and operational status of agricultural machines and agricultural implements other than hand-operated for repair and maintenance; repair or maintenance of waste compacting machines and apparatus; providing location information regarding waste compacting machines and apparatus; providing operational status information regarding waste compacting machines and apparatus; providing information regarding maintenance of waste compacting machines and apparatus; providing information regarding location and operational status of waste compacting machines and apparatus for construction; providing information regarding location and operational status of waste compacting machines and apparatus for repair and maintenance; repair or maintenance of waste crushing machines and apparatus; providing location information regarding waste crushing machines and apparatus; providing operational status information regarding waste crushing machines and apparatus; providing information regarding maintenance of waste crushing machines and apparatus; providing information regarding location and operational status of waste crushing machines and apparatus for construction; providing information regarding location and operational status of waste crushing machines and apparatus for repair and maintenance; repair or maintenance of waste and trash separator machines; providing location information regarding waste and trash separator machines; providing operational status information regarding waste and trash separator machines; providing information regarding maintenance of waste and trash separator machines; providing information regarding location and operational status of waste and trash separator machines for construction; providing information regarding location and operational status of waste and trash separator machines for repair and maintenance; repair or maintenance of snow ploughs; providing location information regarding snow ploughs; providing operational status information regarding snow ploughs; providing information regarding maintenance of snow ploughs; providing information regarding location and operational status of snow ploughs for snow removal; providing

information regarding location and operational status of snow ploughs for repair and maintenance; repair or maintenance of measuring or testing machines and instruments; providing location information regarding measuring or testing machines and instruments; providing operational status information regarding measuring or testing machines and instruments; providing information regarding maintenance of measuring or testing machines and instruments; providing information regarding location and operational status of measuring or testing machines and instruments for repair and maintenance; repair or maintenance of automobiles; providing location information regarding automobiles; providing operational status information regarding automobiles; providing information regarding maintenance of automobiles; providing information regarding location and operational status of automobiles for construction; providing information regarding location and operational status of automobiles for repair and maintenance; repair or maintenance of industrial robots; providing location information regarding industrial robots; providing operational status information regarding industrial robots; providing information regarding maintenance of industrial robots; providing information regarding location and operational status of industrial robots for construction; providing information regarding location and operational status of industrial robots for repair and maintenance; construction and providing information relating thereto; construction by intelligent computerised construction technology via computer communications and providing information relating thereto; construction planning services; consulting services regarding constructions to execute optimal constructions; construction consultancy; construction supervision; supervision of building construction, civil engineering structures and underground structures; operation and maintenance of building equipment and providing information relating thereto; mining and providing advice and information relating thereto; snow removal and providing advice and information relating thereto; repair and maintenance of automobiles and their parts and fittings or inspection, consultancy and information services relating thereto; repair and maintenance of mining, construction, loading-unloading and agricultural machinery, and their parts and

fittings or inspection, consultancy and information services relating thereto; repair and maintenance of shock absorbers, springs, valves, rubber hose and their parts and fittings or inspection, consultancy and information services relating thereto; repair and maintenance of pipes made of resin, couplings of resin for pipes, and their parts and fittings or inspection, consultancy and information services relating thereto; repair and maintenance of seismic isolation rubber and their parts and fittings or inspection, consultancy and information services relating thereto; information services on maintenance of automobile tires, by telecommunication, relating to tire pressure and tire temperature; inspection, consultancy and information services relating to retreading of tires; repair and maintenance of motor vehicles and their parts; repair and maintenance of tires for motor vehicles; retreading of tires; repair and maintenance of two-wheeled motor vehicles and their parts; repair and maintenance of tires for two-wheeled motor vehicles; repair and maintenance of bicycles and their parts; repair and maintenance of tires for bicycles; repair and maintenance of aircraft and tires for aircraft; vehicle washing; providing information related to building work and piping work; giving advice related to building work and piping work; repair, maintenance, installation, and changing of aircraft including tires and wheels, and consultancy and information services relating thereto; repair and maintenance of rubber bearings for seismic isolation of buildings and their parts and fittings, and inspection, consultancy and information services relating thereto; caulking services for rubber hose, hydraulic hose, high pressure rubber hose, and synthetic resin hose; repair and maintenance of rubber hose, hydraulic hose, high pressure rubber hose, synthetic resin hose, metal hose clamps, metal couplings for hoses, and their parts and fittings, and inspection, consultancy and information services relating thereto; repair and maintenance of conveyer belts and their parts and fittings, and inspection, consultancy and information services relating thereto; repair and maintenance of rubber tracks and their parts and fittings, and inspection, consultancy and information services relating thereto; inspection services for detection of leaks in plumbing.

Class 39:

Providing information regarding operational control and operational status of cars and dump trucks; providing information regarding dynamic control of cars and dump trucks; providing information regarding the location of cars and dump trucks; transport of cars and dump trucks and providing information relating thereto; consultancy relating to planning of operational control of cars and dump trucks in transport; providing information regarding the operational control and operational status of the land vehicles; providing information regarding the operating location of land vehicles; physical storage of electronic media containing data, drawings, texts, digital photographs, music, images, video and electronic data; warehousing services; advisory services relating to the storage and transportation of goods, freight or cargo; freighting services; rental of warehouse space; rental of land vehicles; advisory, consultancy and information services relating to transportation; providing information relating to vessels; providing information relating to operation status of aircraft; providing information relating to operation status of railway cars; providing information relating to operation status of Automated Guideway Transit [AGT] vehicles; providing information relating to operation status of magnetic levitation trains; providing information relating to operation status of monorail vehicles; providing information relating to operation status of next-generation streetcars such as light rail vehicles; providing information relating to operation status of new transportation system vehicles such as automated guideway transit [AGT], dual mode bus [DMB], bus rapid transit [BRT] and Dual Mode Vehicle [DMV]; providing information relating to operation status of autonomous cars or automated cars; providing information relating to operation status of vehicles with driving assistance functions; providing information relating to operation status of automobiles; providing information relating to operation status of small electric cars; providing information relating to operation status of treads for vehicles [tractor type]; providing information relating to operation status of mobility scooters; providing information relating to operation status of golf carts; providing information relating to operation status of electric carts; providing information relating to operation status of all-terrain vehicles;

providing information relating to operation status of two-wheeled motor vehicles; providing information relating to operation status of bicycles; providing information relating to vehicle operation status; providing road and traffic information; providing information relating to computers for vehicles with autonomous driving functions or autonomous driving assistance functions; providing information relating to computers for vehicles with automated driving functions or automated driving assistance functions; providing information relating to computer programs for vehicles with autonomous driving functions or autonomous driving assistance functions; providing information relating to computer programs for vehicles with automated driving functions or automated driving assistance functions; providing information relating to autonomous driving or automated driving devices for automobiles comprised of telecommunication machines and apparatus, electrical and electronic control apparatus and instruments, remote control apparatus, photographic machines and apparatus, and automatic adjusting/regulating machines and instruments including radar apparatus, scanners [data processing equipment], cameras, video cameras, sensors [measurement apparatus], other than for medical use, and alarms, for autonomous driving or automated driving of automobiles; providing information relating to telecommunication machines and apparatus for autonomous driving or automated driving of automobiles; providing information relating to electrical and electronic control apparatus and instruments for autonomous driving or automated driving of automobiles; providing information relating to remote control apparatus for autonomous driving or automated driving of automobiles; providing information relating to photographic machines and apparatus for autonomous driving or automated driving of automobiles; providing information relating to autonomous parking or automated parking devices for automobiles comprised of telecommunication machines and apparatus, electrical and electronic control apparatus and instruments, remote control apparatus, photographic machines and apparatus, and automatic adjusting/regulating machines and instruments including radar apparatus, scanners [data processing equipment], cameras, video cameras, sensors [measurement apparatus], other than for medical use, and alarms, for autonomous

parking or automated parking of automobiles; providing information relating to telecommunication machines and apparatus for autonomous parking or automated parking of automobiles; providing information relating to electrical and electronic control apparatus and instruments for autonomous parking or automated parking of automobiles; providing information relating to remote control apparatus for autonomous parking or automated parking of automobiles; providing information relating to photographic machines and apparatus for autonomous parking or automated parking of automobiles; providing information relating to radar apparatus, scanners [data processing equipment], cameras, video cameras, sensors [measurement apparatus] other than for medical use, alarms and automatic adjusting/regulating machines and instruments for automobiles comprised thereof; vehicle-driving services; battery charging services for electric vehicles; providing information relating to towing and transportation of vehicle breakdown.

Class 42:

Computer software design, computer programming and maintenance of computer software; design and development of operating software for accessing and using a cloud computing network; computer programming for information management; providing computer programs; cloud computing; rental of operating software for accessing and using cloud computing network; electronic data storage and data back-up services; electronic storage of data, drawings, texts, digital photographs, music, images, video and electronic data by cloud computing; computer data processing; technical data analysis; surveying and engineering services; testing, data-analysing and measuring regarding civil engineering and building construction; drafting of building construction, civil engineering structures and underground structures and consultancy relating thereto; technical project planning; testing and research services relating to machines, apparatus and instruments; designing of machines, apparatus, instruments [including their parts] or systems composed of such machines, apparatus and instruments; design and development of computer hardware, software and databases; technical advice relating to operation of machines; technical advice relating to operation of computer programs; technological advice relating to computers, automobiles and industrial machines; analysis

and consultancy of consumed fuel, fuel level and operating data of metalworking machines and tools, construction machines and apparatus, loading-unloading machines and apparatus, mining machines and apparatus, machines and apparatus for use in forestry, agricultural machines and agricultural implements other than hand-operated, waste compacting machines and apparatus, waste crushing machines and apparatus, waste and trash separator machines, snow ploughs, measuring or testing machines and instruments, automobiles, and industrial robots; analysis and consultancy of consumed power, charge level and operating data of metalworking machines and tools, construction machines and apparatus, loading-unloading machines and apparatus, mining machines and apparatus, machines and apparatus for use in forestry, agricultural machines and agricultural implements other than hand-operated, waste compacting machines and apparatus, waste crushing machines and apparatus, waste and trash separator machines, snow ploughs, measuring or testing machines and instruments, automobiles, and industrial robots; energy auditing; consultancy in the field of energy efficiency; consultancy in the field of energy-saving; designing of tires, other than for advertising purposes; designing, programming or maintenance of computer programs for managing information of belts for conveyors; designing, programming or maintenance of computer programs for simulation relating to tires and road surface condition; designing, programming or maintenance of computer programs relating to visualization tools for solution effectiveness, such as improvement of productivity, optimization of inventory and improvement of efficiency, by various combinations of products and services; technical advice relating to specialized knowledge as to tires and methods to check up on tires; technical analysis and consulting services related to the selection, condition, maintenance, retreading or replacement of tires; technical analysis and consulting services related to the selection, condition, maintenance and replacement of vehicle component parts, spare parts and accessories; technical analysis and consulting services related to the selection and maintenance of automobiles and their parts and fittings; technical analysis and consulting services related to the selection and maintenance of

mining, construction, loading-unloading and agricultural machinery, and their parts and fittings; technical analysis and consulting services related to the selection and maintenance of shock absorbers, springs, valves, and hoses made of rubber, and their parts and fittings; technical analysis and consulting relating to services including the selection and maintenance of pipes of resin, pipe couplings of resin, and parts and fittings therefor; technical analysis and consulting relating to services including the selection and maintenance of rubber bearings for seismic isolation of buildings and their parts and fittings; rental of computers; providing computer programs for vehicle drive information, vehicle kinetic information and tire pressure information; providing computer programs for managing information of belts for conveyors; providing computer programs for simulation relating to tires and road surface condition; providing computer programs relating to visualization tools for solution effectiveness, such as improvement of productivity, optimization of inventory and improvement of efficiency, by various combinations of products and services; technical consultancy or providing information relating to the manufacture and use of tires and their parts; testing or research on tires and road surface condition and information services relating thereto; providing computer programs regarding management of inventory and sales incentives for retail stores and wholesale stores; remote control for computer systems; monitoring of computer systems by remote access; remote control of data from in-vehicle systems; monitoring of data from in-vehicle systems by remote access; services with computer programs relating to visualization tools for solution effectiveness, such as improvement of productivity, optimization of inventory and improvement of efficiency, by various combinations of products and services; testing or research on vehicles and their parts and fittings with autonomous driving functions or autonomous driving assistance functions and information services relating thereto; testing or research on next-generation streetcars and their parts and fittings and information services relating thereto; testing or research on new transportation system vehicles such as automated guideway transit [AGT], dual mode bus [DMB], bus rapid transit [BRT] and Dual Mode Vehicle [DMV], and their parts and

fittings and information services relating thereto; providing computer programs connected with customers' systems for improving productivity at customers by inventory management and quality management of tires; providing technical information and consultancy related to tire management, namely the selection, maintenance, repair, retreading, replacement and pressure measuring of vehicle tires; expertise services in connection with the selection, condition, maintenance and repair of tires, spare parts and accessories for vehicles; providing technical information and consultancy related to vehicle and trailer tracking; testing and quality control of tires and inner tubes; design of business premises such as retail stores and wholesale stores for the tire trade; development, design, maintenance, publishing and providing of software, mobile applications, databases and web sites; providing search engines for obtaining data via communications networks; conducting technical project studies; studies and research relating to waste disposal; providing computer programs for information related to tire pressure and internal tire temperature; technical analysis and consulting services related to the selection or maintenance of rubber bearings for seismic isolation of buildings; technical analysis and consulting services related to the selection or maintenance of belts for conveyors, and their parts and fittings; technical analysis and consulting services related to the selection or maintenance of rubber tracks for use with crawlers, and their parts and fittings; measurement of concentration of sludge in pipes; providing software regarding management of inventory; providing computer software for analysis and monitoring by remote access.
