**Notices of proposed correction of errors in the register of trade marks
under section 57(6) of the Trade Marks Ordinance (Cap. 559) and
rule 66 of the Trade Marks Rules (Cap. 559 sub. leg.)**

It has come to the attention of the Registrar of Trade Marks that there are errors (listed below) in the register of trade marks in respect of the specification of certain registrations.

The Registrar is taking immediate action to correct the errors in the register under section 57(6) of the Trade Marks Ordinance (Cap. 559) and rule 66 of the Trade Marks Rules (Cap. 559 sub. leg.). The Registrar is sending notices to the registered owner as well as any other persons who may be concerned (e.g. registered licensees) informing them of the errors and the correction proposed to be made.

If you are concerned with the correction proposed to be made to any of the registrations listed and you have not received a notice from the Registrar issued pursuant to rule 66 of the Trade Marks Rules, you may, within 3 months after the date of this notice, make written objections to the proposed correction stating the grounds of your objection. If no objections are filed within that period, the Registrar may proceed to make the proposed correction to the register.
