### ACCEPTANCE FOR REGISTRATION (FULL VERSION)

The Registrar of Trade Marks has accepted the following trade marks for registration under section 42 of the Trade Marks Ordinance (Cap. 559). Under section 43 of the Trade Marks Ordinance and rule 15 of the Trade Marks Rules (Cap. 559 sub. leg.), the particulars of the applications are published.

Under section 44 of the Trade Marks Ordinance and rule 16 of the Trade Marks Rules, any person who wishes to oppose the registration of any of these marks shall, within the 3-month period beginning on the date of this publication, file a notice of opposition on Form T6. (For example, if the publication date is 4 April 2003, the last day of the 3-month period is 3 July 2003.) The notice of opposition shall include a statement of the grounds of opposition and the matters referred to in rule 16(2). The opponent shall, at the same time as he files the notice of opposition, send a copy of it to the applicant of the application in question.

For applications for registration accepted by the Registrar of Trade Marks under section 13 of the Trade Marks Ordinance (Cap. 43)/section 10 of Schedule 5 to the Trade Marks Ordinance (Cap. 559), please view e-gazette at <http://www.gld.gov.hk/cgi-bin/gld/egazette/index.cgi?lang=e&agree=0>.

Specification:

Scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signalling, checking (supervision), life-saving and teaching apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; apparatus for recording, transmission or reproduction of sound or images; magnetic data carriers, recording discs; mechanisms for coin-operated apparatus; cash registers, calculating machines, data processing equipment and computers; computer programs; software for processing electronic payments to and from others; authentication software; computer software supplied on the Internet; on-line electronic publications (downloadable from the Internet or a computer network or a computer database); downloadable computer software to facilitate the electronic transmission of information, data, documents, voice, and images over the Internet; Downloadable computer software which allows users to participate in web-based meetings and classes, with access to data, documents, images and software applications through a web browser; Downloadable computer software for accessing, viewing, and controlling remote computers and computer networks; Downloadable electronic publications in the nature of articles, papers, and instructional materials in the fields of telecommunications, the Internet, training, business, sales, and marketing; computer software, computer peripherals; notebook computers; laptop computers; portable computers; handheld computers; personal digital assistants; personal media players; mobile telephones; smart phones; digital cameras; computer workstations; servers; computer and telecommunications networking hardware; computer network adaptors, switches, routers and hubs; wireless and wired modems and communication cards and devices; laptop holders, computer bags; fire-extinguishing apparatus; computer hardware and firmware; computer software (including

software downloadable from the Internet); compact discs; digital music (downloadable from the Internet); telecommunications apparatus; mouse mats; mobile phone handsets; mobile phone accessories; downloadable games, pictures, motion pictures, movies and music; alarm systems; security cameras; mobile radio and television broadcasting units; television broadcasting equipment; cameras; video cameras; headphones; ear pieces; speakers; Global Positioning System (GPS) apparatus and equipment; computer, electronic and video games programmes and software (including software downloadable from the Internet); liquid crystal displays for telecommunications and electronic equipment; set top box; remote control; data storage programs; spectacles and sunglasses; signboards; encoded or magnetic bank credit, debit, cash and identification cards; automatic teller machines, cash dispensers; all included in class 9.

Class 16:

Newspapers; magazines; periodicals; journals; paper, cardboard and goods made from these materials, not included in other classes; printed matter; bookbinding material; photographs; stationery; adhesives for stationery or household purposes; artists' materials; paint brushes; typewriters and office requisites (except furniture); instructional and teaching material (except apparatus); plastic materials for packaging (not included in other classes); printers' type; printing blocks; books, pamphlets, posters, printed cards, circulars, catalogues, calendars, price tags, price labels; carry bags of paper, cardboard and plastic; printed telephone, facsimile, electronic mail and web site directories; cards in the form of debit cards, credit cards, charge cards and telephone cards other than encoded and magnetic cards; marketing and promotional materials; printed advertisements; user manuals; packaging materials; tissues; handkerchiefs made of paper; models and figurines made of paper; paper party bags; all included in class 16.

Class 35:

Advertising; business management; business administration; office functions; electronic data storage; organisation, operation and supervision of loyalty and incentive schemes; advertising services provided via the Internet; production of television and radio advertisements; accountancy; auctioneering; trade fairs; opinion polling; data processing; provision of business information; advertising agency services; advertising services provided for others; database management; compilation of information into computer databases; business consulting services; business consulting services in the field of web based events, conferences, training programs, learning programs, and seminars; business consulting services in the field of delivering web-based knowledge; business consulting services in the field of online collaboration and collaboration technologies; business consulting services in the fields of sales and marketing; business project management services; business project management services relating to development, set up, staging, production, recording, monitoring and follow-up for web based events, conferences, training programs, learning programs, and seminars; market research and business

consulting services; business consultancy services relating to facilitating the transaction of business via local and global computer networks by locating and providing referrals for the delivery of a wide variety of business and consumer products and services; dissemination of business information of goods and services of others via local and global computer networks; business consultancy services relating to providing a web site on a global computer network by which third parties can offer and source goods and services, place, determine the status of and fulfill trade leads and orders, enter into contracts and transact business; providing computerized online ordering services; advertising of goods and services of others via local and global computer networks; international import and export agency services; rental of advertising space on communication media; online trading services relating to electronic auctioneering and providing online business evaluation relating thereto; online retail services of consumer products; providing a directory of third party web sites to facilitate business transactions; business consultancy services relating to operating an electronic marketplace for the buyers and sellers of goods and/or services on a global computer network; business assistance relating to facilitating business transaction via local and global computer networks; corporate management consultancy services; marketing and promotion services; publication of publicity materials; marketing of vacant premises; dissemination of advertising materials, updating of advertising materials, compilation of advertisements for use as web pages on the Internet; rental of advertising space; computer data processing; sales, business, promotional information services; telephone answering (for unavailable subscribers); telephone answering (for others); auctioneering provided on the Internet; personnel management; provision of sales, business, advertising and promotional information through a global computer network and via the Internet; presentation of goods on communication media for retail purposes; the bringing together, for the benefit of others, of a variety of goods, enabling customers to conveniently view and purchase those goods from a general merchandise Internet web site and in a wholesale outlet; the bringing together, for the benefit of others, of a variety of goods, enabling customers to conveniently view and purchase those goods from a general merchandise catalogue by mail order or by means of telecommunications; the bringing together, for the benefit of others, of a variety of goods, enabling customers to conveniently view and purchase those goods from retail outlets; retail and wholesale of telephones, mobile phone handsets, mobile phone accessories, electronic and telecommunications goods, computer hardware and computer software, batteries, battery chargers, apparatus and instruments for recording, receiving, transmitting and/or reproducing data, information, pictures, images and/or sound, precious metals, jewellery, precious stones, printed matter, stationery and magnetic and non magnetically encoded cards, furniture, picture frames, household and kitchen utensils, glassware, porcelain and earthenware, textiles, clothing, footwear, headgear, laces and embroidery, buttons, ribbons, pins and needles, artificial flowers, carpets, rugs, games and electronic toys,

chemicals used in industry, science, photography and agriculture, paints, varnishes and lacquers, personal hygiene products, soaps, perfumery, cosmetics, hair and body lotions, essential oils, cleaning and bleaching preparations, lubricants, fuels, candles, pharmaceutical, veterinary and sanitary preparations, ironmongery and small items of metal hardware, machines and machine tools, cutlery, razors and hand tools, computers, calculating machines, electrical, photographic, cinematographic and optical apparatus and instruments, spectacles and sun glasses, surgical and medical apparatus and instruments, apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes, vehicles, firearms, fireworks, silverware, horological and chronometric instruments, musical instruments, magazine, cards, paper and cardboard products, picture, typewriters and office requisites, packaging materials, rubber and plastics for manufacture use, packing and insulating materials, leather and imitations of leather and goods made from these materials, handbags, purses, wallets, leather holders, bags, luggage, umbrellas, mirrors, ropes, string, nets, tents, yarns and threads for textile use, coat hangers, place mats, dressmaker's articles, bed and table covers, playthings and sporting articles, foodstuffs and beverages, meat, fish, poultry, preserved, dried and cooked fruits and vegetables, jams and fruits sauces, eggs, milk and milk products, edible oils and fats, coffee, tea, cocoa, sugar, rice, flour, bread and cakes, condiments, fresh fruit and vegetables, beer, mineral water, fruit juices and other non-alcoholic drinks, alcoholic beverages, floral products, tobacco, smokers' articles and matches; direct mail advertising; buying and selling agency services; selection of goods and procurement of goods for individuals and businesses; ordering services [for others]; department store retailing services; supermarket retailing services; secretarial services; provision of business statistical information; organisation of exhibitions for commercial or advertising purposes; business assistance services relating to compilation and rental of mailing lists; business investigation; business administration services for the processing of sales made on the Internet; business referral services and personnel placement; import-export clearance agencies (import-export agency services); agency for newspapers subscriptions; document reproduction; transcription (including stencil-paper writing); rental of office equipment; customer relationship management; business management services relating to electronic commerce; business management and administration services relating to sponsorship programmes; accounting services; charitable services, namely organizing and conducting volunteer programmes and community service projects; consultancy, information and advisory services relating to the aforesaid services; all included in class 35.

Class 36:

Insurance; financial affairs; monetary affairs; real estate affairs; clearing and reconciling financial transactions via a global computer network; online banking services and financial services; credit card services, processing and transmission of bills and payments thereof, and providing insurance for financial

transactions; funds transfer services; transmission of funds by electronic means for others; transfer of payments for others via the internet; financial services in the nature of billing and payment processing services; arrangement and management of leases and tenancy; renting and leasing of real estate; real estate appraisal; real estate valuation, real estate financing, real estate investment; real estate brokerage services; real estate agency services; housing agency services; actuarial services; real estate management and consultancy services; rent collection; rental of offices (real estate); rental of apartments and flats; provision of financial information via the Internet; safety deposit and issuing of travel vouchers services; capital investments; financial evaluation [insurance, banking, real estate]; financial and asset management services; insurance and financial services; financial services provided by telecommunication means; financial consultancy and advisory services; home banking; banking services provided on-line from a computer databases or the Internet; securities brokerage services, stock exchange quotation services; stocks and bonds brokerage, financial analysis; debit card services, charge card services and cheque guarantee services; banking, savings account and investment services; financial clearing services; credit verification via global computer information network; electronic credit risk management services; electronic purchase payment and electronic bill payment services; financial accounts debiting and crediting services; electronic banking services; issuance of stored value cards, charge cards and debit cards; telephone credit cards services; information services relating to finance and insurance, provided online from a computer database or Internet; agency for collection of gas and electricity fees; antique appraisal; art appraisal; jewelry appraisal; used car appraisal; tax information supply; charitable fund raising; organizing of charitable collections; charitable collections; rental of paper money and coin counting or processing machines; rental of cash dispensers or automated-teller machines; online payment services; rental and/or leasing of safes; consultancy, information and advisory services relating to the aforesaid services; all included in class 36.

Class 38:

Telecommunications services; providing web-based multimedia teleconferencing, videoconferencing, and online meeting services that allow simultaneous and asynchronous viewing, sharing, editing, and discussion of documents, data, and images by participants via a web browser; providing customers with online access to online reports regarding the performance, effectiveness, and status of web-based applications, teleconferences, videoconferences, and meetings; providing users with secure remote access via the Internet to private computer networks; providing online collaboration services allowing users to access applications, platforms, jointly-shared documents, data, task lists, and discussion forums; Internet broadcasting services, providing an online database of information regarding web-based broadcasting complaint submission platform; provision of telecommunication access and links to computer database and to the Internet;

electronic communication services; interactive telecommunications services; telecommunication of information (web pages), computer programs and data; providing telecommunications connections to the Internet or data bases; provision of telecommunication access to world-wide web facilities and structures; communication by computer terminals; communication by fibre optic networks; computer aided transmission of messages and images; facsimile transmission; message sending; paging services; rental of modems; data communication services by electronic means; rental of telecommunication equipment; electronic message sending, receiving and forwarding services; collection, transmission and delivery of data by electronic means; collection, transmission and delivery of mail messages, still picture and/or moving picture information such as characters, messages, music and images, telegrams, information and data by mechanical, electronic, telephone, telex, cable, computer and satellite means; transmission, broadcast and reception of audio, video, still and moving images and data whether in compressed or uncompressed form and whether in real or delayed time; electronic messaging, conferencing and order-transmission services; video conferencing services; communication by electronic bulletin board that enables users to perform a real-time interactive talk between a computer terminal and an electronic bulletin board containing still picture and moving picture information and voice information such as characters; providing electronic bulletin boards and message boards for transmission of messages; provision of online discussion forums; television broadcasting services; broadcasting and transmission of radio and television programmes; music broadcasting; transmission of music, films, interactive programmes, videos, electronic computer games; transmission of information relating to on-line shopping and general retail services; video-on-demand transmission services; news agency services; providing access to computer database on the global computer network for searching and retrieving information, data, web sites and resources available on computer networks; providing user access to a computer database containing electronic publications, bulletin boards, database and information accessible via computer; operation of chat rooms (chat room services); multiple user access to global computer information networks for the transfer and dissemination of a wide range of information; providing access to a website on a global computer network by which third parties can offer goods and services, place and fulfill orders, enter into contracts and transact business; providing access to an interactive website on a global computer network for third parties to post information, respond to requests and place and fulfill orders for products, services and business opportunities; communication services, namely, text and numeric digital messaging services; transmission of information by data communications for assisting decision making; transmission of information through video communication systems; web conferencing services; electronic communication services for establishing virtual chatrooms via text messaging; providing electronic bulletin boards for the posting and transmission of messages among and between computer users concerning products, services and business
